**Item 3. Source and Amount of Funds or Other Consideration**

The source and amount of funds used in purchasing the Stock and warrants to purchase the Stock were as follows:

Purchaser	Source of Funds	Amount
The Funds	Working Capital	\$30,809,827.66 <sup>3</sup>

This amount includes \$5,000,000 paid by the Funds for 500,000 shares of the Issuer's Common Stock in a PIPE Transaction (as defined in Item 6 below) on September 2, 2021, and \$24,000,000 paid by the Funds for 2,400,000 of the Issuer's Units ("Units") on November 24, 2020, in connection with the Issuer's initial public offering. Each Unit consisted of one Class A ordinary share of the Issuer and one-half of one redeemable warrant entitling the holder to purchase one Class A ordinary share of the Issuer at a price of \$11.50 per share.

<sup>3</sup> Includes \$19,300,180.00 paid by the Master Fund from its working capital.

**Item 4. Purpose of Transaction**

The Filers acquired the Stock for investment purposes. Crescent Park assisted management of the Issuer in analyzing and conducting due diligence on potential acquisition targets identified by the Issuer. The Issuer completed its initial business combination on September 2, 2021. Accordingly, Crescent Park does not intend to make any recommendations to Issuer's directors and officers regarding any other potential acquisitions, mergers, reorganizations and liquidations of the Issuer and its subsidiaries.

The Filers will routinely monitor the Issuer regarding a wide variety of factors that affect their investment considerations, including, current and anticipated future trading prices of the Stock and other securities, the Issuer's operations, assets, prospects, financial position, and business development, Issuer's management, Issuer-related competitive and strategic matters, general economic, financial market and industry conditions, and other investment considerations. Depending on their evaluation of various factors, the Filers may take such actions regarding their holdings of the Issuer's securities as they deem appropriate in light of circumstances existing from time to time. Such actions may include purchasing additional Stock in the open market, through privately negotiated transactions with third parties or otherwise, and selling at any time, in the open market, through privately negotiated transactions with third parties or otherwise, all or part of the Stock now owned or hereafter acquired by any of them. The Filers also may from time to time enter into or unwind hedging or other derivative transactions with respect to the Stock or pledge their interests in the Stock to obtain liquidity. In addition, from time to time the Filers and their representatives and advisers may communicate with other stockholders, industry participants and other interested parties about the Issuer.

The Filers have no present plan or proposal that relates to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D of the Act. However, the Filers may recommend action to the Issuer's management, board of directors and stockholders. Any such actions could involve one or more of the events referred to in clauses (a) through (j) of Item 4 of Schedule 13D, including, potentially, one or more mergers, consolidations, sales or acquisitions of assets, change in control, issuances, purchases, dispositions or pledges of securities or other changes in capitalization.

#### **Item 6. Contracts, Arrangement, Understandings or Relationships with Respect to Securities of the Issuer**

On March 25, 2021, the Issuer entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Shepard Merger Sub Corporation, a Delaware corporation and direct, wholly owned subsidiary of the Issuer, Redwire, LLC, a Delaware limited liability company (“Holdings”) and Cosmos Intermediate, LLC, a Delaware limited liability company and direct, wholly owned subsidiary of Holdings (the “Company”). In connection with the Merger Agreement, the Company and Holdings entered into a voting and support agreement (the “Voting Agreement”) with the Funds, pursuant to which the Funds have agreed (i) to vote in favor of adopting the Merger Agreement and the transactions contemplated thereby (the “Transactions”), amending and restating the Issuer’s amended and restated memorandum and articles of association and certain other matters at a special stockholders meeting and (ii) not elect to redeem the Stock or tender or submit it for redemption. Also in connection with the execution of the Merger Agreement, the Issuer entered into a subscription agreement (the “2021 Subscription Agreement”) with the Funds, pursuant to which the Funds agreed to purchase shares of the Stock at a purchase price of \$10.00 per share (the “PIPE Financing”). The PIPE Financing and the Transactions were consummated on September 2, 2021. The 2021 Subscription Agreement provides for certain registration rights with respect to the Stock issued in the PIPE Financing and will terminate on the earlier to occur of the termination of the Merger Agreement and the mutual written agreement of the parties thereto.

In addition to the Voting Agreement and the 2021 Subscription Agreement, the Funds are parties to a Subscription Agreement dated November 18, 2020 (the “2020 Subscription Agreement”), with Genesis Park Holdings, the sponsor of the Issuer (the “Sponsor”), pursuant to which the Funds acquired a membership interest in the Sponsor for nominal consideration in connection with the purchase of the Units. The 2020 Subscription Agreement entitles the Funds to an aggregate interest in up to 11% of the founder shares of the Issuer held by the Sponsor, assuming an offering of \$150,000,000 of Units, and subject to adjustment if the size of the Issuer’s initial public offering changes, if the underwriters exercise their overallotment option, if the Funds purchase fewer than 3,000,000 Units in the initial public offering or if the Funds do not hold a minimum number of ordinary shares at the time of the Issuer’s initial business combination.

The Funds’ interest in such founder shares will be treated the same in all material respects as the founder shares held by the Sponsor, except the Funds will forfeit their interest in the founder shares if they do not purchase a minimum number of Units sold in the Issuer’s initial public offering (subject to adjustment based on the size of the offering).

Pursuant to the 2020 Subscription Agreement, the Funds were not granted any material additional shareholder or other rights and were only issued a membership interest in the Sponsor with no right to control the Sponsor or vote or dispose of the founder shares (which will continue to be held by the Sponsor until following the Issuer’s initial business combination).

The foregoing description of the Voting Agreement, the 2021 Subscription Agreement and the 2020 Subscription Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement, which is incorporated herein by reference.
