**PROPOSED MERGERS—YOUR VOTE IS VERY IMPORTANT**

To the stockholders of Redwire Corporation:

On January 20, 2025, Redwire Corporation (“Redwire”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Edge Autonomy Ultimate Holdings, LP, a Delaware limited partnership (*f/k/a* UAVF Ultimate Holdings, LP) (“Seller”), Edge Autonomy Intermediate Holdings, LLC, a Delaware limited liability company (*f/k/a* UAVF Intermediate Holdings, LLC) (“Edge Autonomy”, and together with its subsidiaries, the “Edge Autonomy Group”), Echelon Merger Sub, Inc., a Delaware corporation and a direct wholly-owned subsidiary of Redwire, and Echelon Purchaser, LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Redwire, as amended on February 3, 2025, pursuant to which Redwire will, via the mergers set forth in the Merger Agreement (the “Mergers”), acquire the Edge Autonomy Group.

The board of directors of Redwire (the “Redwire Board”), upon the recommendation of the special committee of the Redwire Board (the “Redwire Special Committee”), has approved the Merger Agreement and the transactions contemplated thereby, including the Mergers and the issuance of shares of common stock of Redwire, par value \$0.0001 per share (“Redwire Common Stock”), as partial consideration in the Mergers (the “Stock Issuance”), and Redwire intends to hold a special stockholder meeting to approve the Mergers, including the Stock Issuance pursuant to the Mergers (the “Transactions”).

As provided in the Merger Agreement, in connection with and at the time of the closing of the Mergers (the “Effective Time” or the “Closing”), all equity securities of Edge Autonomy issued and outstanding immediately prior to the Effective Time will be converted into the right to receive merger consideration consisting of \$925 million (the “Merger Consideration”), subject to customary adjustments for indebtedness, cash, working capital and transaction expenses, payable in a combination of cash (the “Cash Consideration”) and shares of Redwire Common Stock (the “Equity Consideration”). The number of shares comprising the Equity Consideration will be determined by dividing (i) the Merger Consideration less the Cash Consideration by (ii) \$15.07, which represents the volume-weighted average trading price of Redwire Common Stock on the New York Stock Exchange (“NYSE”) for the thirty (30) trading days ending on January 17, 2025 (provided that no Equity Financing is consummated). The Cash Consideration will be \$150 million (subject to increase if an Equity Financing is consummated), provided a portion of such amount will be used by Redwire to discharge certain obligations of the Edge Autonomy Group with respect to indebtedness, transaction expenses and bonus payments that remain outstanding immediately prior to the Closing and after giving effect to Edge Autonomy’s pre-Closing payments with respect to such obligations. Redwire intends to fund the Cash Consideration with cash on Redwire’s balance sheet and proceeds from new debt facilities that Redwire expects to enter into prior to the Closing. The issuance of the Equity Consideration will be made in reliance on an exemption from the registration provisions of the Securities Act of 1933, as amended, set forth in Section 4(a)(2) thereof, relating to sales by an issuer not involving a public offering.

Redwire Common Stock trades, and, if the Mergers, including the Stock Issuance pursuant to the Mergers, are consummated, will continue to trade, on the NYSE under the symbol “RDW.”

The proxy statement accompanying this letter provides information regarding (i) the Redwire Special Meeting (as defined below), (ii) the Merger Agreement and (iii) the Mergers (including the Stock Issuance). You are strongly encouraged to review carefully and in its entirety both (a) the Proxy Statement and (b) the complete copy of the Merger Agreement attached as *Annex A*, as well as the other materials attached to the Proxy Statement or incorporated herein by reference, before making any voting decisions.

Redwire will hold the special meeting of Redwire stockholders (including any postponements or adjournments thereof, the “Redwire Special Meeting”) virtually, via live audio webcast on June 9, 2025 at 10:00 a.m. Eastern Time. You will be able to attend the meeting online by visiting [www.virtualshareholdermeeting.com/RDW2025SM](http://www.virtualshareholdermeeting.com/RDW2025SM). You will be able to submit questions and vote your shares electronically during the meeting by logging in using the 16-digit control number included on your proxy card or on the voting instruction form accompanying these proxy materials. You will not be able to attend the Redwire Special Meeting in person. At the Redwire Special Meeting, Redwire stockholders will be asked to:

1. approve the Mergers, including the Stock Issuance pursuant to the Mergers; and
2. approve one or more adjournments of the Redwire Special Meeting, if appropriate, to solicit additional proxies if there are insufficient votes to approve the Transactions at the time of the Redwire Special Meeting.

**The Redwire Board recommends that Redwire stockholders vote “FOR” each of the proposals presented at the Redwire Special Meeting.**

Concurrently with the execution of the Merger Agreement, certain affiliates of AE Industrial Partners, LP, a Delaware limited partnership, BCC Redwire Aggregator, L.P., a Delaware limited partnership (“Bain”) and Genesis Park II LP, a Delaware limited partnership (“Genesis Park”), entered into separate voting and support agreements (the “Voting Agreements”) with Redwire in which each has agreed to vote “**FOR**” the Transactions at the Redwire Special Meeting, on the terms and subject to the conditions in the Voting Agreements. At the close of business on April 22, 2025, the record date for the Redwire Special Meeting (the “Record Date”), the parties to the Voting Agreements represented an aggregate of approximately 69.2% of Redwire’s total outstanding voting power, and approximately 46.5% of Redwire’s outstanding voting power held, as of the Record Date, other than by (i) AE Industrial Partners, LP and any of its affiliates (“AE Industrial”) and (ii) (1) persons that Redwire has determined to be “officers of Redwire” within the meaning of Rule 16a-1(f) of the Securities Exchange Act of 1934, as amended, and (2) members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial).

## NOTICE OF SPECIAL MEETING OF STOCKHOLDERS TO BE HELD JUNE 9, 2025

To the Redwire stockholders:

A special meeting of stockholders of Redwire Corporation, a Delaware corporation ("Redwire"), will be held virtually, via live audio webcast on June 9, 2025 at 10:00 a.m. Eastern Time (including any postponements or adjournments thereof, the "Redwire Special Meeting"). You will be able to attend the meeting online by visiting [www.virtualshareholdermeeting.com/RDW2025SM](http://www.virtualshareholdermeeting.com/RDW2025SM). You will be able to submit questions and vote your shares electronically during the meeting by logging in using the 16-digit control number included on your proxy card or on the voting instruction form accompanying these proxy materials. You will not be able to attend the Redwire Special Meeting in person.

The Redwire Special Meeting is being held for the following purposes:

1. to approve the Mergers (as defined below), including the issuance of shares of Redwire Common Stock pursuant to the Mergers (the "Stock Issuance") set forth in the Agreement and Plan of Merger (the "Merger Agreement") dated January 20, 2025 (as amended on February 3, 2025) by and among Redwire, Edge Autonomy Ultimate Holdings, LP, a Delaware limited partnership (*f/k/a* UAVF Ultimate Holdings, LP), Edge Autonomy Intermediate Holdings, LLC, a Delaware limited liability company (*f/k/a* UAVF Intermediate Holdings, LLC) ("Edge Autonomy", and together with its subsidiaries, the "Edge Autonomy Group"), Echelon Merger Sub, Inc., a Delaware corporation and a direct wholly-owned subsidiary of Redwire, and Echelon Purchaser, LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Redwire, pursuant to which Redwire will, via the mergers set forth in the Merger Agreement (the "Mergers"), acquire the Edge Autonomy Group (the "Merger Transactions Proposal"); and
2. to approve one or more adjournments of the Redwire Special Meeting, if appropriate, to solicit additional proxies if there are insufficient votes to approve the Mergers and the Stock Issuance pursuant to the Mergers (together, the "Transactions") at the time of the Redwire Special Meeting ("Adjournment Proposal").

Redwire will transact no other business at the Redwire Special Meeting or any adjournment or postponement thereof. The above matters are more fully described in the accompanying proxy statement of Redwire, which provides you with information about Redwire, Edge Autonomy, the Redwire Special Meeting, the Transactions, the Merger Agreement, and other documents related to the Transactions and other related matters. The accompanying proxy statement also includes, as *Annex A*, a copy of the Merger Agreement. Redwire encourages you to carefully read the accompanying proxy statement in its entirety, including the annexes and the documents incorporated by reference.

Only holders of common stock of Redwire, par value \$0.0001 per share ("Redwire Common Stock") and holders of Series A convertible preferred stock of Redwire, par value \$0.0001 per share ("Redwire Preferred Stock"), as of the close of business on April 22, 2025, which is the record date for the Redwire Special Meeting (the "Record Date"), are entitled to receive notice of, attend and vote at the Redwire Special Meeting.

The approval by the Redwire stockholders of the Merger Transactions Proposal is a condition to the completion of the Transactions. Assuming a quorum is present at the Redwire Special Meeting, the approval of the Merger Transactions Proposal requires the affirmative vote of (i) the holders of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) representing at least a majority of the votes cast on such proposal (the "Majority Vote") and (ii) the holders of a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) issued and outstanding and held, as of the Record Date, other than by AE Industrial Partners, LP and its affiliates ("AE Industrial") and (ii)

(1) persons that Redwire has determined to be “officers of Redwire” within the meaning of Rule 16a-1(f) of the Securities Exchange Act of 1934, as amended, and (2) members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial (the “Minority Vote”). Under the terms of the Voting Agreements executed in connection with the signing of the Merger Agreement, certain Redwire stockholders have agreed, subject to limited exceptions, to vote “**FOR**” the Merger Transactions Proposal; provided, however, the approval of the Merger Transactions Proposal will require both the Majority Vote and Minority Vote as described above.

**The Redwire board of directors recommends that Redwire stockholders vote “FOR” the Merger Transactions Proposal and “FOR” the Adjournment Proposal, if applicable. IMPORTANT VOTING INFORMATION: For purposes of the Merger Transactions Proposal, if you fail to return your proxy card or otherwise fail to have your shares present virtually or represented by proxy at the Redwire Special Meeting:**

- (1) Your shares will not be counted as present for purposes of determining the presence of a quorum;**
- (2) Your shares will have no effect on the Majority Vote requirement; and**
- (3) Your shares will have the same effect as a vote “AGAINST” the Minority Vote requirement.**

**We strongly encourage all stockholders to vote their shares. An abstention will not be treated as a vote cast, will have no effect on the Majority Vote required for the Merger Transactions Proposal and will have the same effect as a vote “AGAINST” the Minority Vote required for the Merger Transactions Proposal. Because all of the proposals in this proxy statement are “non-routine” matters, brokers do not have discretionary voting authority with respect to any of the proposals described in this proxy statement and, as a result, we do not anticipate there being any broker non-votes at the Redwire Special Meeting.**

Whether or not you plan to attend the Redwire Special Meeting, please complete the enclosed proxy card and sign, date and return it promptly so that your shares of Redwire Common Stock or Redwire Preferred Stock will be represented. You also may vote your shares over the Internet or by telephone by following the instructions included on the proxy card. Submitting your proxy in writing, over the Internet or by telephone will not prevent you from voting online at the Redwire Special Meeting.

The Redwire board of directors recommends that Redwire stockholders vote “**FOR**” each of the proposals presented at the Redwire Special Meeting.

By Order of the Redwire Board of Directors,

A handwritten signature in dark ink, appearing to read 'P. Cannito', written over a light blue horizontal line.

## QUESTIONS AND ANSWERS ABOUT THE REDWIRE SPECIAL MEETING

The Redwire Board is soliciting proxies from Redwire stockholders to vote at a special meeting of Redwire stockholders, to be held virtually, via live audio webcast on June 9, 2025 at 10:00 a.m. Eastern Time, and any adjournment of the Redwire Special Meeting, if appropriate.

The questions and answers below highlight selected information from this proxy statement and are intended to briefly address some commonly asked questions about, among other things, (a) the Merger Agreement, the Mergers, the Merger Consideration and the Stock Issuance and (b) the Redwire Special Meeting, at which the stockholders of Redwire will be asked to consider and vote on (i) a proposal for stockholder approval of the Mergers, including the Stock Issuance and (ii) a proposal to permit Redwire to adjourn the Redwire Special Meeting, if appropriate, for further solicitation of proxies if there are not sufficient votes at the originally scheduled time of the Redwire Special Meeting to approve the Mergers, including the Stock Issuance pursuant to the Mergers.

The following questions and answers may not contain all of the information that may be important to you. You should carefully read this proxy statement in its entirety, including the annexes and the documents incorporated by reference, to fully understand the matters to be acted upon and the voting procedures for the Redwire Special Meeting. You may obtain the information incorporated by reference into this proxy statement without charge by following the instructions in the section entitled “[Where You Can Find More Information](#).”

**Q. Why have I received this proxy statement?**

A. You are receiving this proxy statement because you were a stockholder of Redwire as of the close of business on the Record Date for the Redwire Special Meeting. The Redwire Board, upon the recommendation of the Redwire Special Committee, previously approved the Merger Agreement and the Transactions, including the Stock Issuance. A copy of the Merger Agreement is attached to this proxy statement as *Annex A*, which Redwire encourages you to read in its entirety.

**Q. What are the specific proposals on which I am asked to vote at the Redwire Special Meeting?**

A. Redwire stockholders are being asked to take action with respect to two (2) proposals at the Redwire Special Meeting:

1. approve the Mergers, including the Stock Issuance pursuant to the Mergers (Redwire Proposal No. 1 or the Merger Transactions Proposal); and
2. approve one or more adjournments of the Redwire Special Meeting, if appropriate, to solicit additional proxies if there are insufficient votes to approve the Merger Transactions Proposal at the time of the Redwire Special Meeting (Redwire Proposal No. 2 or the Adjournment Proposal).

**Q. What is the consideration that Redwire will pay for Edge Autonomy in the Mergers?**

A. The aggregate consideration that Redwire will pay for Edge Autonomy in the Mergers will be \$925 million, subject to customary adjustments for indebtedness, cash, working capital and transaction expenses. The consideration will be payable through a combination of (i) cash and (ii) shares of Redwire Common Stock valued at \$15.07 per share, which represents the volume-weighted average trading price on the NYSE for the thirty (30) trading days ending on January 17, 2025 (provided that no Equity Financing is consummated prior to the Effective Time). The Cash Consideration will be \$150 million (subject to increase if an Equity Financing is consummated), provided a portion of such amount will be used by Redwire to discharge certain obligations of the Edge Autonomy Group with respect to indebtedness, transaction expenses and bonus payments that remain outstanding immediately prior to the Closing and after giving effect to Edge Autonomy’s pre-Closing payments with respect to such obligations.

**Q. How does the Redwire Board recommend that Redwire stockholders vote?**

A. The Redwire Board recommends that the Redwire stockholders vote:

1. “**FOR**” the Merger Transactions Proposal (Redwire Proposal No. 1); and
2. “**FOR**” the Adjournment Proposal (Redwire Proposal No. 2).

For a discussion of the reasons for the recommendation on Redwire Proposal No. 1, see [“\*The Transactions—The Redwire Special Committee’s and Redwire Board’s Reasons for the Transactions.\*”](#)

**Q. How many votes are required to approve each proposal?**

A. Assuming that a quorum is present at the Redwire Special Meeting, approval of the Merger Transactions Proposal requires the affirmative vote of (i) the holders of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) sufficient to constitute the Majority Vote and (ii) the holders of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) sufficient to constitute the Minority Vote. Under the terms of the Voting Agreements executed in connection with the signing of the Merger Agreement, certain Redwire stockholders have agreed, subject to limited exceptions, to vote “**FOR**” the Merger Transactions Proposal. However, the approval of the Merger Transactions Proposal still requires both the Majority Vote and the Minority Vote as described above.

Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present virtually or represented by proxy at the Redwire Special Meeting and entitled to vote thereon. In addition, even if a quorum does not exist, a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present virtually or by proxy at the Redwire Special Meeting and entitled to vote thereon, or the chairman of the Redwire Special Meeting, may adjourn the meeting to another place, date or time. Further, pursuant to Redwire’s Bylaws, the Redwire Board may postpone, reschedule or cancel any special meeting of stockholders previously scheduled by the Redwire Board or chairman of the Redwire Board.

**Q. When are the Mergers expected to be consummated?**

A. Redwire and Edge Autonomy are working toward consummating the Mergers as expeditiously as possible. If the Redwire stockholders approve the Merger Transactions Proposal, and if the other conditions to closing the Transactions are satisfied or waived, Redwire and Edge Autonomy expect that the Transactions will be completed in the second quarter of 2025 promptly after the Redwire Special Meeting. However, Redwire and Edge Autonomy cannot be certain when, or if, the conditions to Closing will be satisfied or waived, or that the Mergers will be consummated. See [“\*The Merger Agreement—Conditions to Completion of the Mergers.\*”](#)

**Q. When and where is the Redwire Special Meeting?**

A. The Redwire Special Meeting will be held virtually, via live audio webcast on June 9, 2025 at 10:00 a.m. Eastern Time. For additional information about the Redwire Special Meeting, see [“\*The Redwire Special Meeting.\*”](#)

**Q. What is a quorum?**

A. The presence, in person (virtually) or represented by proxy, of the holders of a majority of the voting power of the shares of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) outstanding on the Record Date and entitled to vote at the Redwire Special Meeting will constitute a quorum for purposes of voting at the Redwire Special Meeting. Your shares will be counted as present if you are a record holder and you attend the Redwire Special Meeting virtually, if you are a record holder and you have returned valid proxy instructions over the Internet, by telephone or by mail, or if you hold your shares beneficially through a bank, broker, or other nominee and follow the instructions provided by such bank, broker or other nominee to vote your shares.

As of the Record Date, Redwire had 77,082,332 shares of Redwire Common Stock outstanding and 106,982.7 shares of Redwire Preferred Stock outstanding, each share of which converts into approximately 351.5 shares of Redwire Common Stock at an initial conversion price of \$3.05 per share. Holders of shares of Redwire Common Stock are entitled to one (1) vote per share. Holders of shares of Redwire Preferred Stock are entitled to a number of votes equal to the number of shares of Redwire Common Stock into which the Redwire Preferred Stock is convertible. As a result, the holders of shares of Redwire Preferred Stock are entitled to an aggregate of 37,604,707 votes on an as converted to Redwire Common Stock basis, and therefore, a total of 114,687,039 shares of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) will constitute the basis for determining whether a quorum is present at the Redwire Special Meeting and for determining the voting on the proposals submitted for approval at the Redwire Special Meeting.

Properly executed proxies marked “ABSTAIN” will be counted as “present” for purposes of determining the existence of a quorum. If a quorum should not be present, the Redwire Special Meeting may be adjourned from time to time until a quorum is obtained.

**Q. Who can vote at the Redwire Special Meeting?**

A. Holders of record of shares of Redwire Common Stock or Redwire Preferred Stock at the close of business on the Record Date will be entitled to vote shares held on that date at the Redwire Special Meeting or any adjournments thereof.

**Q. How many votes do I have if I am a Redwire stockholder?**

A. As of the Record Date, Redwire had 77,082,332 shares of Redwire Common Stock outstanding and 106,982.7 shares of Redwire Preferred Stock outstanding, each share of which converts into approximately 351.5 shares of Redwire Common Stock at an initial conversion price of \$3.05 per share. Holders of shares of Redwire Common Stock are entitled to one (1) vote per share. Holders of shares of Redwire Preferred Stock are entitled to a number of votes equal to the number of shares of Redwire Common Stock into which the Redwire Preferred Stock is convertible.

At the close of business on the Record Date, the parties to the Voting Agreements represented an aggregate of approximately 69.2% of Redwire’s outstanding voting power, and approximately 46.5% of Redwire’s outstanding voting power held, as of the Record Date, other than by (i) AE Industrial and (ii) (1) persons that Redwire has determined to be “officers of Redwire” within the meaning of Rule 16a-1(f) of the Exchange Act, and (2) members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial.

**Q. If I am a Redwire stockholder, what happens if I fail to return my proxy card or abstain from voting?**

A. The failure to return your proxy card or otherwise cause your shares not to be present virtually or represented by proxy at the Redwire Special Meeting will: (i) result in your shares not being considered present for determining a quorum, (ii) have no effect on the Majority Vote required for the Merger Transactions Proposal, (iii) have the same effect as a vote “**AGAINST**” the Minority Vote required for the Merger Transactions Proposal, and (iv) have no effect on the Adjournment Proposal. An abstention will not be treated as a vote cast, will have no effect on the Majority Vote required for the Merger Transactions Proposal and will have the same effect as a vote “**AGAINST**” the Minority Vote required for the Merger Transactions Proposal, and will have the same effect as a vote “**AGAINST**” the Adjournment Proposal. Because all of the proposals in this proxy statement are “non-routine” matters, brokers do not have discretionary voting authority with respect to any of the proposals described in this proxy statement and, as a result, we do not anticipate there being any broker non-votes at the Redwire Special Meeting.

**Q. If I am a Redwire stockholder and my shares of Redwire Common Stock or Redwire Preferred Stock are held in “street name” by a broker, bank or other nominee, will my broker or bank vote my share for me?**

A. No. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial holder” of the shares held for you in what is known as “street name.” If this is the case, this proxy statement has been forwarded to you by your broker, bank or other nominee, or its agent. As the beneficial holder, you have the right to direct your broker, bank, nominee or other holder of record as to how to vote your shares. Because these proposals are considered “non-routine” matters, brokers, banks and other nominees do not have discretionary voting authority. If you are a beneficial owner of shares held in “street name” and do not provide voting instructions to your broker, bank, nominee or other holder of record, your shares will not be voted on any of the proposals described in this proxy statement and will have no effect on the outcome of the Majority Vote required for the Merger Transactions Proposal or the Adjournment Proposal and will have the same effect as a vote “ **AGAINST**” the Minority Vote required for the Merger Transactions Proposal. If you hold shares of Redwire Common Stock through a broker, bank, nominee or other holder of record with custody of your shares, follow the voting instructions you receive from that organization.

**Q. How do I vote my shares of Redwire Common Stock or Redwire Preferred Stock that are held in “street name” by a brokerage firm, bank or other nominee?**

A. If your shares are held in an account at a brokerage firm, bank or other nominee, then you are the beneficial owner of shares held in “street name” and this proxy statement is being sent to you by that organization. The organization holding your account is considered to be the stockholder eligible to vote at the Redwire Special Meeting for purposes of voting at the Redwire Special Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee how to vote the shares of Redwire Common Stock and Redwire Preferred Stock in your account by following the instructions that the broker, bank or other nominee provides you along with this proxy statement. All of the proposals at the Redwire Special Meeting are considered non-routine matters. As a result, your broker may not vote your shares without your specific instructions and we do not expect broker non-votes to occur.

**Q. Do any of the officers or directors of Redwire have interests in the Transactions that may differ from or be in addition to my interests as a Redwire stockholder?**

A. In considering the recommendation of the Redwire Board, upon the recommendation of the Redwire Special Committee, that Redwire stockholders vote to approve the Merger Transactions Proposal and the Adjournment Proposal, Redwire stockholders should be aware that some of Redwire’s directors and executive officers have interests in the Transactions that may be different from, or in addition to, the interests of Redwire stockholders generally. The Redwire Special Committee and the Redwire Board were aware of and considered these potential interests, among other matters, in evaluating and negotiating the Merger Agreement and the transactions contemplated therein, in approving the Mergers and in recommending the approval of the Merger Transactions Proposal and the Adjournment Proposal.

For more information, please see “[The Transactions—Interests of Certain Redwire Directors and Executive Officers in the Transactions](#).”

**Q. Will any other matters be presented for a vote at the Redwire Special Meeting?**

A. No, Redwire does not expect any other matters to be presented for a vote at the Redwire Special Meeting.

**Q. How do I cast my vote?**

A. *Beneficial Stockholders.* If you hold your shares through a bank, broker, trustee or other nominee, you are a beneficial stockholder. Please refer to the materials forwarded to you by your bank, broker, trustee or other nominee for instructions on how to vote the shares you hold as a beneficial stockholder.

*Registered Stockholders.* If you hold shares in your own name, you are a registered stockholder and may vote during the virtual Redwire Special Meeting at [www.virtualshareholdermeeting.com/RDW2025SM](http://www.virtualshareholdermeeting.com/RDW2025SM). You will need

Redwire encourages you to sign and return the proxy card even if you plan to attend the Redwire Special Meeting virtually so that your shares will be voted if you are ultimately unable to attend the Redwire Special Meeting.

**Q. How may I change or revoke my proxy?**

**A. Beneficial Stockholders.** Beneficial stockholders should contact their bank, broker, trustee or other nominee for instructions on how to change their proxy vote.

**Registered Stockholders.** Registered stockholders may change a properly executed proxy at any time before its exercise:

2. via telephone by calling 1-800-690-6903;
3. by signing and returning a proxy card, which must be received prior to the commencement of the Redwire Special Meeting; or
4. by voting at the virtual Redwire Special Meeting.

Special Meeting matters only, subject to time constraints. Questions regarding personal matters and statements of advocacy are not pertinent to Redwire Special Meeting matters and therefore will not be addressed. ### Risk Factors

You should carefully consider the following important risks, together with all of the other information included in this proxy statement and the risks related to the Mergers and the related Transactions described under the section “[Risk Factors](#)” beginning on page [25](#), before deciding how to vote. These risks could materially affect the value of your investment and the success of the combined company following the Mergers.

1. Failure to complete the Mergers in a timely manner or at all could adversely affect Redwire’s business and operations and negatively affect Redwire’s stock price.
2. Under the Merger Agreement, Redwire is subject to certain restrictions on the conduct of its business prior to completing the Mergers which may prevent Redwire from pursuing actions that would benefit Redwire.
3. The Closing Per Share Price is subject to adjustment if an Equity Financing is completed, and is not otherwise subject to adjustment.
4. Redwire stockholders will have a smaller ownership and voting interest in Redwire upon completion of the Mergers, compared to their respective ownership and voting interests in Redwire prior to the Mergers.
5. Upon completion of the Mergers, AE Industrial (including Seller) will hold a majority of the voting power of Redwire and will appoint a majority of the directors to the Redwire Board.
6. If the Mergers are not consummated by the Outside Date, either Redwire or Edge Autonomy may terminate the Merger Agreement.

7. An adverse judgment in any litigation challenging the Mergers may prevent the Mergers from becoming effective within the expected timeframe or at all.
8. Redwire expects to incur substantial expenses related to the Transactions, including with respect to integration.
9. Following the Mergers, Redwire may be unable to integrate the current operations of Redwire and Edge Autonomy successfully, including their business operations, internal controls over financial reporting and/or systems, which may be found to have material weaknesses or significant deficiencies, and to realize the anticipated synergies and other benefits of the Mergers or do so within the anticipated timeframe.
10. The market price of Redwire Common Stock may decline as a result of the Transactions.
11. The unaudited pro forma financial statements included in this proxy statement are presented for illustrative purposes only and should not be viewed as an indication of Redwire's financial condition or results of operations after the Transactions.
12. Following the Transactions, Redwire stockholders will own interests in a company with different risks and liabilities.
13. Redwire may need to incur additional indebtedness in the future.
14. Recent tariff actions by the United States and other countries may adversely affect demand for Redwire's and Edge Autonomy's products and services, as well as increase manufacturing costs, which could have a material adverse effect on our business, financial condition and results of operations.

The foregoing risks are not exhaustive, and you should be aware that, following the Transactions, Redwire will face various other risks, including those discussed in reports filed by Redwire with the SEC.

## **The Mergers and the Merger Agreement**

### ***General***

Subject to the terms and conditions of the Merger Agreement, on the Closing Date, (1) Merger Sub will merge with and into Edge Autonomy, with Edge Autonomy surviving such merger as a wholly-owned subsidiary of Redwire, and immediately following such First Merger, Edge Autonomy will merge with and into Purchaser, with Purchaser surviving such Second Merger as a wholly-owned subsidiary of Redwire and (2) Redwire will deliver the aggregate purchase price with respect to the Mergers, payable in a combination of cash and Redwire Common Stock, subject to customary adjustments for indebtedness, cash, working capital and transaction expenses, as described in the section entitled "[The Merger Agreement—Merger Consideration](#)."

### ***Effects of the Mergers***

As a result of the Mergers, the separate existence of Edge Autonomy will cease, and Purchaser will continue its existence under the laws of the State of Delaware as the surviving limited liability company and a wholly-owned subsidiary of Redwire. At the Effective Time, all issued and outstanding units of Edge Autonomy will cease to exist and be converted automatically into the right to receive the portion of Cash Consideration and Equity Consideration allocated to such units under the Merger Agreement. Thereafter, Redwire will own Edge Autonomy and all of its operating companies. For additional information, see "[The Transactions—Effects of the Merger](#)."

### ***Merger Consideration***

The aggregate purchase price payable by Redwire with respect to the Mergers is \$925 million, payable in a combination of cash and Redwire Common Stock, subject to customary adjustments for indebtedness, cash, working capital and transaction expenses. Redwire may finance the cash portion of the transaction consideration at its sole discretion, using any available means, including cash on hand, its existing credit facility, new debt financing, or

proceeds from an Equity Financing. The Merger Agreement provides for such aggregate purchase price to be paid using a combination of cash and shares of Redwire Common Stock.

Specifically, the amount of cash consideration to be paid by Redwire to the Seller with respect to the Mergers will be (i) \$150 million minus the Closing Date Cash Shortfall Amount, plus (ii) fifty percent (50%) of any Equity Financing net proceeds exceeding \$175 million. With respect to the portion of the purchase price payable in Redwire Common Stock, the number of shares of Redwire Common Stock to be issued will be based on a price of such stock equal to (i) the volume-weighted average trading price of Redwire Common Stock on the NYSE for the thirty (30) trading days ending on January 17, 2025 of \$15.07, if no Equity Financing is consummated prior to the Effective Time or (ii) the gross proceeds per share of Redwire Common Stock issued in an Equity Financing, if an Equity Financing is consummated prior to the Effective Time. If an Equity Financing occurs prior to the Effective Time, it could materially affect the Closing Per Share Price and the amount of Cash Consideration to be paid. For additional information, see “[The Merger—Merger Consideration](#).”

#### ***Purchase Price Adjustment***

The Merger Agreement provides for Closing Date adjustments to the aggregate purchase price to be paid by Redwire for indebtedness, cash, working capital and transaction expenses. Of the aggregate cash consideration payable by Redwire, \$5,000,000 will be placed into an escrow account pending the resolution of the post-Closing calculation of the closing purchase price, which will serve as the sole source of recovery for Redwire in the event of a negative purchase price adjustment. For additional information, see “[The Merger Agreement—Post-Closing Purchase Price Adjustment](#).”

#### ***Regulatory Filings and Approvals Required to Consummate the Mergers***

Redwire has received all necessary approvals from the relevant governmental authorities or the applicable waiting periods under applicable law and regulation have expired.

#### ***Closing and Effectiveness of the Mergers***

The Closing will occur on the third (3rd) business day after the satisfaction or waiver (to the extent permitted by law) of the conditions to Closing, unless otherwise agreed by Redwire and Edge Autonomy. Subject to the provisions of the Merger Agreement, the Mergers will become effective at the time and on the date on which the relevant certificate of merger is filed with the Secretary of State of the State of Delaware or such later time as the parties may specify in such certificate of merger. For additional information, see “[The Merger—Closing and Effectiveness of the Merger](#).”

#### ***Indemnification***

Redwire has purchased representation and warranty insurance policies to provide coverage for certain breaches of representations and warranties of Edge Autonomy and Seller contained in the Merger Agreement, which, collectively, are subject to an aggregate limit of \$92,500,000 as well as certain exclusions, deductibles, and other terms and conditions set forth therein. Therefore, other than as set forth below, Redwire’s recourse for breaches of the representations and warranties of Edge Autonomy and Seller is limited to recovery under the representations and warranties insurance policies, except in the case of fraud.

Until the first (1st) anniversary of the Closing Date and subject to certain exceptions, Redwire and its affiliates (including, following the Closing, the Edge Autonomy Group) will be indemnified and held harmless by Seller from and against any and all Losses (as defined in the Merger Agreement) up to an aggregate amount of \$20,000,000 accrued, incurred or suffered by Redwire and its affiliates as a result of, arising out of or in connection with: (i) certain specified liabilities; or (ii) any noncompliance with sanctions with respect to the Edge Autonomy Group’s operations in Ukraine. Seller has agreed that any amount owing by Seller pursuant to such indemnity after final determination of such amount by a court or arbitral body of competent jurisdiction will be paid by Seller in immediately available funds or by cancellation or delivery to Redwire of a number of shares of Redwire Common Stock having a value sufficient to satisfy the applicable indemnification obligation. Redwire is not required to first

seek recovery under the representations and warranties insurance policies before seeking recovery from Seller with respect to an indemnity payment owed by Seller pursuant to this indemnity.

***Exclusive Dealing***

Seller and Edge Autonomy have agreed, from the date of the Merger Agreement through the Closing or, if earlier, the termination of the Merger Agreement, not to, directly or indirectly, (i) solicit, initiate or encourage or facilitate any inquiries or the making of any proposals or offers that would constitute an Alternative Transaction, (ii) engage in or continue discussions or negotiations with any Person (other than Redwire and its representatives) with respect to an Alternative Transaction, (iii) disclose to any Person (other than Redwire and its representatives) any material nonpublic information relating to Edge Autonomy or any of its subsidiaries, or enter into, participate in, maintain or continue any communications or negotiations that would, in each case, reasonably be expected to lead to an Alternative Transaction, (iv) agree to accept, recommend or endorse (or publicly propose or announce any intention or desire to agree to, accept, recommend or endorse) any Alternative Transaction or (v) enter into any letter of intent or other contract with respect to any Alternative Transaction.

***Conditions to Completion of the Mergers***

The completion of the Transactions is subject to the satisfaction or waiver of certain conditions, including, among others: (i) the approvals and waiting periods under the HSR Act and any Other Antitrust Regulations and FDI Regulations and any other applicable law that are required for the consummation of the Mergers and the Transactions shall have been received and remain in effect (in the case of approvals) or have expired, been waived or been terminated (in the case of waiting periods); (ii) no final, binding and non-appealable injunction, order, judgment, decision, decree or ruling shall have been issued, promulgated, enacted or enforced by any governmental body enjoining or otherwise prohibiting the performance of the Merger Agreement or the consummation of any of the Transactions; (iii) Redwire shall have received the approval of the Merger Transactions Proposal at the Redwire Special Meeting; and (iv) as of immediately prior to the Closing and prior to the payments to be made by Edge Autonomy on the Closing Date as required by the Merger Agreement, Redwire must have an amount of freely usable cash, including the gross proceeds from an Equity Financing (if any) and the proceeds from any Debt Financing, of greater than or equal to \$150,000,000. AE Industrial, Bain and Genesis Park have each entered into separate Voting Agreements pursuant to which they have agreed to vote in favor of, among other things, the Transactions. For additional information, see “[The Merger Agreement—Conditions to Completion of the Mergers.](#)”

***The Voting Agreements***

In connection with the signing of the Merger Agreement, Redwire entered into a Voting Agreement with each of (i) the AE Industrial Stockholders, (ii) Bain, and (iii) Genesis Park (each, a “Voting Agreement Party”), pursuant to which, among other matters, each Voting Agreement Party has agreed (from January 20, 2025 until the earlier of consummation of the Mergers, termination of such Voting Agreement or the Merger Agreement in accordance with its terms, written consent of the Voting Agreement Party and Redwire or, with respect to Bain, July 19, 2025) to attend any meeting of Redwire stockholders (in person or by proxy) and to vote (including via proxy) or execute consents with respect to (or cause to be voted (including via proxy) or consents to be executed with respect to) any Redwire Common Stock or Redwire Preferred Stock which such Voting Agreement Party held at the time of execution of the Voting Agreement or acquired the ability to vote thereafter, unless the Redwire Board made a change in recommendation, in favor of the Stock Issuance, in favor of any proposal with respect to an Equity Financing, if applicable, and in favor of any proposal to adjourn or postpone such meeting as may be requested by Redwire. The AE Industrial Stockholders and Genesis Park also agreed to vote against any action, proposal, transaction or agreement that would reasonably be expected to prevent, materially impede or materially delay the consummation of the Transactions, the Stock Issuance or the Equity Financing, if any, including against any action, agreement or transaction that would reasonably be expected to result in (a) a breach or, in the case of AE Industrial Stockholders, a material breach of or failure to perform any representation, warranty, covenant or agreement of Redwire under the Merger Agreement or (b) any of the conditions set forth in Article III of the Merger Agreement not being satisfied.

Each of the Voting Agreement Parties also agreed not to enter into any other voting agreement or grant any proxy with respect to their respective shares of Redwire Common Stock or Redwire Preferred Stock. For further information, see “[Other Transaction Agreements](#).”

At the close of business on the Record Date, the Voting Agreement Parties represented an aggregate of approximately 69.2% of Redwire’s outstanding voting power, and approximately 46.5% of Redwire’s outstanding voting power held, as of the Record Date, other than by (i) AE Industrial and (ii) (1) persons that Redwire has determined to be “officers of Redwire” within the meaning of Rule 16a-1(f) of the Exchange Act and (2) members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial.

#### **The A&R Investor Rights Agreement**

The Merger Agreement provides that, in connection with the Closing of the Mergers, Redwire, Seller, the AE Industrial Stockholders and Genesis Park Holdings will enter into the A&R Investor Rights Agreement to amend and restate that certain Investor Rights Agreement, dated March 25, 2021 and filed as Exhibit 10.1 to Redwire’s Annual Report on Form 10-K for the fiscal year ended December 31, 2024 with the SEC on March 11, 2025. Among other things, the A&R Investor Rights Agreement will provide that (i) the AE Industrial Stockholders will be permitted to designate four (4) directors for election to the Redwire Board, which number would be reduced once the AE Industrial Stockholders no longer hold fifty percent (50%) or more of the Redwire Common Stock beneficially owned by the AE Industrial Stockholders (excluding Redwire Common Stock beneficially owned by Seller) at the Closing and (ii) Seller will be permitted to designate one (1) director for election to the Redwire Board so long as Seller continues to hold twenty-five percent (25%) or more of the Redwire Common Stock beneficially owned by Seller (excluding Redwire Common Stock beneficially owned by the AE Industrial Stockholders) at the Closing, provided that so long as the AE Industrial Stockholders and Seller collectively may nominate an aggregate of five (5) directors to the Redwire Board, all but one (1) director must be independent under NYSE listing standards and, if less than five (5), a majority must be independent. For further information, see “[Other Transaction Agreements](#).”

#### **The Redwire Special Meeting**

##### ***Date, Time, and Place***

The Redwire Special Meeting will be held virtually, via live audio webcast on June 9, 2025 at 10:00 a.m. Eastern Time, unless the special meeting is adjourned. For additional information about the Redwire Special Meeting, see “[The Redwire Special Meeting](#).”

##### ***Purpose of the Redwire Special Meeting***

At the Redwire Special Meeting, Redwire stockholders will be asked to vote upon the following matters:

1. a proposal to approve the Mergers, including the Stock Issuance pursuant to the Mergers (Redwire Proposal No. 1 or the Merger Transactions Proposal); and
2. a proposal to approve one or more adjournments of the Redwire Special Meeting, if appropriate, to solicit additional proxies if there are insufficient votes to approve the Merger Transactions Proposal at the time of the Redwire Special Meeting (Redwire Proposal No. 2 or the Adjournment Proposal).

##### ***Who Can Vote at the Redwire Special Meeting***

Holders of record of shares of Redwire Common Stock or Redwire Preferred Stock at the close of business on the Record Date of April 22, 2025 will be entitled to vote shares held at that date at the Redwire Special Meeting.

As of the Record Date, Redwire had 77,082,332 shares of Redwire Common Stock outstanding and 106,982.7 shares of Redwire Preferred Stock outstanding, each share of which converts into approximately 351.5 shares of Redwire Common Stock at an initial conversion price of \$3.05 per share. Holders of shares of Redwire Common Stock are entitled to one (1) vote per share. Holders of shares of Redwire Preferred Stock are entitled to a number of

votes equal to the number of shares of Redwire Common Stock into which the Redwire Preferred Stock is convertible. As a result, the holders of shares of Redwire Preferred Stock are entitled to an aggregate of 37,604,707 of votes on an as converted to Redwire Common Stock basis.

***Vote Required for the Proposals***

*Merger Transactions Proposal.* Assuming a quorum is present at the Redwire Special Meeting, approval of the Merger Transactions Proposal requires the affirmative vote of (i) the holders of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) representing at least a majority of the votes cast on such proposal and (ii) the holders of a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) issued and outstanding and held, as of the Record Date, other than by (i) AE Industrial and (ii) (1) persons that Redwire has determined to be “officers of Redwire” within the meaning of Rule 16a-1(f) of the Exchange Act, and (2) members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial. Under the terms of the Voting Agreements executed in connection with the signing of the Merger Agreement, certain Redwire stockholders have agreed, subject to limited exceptions, to vote “**FOR**” the Merger Transactions Proposal. However, the approval of the Merger Transactions Proposal still requires both the Majority Vote and the Minority Vote as described above.

*Adjournment Proposal.* Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present in person (virtually) or represented by proxy at the Redwire Special Meeting and entitled to vote thereon. In addition, even if a quorum does not exist, a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present virtually or by proxy at the Redwire Special Meeting and entitled to vote thereon, or the chairman of the Redwire Special Meeting, may adjourn the meeting to another place, date or time.

***Shares Owned by Redwire's Directors and Executive Officers***

At the close of business on the Record Date, the directors and executive officers of Redwire and certain of their affiliates were entitled to vote approximately 1,904,952 shares of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis), which represented an aggregate of approximately 1.7% of Redwire's outstanding voting power.

***Recommendation of the Redwire Board***

The Redwire Board recommends that the Redwire stockholders vote (i) “**FOR**” the Merger Transactions Proposal and (ii) “**FOR**” the Adjournment Proposal.

***Interests of Certain Redwire Directors and Executive Officers in the Mergers***

In considering the recommendation of the Redwire Board, upon the recommendation of the Redwire Special Committee, that Redwire stockholders vote “**FOR**” the Merger Transactions Proposal, Redwire stockholders should be aware that certain executive officers and directors of Redwire have interests in the Transactions that may be different from, or in addition to, the interests of Redwire stockholders generally. These interests constitute potential conflicts of interest that Redwire stockholders should carefully consider when evaluating the recommendation of the Redwire Board. The Redwire Board was aware of and considered these interests, among other matters, when it approved the Merger Agreement and recommended that Redwire stockholders approve the Mergers, including the Stock Issuance. For additional information about the interests of such individuals, please see “[The Transactions—Interests of Certain Redwire Directors and Executive Officers in the Transactions](#).”

***No Appraisal Rights***

Redwire's stockholders will not be entitled to exercise appraisal or dissenter's rights under the DGCL, in connection with the Mergers or the Stock Issuance. See “[No Appraisal Rights of Redwire Stockholders](#).”

## Termination of the Merger Agreement

1. The Merger Agreement may be terminated by the mutual written consent of Redwire, on the one hand, and Edge Autonomy and Seller, on the other hand.
2. The Merger Agreement may be terminated by either Redwire, on the one hand, or by Edge Autonomy or Seller, on the other hand, if:
  - a governmental body were to issue a final and non-appealable order, decree ruling or other action prohibiting the performance of the Merger Agreement or the transactions contemplated thereby, such that it would not be possible to satisfy (i) the closing condition requiring that the approvals and waiting periods under the HSR Act, any Other Antitrust Regulations and FDI Regulations, or any other applicable law to have been received and remain in effect (in the case of approvals) or have expired, been waived or been terminated (in the case of waiting periods) or (ii) the closing condition requiring that no final, binding and non-appealable injunction, order, judgment, decision, decree or ruling shall have been issued, promulgated, enacted or enforced by any governmental body enjoining or otherwise prohibiting the performance of the Merger Agreement or the consummation of any of the Transactions, in each case, unless such circumstance has been primarily caused by the action or inaction of the terminating party; or
  - the Closing shall not have occurred on or before the Outside Date, unless the applicable failure to close shall have been caused by the action or inaction of the terminating party.
3. The Merger Agreement may be terminated by Redwire, Purchaser and Merger Sub, if neither Redwire, Purchaser nor Merger Sub is then in material breach of the Merger Agreement, and Seller or Edge Autonomy is in breach of a covenant or agreement, or a representation or warranty of Seller or Edge Autonomy is or has become untrue, in either case, such that a condition to the obligations of Redwire, Purchaser and Merger Sub to consummate the Closing would not be satisfied; provided, however, if such breach is curable, such right to terminate will not be available if Seller and Edge Autonomy use reasonable best efforts to cure such breach or breaches or such failure to perform after notice thereof is delivered by Redwire, Purchaser or Merger Sub to Edge Autonomy or Seller, as applicable, and such breach or breaches or failure to perform, as applicable, is cured by the earlier of (i) thirty (30) days following receipt by Edge Autonomy or Seller, as applicable, of written notice of such breach or failure to perform from Redwire, Purchaser or Merger Sub and (ii) the day which is the last business day prior to the Outside Date.
4. The Merger Agreement may be terminated by Edge Autonomy or Seller, if neither Edge Autonomy nor Seller is then in material breach of the Merger Agreement, and Redwire, Purchaser or Merger Sub is in breach of a covenant or agreement, or a representation or warranty of Redwire, Purchaser or Merger Sub is or has become untrue, in either case, such that a condition to the obligations of Edge Autonomy or Seller to consummate the Closing would not be satisfied; provided, however, if such breach is curable, such right to terminate will not be available if Redwire, Purchaser and Merger Sub use reasonable best efforts to cure such breach or breaches or such failure to perform after notice thereof is delivered by Edge Autonomy or Seller to Redwire, Purchaser or Merger Sub, as applicable, and such breach or breaches or failure to perform, as applicable, is cured by the earlier of (i) thirty (30) days following receipt by Redwire, Purchaser or Merger Sub, as applicable, of written notice of such breach or failure to perform from Edge Autonomy or Seller and (ii) the day which is the last business day prior to the Outside Date.
5. The Merger Agreement may be terminated by Seller if (i) the conditions to the obligations of Redwire, Purchaser and Merger Sub to consummate the Closing have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, each of which shall be capable of being satisfied if the Closing Date were the date that notice of termination is delivered by Seller to Redwire), (ii) Redwire, Purchaser and Merger Sub do not consummate the Transactions by the day and time the Closing is required to occur and (iii) Seller has, at least two (2) business days prior to terminating the Merger Agreement pursuant to such right to terminate, irrevocably confirmed to Redwire in writing that Seller and Edge Autonomy are ready, willing and able to consummate the Closing (subject to conditions

that by their terms or nature are to be satisfied at the Closing), and Redwire, Purchaser and Merger Sub have not consummated the Closing by the end of such two (2)-business day period.

6. The Merger Agreement may be terminated by either Redwire or Seller if Redwire fails to obtain the Requisite Vote at the Redwire Special Meeting.

#### **Termination Fees; Expenses and Damages**

##### ***Effect of Termination***

In the event of termination of the Merger Agreement as described in the section entitled "[The Merger Agreement—Termination of the Merger Agreement](#)", the Merger Agreement shall become void and of no further force and effect without any liability or obligation on the part of any party to the Merger Agreement, except:

- with respect to liabilities and obligations under the confidentiality agreement between Redwire and Edge Autonomy;
- no such termination will relieve any party to the Merger Agreement of any liability for damages resulting from fraud or any willful breach of the Merger Agreement by such party; and
- certain provisions of the Merger Agreement will survive the termination, including such provisions regarding termination fees.

##### ***Expenses and Damages***

In determining losses or damages that are recoverable upon termination by a party to the Merger Agreement for another party's breach, such losses or damages will not be limited to reimbursement of expenses or out-of-pocket costs, and will include the benefit of the bargain lost by such party, taking into account all relevant matters (including other opportunities and the time value of money), which will be deemed damages of such party.

Redwire has agreed to pay Seller or its designee (as directed by Seller in writing) a fee of \$1,000,000 in the event that the Merger Agreement is:

- terminated by Edge Autonomy or Seller pursuant to paragraph 4 in the section above entitled "[The Merger Agreement—Termination of the Merger Agreement](#)"; or
- terminated by Seller pursuant to paragraph 5 in the section above entitled "[The Merger Agreement—Termination of the Merger Agreement](#)."

While Seller and Edge Autonomy may pursue each of (i) a grant of specific performance or other equitable relief under the Merger Agreement and (ii) the payment of the termination fee, Seller or Edge Autonomy will be permitted or entitled to receive only (a) a grant of specific performance to cause Redwire to consummate the Closing or (b) the termination fee; provided, however, in the event that Redwire pays such termination fee to the Seller (or its designee(s)):

- in no event will Redwire's, Purchaser's and Merger Sub's aggregate liability under the Merger Agreement or any other agreement contemplated by the Merger Agreement, with respect to remedies other than specific performance to cause the consummation of the Closing, exceed an amount equal to such termination fee;
- Seller's receipt of such termination fee will be the sole and exclusive remedy of Seller, the Edge Autonomy Group, each of their affiliates and each such Person's and their respective affiliates' agents, successors and permitted assigns for any and all liabilities as a result of any breach of, or non-compliance with, any covenant, agreement, representation or warranty in the Merger Agreement (including any willful breach) or any agreement contemplated by the Merger Agreement or the failure of the Transactions to be consummated or otherwise related or connected to the Merger Agreement or any Ancillary Agreement;

- none of Seller, Edge Autonomy or any of their respective affiliates or any such Person's or their respective affiliates' agents, successors and permitted assigns may seek to recover any other damages or seek any other remedy with respect to any losses or damages suffered in connection with the Merger Agreement or any debt commitment letter;
- Seller's receipt of such termination fee would prohibit Seller from seeking specific performance or other equitable relief under the Merger Agreement or being indemnified and reimbursed for losses or expenses in connection with their cooperation with respect to a Debt Financing or an Equity Financing; and
- Seller's (or its designee's) actual receipt of such termination fee will be deemed to be liquidated damages, which amounts constitute a reasonable estimate of the damages that will be suffered by reason of any such termination of the Merger Agreement.

In no event would Redwire be required to pay the termination fee on more than one (1) occasion.

#### **Opinion of Redwire Special Committee's Financial Advisor**

The Redwire Special Committee retained Roth Capital to act as its financial advisor in connection with the Merger Agreement. On January 16, 2025, Roth Capital delivered its oral opinion, subsequently confirmed in writing, to the Redwire Special Committee that, as of such date, and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth in the opinion, the consideration to be paid by Redwire in connection with the Mergers was fair from a financial point of view.

You are urged to read Roth Capital's opinion carefully and in its entirety. The opinion addresses only the fairness of the Merger Consideration payable by Redwire pursuant to the Merger Agreement, from a financial point of view, as of the date of the opinion. Roth Capital expressed no opinion or recommendation to the Redwire Special Committee regarding whether Redwire should proceed with the Transactions, and Roth Capital's opinion does not constitute a recommendation to any other Persons in respect of the Transactions, including as to how any stockholder of Redwire should vote with respect to the Transactions.

For further information, see "[Opinion of Redwire Special Committee's Financial Advisor](#)" and *Annex D*.

#### **Regulatory Approvals Required for the Mergers**

Redwire has received all necessary approvals from the relevant governmental authorities or the applicable waiting periods under applicable law and regulation have expired.

#### **Debt Financing**

Redwire anticipates that total cash of approximately \$180 million to fund the parties' transaction expenses, the Cash Consideration and/or Edge Autonomy's indebtedness in excess of Edge Autonomy's balance sheet cash at Closing will be provided through a combination of (i) cash from Redwire's balance sheet (which cash would include approximately \$82.8 million raised from the redemption of its Warrants during the first quarter of 2025) and (ii) proceeds from new Debt Facilities (as defined below).

Redwire is in the process of marketing to a syndicate of banks and other financial institutions new senior secured debt facilities (the "Debt Facilities"), under which Redwire Holdings, LLC, a wholly-owned subsidiary of Redwire, would be the lead borrower (the "Borrower"). Redwire is targeting Debt Facilities with the following terms, subject to ongoing discussions with potential lenders:

The Debt Facilities would be effective upon the Closing Date and may consist of (i) a senior secured first lien revolving loan facility with expected maximum availability of \$75 million (limited to \$50 million as of the Closing Date), maturing four and a half years after the Closing Date and (ii) a senior secured first lien term loan facility in an aggregate principal amount of \$250 million maturing five years after the Closing Date. The Borrower's obligations under the Debt Facilities would be guaranteed by certain subsidiaries of Redwire. Proceeds from the Debt Facilities would be used in part to finance the Closing-related payments described in the preceding paragraph, to refinance Redwire's existing debt facilities and for working capital purposes. The administrative and collateral agent for the

Debt Facilities would be JPMorgan Chase Bank, N.A. (“JPMorgan”) and the lead arrangers would include TCBI Securities, Inc., doing business as Texas Capital Securities, and JPMorgan, among others to be determined, if any. The principal amount under the term loan facility is expected to be subject to amortization at an initial rate of 5% per year, which rate would decrease to 1% after the outstanding principal amount of the term loans as of the Closing Date has been reduced by \$50 million (the “Prepayment Event”). The revolving loans and term loans are expected to accrue interest at variable rates based on Term SOFR or other standard indices, plus a to be determined margin (with such margin to decrease by fifty (50) basis points following the Prepayment Event). A commitment fee of 37.5 basis points would also accrue in respect of the unused portion of the revolving loan. Obligations under the Debt Facilities would be secured by liens on substantially all of the assets of the Redwire entities party thereto. The Debt Facilities and their terms are subject to the negotiation and execution of definitive agreements, and the actual terms of such definitive agreements, if any, may differ from the anticipated terms described herein.

#### **Litigation Relating to the Transactions**

On February 6, 2025, Redwire received a demand letter (the “220 Demand”) from a purported Redwire stockholder, Steamfitters Local 449 Pension Fund (the “220 Demanding Stockholder”), pursuant to Section 220 of the DGCL, seeking books and records of Redwire to allegedly investigate the conduct of Redwire’s controlling stockholder, AE Industrial, and other fiduciaries in connection with the Transactions. Redwire is cooperating with such request and is providing requested information. It is not possible to predict whether the 220 Demand Stockholder will file a lawsuit with respect to the Transaction or any effect that such lawsuit would have thereon.

On April 22, 2025, counsel for Redwire received a letter from a law firm on behalf of an individual who is a purported Redwire stockholder, accompanied by a draft complaint naming Redwire and its directors as defendants and alleging that Redwire’s preliminary proxy statement with respect to the Transactions, filed with the SEC on April 7, 2025, omitted or misrepresented certain material information. Such draft complaint includes a request for injunctive relief with respect to the Redwire stockholder vote to approve, and the closing of, the Transactions, as well as other remedies, including counsel fees. Such letter asserts that counsel intends to file such draft complaint in the event that Redwire does not file “corrective disclosure” prior to the Redwire Special Meeting. Redwire believes that the allegations set forth in the draft complaint are without merit and, if such complaint is actually filed, will defend such action vigorously.

On April 28, 2025, counsel for Redwire received a letter from a law firm on behalf of an individual who is a purported Redwire stockholder alleging that Redwire’s preliminary proxy statement with respect to the Transactions, filed with the SEC on April 7, 2025, omitted or misrepresented certain material information and demanding that Redwire amend the proxy statement or issue supplemental disclosures to correct such alleged deficiencies. Redwire believes that the allegations set forth in the demand letter are without merit and, if any further demand is made or any complaint is actually filed, will defend such action vigorously.

These forward-looking statements are not guarantees of future performance, conditions or results. Forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond our control.

These factors and circumstances include, but are not limited to (1) risks associated with the continued economic uncertainty, including high inflation, effects of trade tariffs and other trade actions, supply chain challenges, labor shortages, increased labor costs, high interest rates, foreign currency exchange volatility, concerns of economic slowdown or recession and reduced spending or suspension of investment in new or enhanced projects; (2) the failure of financial institutions or transactional counterparties; (3) Redwire's limited operating history and history of losses to date as well as the limited operating history of Edge Autonomy and the relatively novel nature of the drone industry; (4) the inability to successfully integrate recently completed and future acquisitions, including the proposed business combination with Edge Autonomy, as well as the failure to realize the anticipated benefits of the transaction or to realize estimated projected combined company results; (5) the development and continued refinement of many of Redwire's and the combined company's proprietary technologies, products and service offerings; (6) competition with new or existing companies; (7) the possibility that Redwire's expectations and assumptions relating to future results and projections with respect to Redwire or Edge Autonomy may prove incorrect; (8) adverse publicity stemming from any incident or perceived risk involving Redwire, Edge Autonomy, the combined company, or their competitors; (9) unsatisfactory performance of our and the combined company's products resulting from challenges in the space environment, extreme space weather events, the environments in which drones operate, including in combat or other areas where hostilities may occur, or otherwise; (10) the emerging nature of the market for in-space infrastructure services and the market for drones and related services; (11) inability to realize benefits from new offerings or the application of our or the combined company's technologies; (12) the inability to convert orders in backlog into revenue; (13) our and the combined company's dependence on U.S. and foreign government contracts, which are only partially funded and subject to immediate termination, which may be affected by changes in government program requirements, spending priorities or budgetary constraints, including government shutdowns, or which may be influenced by the level of military activities and related spending, such as in or with respect to ongoing or future conflicts, including the war in Ukraine, or as a result of changes in international support for military assistance to Ukraine; (14) the fact that Redwire is and the combined company will be subject to stringent economic sanctions and trade control laws and regulations; (15) the need for substantial additional funding to finance our and the combined company's operations, which may not be available when needed, on acceptable terms or at all; (16) the dilution of existing holders of Redwire Common Stock that will result from the issuance of additional shares of Redwire Common Stock as consideration for the acquisition of Edge Autonomy, as well as the issuance of Redwire Common Stock in any offering that may be undertaken in connection with such acquisition; (17) the fact that the issuance and sale of shares of Redwire Preferred Stock has reduced the relative voting power of holders of Redwire Common Stock and diluted the ownership of holders of our capital stock; (18) the ability to achieve the conditions to cause, or timing of,

any mandatory conversion of the Redwire Preferred Stock into Redwire Common Stock; (19) the fact that AE Industrial and Bain and their affiliates have significant influence over us, which could limit your ability to influence the outcome of key transactions, as well as AE Industrial's increased voting power resulting from its receipt of the Equity Consideration; (20) the fact that provisions in our Certificate of Designation with respect to our Redwire Preferred Stock may delay or prevent our acquisition by a third party, which could also reduce the market price of our capital stock; (21) the fact that our Redwire Preferred Stock has rights, preferences and privileges that are not held by, and are preferential to, the rights of holders of our other outstanding capital stock; (22) the possibility of sales of a substantial amount of Redwire Common Stock by our current stockholders, as well as the equity owners of Edge Autonomy following consummation of the transaction, which sales could cause the price of Redwire Common Stock to fall; (23) the impact of the issuance of additional shares of Redwire Preferred Stock as paid-in-kind dividends on the price and market for Redwire Common Stock; (24) the volatility of the trading price of Redwire Common Stock; (25) risks related to short sellers of Redwire Common Stock; (26) Redwire's or the combined company's inability to report its financial condition or results of operations accurately or timely as a result of identified material weaknesses in internal control over financial reporting, as well as the possible need to expand or improve Edge Autonomy's financial reporting systems and controls; (27) the possibility that the closing conditions under the Merger Agreement necessary to consummate the Mergers will not be satisfied; (28) the effect of any announcement or pendency of the proposed business combination on Redwire's or Edge Autonomy's business relationships, operating results and business generally; (29) risks that the proposed business combination disrupts current plans and operations of Redwire or Edge Autonomy; (30) the ability of Redwire or the combined company to raise financing in connection with the proposed business combination or to finance its operations in the future; (31) the impact of any increase in the combined company's indebtedness incurred to fund working capital or other corporate needs, including the repayment of Edge Autonomy's outstanding indebtedness and transaction expenses incurred to acquire Edge Autonomy, as well as debt covenants that may limit the combined company's activities, flexibility or ability to take advantage of business opportunities, and the effect of debt service on the availability of cash to fund investment in the business; (32) the ability to implement business plans, forecasts and other expectations after the completion of the proposed transaction, and identify and realize additional opportunities; (33) costs related to the Transactions; (34) a significant portion of Edge Autonomy's revenues result from sales to customers in Ukraine, which sales have been declining and may continue to decline in the event that the war and hostilities in Ukraine end, decline or change, or as a result of changes in international support for military assistance to Ukraine; and (35) other risks and uncertainties described in our most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q and those indicated from time to time in other documents filed or to be filed with the SEC by Redwire. The forward-looking statements contained in this communication are based on our current expectations and beliefs concerning future developments and their potential effects on us. If underlying assumptions to forward-looking statements prove inaccurate, or if known or unknown risks or uncertainties materialize, actual results could vary materially from those anticipated, estimated, or projected. The forward-looking statements contained in this communication are made as of the date of this communication, and Redwire disclaims any intention or obligation, other than imposed by law, to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. Persons reading this communication are cautioned not to place undue reliance on forward-looking statements.

## RISK FACTORS

*In addition to the other information included in this proxy statement, including the matters addressed in the section entitled “Cautionary Statement Regarding Forward-Looking Statements”, you should carefully consider the following risks before deciding how to vote your shares of Redwire Common Stock at the Redwire Special Meeting. In addition, you should read and consider the risks associated with the business of Redwire because these risks will also affect Redwire following the Mergers. These risks can be found in Item 1A: “Risk Factors” in the Redwire Annual Report on Form 10-K for the year ended December 31, 2024, each of which is filed with the SEC and incorporated by reference into this proxy statement. You should also read and consider the other information in this proxy statement and the other documents incorporated by reference into this proxy statement. See “[Where You Can Find More Information](#)” beginning on page [119](#).*

***Failure to complete the Mergers in a timely manner or at all could adversely affect Redwire’s business, operations and stock price.***

Delays in completing the Mergers or the failure to complete the Mergers at all could adversely affect Redwire’s business and operations, and, in that event, the market price of shares of Redwire Common Stock may decline significantly, particularly to the extent that the current market price reflects a market assumption that the Mergers will be completed. If the Mergers are not completed for any reason, Redwire will not achieve the expected benefits thereof. In addition, Redwire will be required to pay certain costs relating to the Mergers, whether or not the Mergers are completed.

***Under the Merger Agreement, Redwire is subject to certain restrictions on the conduct of its business prior to completing the Mergers which may prevent Redwire from pursuing actions that would benefit Redwire.***

Under the Merger Agreement, Redwire is subject to certain restrictions on the conduct of its business prior to completing the Mergers. These restrictions may prevent Redwire from pursuing certain strategic transactions and otherwise pursuing other actions that are not in the ordinary course of business, even if such actions could prove beneficial. Additionally, the pendency of the Mergers may cause distractions from Redwire’s strategies and day-to-day operations for employees and management.

***The Closing Per Share Price (i) is fixed only if no Equity Financing is completed, (ii) is subject to adjustment if an Equity Financing is completed and (iii) will not otherwise be subject to adjustment.***

At the Closing, the Equity Consideration paid to the Seller will be based on a Closing Per Share Price of (i) \$15.07 if no Equity Financing is completed prior to the Closing or (ii) the per share price paid in the Equity Financing if an Equity Financing is completed prior to the Closing. As a result, the market value of the Equity Consideration that the Seller will be entitled to receive at the Closing is uncertain. The Equity Consideration that the Seller will be entitled to receive at the Closing is not otherwise subject to adjustment.

***Redwire stockholders will have a smaller ownership and voting interest in Redwire upon completion of the Mergers, compared to their respective ownership and voting interest in Redwire prior to the Mergers.***

Upon completion of the Mergers, based on the number of shares of Redwire Common Stock and Redwire Preferred Stock outstanding on April 22, 2025, Redwire estimates that, after giving effect to the Stock Issuance, immediately following the Effective Time, it is expected that continuing Redwire stockholders will own approximately 69.0% and the Seller will own approximately 31.0% of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis), and that AE Industrial (including Seller) will beneficially own approximately 60.9% of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis). Accordingly, the current Redwire stockholders will exercise significantly less influence over Redwire after the Mergers relative to their respective influence over Redwire prior to the Mergers, and thus will have a less significant impact on the approval or rejection of future Redwire proposals submitted to a stockholder vote.

***Upon completion of the Mergers, AE Industrial (including Seller) will hold a majority of the voting power of Redwire and will appoint a majority of the directors to the Redwire Board.***

Following the Effective Time, AE Industrial (including Seller) will beneficially own approximately 60.9% of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis). Additionally, among other things, the A&R Investor Rights Agreement will provide that, of the nine (9) or more directors that will sit on the Redwire Board, (i) the AE Industrial Stockholders will be permitted to designate four (4) directors for election to the Redwire Board, which number would be reduced once the AE Industrial Stockholders no longer hold fifty percent (50%) or more of the Redwire Common Stock beneficially owned by the AE Industrial Stockholders (excluding Redwire Common Stock beneficially owned by Seller) at the Closing and (ii) Seller will be permitted to designate one (1) director for election to the Redwire Board so long as Seller continues to hold twenty-five percent (25%) or more of the Redwire Common Stock beneficially owned by Seller (excluding Redwire Common Stock beneficially owned by the AE Industrial Stockholders) at the Closing, provided that so long as the AE Industrial Stockholders and Seller collectively may nominate an aggregate of five (5) directors to the Redwire Board, all but one (1) director must be independent under NYSE listing standards and, if less than five (5), a majority must be independent.

***If the Mergers are not consummated by the Outside Date, either Redwire or Edge Autonomy may terminate the Merger Agreement.***

The Mergers are currently expected to close in the second quarter of 2025 promptly after the Redwire Special Meeting, assuming that all of the conditions in the Merger Agreement are either satisfied or waived. The Merger Agreement provides that either Redwire, on the one hand, or Seller or Edge Autonomy, on the other hand, may terminate the Merger Agreement, subject to certain conditions set forth in the Merger Agreement, if the Mergers have not occurred on or before the Outside Date. However, this termination right will not be available to a party if that party's failure to comply with any provision of the Merger Agreement has been the principal cause of, or resulted in, the failure of the Mergers to occur by the Outside Date. For more information, see "[The Merger Agreement—Termination of the Merger Agreement](#)" beginning on page 80. In the event the Merger Agreement is terminated by either party due to the failure of the Mergers to close by the Outside Date, Redwire will have incurred significant costs and diverted significant management focus and resources from other strategic opportunities without realizing the anticipated benefits of the Mergers.

***An adverse judgment in any litigation challenging the Mergers may prevent the Mergers from becoming effective or from becoming effective within the expected timeframe.***

Securities class action lawsuits and derivative lawsuits are often brought against companies that have entered into merger agreements or other agreements similar to the Merger Agreement. As of the date of this proxy statement, Redwire has received (a) the 220 Demand from the 220 Demanding Stockholder, pursuant to Section 220 of the DGCL, seeking books and records of Redwire to allegedly investigate the conduct of Redwire's controlling stockholder, AE Industrial, and other fiduciaries in connection with the Transactions, (b) a letter from a law firm on behalf of a purported Redwire stockholder accompanied by a draft complaint that, if filed, would seek injunctive relief and other remedies with respect to Redwire's preliminary proxy statement with respect to the Transactions and (c) a letter from a law firm on behalf of a purported Redwire stockholder alleging that Redwire's preliminary proxy statement with respect to the Transactions, filed with the SEC on April 7, 2025, omitted or misrepresented certain material information and demanding that Redwire amend the proxy statement or issue supplemental disclosures to correct such alleged deficiencies. For a more detailed description of such matters, see "[Litigation Relating to the Transactions](#)" beginning on page 88 of this proxy statement. With respect to the 220 Demand, Redwire is cooperating with the request and is providing the applicable requested information. Redwire believes that each of the two demand letters and the allegations set forth in the draft complaint are without merit and, if such complaint is actually filed, will defend such action vigorously. It is not possible to predict whether such matters will result in the actual filing of lawsuits with respect to the Transactions or the effect that such lawsuits would have on the Transactions.

Redwire cannot assure you as to the outcome of such matters or any other lawsuit that may be filed, including the amount of costs associated with defending these claims or any other liabilities that may be incurred in connection

with the litigation of these claims. If plaintiffs are successful in obtaining an injunction prohibiting the parties from completing the Transactions on the agreed-upon terms, such an injunction may delay the consummation of the Transactions in the expected timeframe, or could indefinitely enjoin the Transactions from being consummated altogether. Whether or not any plaintiff's claim is successful, this type of litigation may result in significant costs and divert management's attention and resources, which could adversely affect the operation of Redwire's business.

***Redwire expects to incur substantial expenses related to the Transactions, including with respect to integration.***

Redwire expects to incur substantial expenses in completing the Transactions and integrating the business, operations, systems, technologies, policies and procedures of Edge Autonomy with those of Redwire. While Redwire has assumed that a certain level of expenses would be incurred, there are a number of factors beyond its control that could affect the total amount or the timing of the expenses relating to the completion of the Transactions and the integration of Redwire's and Edge Autonomy's operations. Many of the expenses that will be incurred, by their nature, are difficult to estimate accurately at the present time. As a result, the expenses associated with the Transactions could, particularly in the near term, reduce the savings that Redwire expects to achieve from the elimination of duplicative expenses and the realization of economies of scale and cost savings following the completion of the Transactions, and impact Redwire's business and operations and the market price of the Redwire Common Stock.

***Following the Mergers, Redwire may be unable to integrate the current operations of Redwire and Edge Autonomy successfully and realize the anticipated synergies and other benefits of the Mergers, or unable to do so within the anticipated timeframe.***

The Mergers involve the combination of two (2) companies which currently operate independently. Following the Closing, Redwire is expected to benefit from the elimination of duplicative costs associated with general and administrative expenses, among others. Redwire will, however, be required to devote significant management attention and resources to integrating the business practices and operations of Edge Autonomy with Redwire's. Potential difficulties Redwire may encounter in the integration process include, among others, the following:

1. the inability to successfully combine the operations of Redwire and Edge Autonomy in a manner that permits Redwire to achieve the cost savings from the Mergers, or results in the anticipated benefits and synergies of the Mergers not being realized in the timeframe currently anticipated or at all;
2. the inability to integrate product lines and capitalize on cross-selling opportunities;
3. potential unknown liabilities and unforeseen increased expenses, delays or regulatory conditions associated with the Mergers;
4. failure to retain key employees of Edge Autonomy;
5. the potential need to upgrade Edge Autonomy's reporting systems, including internal controls over financial reporting and/or systems, which may be found to have material weaknesses or significant deficiencies; and
6. additional complexities of combining two (2) companies with different histories, products, markets and customers.

For all these reasons, it is possible that the integration process could result in the distraction of Redwire's management, the disruption of Redwire's ongoing business or inconsistencies in Redwire's operations, services, standards, controls, procedures and policies, any of which could adversely affect the ability of Redwire to maintain relationships with customers, vendors and employees or to achieve the anticipated benefits of the Mergers, or could otherwise adversely affect Redwire's business and financial results.

***The market price of Redwire Common Stock may decline as a result of the Transactions.***

The market price of Redwire Common Stock may decline as a result of the Transactions if (a) Redwire does not achieve the perceived benefits of the Transactions as rapidly or to the extent anticipated by financial or industry

analysts, or (b) the effect of the Transactions on Redwire's financial results is not consistent with the expectations of financial or industry analysts. Current Redwire stockholders may not wish to continue to invest in Redwire, or for other reasons may wish to dispose of some or all of their shares of Redwire Common Stock. In addition, the expiration of the lock-up set forth in the A&R Investor Rights Agreement (as described in the section entitled "[Other Transaction Agreements—A&R Investor Rights Agreement](#)") may result in additional shares of Redwire Common Stock being sold. If, following the Closing, significant amounts of Redwire Common Stock are sold, the price of Redwire Common Stock could decline.

***The unaudited pro forma financial statements included in this proxy statement are presented for illustrative purposes only and should not be viewed as an indication of Redwire's financial condition or results of operations after the Transactions.***

The unaudited *pro forma* financial statements contained in this proxy statement are presented for illustrative purposes only, are based on various adjustments, assumptions and preliminary estimates, and should not be viewed as an indication of Redwire's future financial condition or results of operations resulting from the Transactions. The actual financial condition and results of operations of Redwire following the Transactions may not be consistent with, or evident from, these unaudited *pro forma* financial statements. In addition, the assumptions used in preparing the unaudited *pro forma* financial statements may not prove to be accurate, and other factors may affect Redwire's financial condition or results of operations following the Transactions. Any potential decline in Redwire's financial condition or results of operations may cause significant variations in the market price of Redwire Common Stock following the Transactions.

***Following the Transactions, Redwire stockholders will own interests in a company with different risks and liabilities.***

Upon consummation of the Transactions, Redwire stockholders will own interests in a company operating an expanded business with a different mix of risks and liabilities. Edge Autonomy is a provider of UAS technology, and the market for UAS technology services is still an emerging market. Unsatisfactory performance of Edge Autonomy's products resulting from the environments in which drones operate, including in combat or other areas where wars and hostilities may occur (for example, the war in Ukraine), or numerous other market and technological factors may cause the demand for the products and technologies offered by Edge Autonomy to decline or be subject to variation and may cause variations in the market price of Redwire Common Stock following the Transactions. In particular, a significant portion of Edge Autonomy's sales are to customers in Ukraine, which sales have been declining and may continue to decline in the event that the war and hostilities in Ukraine end, decline or change, or as a result of changes in international support for military assistance to Ukraine.

***Redwire may need to incur additional indebtedness in the future.***

In connection with executing Redwire's business strategies following the Transactions, Redwire may need to incur additional indebtedness to fund working capital or other corporate needs, including the repayment of Edge Autonomy's outstanding indebtedness and transaction expenses incurred to acquire Edge Autonomy. The amount of such indebtedness could have material adverse consequences for Redwire, including subjecting Redwire to debt covenants that may limit Redwire's activities, flexibility or ability to take advantage of business opportunities, limiting the amount of free cash flow available for future operations, acquisitions, dividends, stock repurchases or other uses, and making Redwire more vulnerable to economic or industry downturns, including interest rate increases, the impact of which could have a material adverse effect on Redwire's results of operations, financial condition and liquidity.

***Recent tariff actions by the United States and other countries may adversely affect demand for Redwire's and Edge Autonomy's products and services, as well as increase manufacturing costs, which could have a material adverse effect on our business, financial condition and results of operations.***

The current U.S. administration recently announced significant tariff actions on imports from a broad set of countries, including Canada, Mexico, European Union member states, Japan and China. The effects of these tariffs cannot be predicted with certainty but there is a likelihood that they will create increased supply chain costs for certain inputs to the manufacture of both Redwire and Edge Autonomy products and potentially cause shortages of

certain raw materials or supplied components. In response to these tariffs, U.S. trading partners have imposed, or are likely to impose, their own tariffs, which could have the effect of increasing the cost of both Redwire and Edge Autonomy products and services that are sold to or in foreign countries. In addition, many economists and other market experts have indicated an increased likelihood of global recession as a result of the potential disruption to international trade.

Although a majority of Redwire's sales are to domestic customers and a significant portion of Edge Autonomy's sales to non-U.S. customers is supplied from its factory in Europe, which should mitigate the effects of tariff actions on such sales, foreign sales are expected to represent a significant portion of Redwire's and Edge Autonomy's combined total revenues. Accordingly, these trade actions and the widespread uncertainty and international tensions resulting therefrom, including, without limitation, the effect on the value of the U.S. dollar relative to other currencies, may adversely affect revenues, costs of sales and production volumes, any of which could materially and adversely harm our business, financial condition and results of operations.

***Redwire faces other risks.***

The foregoing risks are not exhaustive, and you should be aware that, following the Transactions, Redwire will face various other risks, including those discussed in reports filed by Redwire with the SEC. See "[Where You Can Find More Information](#)" beginning on page [119](#).

## THE REDWIRE SPECIAL MEETING

This proxy statement is being provided to Redwire stockholders as part of a solicitation of proxies by the Redwire Board for use at the Redwire Special Meeting. This proxy statement contains important information regarding the Redwire Special Meeting, the proposals on which you are being asked to vote, information you may find useful in determining how to vote and voting procedures.

### Date, Time, and Place

The Redwire Special Meeting will be held virtually, via live audio webcast on June 9, 2025 at 10:00 a.m. Eastern Time, unless the special meeting is adjourned.

### Purpose of the Redwire Special Meeting

At the Redwire Special Meeting, Redwire stockholders will be asked to vote upon the following matters:

1. a proposal to approve the Mergers, including the Stock Issuance pursuant to the Mergers (Redwire Proposal No. 1 or the Merger Transactions Proposal); and
2. a proposal to approve one or more adjournments of the Redwire Special Meeting, if appropriate, to solicit additional proxies if there are insufficient votes to approve the Merger Transactions Proposal at the time of the Redwire Special Meeting (Redwire Proposal No. 2 or the Adjournment Proposal).

### Who Can Vote at the Redwire Special Meeting

Holders of record of shares of Redwire Common Stock or Redwire Preferred Stock at the close of business on the Record Date of April 22, 2025 will be entitled to vote shares held at that date at the Redwire Special Meeting or any adjournments thereof.

As of the Record Date, Redwire had 77,082,332 shares of Redwire Common Stock outstanding and 106,982.7 shares of Redwire Preferred Stock outstanding, each share of which converts into approximately 351.5 shares of Redwire Common Stock at an initial conversion price of \$3.05 per share. Holders of shares of Redwire Common Stock are entitled to one (1) vote per share. Holders of shares of Redwire Preferred Stock are entitled to a number of votes equal to the number of shares of Redwire Common Stock into which the Redwire Preferred Stock is convertible. As a result, the holders of shares of Redwire Preferred Stock are entitled to an aggregate of 37,604,707 votes on an as converted to Redwire Common Stock basis.

### Vote Required for the Proposals

*Merger Transactions Proposal.* Assuming a quorum is present at the Redwire Special Meeting, approval of the Merger Transactions Proposal requires the affirmative vote of (i) the holders of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) representing at least a majority of the votes cast on such proposal and (ii) the holders of a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) issued and outstanding and held, as of the Record Date, other than by (i) AE Industrial and (ii) (1) persons that Redwire has determined to be “officers of Redwire” within the meaning of Rule 16a-1(f) of the Exchange Act, and (2) members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial. Under the terms of the Voting Agreements, executed in connection with the signing of the Merger Agreement, certain Redwire stockholders have agreed, subject to limited exceptions, to vote “**FOR**” the Merger Transactions Proposal. However, the approval of the Merger Transactions Proposals still requires both the Majority Vote and the Minority Vote as described above.

*Adjournment Proposal.* Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present in person (virtually) or represented by proxy at the Redwire Special Meeting and entitled to vote thereon. In addition, even if a quorum does not exist, a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present in

person (virtually) or by proxy at the Redwire Special Meeting and entitled to vote thereon, or the chairman of the Redwire Special Meeting, may adjourn the meeting to another place, date or time.

#### **Shares Owned by Redwire's Directors and Executive Officers**

At the close of business on the Record Date, the directors and executive officers of Redwire and certain of their affiliates were entitled to vote approximately 1,904,952 shares of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis), which represented an aggregate of approximately 1.7% of Redwire's outstanding voting power.

#### **Recommendation of the Redwire Board**

The Redwire Board recommends that the Redwire stockholders vote (i) **FOR** the Merger Transactions Proposal and (ii) **FOR** the Adjournment Proposal.

#### **Interests of Certain Redwire Directors and Executive Officers in the Transactions**

In considering the recommendation of the Redwire Board, upon the recommendation of the Redwire Special Committee, that Redwire stockholders vote **FOR** the Merger Transactions Proposal, Redwire stockholders should be aware that certain executive officers and directors of Redwire have interests in the Transactions that may be different from, or in addition to, the interests of Redwire stockholders generally. The Redwire Board was aware of and considered these interests, among other matters, when it approved the Merger Agreement and recommended that Redwire stockholders approve the Mergers, including the Stock Issuance. For additional information about the interests of such individuals, please see "[The Transactions—Interests of Certain Redwire Directors and Executive Officers in the Transactions](#)."

#### **Quorum Requirement**

The presence, in person (virtually) or represented by proxy, of the holders of a majority of the voting power of the shares of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) outstanding on the Record Date and entitled to vote at the Redwire Special Meeting will constitute a quorum for purposes of voting at the Redwire Special Meeting. Your shares will be counted as present if you are a record holder and you attend the Redwire Special Meeting virtually, if you are a record holder and you have submitted valid proxy instructions over the Internet, by telephone or by mail, or if you hold your shares beneficially through a bank, broker, or other nominee and follow the instructions provided by such bank, broker or other nominee to vote your shares.

For additional information about the Redwire Special Meeting, see "[The Merger Agreement—Conditions to Completion of the Mergers](#)."

#### **Attending the Redwire Special Meeting**

Stockholders eligible to vote at the Redwire Special Meeting, or their duly authorized proxies, may attend the Redwire Special Meeting virtually, via live audio webcast on June 9, 2025 at 10:00 a.m. Eastern Time online by visiting [www.virtualshareholdermeeting.com/RDW2025SM](http://www.virtualshareholdermeeting.com/RDW2025SM). Stockholders will not be able to attend the Redwire Special Meeting in person.

#### **Methods of Voting—Beneficial Owners**

If a Redwire stockholder holds shares through a bank, broker, trustee or other nominee, such stockholder is a beneficial stockholder. Such stockholder is advised to refer to the materials forwarded to such stockholder by such stockholder's bank, broker, trustee or other nominee for instructions on how to vote the applicable shares.

#### **Methods of Voting—Registered Stockholders**

If a Redwire stockholder holds shares in their own name, such stockholder is a registered stockholder and may vote during the virtual Redwire Special Meeting at [www.virtualshareholdermeeting.com/RDW2025SM](http://www.virtualshareholdermeeting.com/RDW2025SM). Such

stockholder will need to log in by entering their unique 16-digit control number included on their proxy card or on the voting instruction form accompanying these proxy materials. Only one (1) person will be able to log in with such unique control number at any time. Such stockholder can also vote by proxy before the Redwire Special Meeting in the following ways:

1. via the Internet at [www.proxyvote.com](http://www.proxyvote.com);
2. via telephone by calling 1-800-454-8683; or
3. by signing and returning a proxy card, which must be received prior to the commencement of the Redwire Special Meeting.

Proxies submitted via the Internet or by telephone must be received by 11:59 p.m., Eastern Time, on June 8, 2025.

Redwire encourages each registered stockholder to sign and return the proxy card even if such stockholder plans to attend the Redwire Special Meeting virtually, so that such stockholder's shares will be voted if such stockholder is ultimately unable to attend the Redwire Special Meeting.

#### **Failure to Submit a Proxy or Vote; Broker Non-Votes**

A stockholder's failure to return a proxy card or otherwise cause their shares not to be present virtually or represented by proxy at the Redwire Special Meeting will result in their shares not being considered present for the purpose of determining the presence of a quorum, will have no effect on the Majority Vote required for the Merger Transactions Proposal, will have the same effect as a vote "AGAINST" the Minority Vote required for the Merger Transactions Proposal, and will have no effect on the Adjournment Proposal. An abstention will not be treated as a vote cast, will have no effect on the Majority Vote required for the Merger Transactions Proposal, will have the same effect as a vote "AGAINST" the Minority Vote required for the Merger Transactions Proposal, and will have the same effect as a vote "AGAINST" the Adjournment Proposal. Because all of the proposals in this proxy statement are "non-routine" matters, brokers do not have discretionary voting authority with respect to any of the proposals described in this proxy statement and, as a result, we do not anticipate there being any broker non-votes at the Redwire Special Meeting.

#### **Failing to Provide Voting Instructions**

Stockholders of record should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, proxies that are signed and returned will be voted in accordance with the Redwire Board's recommendations, which are (a) "FOR" the Merger Transactions Proposal and (b) "FOR" the Adjournment Proposal.

#### **Revoking a Proxy**

*Beneficial Stockholders.* Beneficial stockholders that would like to revoke their proxies should contact their bank, broker, trustee or other nominee for instructions on how to change their proxy vote.

*Registered Stockholders.* Registered stockholders may change a properly executed proxy at any time before its exercise:

1. via the Internet at [www.proxyvote.com](http://www.proxyvote.com);
2. via telephone by calling 1-800-454-8683;
3. by signing and returning a proxy card, which must be received prior to the commencement of the Redwire Special Meeting; or
4. by voting at the virtual Redwire Special Meeting.

If you are a Redwire stockholder and have any questions about the Mergers or the Redwire Special Meeting or need assistance voting your shares of Redwire capital stock, or if you need additional copies of this proxy statement or the enclosed proxy card, you should contact:

#### **Solicitation of Proxies**

Redwire will bear all costs associated with soliciting proxies from Redwire stockholders. Redwire's directors, executive officers and other employees may solicit proxies through various means, including mail, telephone, Internet, and personal or electronic communication on Redwire's behalf, without receiving additional compensation beyond reimbursement for their reasonable out-of-pocket expenses. Additionally, Redwire will request that brokerage houses, custodians, nominees and fiduciaries forward proxy materials to beneficial owners and request instructions for voting the proxies, and Redwire will reimburse them for reasonable expenses incurred in doing so.

## **REDWIRE PROPOSAL NO. 1: MERGER TRANSACTIONS PROPOSAL**

The Mergers, including the Stock Issuance pursuant to the Mergers, are subject to approval by Redwire stockholders pursuant to the Merger Agreement and as required by applicable rules of the NYSE. Pursuant to the Merger Agreement, approval of the Merger Transactions Proposal is a condition to the consummation of the Transactions. If the Merger Transactions Proposal is not approved, the Mergers will not be completed.

Assuming a quorum is present at the Redwire Special Meeting, the approval of the Merger Transactions Proposal requires the affirmative vote of (i) the holders of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) sufficient to constitute the Majority Vote and (ii) the holders of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) sufficient to constitute the Minority Vote. Under the terms of the Voting Agreements, executed in connection with the signing of the Merger Agreement, certain Redwire stockholders have agreed, subject to limited exceptions, to vote “**FOR**” the Merger Transactions Proposal. However, the approval of the Merger Transactions Proposals still requires both the Majority Vote and the Minority Vote as described above.

Please note that for purposes of the Merger Transactions Proposal, the failure to return your proxy card or otherwise cause your shares not to be present in person (virtually) or represented by proxy at the Redwire Special Meeting will result in your shares not being considered present for the purpose of determining the presence of a quorum, will have no effect on the Majority Vote required for the Merger Transactions Proposal and will have the same effect as a vote “**AGAINST**” the Minority Vote required for the Merger Transactions Proposal. An abstention will not be treated as a vote cast, will have no effect on the Majority Vote required for the Merger Transactions Proposal and will have the same effect as a vote “**AGAINST**” the Minority Vote required for the Merger Transactions Proposal. Because all of the proposals in this proxy statement are “non-routine” matters, brokers do not have discretionary voting authority with respect to any of the proposals described in this proxy statement and, as a result, we do not anticipate there being any broker non-votes at the Redwire Special Meeting.

**The Redwire board of directors recommends that Redwire stockholders vote “FOR” the Merger Transactions Proposal (Redwire Proposal No. 1 on the accompanying proxy card).**

## **REDWIRE PROPOSAL NO. 2: ADJOURNMENT PROPOSAL**

Redwire is asking you to approve a proposal to approve one or more adjournments of the Redwire Special Meeting to a later date or dates, if appropriate, to solicit additional proxies if there are insufficient votes to approve the Merger Transactions Proposal at the time of the Redwire Special Meeting. If Redwire stockholders approve the Adjournment Proposal, Redwire could adjourn the Redwire Special Meeting and any adjourned session of the Redwire Special Meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from stockholders that have previously returned properly executed proxies voting against the approval of the Merger Transactions Proposal. Among other things, approval of the Adjournment Proposal could mean that, even if Redwire had received proxies representing a sufficient number of votes against the proposal to approve the Merger Transactions Proposal, such that proposal would be defeated, Redwire could adjourn the Redwire Special Meeting without a vote on the proposal to approve the Merger Transactions Proposal and seek to convince the holders of those shares to change their votes to votes in favor of that proposal. Additionally, Redwire may seek to adjourn the Redwire Special Meeting if a quorum is not present at the meeting.

Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present in person (virtually) or represented by proxy at the Redwire Special Meeting and entitled to vote thereon. In addition, even if a quorum does not exist, a majority in voting power of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis) present in person (virtually) or by proxy at the Redwire Special Meeting and entitled to vote thereon, or the chairman of the Redwire Special Meeting, may adjourn the meeting to another place, date or time. Abstentions will have the same effect as a vote “**AGAINST**” the foregoing proposal. Because all of the proposals in this proxy statement are “non-routine” matters, brokers do not have discretionary voting authority with respect to any of the proposals described in this proxy statement and, as a result, we do not anticipate there being any broker non-votes at the Redwire Special Meeting.

**The Redwire Board recommends a vote “FOR” the Adjournment Proposal (Redwire Proposal No. 2 on the accompanying proxy card).**

## THE TRANSACTIONS

### General

On January 16, 2025, the Redwire Board approved the Merger Agreement, a copy of which is attached as *Annex A* to this proxy statement, and the transactions contemplated thereby.

Subject to the terms and conditions of the Merger Agreement, on the Closing Date, (i) Merger Sub will merge with and into Edge Autonomy, with Edge Autonomy surviving such merger as a wholly-owned subsidiary of Redwire, and immediately following such First Merger, Edge Autonomy will merge with and into Purchaser, with Purchaser surviving such Second Merger as a wholly-owned subsidiary of Redwire and (ii) Redwire shall deliver the aggregate purchase price with respect to the Mergers, payable in a combination of cash and Redwire Common Stock, subject to customary adjustments for indebtedness, cash, working capital and transaction expenses, as described in the section entitled “[The Merger Agreement—Merger Consideration](#).” Immediately following the Effective Time, it is expected that continuing Redwire stockholders will own approximately 69.0% and Seller will own approximately 31.0% of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis), and that AE Industrial (including Seller) will beneficially own approximately 60.9% of Redwire Common Stock and Redwire Preferred Stock (on an as converted to Redwire Common Stock basis).

### Background of the Transactions

As part of Redwire’s ongoing consideration and evaluation of its long-term strategic goals and plans, the Redwire Board and management team periodically review, consider and assess Redwire’s operations and financial performance, as well as overall industry, competitive and macroeconomic conditions, as they may affect those strategic goals and plans, with the aim of enhancing stockholder value. During 2024, this review included, among other things, the consideration of certain potential opportunities for business combinations, acquisitions and other financial and strategic alternatives.

During August and September of 2024, as part of such regular and ongoing reviews, Redwire considered and engaged in discussions regarding a potential business combination transaction with a third party, but ultimately declined to pursue the potential business combination due to the parties’ inability to agree on valuation. In connection with such matter, Richards, Layton & Finger, P.A. (“RLF”) represented a committee of the Redwire Board composed solely of independent directors. Such discussions ultimately did not result in a transaction.

In late September 2024, as a result of phone conversations between Redwire executive officers, including Peter Cannito (Chief Executive Officer of Redwire), and representatives of AE Industrial, including Kirk Konert (a member of the Redwire Board and a Managing Partner at AE Industrial), Redwire became aware of a competitive sale process being conducted by Edge Autonomy, an entity wholly-owned by an affiliate of AE Industrial, which is a stockholder of Redwire, holding (as of September 30, 2024), approximately 47.8% of the voting power of Redwire’s capital stock. On September 30, 2024, Redwire executed a non-disclosure agreement with Edge Autonomy and, the following day, received a confidential information memorandum discussing Edge Autonomy and its business.

On October 1, 2024, members of Redwire management, including Jonathan Baliff (Chief Financial Officer), Aaron Futch (General Counsel) and Nicole Taylor (Vice President of Support and Operations), attended an introductory videoconference meeting held by representatives of Citigroup, Edge Autonomy’s financial advisor, to discuss the prospective transaction with Edge Autonomy.

During early October 2024, preliminary discussions took place between representatives of Redwire and Edge Autonomy with respect to Redwire potentially participating in the sale process being conducted by Edge Autonomy and process matters in light of AE Industrial’s ownership position in both entities. In addition, Redwire management, together with J.P. Morgan and GH Partners, financial advisors to Redwire, reviewed the materials received from Edge Autonomy in connection with preparing a potential letter of intent to be submitted as part of the sales process to acquire Edge Autonomy.

Also in early October 2024, in anticipation that a special committee would be formed in connection with participating in the sales process being conducted by Edge Autonomy, RLF performed a customary conflicts check

and confirmed that RLF did not have any conflicts of interest to represent a special committee with respect to a potential transaction to acquire Edge Autonomy and in light of the interest of AE Industrial. Thereafter, following further discussions with RLF, the Redwire Special Committee (defined below) determined to engage RLF in connection with the Edge Autonomy transaction.

On October 8, 2024, the Redwire Board held a meeting by videoconference attended by members of Redwire management and RLF. Redwire management presented to the Redwire Board information regarding the potential opportunity to acquire Edge Autonomy, discussed Edge Autonomy's business and alignment with Redwire's business, as well as preliminary perspectives on pricing, consideration mix, financing and due diligence and process matters. The meeting's participants discussed, among other things, the opportunity to acquire Edge Autonomy and the preliminary analysis being conducted by Redwire management. The Redwire Board also discussed the actual or potential conflict of interest caused by AE Industrial's substantial equity position in both Edge Autonomy and Redwire. Accordingly, the Redwire Board adopted resolutions forming a special committee of the Redwire Board (the "Redwire Special Committee") composed of Mr. Bolton, Mr. Bevacqua, and Ms. Isham, each of whom was determined to be independent under NYSE independence standards and independent from AE Industrial, and each of whom also was determined to have no material interest in the potential transaction with Edge Autonomy that was different from, or in addition to, the interests of Redwire's stockholders generally. The Redwire Special Committee was empowered to, among other things, consider, evaluate, review, monitor and negotiate the potential Edge Autonomy transaction, as well as make a recommendation to the Redwire Board concerning the potential Edge Autonomy transaction and was empowered to terminate negotiations or consideration of the potential Edge Autonomy transaction. In addition, the Redwire Board resolved that it would not authorize or approve a potential transaction with Edge Autonomy absent a prior favorable recommendation from the Redwire Special Committee. The members of the Redwire Special Committee thereafter agreed that Mr. Bolton would act as chair of the Redwire Special Committee. The members of the Redwire Special Committee were not paid any additional fees in connection with their service on the Redwire Special Committee.

Later on October 8, 2024, the Redwire Special Committee held an initial meeting by videoconference, attended by members of Redwire management, including Mr. Baliff, Mr. Futch, Chris Edmunds (Chief Accounting Officer), Ms. Taylor, Alex Curatolo (Director of Investor Relations) and Jeffrey Zeunik (Senior Vice President of Financial Planning and Analysis and Head of Investor Relations), and representatives of RLF, J.P. Morgan, and GH Partners. The Redwire Special Committee received information from Redwire management regarding the competitive bid process to acquire Edge Autonomy. The Redwire Special Committee discussed with Redwire management and the advisors the materials that Edge Autonomy had provided to prospective bidders, Redwire management's preliminary assessments of a range of values yielded by its analysis of such materials, as well as preliminary considerations regarding the potential consideration mix to be offered to acquire Edge Autonomy and funding in connection with any potential transaction.

Also on October 8, 2024, Redwire engaged Holland & Knight as transaction counsel for Redwire in connection with the potential transaction.

On October 9, 2024, Citigroup sent a letter to Redwire outlining the process through which Redwire could submit an initial written, non-binding indication of interest to acquire Edge Autonomy.

On October 9, 2024, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Cannito, Mr. Baliff, Mr. Futch, Mr. Edmunds, Ms. Taylor, Ms. Curatolo and Mr. Zeunik, as well as representatives of RLF, GH Partners, J.P. Morgan and Holland & Knight. Members of the Redwire Special Committee received and discussed a presentation by Redwire management on Edge Autonomy's strategic fit with Redwire's business, Edge Autonomy's sale process, Redwire management's preliminary valuation of Edge Autonomy, the effects of the potential transaction on the pro forma stock ownership of Redwire's stockholders, financing matters, the timing of the potential transaction and Redwire management's recommendation that Redwire submit to Edge Autonomy a non-binding indication of interest proposing a purchase price in the range of \$800 million to \$1 billion payable with a combination of cash and Redwire stock. After Redwire's advisors and Redwire management left the meeting, the Redwire Special Committee discussed the merits of the potential transaction and process matters, including obtaining an agreement at the outset of the process from AE Industrial that any potential transaction with Edge Autonomy would be conditioned upon approval of the Redwire Special

Committee and a majority of the voting power of Redwire’s capital stock held by stockholders that are disinterested with respect to AE Industrial (the “Dual Conditions”). The Redwire Special Committee also discussed the retention by the Redwire Special Committee of a financial advisor.

On October 10, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF. The Redwire Special Committee discussed, among other things, potential financial advisors to be retained by the Redwire Special Committee. The Redwire Special Committee also discussed retaining Cypress International, Inc. (together with its affiliates, “Cypress”) as a separate advisor to provide independent market advisory services to the Redwire Special Committee relating to Edge Autonomy, including an assessment of the market for Edge Autonomy’s products.

Also on October 10, 2024, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Cannito, Mr. Baliff, Mr. Futch, Mr. Edmunds, and Ms. Taylor, as well as representatives of RLF and J.P. Morgan. The Redwire Special Committee discussed terms to be included in a non-binding indication of interest (“IOI”) to be sent to Edge Autonomy. Following discussion of the draft IOI with Redwire management, J.P. Morgan and RLF, the Redwire Special Committee determined to authorize and direct Redwire management to, in consultation with RLF, finalize and send an IOI to Edge Autonomy proposing, among other terms, a purchase price between \$800 million and \$1 billion payable with \$50 million in cash and the remainder in shares of Redwire Common Stock priced at Redwire’s ten (10)-day volume weighted average per-share price (“VWAP”) as of the date of signing the definitive agreements. On October 10, 2024, Redwire Common Stock closed at a price of \$7.53 per share. The Redwire Special Committee determined, however, that the IOI should not be sent until after Edge Autonomy confirmed its agreement to the Dual Conditions. The Redwire Special Committee thereafter met in executive session in which it discussed retaining a financial advisor and directed RLF to send to Kirkland & Ellis LLP, counsel to Edge Autonomy (“Kirkland & Ellis”), a communication providing a proposed form of letter as to the Dual Conditions.

On October 11, 2024, Mr. Futch sent a letter to Citigroup confirming the requirement for the Dual Conditions and seeking confirmation from Edge Autonomy regarding its agreement to the Dual Conditions. On October 14, 2024, Citigroup, on behalf of Edge Autonomy confirmed in writing Edge Autonomy’s agreement to the Dual Conditions. Following such confirmation, Redwire submitted its initial IOI to acquire Edge Autonomy for a purchase price of \$800 million to \$1 billion, with the transaction consideration consisting of a combination of shares of Redwire Common Stock based upon Redwire’s ten (10)-day VWAP as of the date of signing the definitive agreements and \$50 million in cash.

On October 15, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF. The Redwire Special Committee discussed the status of the IOI as well as the status of conversations with potential parties to serve as the financial advisor to the Redwire Special Committee. The Redwire Special Committee also discussed the status of its contemplated engagement of Cypress.

On October 17, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF. Representatives of RLF reviewed with the members of the Redwire Special Committee their fiduciary duties under Delaware law in connection with their review and consideration of the potential transaction with Edge Autonomy. The Redwire Special Committee discussed responses to independence questionnaires previously provided by RLF, including, in the case of Ms. Isham, Ms. Isham’s small, non-managing interest in an affiliate of AE Industrial through which AE Industrial owns equity in Redwire. The Redwire Special Committee, in consultation with RLF, confirmed the independence of each member of the Redwire Special Committee. In addition, the Redwire Special Committee discussed, among other things, consideration of certain financial advisors to represent the Redwire Special Committee, the status of the Redwire Special Committee’s engagement of Cypress and anticipated timing for Cypress’s work and that Redwire had not yet received a response to its IOI.

On October 18, 2024, Messrs. Baliff, Bolton and Futch and Ms. Taylor had a telephonic conference with representatives of Citigroup during which Citigroup provided feedback from Edge Autonomy regarding Redwire’s IOI, including a desire for more definitive pricing within the range submitted in the IOI as well as greater cash consideration. In addition, the parties discussed scheduling a management presentation by Edge Autonomy and a site visit during the following week.

Later on October 18, 2024, Messrs. Baliff and Futch and Ms. Taylor briefed the Redwire Special Committee, as well as representatives of RLF, GH Partners and J.P. Morgan regarding the feedback received from Citigroup earlier in the day. The Redwire Special Committee discussed, among other things, potential responses to the feedback received from Citigroup.

On October 22, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF during which the Redwire Special Committee discussed, among other things, the potential engagement of Roth Capital as its financial advisor following Roth Capital's meeting with Mr. Bolton and RLF, as well as the terms of Roth Capital's potential engagement. It was discussed that Roth Capital had provided conflicts disclosure, subsequently confirmed in writing, that Roth Capital had not previously been engaged by AE Industrial Partners, LP, Edge Autonomy, any of AE Industrial Partners, LP's known affiliates, or any other person or entity that would potentially create a conflict of interest with respect to Roth Capital's engagement. The Redwire Special Committee also discussed the terms of Roth Capital's and Cypress's engagement letters and an upcoming meeting for presentations to members of the Redwire Special Committee and Redwire management by Edge Autonomy management. The Redwire Special Committee determined to pursue engagement of Roth Capital as its financial advisor and, on October 24, 2024, Roth Capital was formally engaged by the Redwire Special Committee as its financial advisor.

Also on October 24, 2024, members of Edge Autonomy management provided a management presentation, site visit and flight demonstration at their corporate headquarters in San Luis Obispo, California, to representatives of Redwire, including Messrs. Baliff, Edmunds, and Futch, as well as Tom Campbell (then Chief Operating Officer), Al Tadros (Chief Technology Officer), Dean Bellamy (Executive Vice President, National Security Space), and Faith Horowitz (Chief People Officer), accompanied by Noel Rimalovski of GH Partners, Aaron Myers of NextFed, Inc., market advisor to Redwire ("NextFed"), and a representative of J.P. Morgan. Mr. Bolton and representatives of Roth Capital participated by video conference in such meeting. The site visit was extensive and included commercial, operational and financial due diligence. Flight demonstrations of Edge Autonomy's product lines were conducted, as were tours of its production and development facilities. Following the conclusion of the meetings and site visit, representatives of Redwire, including members of Redwire management, Holland & Knight, RLF, J.P. Morgan, GH Partners and members of the Redwire Special Committee met by videoconference to discuss the Edge Autonomy management presentations, transaction status and anticipated next steps.

On October 30, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of Redwire management, including Mr. Cannito, Mr. Baliff, Mr. Futch, Mr. Edmunds, Ms. Taylor, Ms. Curatolo, and Mr. Zeunik, as well as RLF, Roth Capital, J.P. Morgan, GH Partners and NextFed. During such meeting, Redwire management reported on the prior meeting between Edge Autonomy and Redwire and its continued view that Edge Autonomy was a good strategic fit for Redwire. Redwire management provided a presentation on a draft revised non-binding IOI and reviewed proposed terms to be included in the revised IOI with the Redwire Special Committee, which had been prepared based on feedback received from Citigroup. The revised IOI proposed, among other terms, a purchase price of \$900 million payable in the form of \$150 million in cash and \$750 million in Redwire Common Stock based upon a ten (10)-day VWAP calculated on the date of execution of definitive agreements. In addition, the revised IOI included a proposed high-level term sheet as to contractual and governance matters. Representatives of NextFed provided an update on their market analysis of Edge Autonomy and discussed their preliminary views. Following the departure of Redwire management, J.P. Morgan and NextFed, the Redwire Special Committee and its advisors discussed the revised IOI. Roth Capital advised that Redwire management's valuation approach had been conservative and that \$900 million was an appropriate offer price for purposes of the revised IOI based upon current information. The Redwire Special Committee discussed NextFed's advice concerning Edge Autonomy's strategic outlook, including the potential impact of developments in Ukraine on Edge Autonomy's business. Following further discussion, the Redwire Special Committee determined to authorize Redwire to send the revised IOI to Edge Autonomy, subject to further review and confirmation by RLF and Roth Capital. On the evening of October 30, 2024, Redwire sent the revised IOI to Citigroup.

On November 3, 2024, Cypress was formally engaged by the Redwire Special Committee as its market advisor. Cypress was not then engaged by, and during the three prior years had not been engaged by, Redwire, Edge Autonomy, AE Industrial Partners, LP or any of its known affiliates, or any other person or entity that would potentially create any conflict of interest with respect to Cypress's engagement.

On November 5, 2024, the Redwire Board held its regularly scheduled quarterly meeting by videoconference, during which members of Redwire management briefed the Redwire Board on the current status of the potential transaction.

On November 6, 2024, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Cannito, Mr. Baliff, Mr. Futch, Mr. Edmunds, Ms. Taylor, Mr. Zeunik and Ms. Curatolo, as well as representatives of RLF, Roth Capital, J.P. Morgan, GH Partners, and NextFed. It was discussed that Citigroup had indicated that Redwire's offer was competitive, but that Redwire would have to increase its proposed purchase price from \$900 million to \$925 million, with the excess \$25 million payable in cash, in order to obtain exclusivity. Messrs. Baliff and Cannito provided a presentation addressing, among other things, Redwire management's views as to the transaction and terms to be offered in a further revised IOI, including a \$925 million purchase price payable with \$175 million in cash and the remainder in shares of Redwire Common Stock. Redwire management advised that a \$925 million valuation was attractive based upon its preliminary analysis and that obtaining exclusivity would enable Redwire to perform necessary due diligence to confirm a view as to pricing and without obligating Redwire to proceed. Redwire management provided a presentation on how the cash component could be financed. The Redwire Special Committee discussed additional matters with Redwire management and its advisors concerning Edge Autonomy's business and valuation. The meeting then adjourned and reconvened later in the day with solely the Redwire Special Committee in attendance. The Redwire Special Committee discussed, among other things, the further revised IOI's terms, potential financing sources, Edge Autonomy's business and forthcoming analyses from NextFed and Cypress. Following further discussion, the Redwire Special Committee requested that Mr. Bolton advise Redwire management that the Redwire Special Committee supported the draft further revised IOI, subject to RLF and Roth Capital's review and confirmation.

On the evening of November 6, 2024, Redwire sent the further revised IOI to Citigroup.

On November 8, 2024, Redwire provided a draft exclusivity agreement to Edge Autonomy through Citigroup. Citigroup, on behalf of Edge Autonomy, returned a revised draft to Redwire on November 15, 2024.

Also on November 8, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF, Roth Capital, and Cypress, as well as Mr. Edmunds, Mr. Futch, and Mr. Bellamy. Representatives of Cypress discussed Cypress's background in the military technology industry and provided Cypress's preliminary analysis on key risks and opportunities associated with Edge Autonomy's business. Cypress discussed with the Redwire Special Committee its initial analysis of revenue projections that had been provided to Redwire by Edge Autonomy, which assessment Cypress advised was preliminary and subject to further due diligence and analysis. Cypress advised as to additional due diligence questions to submit to Edge Autonomy. The Cypress representatives left the meeting and the Redwire Special Committee discussed Cypress's presentation and determined to direct Redwire to submit further diligence questions to Edge Autonomy.

On November 9, 2024, a meeting by videoconference was held among Mr. Baliff, Mr. Futch and representatives of J.P. Morgan to discuss additional feedback from Citigroup regarding the further revised IOI, including a proposal by Citigroup that business principals from both sides attend a meeting to discuss commercial terms of the further revised IOI.

On November 13, a meeting held by videoconference was attended by members of Redwire management, including Mr. Baliff, Mr. Futch, and Mr. Edmunds, representatives of Holland & Knight, GH Partners, Citigroup and Kirkland & Ellis, as well as Mr. Bolton and Jeffrey Hart, a Partner at AE Industrial and member of the board of managers of Edge Autonomy. Mr. Hart advised as to Edge Autonomy's preference that a portion of the transaction consideration include cash, and how the equity consideration valuation could be determined. Following such discussion, the transaction documents were to be revised by Kirkland & Ellis and sent to Redwire, Holland & Knight, RLF, Roth Capital and GH Partners.

On November 15, 2024, Citigroup sent a revised draft of the exclusivity agreement and an edited draft of the further revised IOI (including the term sheet) to Redwire. On November 19, 2024, Redwire sent a further revised draft of the exclusivity agreement to Citigroup and informed Citigroup that no further negotiations would take place with respect to the further revised IOI (including the term sheet). Citigroup and Edge Autonomy agreed, however,

that the parties would enter into an exclusivity agreement and then negotiate the final details on economics and legal terms during the course of diligence.

Also on November 19, 2024, Redwire entered into an exclusivity agreement with Edge Autonomy which provided for exclusivity between the parties until December 19, 2024, subject to an automatic fifteen (15)-day extension if the parties had agreed in principle to key economic and legal terms and Redwire continued to pursue the transaction in good faith.

On November 21, 2024, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Cannito, Mr. Baliff, Mr. Futch, Mr. Edmunds, Ms. Horowitz, Ms. Taylor and Mr. Zeunik, as well as representatives of RLF, Roth Capital, J.P. Morgan, GH Partners and Holland & Knight. During such meeting, it was discussed that regular due diligence calls would be scheduled to discuss the status of various transaction workstreams. Participants discussed the timing, due diligence, financing, accounting and logistics of the potential transaction with Edge Autonomy.

Cypress further provided an updated analysis of Edge Autonomy's revenue projections, which Cypress noted were subject to further due diligence and analysis. In addition, Cypress provided further diligence questions to be provided to Edge Autonomy.

On November 24, 2024, Kirkland & Ellis sent Holland & Knight a first draft of the Merger Agreement on behalf of Edge Autonomy. Edge Autonomy's draft proposed, among other things: a purchase price of \$925 million payable in a combination of a minimum of \$175 million in cash and the remainder in shares of Redwire Common Stock priced at the ten (10)-day VWAP of Redwire Common Stock; a termination fee of eight percent (8%) of Edge Autonomy's enterprise value; and closing conditions providing, among other things, that neither party would be obligated to close the transaction unless the transaction were previously approved by (i) the holders of a majority of the shares of Redwire Common Stock represented in person or by proxy at the Redwire Special Meeting and (ii) the holders of a majority of the outstanding shares of Redwire Common Stock held by persons other than AE Industrial or its affiliates (the "Minority Vote Condition").

On November 27, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF and Roth Capital. The Redwire Special Committee discussed the timing and status of the potential transaction with Edge Autonomy. It was noted that Edge Autonomy's initial draft of the Merger Agreement contained the Dual Conditions. The Redwire Special Committee discussed updates concerning due diligence, the timing of the potential transaction and the desire to extend exclusivity to give the parties enough time to complete due diligence and negotiate definitive agreements.

On December 5, 2024, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Baliff, Mr. Edmunds, Ms. Horowitz, Ms. Taylor and Mr. Zeunik,

as well as representatives of RLF, Roth Capital, J.P. Morgan, GH Partners and Holland & Knight. The Redwire Special Committee received updates regarding the potential transaction, including the status of due diligence, financing matters, accounting matters, timing matters and the drafting of definitive agreements. Also on December 5, 2024, Mr. Bolton, Ms. Horowitz, Nicholas Andrews (Chief Technology Officer) and representatives of Redwire management, including Messrs. Futch, and Tadros, conducted a site visit and diligence meetings with Edge Autonomy's management team at Edge Autonomy's manufacturing facility in Ann Arbor, Michigan.

Also on December 6, 2024, Kirkland & Ellis sent Holland & Knight a draft A&R Investor Rights Agreement to be executed by Redwire, AE Industrial and certain other signatories party thereto. The draft proposed, among other things: increasing AE Industrial's board representation from five (5) directors to six (6); providing that AE Industrial's shares of Redwire Common Stock held as of the execution of the Merger Agreement would not be subject to "lock-up" restrictions; and providing that shares of Redwire Common Stock to be issued to AE Industrial in connection with the transaction (the "Rollover Shares"), but not shares then currently held by AE Industrial, would be subject to "lock-up" restrictions for 180 days, with twenty-five percent (25%) of such shares being released from such restrictions ninety (90) days after the closing date of the Mergers.

On December 9, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF, Roth Capital, and Cypress. The Redwire Special Committee further discussed anticipated timing for the potential transaction and received an update from RLF concerning the draft Merger Agreement.

Later on December 9, 2024, Holland & Knight, following prior consultation with RLF on behalf of the Redwire Special Committee and members of Redwire management, sent Kirkland & Ellis a revised draft of the Merger Agreement consistent with terms that had been discussed by the Redwire Special Committee. Redwire's draft contemplated, among other things: a purchase price of \$925 million payable in a combination of a maximum of \$175 million in cash and the remainder in shares of Redwire Common Stock priced at the shares' ten (10)-day VWAP; a termination fee of approximately 2.6% of enterprise value; and the Dual Conditions. Redwire's draft also provided for substantially enhanced representations and warranties regarding Edge Autonomy. Holland & Knight also sent Kirkland & Ellis a draft voting and support agreement to be entered into by AE Industrial in its capacity as a stockholder of Redwire, which contemplated, among other things, AE Industrial's commitment, subject to certain conditions, to vote all of its shares of Redwire capital stock at the Redwire Special Meeting (a) in favor of the issuance by Redwire of Redwire Common Stock as Equity Consideration, (b) in favor of any proposal to adjourn or postpone the Redwire Special Meeting to a later date as may be requested by Redwire and (c) against any action that would be expected to impede the Transactions.

On December 12, 2024, representatives of Redwire management, J.P. Morgan, GH Partners, Roth Capital, RLF and representatives of the Redwire Special Committee held a call to discuss due diligence matters as well as timing and process matters related to the transaction.

On December 15, 2024, Holland & Knight, following consultation with RLF on behalf of the Redwire Special Committee and members of Redwire management, sent Kirkland & Ellis a draft of the A&R Investor Rights Agreement. The draft proposed, among other things, maintaining AE Industrial's board representation at five (5) directors and providing that all of AE Industrial's shares of Redwire Common Stock, including AE Industrial's Rollover Shares, would be subject to "lock-up" restrictions for 180 days following the closing date of the Mergers.

On December 19, 2024, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, Mr. Cannito, Mr. Baliff, Mr. Futch, Mr. Edmunds, Ms. Curatolo, and Mr. Zeunik, as well as representatives of RLF, Roth Capital, J.P. Morgan, GH Partners and Holland & Knight. The Redwire Special Committee received updates regarding the potential transaction, including financing matters, accounting matters, the draft transaction documents, communications matters and outstanding due diligence items.

Later on December 19, 2024, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF. The Redwire Special Committee discussed, among other things, the Minority Vote Condition and obtaining views as to the transaction from Bain and Genesis Park, which were Redwire's two (2) then-largest stockholders other than AE Industrial, including the possibility of, and legal considerations as to, obtaining voting and support agreements from such stockholders.

Also on December 19, 2024, following input from members of the Redwire Special Committee, Redwire and Edge Autonomy entered into an amendment to the exclusivity agreement, which extended exclusivity between the parties until January 10, 2025, subject to an automatic fifteen (15)-day extension if, as of such date, the parties continue to pursue a transaction in good faith.

On December 20, 2024, the Redwire Board held a meeting by videoconference attended by members of Redwire management, J.P. Morgan, GH Partners, Holland & Knight, KPMG, Texas Capital Bank (a prospective lender of Redwire), NextFed, Roth Capital and RLF at which the Redwire Board discussed, among other things, the status of and key considerations regarding the potential transaction, an overview of Edge Autonomy's market position, Redwire's ongoing due diligence of Edge Autonomy, a high-level summary of the key transaction agreements, potential financing sources, pre-integration and proposed communication plans and overall timing. Kirk Konert left the meeting for the portion in which Redwire management and representatives of NextFed briefed the remaining members of the Redwire Board on market analysis and Redwire management's assessment of valuation of Edge Autonomy.

Also on December 20, 2024, Kirkland & Ellis sent Holland & Knight a revised draft of the Merger Agreement. The revised draft proposed, among other things: a purchase price of \$925 million payable in a combination of a maximum of \$175 million in cash and the remainder in shares of Redwire Common Stock priced at the shares' ten (10)-day VWAP; a termination fee of four percent (4%) of enterprise value; and elimination of the Minority Vote Condition and the language contemplating execution of a voting and support agreement by AE Industrial as a stockholder of Redwire.

During a series of calls between Mr. Baliff and Mr. Hart that occurred from December 20, 2024, through December 31, 2024, the parties discussed potential resolutions to the differences in the parties' positions on the mix of cash and equity consideration to be paid for Edge Autonomy. Mr. Baliff and Mr. Bolton spoke frequently during this period as to Mr. Baliff's discussions with Mr. Hart and Mr. Bolton provided feedback to Mr. Baliff with respect to such discussions, including with respect to the Minority Vote Condition, a potential "minimum cash" condition (described below), and the applicable VWAP formula that would be used to price shares of Redwire Common Stock that would be issued as equity consideration. During such period, Redwire's stock price rose from \$12.21 (the opening price on December 20, 2024) to \$16.46 (the closing price on December 31, 2024).

On December 29, 2024, Kirkland & Ellis sent Holland & Knight a revised draft of the A&R Investor Rights Agreement. Such draft reflected AE Industrial's acceptance of maintaining AE Industrial's board representation at five (5) directors. The draft further provided, among other things, for a reversion to Kirkland & Ellis's prior "lock-up" construct that had been proposed in Kirkland & Ellis's draft of December 6, 2024.

On January 1, 2025, the Redwire Special Committee held a meeting by videoconference attended by Mr. Baliff, as well as by representatives of RLF and Roth Capital. It was noted that Edge Autonomy had requested a "minimum cash" condition that would require Redwire to pay, as part of the purchase price, cash consideration equal to or exceeding \$300 million. The Redwire Special Committee discussed rejecting the request and keeping the aggregate cash consideration in the \$150 million to \$175 million range and various potential ways to finance the cash component of the purchase price, including a pre- or post-announcement sale of Redwire Common Stock directly to private investors. Representatives of Roth Capital and Mr. Baliff provided feedback on that issue and on related

matters. Mr. Baliff left the meeting and the remaining participants discussed, among other things, the foregoing matters and the timing of the potential transaction.

On January 3, 2025, the Redwire Board held a meeting by videoconference in which members of Redwire management provided an informational update on the status of the potential transaction, including a briefing of the draft results of a quality of earnings analysis performed by KPMG.

On January 5, 2025, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF and Roth Capital. The Redwire Special Committee discussed the latest revised draft Merger Agreement and ancillary documents received from Edge Autonomy and revisions to such drafts that had been prepared by Holland & Knight, including the proposed revised pricing formula sent contemporaneously with the Merger Agreement on January 6, 2025, as described below. Following discussion and receipt of advice from the Redwire Special Committee's advisors, the Redwire Special Committee determined to authorize and direct Redwire management, in consultation with RLF and Roth Capital as appropriate, to finalize and send to Edge Autonomy revised drafts of the Merger Agreement and ancillary documents consistent with its discussion.

On January 6, 2025, Holland & Knight, following prior consultation with RLF on behalf of the Redwire Special Committee and members of Redwire management, sent Kirkland & Ellis a revised draft of the Merger Agreement consistent with prior discussions with the Redwire Special Committee. The revised draft proposed, among other things: a purchase price of \$925 million payable in a combination of a maximum of \$175 million in cash and the remainder in shares of Redwire Common Stock priced at the shares' thirty (30)-day VWAP; a termination fee of \$3 million; and including the Minority Vote Condition. An ancillary document shared contemporaneously with Kirkland & Ellis provided for an adjustment to the pricing of the equity component of the purchase price as follows: if Redwire conducted an Equity Financing resulting in gross proceeds of \$150 million or more, the per-share price used to price the equity component of the purchase price would be the price of Redwire Common Stock used in the Equity Financing, but if gross proceeds for any Equity Financing totaled less than \$150 million, such price would be the lesser of the price used in such Equity Financing and the thirty (30)-day VWAP of Redwire Common Stock. The ancillary document further provided that if Redwire conducted an Equity Financing from which the gross proceeds exceeded \$150 million, then fifty percent (50%) of all excess funds would be retained by Redwire and the remainder would be paid to Edge Autonomy in cash and be credited against the equity consideration portion of the total purchase price.

On January 7, 2025, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF and Roth Capital. The Redwire Special Committee discussed Edge Autonomy's 2024 results, which were lower than projected with respect to earnings before interest, tax, depreciation and amortization ("EBITDA") and revenue, as well as Edge Autonomy's resulting changes to projected 2025 EBITDA and revenue which reflected increases in these metrics. Representatives of Roth Capital advised that these changes largely reflected an expectation that the revenue and EBITDA that had been forecasted to be received in 2024 would shift into 2025. Mr. Bolton noted that, following these changes and discussions with Mr. Bolton, Redwire management had proposed to Edge Autonomy that the cash component of the purchase price be eliminated, which would be favorable to Redwire. The Redwire Special Committee discussed, among other things, these developments, the status of Cypress's analysis and the latest drafts of the transaction documents.

Later that day, on January 7, 2025, following consultation with RLF on behalf of the Redwire Special Committee and members of Redwire management, Holland & Knight sent Kirkland & Ellis a revised draft of the A&R Investor Rights Agreement. Such draft provided, among other things, that all of AE Industrial's shares of Redwire Common Stock, including the Rollover Shares to be received by AE Industrial and all other shares AE Industrial owned before the acquisition transaction, would be subject to 180-day "lock-up" restrictions.

Later on January 7, 2025, Mr. Futch sent a draft voting and support agreement, in substantially the same form as the form that was circulated to AE Industrial, to representatives of Genesis Park. On January 10, 2025, representatives of Genesis Park requested edits to the draft agreement, including to the requirement that Genesis Park be prohibited from selling shares during the period between the announcement of the potential transaction and the anticipated stockholder vote to approve the transaction. Members of Redwire management consulted with Mr. Bolton by telephone regarding such developments.

On January 8, 2025, a meeting by videoconference was held, which was attended by members of Redwire management, including Mr. Baliff, Mr. Futch and Mr. Edmunds, representatives of Holland & Knight, Roth Capital and GH Partners, as well as by Mr. Hart, Citigroup and Kirkland & Ellis. Mr. Hart advised as to Edge Autonomy's 2024 financial results and the revisions that Edge Autonomy had made to its financial projections, as well as the discussions concerning the transaction documents. Following discussion, the transaction documents were to be revised by Kirkland & Ellis and sent to Redwire, Holland & Knight, RLF, Roth Capital and GH Partners.

On January 9, 2025, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Baliff and Mr. Edmunds, as well as by representatives of RLF, Roth Capital and GH Partners. Mr. Baliff advised as to Edge Autonomy's 2024 financial results and the revisions that Edge Autonomy had made to its financial projections, as well as the revisions that Redwire management had made to its projections for Edge Autonomy's business as a result. Following discussion, the Redwire Special Committee requested that Redwire management prepare a summary of such changes, which Mr. Baliff agreed to provide. The Redwire Special Committee discussed a proposal by Redwire management to pay the purchase price solely in shares of Redwire Common Stock without any cash component and related financing matters.

On January 10, 2025, Redwire management provided to the Redwire Special Committee the summary of changes to Redwire management's financial model that the Redwire Special Committee had requested.

Also on January 10, 2025, Kirkland & Ellis sent Holland & Knight a revised draft of the Merger Agreement. The revised draft proposed, among other things: a purchase price of \$925 million payable in a combination of a maximum of \$175 million in cash and Redwire Common Stock priced at the shares' forty-five (45)-day VWAP; a termination fee of \$3 million; a purchase price adjustment escrow amount of \$5 million; and omitting the Minority Vote Condition.

Also on January 10, 2025, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF, Roth Capital and Cypress. The Redwire Special Committee received Cypress's final presentation concerning its analysis of Edge Autonomy, including Cypress's analysis of Edge Autonomy's revenue projections, which generally aligned with the assessments by NextFed and Redwire management. Mr. Futch and representatives of Holland & Knight subsequently joined the meeting and provided a summary of open drafting issues and revisions that Edge Autonomy had made in Kirkland & Ellis's latest turn of the transaction documents. It was noted that Edge Autonomy's latest draft of the Merger Agreement omitted the Minority Vote Condition, as well as that AE Industrial indicated its unwillingness to execute a voting and support agreement. The Redwire Special Committee discussed that the Minority Vote Condition should be reinstated and that AE Industrial should execute a voting and support agreement. The Redwire Special Committee further discussed, among other things, that Edge Autonomy had proposed pricing the equity component of the purchase price using the forty-five (45)-day VWAP of shares of Redwire Common Stock rather than the thirty (30)-day VWAP previously proposed, as well as that AE Industrial had proposed imposing "lock-up" restrictions on only AE Industrial's Rollover Shares. Following discussion concerning these and other matters, the Redwire Special Committee directed Mr. Bolton to convey to Redwire's management the Redwire Special Committee's position that it would require both the Minority Vote Condition and the AE Industrial voting and support agreement, that pricing should be set at a thirty (30)-day VWAP and that all of AE Industrial's shares should be subject to the "lock-up."

On January 11, 2025 and January 12, 2025, a series of calls were held between RLF, Holland & Knight and members of Redwire management during which participants discussed the latest draft of the Merger Agreement and ancillary documents shared by Kirkland & Ellis and counterproposals to terms proposed by Kirkland & Ellis.

On January 14, 2025, following consultation with RLF on behalf of the Redwire Special Committee and members of Redwire management, Holland & Knight sent a revised draft of the Merger Agreement and ancillary documents to Kirkland & Ellis. The revised draft of the Merger Agreement proposed, among other things: a purchase price of \$925 million payable in a combination of cash and shares of Redwire Common Stock (such mix between cash and stock to be determined based on whether an Equity Financing were consummated prior to the Closing and the amount of gross proceeds raised from such Equity Financing, as summarized below); the transaction consideration payable in shares of Redwire Common Stock to be based on the thirty (30)-day VWAP of Redwire Common Stock if no Equity Financing were consummated prior to the Closing or based on the per share price of

Redwire Common Stock issued in the Equity Financing if an Equity Financing were consummated prior to the Closing; a termination fee of \$3 million; and including the Minority Vote Condition. The revised draft Merger Agreement further provided for an adjustment to the price per share attributable to the Redwire Common Stock to be issued as consideration as follows: if an Equity Financing were consummated prior to the Closing resulting in gross proceeds of \$150 million or more, such price per share would be the per share price of Redwire Common Stock issued in such Equity Financing multiplied by 1.10, but if such gross proceeds were less than \$150 million, such price would be the lesser of the per share price of Redwire Common Stock issued in such Equity Financing and the thirty (30)-day VWAP of Redwire Common Stock as of the trading day immediately preceding the date of the Merger Agreement. The revised draft Merger Agreement further provided that if Redwire were to conduct an Equity Financing prior to the Closing, then the amount of cash consideration payable to Seller would be determined as follows: (i) the first \$75 million of gross proceeds from the Equity Financing minus any gross proceeds needed to satisfy the minimum cash condition (described below) would be paid to Seller as cash consideration; (ii) the next \$25 million of gross proceeds from the Equity Financing would be retained by Redwire; (iii) the next \$100 million of gross proceeds from the Equity Financing would be paid to Seller as cash consideration; and (iv) with respect to any additional gross proceeds from the Equity Financing, fifty percent (50%) would be paid to Seller as cash consideration and fifty percent (50%) would be retained by Redwire. Such draft Merger Agreement further provided that Redwire would not be required to close the Mergers if the amount of cash of the Edge Autonomy Group plus the gross proceeds resulting from an Equity Financing, collectively, were equal to or less than the aggregate amount of cash required to be delivered by Redwire at Closing for all payments with respect to the indebtedness of Edge Autonomy, transaction expenses, bonuses to certain employees and service providers of Edge Autonomy and the purchase price adjustment escrow account.

On January 15, 2025, Kirkland & Ellis sent a revised draft of the Merger Agreement and A&R Investor Rights Agreement to Holland & Knight. Such revised draft of the Merger Agreement contained the revised terms described in the paragraph below. Such revised draft of the A&R Investor Rights Agreement proposed that only the Seller and its permitted transferees (as opposed to the Seller, AE Red Holdings, LLC and their permitted transferees) would be subject to the “lock-up”, and that the shares of stock subject to the lock-up would include only the shares of Redwire Common Stock to be tendered as Equity Consideration to the Seller; provided that, if Redwire were to effect an Equity Financing and the aggregate amount of gross proceeds therefrom were less than \$200 million, then beginning ninety (90) days following the Closing Date, twenty percent (20%) of such shares would no longer be subject to the lock-up.

Later on January 15, 2025, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF and Roth Capital. The Redwire Special Committee discussed the status of draft transaction documents, including that, in the latest draft of the Merger Agreement circulated by Kirkland & Ellis, Edge Autonomy had agreed to use the thirty (30)-day VWAP to price the equity component of the purchase price, that Edge Autonomy had proposed an alternative mechanism to reprice such per-share value in the event that Redwire conducted an Equity Financing, and that AE Industrial had agreed to provisions imposing “lock-up” restrictions on shares of Redwire Common Stock it owned before share issuances to be conducted in connection with the Edge Autonomy transaction. It was further noted that the latest draft Merger Agreement omitted the Minority Vote Condition and that AE Industrial had not yet agreed to execute a voting and support agreement. Following further discussion, the Redwire Special Committee directed Mr. Bolton to convey to Redwire management that the Minority Vote Condition be reinstated as a critical protection for minority stockholders and that a voting and support agreement with AE Industrial be executed to ensure alignment of interests between AE Industrial and other stockholders. Roth Capital then provided the Redwire Special Committee with a preliminary presentation with respect to its valuation of Edge Autonomy and assessment of the transaction.

After a series of discussions between representatives of Redwire management and representatives of Genesis Park, with respect to which periodic updates were provided to Mr. Bolton, on January 15, 2025, Redwire and Genesis Park agreed that Genesis Park would not be prohibited from selling shares during the period between the announcement of the potential transaction and the stockholder vote and finalized the form of voting and support agreement to be executed by Genesis Park.

During a series of calls between Redwire management and representatives of AE Industrial, Edge Autonomy agreed in principle to the reinstatement in the draft of the Merger Agreement of the Minority Vote Condition as well

as the requirement that the transaction consideration include at least \$150 million of cash. Mr. Baliff and other members of Redwire management consulted with Mr. Bolton telephonically several times through the course of such discussions.

Later that day, on January 15, 2025, the Redwire Special Committee held a meeting by videoconference attended by Mr. Baliff, as well as representatives of RLF and Roth Capital. The Redwire Special Committee discussed that Edge Autonomy had agreed to the Minority Vote Condition and AE Industrial had agreed to execute a voting and support agreement. In addition, Edge Autonomy further proposed that the \$925 million purchase price be paid with a minimum of \$150 million in cash, with the remaining amount payable in shares of Redwire Common Stock. The Redwire Special Committee discussed, among other things, provisions that would adjust the pricing of the equity component of the purchase price if Redwire were to conduct an Equity Financing and indicated its support for proposing a price collar requiring that, if an Equity Financing were effected prior to the Closing, the per share price attributable to shares of Redwire Common Stock issued as Equity Consideration would equal the per share price of Redwire Common Stock issued in the Equity Financing; provided that such per share price would be subject to a lower price collar of ninety percent (90%) of the thirty (30)-day VWAP of Redwire Common Stock and an upper price collar of 110% of the thirty (30)-day VWAP of Redwire Common Stock. Participants discussed financing matters and how Redwire might fund the cash component of the purchase price. Mr. Baliff provided updates concerning voting and support agreements from Bain and Genesis Park. Mr. Baliff left the meeting and remaining participants discussed Roth Capital's financial analysis and the latest terms proposed by AE Industrial in the A&R Investor Rights Agreement. The Redwire Special Committee determined that all of AE Industrial's shares of Redwire Common Stock, not merely the Rollover Shares, should be subject to "lock-up" restrictions. Mr. Konert left the meeting for the portion in which Redwire management briefed the remaining members of the Redwire Board on management's assessment of the valuation of Edge Autonomy.

Also on January 15, 2025, the Redwire Board held a meeting by videoconference attended by members of Redwire management. During such meeting, Redwire management presented to the Redwire Board information regarding the proposed transaction with Edge Autonomy and noted that Edge Autonomy's 2024 results were somewhat less than projected but that Redwire management's valuation of Edge Autonomy remained in line with prior presentations to the Redwire Board and remained accretive to Redwire while maintaining prudent leverage metrics, given Redwire's size and other characteristics. Redwire management also summarized certain key terms of the proposed transaction, including a \$925 million purchase price, based on a cash-free, debt-free basis, payable with only Redwire Common Stock (valued based on the weighted average price of such Redwire Common Stock during the thirty (30)-trading-day period preceding the signing date) in light of the financing issues referenced above; provided, however, that a portion of the transaction consideration could be payable entirely with Redwire Common Stock or with a combination of cash and Redwire Common Stock if an Equity Financing were effected. Additionally, Redwire management noted that Redwire would have the option (but not the obligation) to conduct an equity offering prior to Closing. Redwire management also reviewed a summary of potential sources and uses of funds to finance the Transactions and noted Edge Autonomy's position that the Transactions should be approved by only a majority of votes cast by Redwire's stockholders per NYSE rules. Redwire management confirmed that, while it expected that Genesis Park was agreeable to providing a voting and support agreement, and discussions with Bain regarding a voting and support agreement were underway, AE Industrial had expressed an unwillingness to provide such an agreement at the execution of the Merger Agreement.

On January 16, 2025, following consultation with RLF on behalf of the Redwire Special Committee and members of Redwire management, Holland & Knight sent Kirkland & Ellis a revised draft of the Merger Agreement and a revised draft of the voting and support agreement to be executed by AE Industrial. The revised draft of the Merger Agreement contemplated, among other things: a purchase price of \$925 million payable with a combination of a minimum of \$150 million in cash and the remainder in shares of Redwire Common Stock priced at the thirty (30)-day VWAP; a termination fee of \$3 million; and including the Minority Vote Condition. The revised draft Merger Agreement further provided for an adjustment to the price per share of the Redwire Common Stock to be issued as Equity Consideration if an Equity Financing were effected prior to the Closing as follows: such price would equal the price at which Redwire conducted a pre-closing Equity Financing (if any), provided that such price per share would be subject to a price collar of ninety percent (90%) of the thirty (30)-day VWAP (the lower limit) and a price collar of 110% of the thirty (30)-day VWAP (the higher limit). The revised draft of the voting and

support agreement to be executed by AE Industrial, contemplated, in addition to the terms included in Holland & Knight's December 9, 2024 draft of such agreement, that AE Industrial would vote all of its shares of Redwire capital stock in favor of the Equity Financing, if any.

On January 16, 2025, Kirkland & Ellis sent Holland & Knight a revised draft of the voting and support agreement to be executed by AE Industrial, which contemplated that AE Industrial would vote its shares of Redwire capital stock at the Redwire Special Meeting in the manner contemplated by Holland & Knight's January 16, 2025 revised draft of the voting and support agreement. Later on January 16, 2025, Holland & Knight sent Kirkland & Ellis a further revised draft of the voting and support agreement to be executed by AE Industrial, which was in substantially agreed form and reflected certain minor comments.

Also on January 16, 2025, Mr. Futch advised Mr. Bolton and RLF that Edge Autonomy had proposed eliminating the ten percent (10%) collar on the equity component's price adjustment provision such that, if Redwire were to effect an Equity Financing, the equity component of the purchase price would equal the per-share price used in such financing transaction. Mr. Futch further advised that Edge Autonomy had also agreed to reduce the termination fee to \$1 million.

Also on January 16, 2025, Holland & Knight sent Davis Polk & Wardwell LLP ("Davis Polk"), legal counsel to Bain, a draft of the voting and support agreement to be executed by Bain, which contemplated, among other things, Bain's commitment, subject to certain conditions, to vote all of its shares of Redwire capital stock at the Redwire Special Meeting (a) in favor of the issuance by Redwire of Redwire Common Stock as Equity Consideration, (b) in favor of the Equity Financing, if any, (c) in favor of any proposal to adjourn or postpone the Redwire Special Meeting to a later date as may be requested by Redwire and (d) against any action that would be expected to impede the Transactions.

Later on January 16, 2025, the Redwire Special Committee held a meeting by videoconference initially attended by members of Redwire management, including Mr. Baliff and Mr. Futch, as well as representatives of RLF, Roth Capital and Holland & Knight. Representatives of Holland & Knight provided an overview of the terms of the definitive agreements, including the Merger Agreement, the voting and support agreements with AE Industrial, Bain, and Genesis Park, and the A&R Investor Rights Agreement and discussed the changes agreed to by Edge Autonomy during the course of the day in a series of phone calls between representatives of Redwire and AE Industrial. Redwire management provided an analysis of the proposed funding sources for the \$150 million cash portion of the purchase price. After representatives of Holland & Knight and Redwire management left the meeting, representatives of Roth Capital provided further advice regarding the financing of the transaction. Representatives of Roth Capital provided a presentation to the Redwire Special Committee concerning the fairness of the transaction from a financial point of view and rendered their oral opinion that, subject to assumptions and qualifications set forth in a written fairness opinion letter to be delivered to the Redwire Special Committee after the meeting, Roth Capital was of the opinion, as of the date thereof, that the transaction consideration payable by Redwire pursuant to the Merger Agreement was fair from a financial point of view. Representatives of RLF advised members of the Redwire Special Committee as to their fiduciary duties under Delaware law and related matters. Following further discussion, and following receipt and consideration of advice from RLF and Roth Capital, the Redwire Special Committee voted unanimously to adopt resolutions approving and recommending the transaction documents and the transactions contemplated thereby.

Also on January 16, 2025, the Redwire Board held a meeting by videoconference attended by members of Redwire management, J.P. Morgan and GH Partners. Redwire management presented to the Redwire Board information regarding the proposed key terms of the Transactions, specifically noting the changes that had been negotiated following the Redwire Board's meeting on January 15, 2025, including the following: (a) the total consideration remained \$925 million, on a cash-free, debt-free basis, and that at least \$150 million would be payable in cash with the balance to be paid in shares of Redwire Common Stock; (b) the Equity Consideration would be valued based on (i) the weighted average price of Redwire Common Stock during the thirty (30)-trading-day period preceding the signing date of the Transactions if no Equity Financing was consummated prior to the Closing or (ii) the gross proceeds per share of Redwire Common Stock issued in connection with such Equity Financing if an Equity Financing was consummated prior to the Closing; (c) the requisite Redwire stockholder approval of the Transactions would include (i) the vote of the holders of a majority in voting power of Redwire Common Stock and

Redwire Preferred Stock (on an as-converted basis) voted with respect to the Transactions, and (ii) the vote of the holders of a majority in such voting power of Redwire Common Stock and Redwire Preferred Stock (on an as-converted basis) issued and outstanding and held by persons other than AE Industrial; (d) in connection with the signing of the Transactions, voting and support agreements (pursuant to which each stockholder agrees to approve the Transactions) would be obtained from Redwire's three (3) largest stockholders, including AE Industrial, Bain and Genesis Park; and (e) the termination fee payable by Redwire in the event that Redwire were to not close the Transactions would equal \$1 million, subject to certain exceptions. During such meeting, Mr. Bolton also led a discussion regarding the report of the Redwire Special Committee concerning its evaluation of the Transactions, and confirmed that the Redwire Special Committee (a) unanimously concluded that the Transactions are advisable and are, without giving any consideration to the interests of the AE Industrial Stockholders, in the best interest of the Redwire stockholders and (b) unanimously recommended that the Redwire Board approve the Transactions. Members of Redwire management then expressed their support of the Transactions after considering the underlying accretion/dilution metrics, as well as the base, upside and downside cases with respect to the Transactions, and responded to questions from the members of the Redwire Board throughout the meeting. Following completion of the presentations and the directors' discussions regarding the Transactions, upon a motion duly made and seconded, the Redwire Board unanimously (with the exception of Mr. Konert, who left the meeting prior to the discussion of the valuation and financial analysis and did not participate in the vote due to his position as a Managing Partner of AE Industrial) approved resolutions providing for approval of the Merger Agreement and the Transactions in all respects.

On January 17, 2025, Kirkland & Ellis sent Holland & Knight the proposed execution version of the Merger Agreement containing the terms approved by the Redwire Special Committee and Redwire Board. Such version of the Merger Agreement provided, among other things: a purchase price of \$925 million payable in a combination of a minimum of \$150 million in cash and the remainder in shares of Redwire Common Stock priced at such shares' thirty (30)-day VWAP; a termination fee of \$1 million; and including the Minority Vote Condition. The Merger Agreement further provided that if Redwire conducted a pre-Closing Equity Financing, the equity component of the purchase price would be attributed the same per-share price as the shares of Redwire Common Stock issued in such Equity Financing without being subject to any price collar. The parties made non-substantive edits to the Merger Agreement between January 17 and January 20, 2025.

Later on January 17, 2025, following consultation with RLF on behalf of the Redwire Special Committee and members of Redwire management, Holland & Knight sent Kirkland & Ellis a revised draft of the A&R Investor Rights Agreement. Such draft reflected the terms provided to the Redwire Special Committee and Redwire Board, including, among other things, that all of AE Industrial's shares of Redwire Common Stock (including those shares to be received as Equity Consideration) would be subject to 180-day "lock-up" restrictions prohibiting the sale or transfer of such shares, in each case, except for to permitted transferees who agree to be bound by the A&R Investor Rights Agreement. The parties made non-substantive edits to the A&R Investor Rights Agreement between January 17, 2025, and January 20, 2025.

In a series of telephone calls and videoconferences between January 17, 2025, and January 19, 2025, members of Redwire management briefed representatives of Bain on the potential transaction to address questions raised by Bain in connection with the proposed voting and support agreement to be executed by Bain. Mr. Baliff and other members of management consulted with Mr. Bolton telephonically several times through the course of such discussions.

On January 18, 2025, Davis Polk sent Holland & Knight a revised draft of the voting and support agreement to be executed by Bain, which contemplated, among other things, Bain's commitment, subject to certain conditions, to vote all of its shares (a) in favor of the issuance by Redwire of Redwire Common Stock as Equity Consideration, (b) in favor of any Equity Financing that has been approved by the Redwire Special Committee or (c) in favor of any proposal to adjourn or postpone the Redwire Special Meeting to a later date as may be requested by Redwire. Such draft deleted Bain's requirement to vote against any action that would be expected to impede the Transactions. Additionally, the draft provided that the Equity Financing, the termination of such voting and support agreement and certain material amendments to such voting and support agreement would be required to be approved by Bain and the Redwire Special Committee and that certain material amendments made to the Merger Agreement or ancillary agreements would permit Bain to terminate such voting and support agreement.

Later on January 18, 2025, Holland & Knight and Davis Polk discussed, among other things, the key changes reflected in Davis Polk's draft of such voting and support agreement and certain minor edits to the Merger Agreement requested by Davis Polk. Thereafter, following consultation with members of Redwire management, Holland & Knight sent Davis Polk a revised draft of the voting and support agreement to be executed by Bain, which contemplated, among other things, Bain's commitment, subject to certain conditions, to vote all of its shares (a) in favor of the Mergers, including the Stock Issuance pursuant to the Mergers, (b) in favor of any Equity Financing that has been approved by a "financing committee" of the Redwire Board composed of John S. Bolton, Joanne Isham and David Kornblatt or (c) in favor of any proposal to adjourn or postpone the Redwire Special Meeting to a later date as may be requested by Redwire. Additionally, the draft provided that only certain material amendments to the Merger Agreement or ancillary agreements which are entered into after the Requisite Vote is obtained at the Redwire Special Meeting would require Bain's and the Redwire Special Committee's approval.

Between January 19, 2025, and January 20, 2025, Holland & Knight and Davis Polk, in consultation with Redwire, Mr. Bolton and Bain, discussed and finalized the voting and support agreement between Redwire and Bain, which included Bain's commitment, subject to certain conditions, to vote all of its shares in favor of any Equity Financing that has been approved by a "financing committee" of the Redwire Board composed of John S. Bolton, Joanne Isham and Michael Bevacqua. Redwire and Bain also agreed that Redwire would not enter into certain material amendments to the Merger Agreement and ancillary documents without the approval of such financing committee, and, after the Requisite Vote is obtained at the Redwire Special Meeting, would not enter into certain material amendments to the Merger Agreement and ancillary documents without the consent of Bain.

On January 20, 2025, the parties signed definitive agreements memorializing Redwire's acquisition of Edge Autonomy, including the Merger Agreement and Voting Agreements, and obtained representations and warranties insurance coverage with respect to certain representations and warranties of Edge Autonomy and Seller contained in the Merger Agreement.

On April 23, 2025, after Redwire had filed a preliminary proxy statement with respect to the Transactions but prior to Redwire filing a definitive proxy statement and announcing the date of the Redwire Special Meeting, Edge Autonomy provided a preliminary update of Edge Autonomy's unaudited first quarter results and expected budget for 2025 to certain members of Redwire management, which, among other things, showed first quarter and full year 2025 revenue and EBITDA (the "Updated Edge Financials"). The Updated Edge Financials were lower than Redwire's base case forecast for 2025, but the Updated Edge Financials and Updated Edge Projections (as defined below) both remained within the range of revenue and EBITDA used to generate Redwire's combined company forecast for 2025 and used to calculate Redwire's valuation of Edge Autonomy.

During the period from April 29, 2025, through May 2, 2025, Redwire management worked with its financial advisors, J.P. Morgan and GH Partners, as well as Roth Capital, the Redwire Special Committee's financial advisor, to perform additional financial due diligence to validate the Updated Edge Financials and the Updated Edge Projections.

On April 30, 2025, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Edmunds, Mr. Baliff, Mr. Futch, Mr. Cannito, Mr. Zeunik, and Ms. Curatolo, as well as representatives of RLF and Roth Capital. Redwire management discussed with the Redwire Special Committee the Updated Edge Financials and due diligence with respect thereof, updates on financing for the Transactions, as well as the possibility of seeking to amend the Merger Agreement to reduce the existing cash component of the Merger Consideration and to substitute additional Redwire equity.

On May 1, 2025, the Redwire Board conducted its regularly scheduled quarterly board meeting at which Mr. Baliff updated the Redwire Board regarding the Updated Edge Financials and its due diligence with respect thereof.

On May 2, 2025, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Mr. Edmunds, Mr. Baliff, Mr. Zeunik, and Ms. Curatolo, as well as representatives of RLF and Roth Capital. The Redwire Special Committee received an update from Mr. Baliff on management's due diligence of the Updated Edge Financials as well as financing matters and further discussed the possibility of

seeking to amend the Merger Agreement to reduce the existing cash component of the Merger Consideration and to substitute Redwire equity.

Later that day, on May 2, 2025, Citigroup, on behalf of Edge Autonomy, provided an updated forecast for fiscal years 2025 through 2028 for Edge Autonomy to J.P. Morgan and GH Partners (the “Updated Edge Projections”).

On May 5, 2025, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF. Mr. Bolton discussed his recent dialogue with Redwire’s management team, Roth Capital and Redwire’s financial advisors as to a possible modification to the Transactions to substitute Redwire Common Stock at existing pricing (\$15.07) in the Transactions in lieu of \$100 million of Cash Consideration (the “Potential Revision”). Following discussion, the Redwire Special Committee directed management to propose to Edge Autonomy the Potential Revision.

On May 5, 2025, the Redwire Board held a meeting by videoconference at which Mr. Baliff provided an update on due diligence and financing efforts.

On May 7, 2025, the Redwire Special Committee held a meeting by videoconference attended by members of Redwire management, including Messrs. Edmunds and Futch, as well as representatives of RLF, Roth Capital, and GH Partners. Mr. Edmunds advised that the Potential Revision had been conveyed to Edge Autonomy, but no response had yet been received. Mr. Edmunds advised that management had completed its diligence of the Updated Edge Financials and Updated Edge Projections and summarized their diligence findings. In addition, management presented to the Redwire Special Committee its projections for Edge Autonomy based on its review and diligence with respect to the Updated Edge Projections (“Management Projections”). Redwire management also presented to the Redwire Special Committee management’s valuation analysis of Edge Autonomy based upon the Management Projections (the “Valuation Analysis”). After the departure of members of Redwire management, representatives from Roth Capital provided a preliminary valuation presentation of the Potential Revision.

On May 7, 2025, the Redwire Board held a meeting by videoconference at which members of Redwire management provided a further update with respect to the Updated Edge Financials and Updated Edge Projections and management’s diligence findings with respect thereto and their effect on the Transactions, the Management Projections and the Valuation Analysis and discussed the Potential Revision. Although the Redwire Board was supportive of the Potential Revision, it remained the consensus of the Redwire Board, as well as after considering the views of the Redwire Special Committee and Redwire management, that if the Potential Revision was not accepted, the Transactions remained in the best interests of Redwire and its stockholders, and Redwire should continue to effect the Transactions upon the terms set forth in Merger Agreement.

On May 8, 2025, representatives of Edge Autonomy communicated to Redwire management their rejection of the Potential Revision.

Later on May 8, 2025, the Redwire Special Committee held a meeting by videoconference attended by representatives of RLF, Roth Capital and Mr. Edmunds. The Redwire Special Committee discussed Edge Autonomy’s rejection of the Potential Revision and the subsequent dialogue between the parties. Representatives from Roth Capital provided a presentation to the Redwire Special Committee with respect to the updated valuation for the Transactions, expressing a favorable view as to valuation and highlighting the accretive nature of the Transactions. After further discussion, the Redwire Special Committee determined that it remained supportive of the Transactions and that Redwire should continue to proceed with the Transactions on the terms set forth in the Merger Agreement. Following the meeting, Mr. Bolton communicated such determination to Mr. Baliff.

#### **The Redwire Special Committee’s and Redwire Board’s Reasons for the Transactions**

At a meeting held on January 16, 2025, the Redwire Special Committee unanimously approved the Merger Agreement and the Transactions and recommended that the Redwire Board approve the Merger Agreement and the Transactions.

Also at a meeting held on January 16, 2025, the Redwire Board, upon the recommendation of the Redwire Special Committee, (i) determined that the Transactions were advisable and in the best interests of Redwire and its

stockholders, (ii) approved the Transactions, including the Mergers and the Stock Issuance pursuant to the Mergers, (iii) approved and adopted the Merger Agreement and the Transactions and (iv) recommended the approval of the Mergers, including the Stock Issuance pursuant to the Mergers, to the Redwire stockholders, and directed that the Mergers, including the Stock Issuance pursuant to the Mergers, be submitted to the Redwire stockholders for their approval.

In the course of reaching its recommendation, the Redwire Special Committee consulted with (i) Redwire's senior management, (ii) its independent financial advisor, Roth Capital, (iii) its independent market advisor, Cypress, and (iv) its independent counsel, RLF. Additionally, the Redwire Special Committee considered the advice of the Redwire Board's advisors, which included (i) its financial advisors, J.P. Morgan and GH Partners, (ii) its market advisor, NextFed and (iii) its counsel, Holland & Knight. The Redwire Board similarly consulted with these advisors in its deliberations. The Redwire Special Committee and the Redwire Board considered a number of factors, both positive and negative, and potential benefits and detriments of the Transactions to Redwire and its stockholders. For the reasons described below, the Redwire Board, upon the recommendation of the Redwire Special Committee, determined that the proposed Transactions with Edge Autonomy are advisable and in the best interests of Redwire and its stockholders. The following are some of the significant factors that were considered by the Redwire Special Committee and the Redwire Board and which supported the Redwire Special Committee's and the Redwire Board's decision to approve the Transactions (which factors are not necessarily presented in order of relative importance):

- the Redwire Special Committee's and the Redwire Board's belief, based on prior experience at Redwire and in the space infrastructure industry generally, that the Mergers will create a multi-domain, scaled and profitable global space and defense technology company because:
- Redwire and Edge Autonomy have complementary product lines with aligned capabilities and missions;
- the Mergers would result in synergies through an increase in scale and through sales to a combined customer base;
- the Mergers would result in the ability to leverage the reputation of each of Redwire and Edge Autonomy with their respective customer bases to bring new products to customers;
- the Mergers would result in the ability to position the combined company as a leading public Defense Tech provider; and
- the Mergers would result in potential complementary and integrated technical and product development.
- the Redwire Special Committee's and the Redwire Board's belief that the Mergers will be accretive on key financial metrics, including revenue, adjusted EBITDA and free cash flow;
- the opinion of Roth Capital rendered to the Redwire Special Committee on January 16, 2025, which was subsequently confirmed by delivery of a written opinion dated such date, that as of such date and on the basis of and subject to assumptions and qualifications set forth in such opinion, the transaction consideration payable by Redwire pursuant to the Merger Agreement was fair from a financial point of view;
- the Redwire Special Committee's and the Redwire Board's receipt of information concerning Edge Autonomy's business operations, financial condition, results of operations and prospects, including by virtue of discussions with Edge Autonomy management and its advisors regarding the same and Redwire's due diligence investigation of Edge Autonomy;
- the post-Closing governance terms set forth in the A&R Investor Rights Agreement (see the section entitled "[Other Transaction Agreements—A&R Investor Rights Agreement](#)"), including that:
- the Redwire Board will initially consist of nine (9) directors;

- the total number of directors that AE Industrial Stockholders would initially designate to the Redwire Board would be reduced to four (4) directors from five (5), which number would be reduced once the AE Industrial Stockholders no longer hold fifty percent (50%) or more of the Redwire Common Stock beneficially owned by the AE Industrial Stockholders (excluding Redwire Common Stock beneficially owned by Seller) at the Closing;
- the Seller would initially designate one (1) director to the Redwire Board so long as the Seller continues to hold twenty-five percent (25%) or more of the Redwire Common Stock beneficially owned by the Seller (excluding Redwire Common Stock beneficially owned by the AE Industrial Stockholders) at the Closing; and
- so long as the AE Industrial Stockholders and Seller collectively may designate an aggregate of five (5) directors, all but one (1) must be independent under NYSE listing standards and, if less than five (5), a majority must be independent;
- the flexibility under the Merger Agreement for the Redwire Board to finance the Mergers with cash from Redwire's balance sheet, availability under its existing credit facility, proceeds from new debt facilities and/or the proceeds of a new equity offering, at Redwire's option;
- that, absent an Equity Financing, the price at which shares of Redwire Common Stock will be issued at the Closing in respect of the Closing Equity Consideration is fixed and will not fluctuate in the event that the market price of Redwire Common Stock decreases between the date of the Merger Agreement and the closing of the Mergers;
- Redwire's ability to take advantage of provisions in the Merger Agreement that allow Redwire to undertake a new equity offering of Redwire Common Stock, which, if undertaken at a price per share that is higher than \$15.07 per share of Redwire Common Stock, would increase the Issuance Price of the Redwire Common Stock issued as Closing Equity Consideration (and therefore decrease the number of shares of Redwire Common Stock issued in the Mergers at the Closing), as well as Redwire's flexibility not to enter into an equity offering if it chooses not to do so;
- that the Merger Agreement and the Transactions were evaluated, approved and recommended to the Redwire Board by a Redwire Special Committee of the Redwire Board comprising individuals determined to be independent from Edge Autonomy and AE Industrial and that the Redwire Special Committee was advised by independent legal and financial advisors;
- that, pursuant to the Merger Agreement, the Transactions are subject to the approval of the holders of a majority in voting power of Redwire Common Stock issued and outstanding and held by persons other than AE Industrial;
- that, under the terms of the Voting Agreements (see the section entitled "[Other Transaction Agreements—The Voting Agreements](#)"), certain Redwire stockholders have already agreed to vote in favor of the Transactions (which stockholders represented, at the time of execution of the Merger Agreement, an aggregate of approximately seventy-three percent (73%) of Redwire's outstanding voting power and over fifty percent (50%) of Redwire's outstanding voting power held by persons other than AE Industrial (which excluded shares will, for purposes of calculating the Minority Vote, be deemed to include shares held by (1) any person that Redwire has determined to be an "officer of Redwire" within the meaning of Rule 16a-1(f) of the Exchange Act, and (2) those members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial);
- that, under the terms of the A&R Investor Rights Agreement (see the section entitled "[Other Transaction Agreements—A&R Investor Rights Agreement](#)"), AE Industrial and the Seller have agreed not to sell any of their Redwire securities during the six (6)-month period following the Closing, subject to certain limited exceptions;

- the Redwire Special Committee's and the Redwire Board's view that while the Merger Agreement contains a covenant prohibiting Redwire from soliciting third-party acquisition proposals, it permits the Redwire Board to change or withdraw its recommendation in favor of the Merger Agreement in connection with an intervening event (as described in the section entitled "[The Merger Agreement—Covenants—Stockholder Meeting; Fiduciary Exception to Recommendation](#)"), in each case if the Redwire Special Committee and the Redwire Board determines in good faith, after consultation with its outside legal counsel, that the failure to do so would be inconsistent with the Redwire Board's fiduciary duties under applicable law;
- the Redwire Special Committee's and the Redwire Board's view that the termination fee of \$1,000,000 to be paid by Redwire if the Merger Agreement is terminated under certain circumstances (including if acceptable financing is not available to Redwire) is a low amount, and Seller's receipt of such termination fee would prohibit Seller from seeking specific performance under the Merger Agreement;
- the Redwire Special Committee's and Redwire Board's view that the Merger Agreement was the product of arm's length negotiation and contained customary terms and conditions; and
- the Redwire Special Committee's and Redwire Board's view regarding the anticipated timing of the consummation of the Transactions, including their view that the Transactions could be completed in a reasonable timeframe and in an orderly manner, which would reduce the period during which Redwire's business would be subject to the potential uncertainty of Closing and related disruption.

In the course of deliberations, the Redwire Special Committee and the Redwire Board carefully considered and weighed against the potentially positive factors, a number of uncertainties, risks and other potentially negative factors related to the Transactions. The Redwire Special Committee and the Redwire Board identified and considered a variety of risks and countervailing factors weighing negatively against the Transactions, including the following material factors (which factors are not necessarily presented in order of relative importance):

- that the revenue synergies and other benefits expected to result from the Mergers may not be fully realized;
- that financial projections for Edge Autonomy prepared by Redwire's senior management and relied upon by Roth Capital in preparing its fairness opinion are projections only and may not be achieved;
- the challenges inherent in combining the businesses, operations and workforce of Redwire and Edge Autonomy, including the potential for unforeseen difficulties in integrating operations and systems and the possible distraction of management attention for an extended period of time;
- Edge Autonomy's 2024 financial results, which were lower than projected with respect to EBITDA and revenue;
- the risks relating to the potential impact of changing administrations, U.S. regulations, and budgets of relevant government authorities on demand for Edge Autonomy products and services, including, but not limited to: (i) Department of Defense procurement regulations under DFARS, (ii) potential changes to the National Defense Authorization Act funding levels, (iii) export control regulations under ITAR and EAR and (iv) changes to foreign military sales policies;
- the risks associated with the size and number of competitors in Edge Autonomy's industry;
- a possible decline in Edge Autonomy's sales to Ukraine's Ministry of Defense;
- that, notwithstanding the provisions of the A&R Investor Rights Agreement, the AE Industrial Stockholders and Seller will be able to exert significant influence on Redwire by virtue of their ownership of a significant percentage of the outstanding shares of Redwire Common Stock, including with respect to major transactions that require stockholder action, and that as a result of the Mergers, AE Industrial will ultimately own a larger percentage of Redwire Common Stock than it held before the Mergers;

- the possible disruption to Redwire’s business that may result from the announcement of the Transactions and the risk that, despite the efforts of Redwire prior to the consummation of the Mergers, Redwire and Edge Autonomy may not be able to retain key personnel during the transition and/or following the Mergers;
- the substantial costs to be incurred in connection with the Transactions, including the costs of integrating the businesses of Redwire and Edge Autonomy and the transaction expenses arising from the Mergers;
- that the market price of Redwire Common Stock may decline as a result of the Transactions;
- that no appraisal or dissenters’ rights exist for holders of Redwire Common Stock in connection with the Mergers;
- the risk that an equity offering to finance the Mergers conducted before the Closing could be dilutive to existing Redwire stockholders and may be at a price that represents a discount to the prevailing market price of Redwire Common Stock, and that if such price fell below \$15.07 per share, the Issuance Price of the Redwire Common Stock under the Merger Agreement would decrease and therefore increase the number of shares of Redwire Common Stock issued in the Mergers at the Closing; and
- other risks specific to Edge Autonomy and the Mergers described in this proxy statement (as described in the section entitled [‘Risk Factors’](#)) and risks described in and incorporated by reference in this proxy statement (see *“Risk Factors”* in Redwire’s annual report on Form 10-K for the fiscal year ended December 31, 2024, which is incorporated by reference herein).

The Redwire Special Committee and the Redwire Board also considered the interests that the executive officers and directors of Redwire have with respect to the Mergers in addition to their interests as stockholders of Redwire generally (see the section entitled [“The Transactions—Interests of Certain Redwire Directors and Executive Officers in the Transactions”](#)).

After careful consideration of all factors, both positive and negative, the Redwire Special Committee and the Redwire Board concluded that the negative factors and potential detriments associated with the proposed transaction with Edge Autonomy are significantly outweighed by the positive factors and potential benefits that they expect Redwire and the Redwire stockholders to achieve as a result of the Transactions, and that the proposed Transactions with Edge Autonomy are advisable, and in the best interests of, Redwire and its stockholders.

Although the foregoing discussion sets forth the material factors considered by the Redwire Special Committee and the Redwire Board in reaching its recommendation, it is not intended to be exhaustive and may not include all of the factors considered by the Redwire Special Committee and the Redwire Board, and each director applied his or her own personal business judgment and individual expertise and experience to the process and may have considered different factors or given different weight to each factor. The above factors are not presented in any order of priority. In view of the variety of factors, the amount of information and the complexity of the matters considered, the Redwire Special Committee and the Redwire Board did not find it practicable to, and did not, make specific assessments of, or assign relative weights to, the specific factors considered in reaching its recommendation. The explanation of the reasoning of the Redwire Special Committee and the Redwire Board and certain information presented in this section are forward-looking in nature and should be read in light of the factors discussed in the section entitled [“Cautionary Statement Regarding Forward-Looking Statements”](#) of this proxy statement.

**The Redwire Board unanimously recommends that the Redwire stockholders vote (i) “FOR” the Merger Transactions Proposal, (ii) “FOR” the Equity Financing Proposal and (iii) “FOR” the Adjournment Proposal.**

#### **Opinion of the Redwire Special Committee’s Financial Advisor**

Pursuant to an engagement letter, dated October 24, 2024, the Redwire Special Committee retained Roth Capital to act as its financial advisor in connection with the Merger Agreement and, at the Redwire Special Committee’s request, to render an opinion to the Redwire Special Committee as to the fairness, from a financial point of view, of the consideration to be paid by Redwire pursuant to the Merger Agreement.

On January 16, 2025, Roth Capital delivered its oral opinion, subsequently confirmed in writing, to the Redwire Special Committee that, as of such date, and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth in the opinion, the Merger Consideration payable by Redwire pursuant to the Merger Agreement was fair from a financial point of view.

The full text of Roth Capital's written opinion, dated January 16, 2025, is attached to this proxy statement as *Annex D* and is incorporated by reference herein. We encourage you to read the opinion carefully and in its entirety to learn about the assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by Roth Capital in rendering its opinion. The analysis performed by Roth Capital should be viewed in its entirety, and none of the methods of analysis should be viewed in isolation when reaching a conclusion on whether the Merger Consideration was fair.

In arriving at its opinion, Roth Capital (among other things and materials reviewed):

- reviewed the draft Merger Agreement provided to Roth Capital on January 16, 2025;
- reviewed certain information, including historic financial results and forecasts, relating to the business, earnings, cash flow, assets, liabilities and prospects of Edge Autonomy and Redwire that were furnished to Roth Capital by management of Redwire;
- conducted discussions with members of senior management of Redwire concerning the matters described in clause (ii) above;
- reviewed publicly available information relating to Redwire and Edge Autonomy;
- reviewed the financial terms, to the extent publicly available, of certain acquisitions that Roth Capital deemed relevant;
- reviewed the financial terms, to the extent publicly available, of certain public companies that Roth Capital deemed relevant;
- performed a discounted cash flow analysis to obtain the net present value of Edge Autonomy using a range of discount rates and terminal values based on projections of Edge Autonomy provided by management of Redwire; and
- performed such other analyses, including detailed financial analyses, and considered such other factors as Roth Capital deemed appropriate for the purpose of reviewing the proposed Mergers and arriving at Roth Capital's opinion.

For purposes of rendering its opinion, Roth Capital has not independently investigated or verified the foregoing information, and assumed and relied upon such information as being accurate and complete in all material respects. In addition, Roth Capital relied upon the verbal assurances of senior management of Redwire that such information was accurate and complete in all material respects when provided to Roth Capital, and that senior management of Redwire is not aware of any facts or circumstances that would make any such information inaccurate, incomplete or misleading in any material respect.

With respect to forecasts of Edge Autonomy, Roth Capital assumed that they have been reasonably prepared on bases reflecting the best available estimates at the time and good faith judgments of the management of Redwire as to Edge Autonomy's future financial performance. Roth Capital was not engaged to assess the achievability of any projections or the assumptions on which they were based, and Roth Capital expressed no view as to such projections or assumptions. In addition, Roth Capital has not assumed any responsibility for any independent valuation or appraisal of the assets, liabilities or business operations of Edge Autonomy, and has not been provided with any such valuation or appraisal.

In rendering its opinion, Roth Capital assumed that (i) the Mergers will be consummated substantially in accordance with its terms and in compliance with the applicable provisions of the Securities Act, the Exchange Act, and all applicable federal, state and local statutes, rules, and regulations promulgated thereunder and the rules and

regulations of the NYSE, and any other applicable exchanges, (ii) the representations and warranties of each party in the Merger Agreement are true and correct, (iii) each party to the Merger Agreement will perform on a timely basis all covenants and agreements required to be performed by it under the Merger Agreement and (iv) all conditions to the consummation of the Merger Agreement will be satisfied without waiver thereof.

Roth Capital further assumed that (a) the final Merger Agreement, when signed by all relevant parties, would conform in all material respects to the draft of the Merger Agreement dated January 16, 2025 provided to Roth Capital, (b) all governmental, regulatory and other consents and approvals contemplated by the Merger Agreement would be timely obtained and that, in the course of obtaining any of those consents and approvals, no modification, delay, limitation, restriction or condition would be imposed or waivers made that would have a material adverse effect on Redwire, Edge Autonomy, or on the contemplated benefits of the Merger Agreement to the respective parties, and (c) the Closing Per Share Price as defined in the Merger Agreement would equal the volume weighted average price of Redwire common stock over the thirty (30) trading days ending on the trading day preceding the date of the Merger Agreement.

Roth Capital's opinion addresses only the fairness of the Merger Consideration payable by Redwire pursuant to the Merger Agreement, from a financial point of view, as of the date of the opinion. It does not address any other aspect of the Merger Agreement or any agreement or understanding entered into in connection with the Merger Agreement or otherwise, including, without limitation, the fairness of any compensation to any officers, directors or employees of any party to the Merger Agreement, or any class of such persons, relative to the consideration in the Merger Agreement. The opinion also does not address the relative merits of the Merger Agreement as compared to any alternative business strategies that might exist for Redwire, the underlying business decision of Redwire to proceed with the Merger Agreement, or the effects of any other transaction in which Redwire might engage.

Roth Capital expressed no opinion as to the actual value of the shares of Redwire or the prices at which shares of Redwire will trade at any time. Roth Capital's opinion is necessarily based on the economic, monetary, market, financial and other conditions as they exist and can be evaluated, and the information made available to Roth Capital, as of the date of the opinion. Although subsequent developments or events may affect various assumptions used by Roth Capital in preparing its opinion, Roth Capital does not have any obligation to update, revise or reaffirm its opinion based on such developments, events or otherwise and Roth Capital expressly disclaims any responsibility to do so. In addition, Roth Capital's opinion does not address any legal, tax or accounting matters.

Further, while Roth Capital provided its opinion as to the fairness of the Merger Consideration from a financial point of view, Roth Capital expressed no opinion or recommendation to the Redwire Special Committee regarding whether Redwire should proceed with the Transactions. Roth Capital's opinion was directed to the Redwire Special Committee in connection with its consideration of the Merger Agreement and was not intended to be, and does not constitute, a recommendation to any other Persons in respect of the Transactions, including as to how any stockholder of Redwire should vote with respect to the Transactions. The issuance of the opinion was approved by an authorized internal fairness committee of Roth Capital in accordance with its customary practice.

#### ***Summary of Material Financial Analysis***

The following is a summary of the material financial analyses performed by Roth Capital which Roth Capital presented to the Redwire Special Committee in connection with Roth Capital's opinion relating to the Merger Agreement and does not purport to be a complete description of the financial analyses performed by Roth Capital. The rendering of an opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances of the Transactions. Therefore, this summary does not purport to be a complete description of the analyses performed by Roth Capital or of its presentation to the Redwire Special Committee on January 16, 2025. The order of analyses described below does not represent the relative importance or weight given to those analyses by Roth Capital. Some of the summaries of the financial analyses include information presented in tabular format. In order to fully understand Roth Capital's financial analyses, the tables must be read together with the text of each summary, as the tables alone do not constitute a complete description of the financial analyses. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and

assumptions underlying the analyses, could create a misleading or incomplete view of Roth Capital's financial analyses.

In performing its analyses, Roth Capital made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Redwire, Edge Autonomy, or any other parties to the Merger Agreement. Roth Capital does not assume any responsibility if future results are materially different from those discussed. Any estimates contained in these analyses are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth below.

#### ***Selected Publicly Traded Comparable Companies Analysis***

In order to assess how the public market values shares of publicly traded companies similar to Edge Autonomy, Roth Capital reviewed and compared certain financial information relating to Edge Autonomy with selected companies, which, in the exercise of its professional judgment and based on its knowledge of the industry, Roth Capital deemed similar to Edge Autonomy. Although none of the selected companies is identical to Edge Autonomy, Roth Capital selected these companies because they have publicly traded equity securities and were deemed to be similar to Edge Autonomy in one or more respects, including (i) the nature of their business operations in aerospace, defense and autonomous systems, (ii) relative size and market capitalization, (iii) financial performance metrics and growth profiles, (iv) geographic focus and (v) public listing status. Investors should note that various factors unique to each company may affect individual comparability. The selected comparable companies are:

#### Notes to the table:

1) Source: Capital IQ. Projected financials based on median analyst estimates

EV = Market Cap + Debt + Preferred – Cash

All EV to Revenue multiples less than zero (0) or greater than twenty-five (25) are considered “NM”

All EBITDA multiples less than zero (0) or greater than fifty (50) are considered “NM”

2) Redwire debt includes its convertible preferred balance as of 09/30/24

3) Intuitive Machines implied market capitalization

4) Edge Autonomy multiples derived from the implied purchase price and financial ‘base’ case provided by Redwire’s management. LTM numbers and CAGR use CY24E (as defined below) as the basis.

Roth Capital noted that, although the selected companies were used for comparison purposes, no business of any selected company was either identical or directly comparable to Edge Autonomy’s business. Accordingly, Roth Capital’s comparison of selected companies to Edge Autonomy and analyses of the results of such comparisons was not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected companies and Edge Autonomy.

Roth Capital noted that the resulting EV to estimated Calendar Year 2024 and 2025 (“CY24E” and “CY25E,” respectively) revenue multiples of the Merger Consideration ranged between the twenty-fifth (25<sup>th</sup>) percentile and the seventy-fifth (75<sup>th</sup>) percentile of the selected publicly traded comparable companies. The EV to EBITDA multiples of the Merger Consideration were between the minimum and the seventy-fifth (75<sup>th</sup>) percentile of these comparable companies. Roth Capital considered this positioning to support the fairness of the Merger Consideration, as it fell within typical market ranges while accounting for Edge Autonomy’s specific growth profile and operating characteristics.

### Selected Precedent Transaction Analysis

Roth Capital reviewed and compared the purchase prices and financial multiples paid in selected other transactions, primarily in the aerospace and defense and adjacent sectors from January 1, 2020 to January 15, 2025, that had publicly available data and that Roth Capital, in the exercise of its professional judgment, determined to be relevant. For each of the selected transactions, Roth Capital calculated and compared the resulting EV in the transaction as a multiple of LTM Revenue and LTM EBITDA. Such multiples for the selected transactions were based on publicly available information at the time of the relevant transaction. The selected transactions analyzed are set out in the following table:

### Notes to the table:

- 1) Projected financials based on median analyst estimates and management forecasts. All precedent transactions included are completed control transactions involving transfer of majority ownership.
- 2) Acquisitions of majority stake in the U.S., Canada, and Europe from January 1, 2020 to present, relating to the aerospace and defense industry.
- 3) Source: Capital IQ. Excluded transactions without publicly announced multiples and transaction values less than \$20 million.
- 4) Edge Autonomy multiples derived from the implied purchase price and CY24E financial 'base' case provided by Redwire's management.

Roth Capital noted that, although the selected transactions were used for comparison purposes, no business of any selected company was either identical or directly comparable to Edge Autonomy's business due to differences in size, business mix, growth prospects and operating characteristics. In particular, Roth Capital noted that several of the selected transactions involved significantly larger enterprises with more diversified revenue streams than Edge Autonomy. In addition, Roth Capital noted that the historical timing of precedent transactions can impact the comparability of such transactions. Accordingly, Roth Capital's comparison of selected companies to Edge Autonomy and analyses of the results of such comparisons were not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected companies and Edge Autonomy.

Roth Capital noted that the EV to LTM revenue and EV to LTM EBITDA multiples at the value of the Merger Consideration were between the seventy-fifth (75<sup>th</sup>) percentile and maximum and the median and seventy-fifth (75<sup>th</sup>) percentile, respectively, for such comparable transactions.

### Discounted Cash Flow Analysis

Roth Capital performed a discounted cash flow analysis on Edge Autonomy by calculating ranges of the estimated net present value of the unlevered, after-tax free cash flows that Edge Autonomy was forecasted to generate from January 1, 2025 through calendar year 2028, and by calculating a terminal value for the period beyond 2028. All of the information used in Roth Capital's analysis was based on publicly available sources and the financial projections provided by Redwire's management, which Roth Capital did not independently verify but assumed, with Edge Autonomy's consent, to be reasonably prepared on the bases reflecting the best currently available estimates and judgments of Edge Autonomy's management concerning Edge Autonomy's future financial performance. The following table sets forth the free cash flows and implied equity value calculations on a per share basis used in Roth Capital's analysis:

In performing its discounted cash flow analysis, Roth Capital calculated ranges of the estimated present values of Edge Autonomy's unlevered, after-tax free cash flows that Edge Autonomy was forecasted to generate from

January 1, 2025 through December 31, 2028 by applying discount rates ranging from 8.2% to 12.2% (with a base case WACC of 10.2%), reflecting Roth Capital's estimates of Edge Autonomy's weighted-average cost of capital ("WACC"), which was determined based on Edge Autonomy's estimated capital structure, market conditions and business risks. The WACC was calculated by adding (a) the estimated market value of equity as a percentage of the total market value of Edge Autonomy's capital multiplied by Edge Autonomy's estimated cost of equity, and (b) the estimated market value of debt as a percentage of the total market value of Edge Autonomy's capital multiplied by Edge Autonomy's estimated after-tax market cost of debt. The estimated market value of Edge Autonomy's debt and equity were calculated using the average debt to equity ratios of the comparable companies. The estimated cost of equity was calculated using the Capital Asset Pricing Model which took into account the betas of comparable companies, the risk-free rate, a historical equity market risk premium and a historical small capitalization risk premium, which risk premiums were sourced from the 2024 Kroll Cost of Capital Module. The following table sets forth Edge Autonomy's WACC calculation:

- a) Beta was found using Capital IQ. Only comparable companies that had a minimum of 60 months of trading history were used. Capital IQ calculates beta on a monthly basis. Roth uses mid-year conventions to discount cash flows as Roth assumes that cash flows come in continuously throughout the year. Assumes a valuation date of 01/15/25
- b)  $B(u) = B(l) / (1 + (1 - \text{Tax Rate}) \times \text{Debt-to-Equity})$

Roth Capital used the following companies to calculate the portfolio beta:

Ondas Holding Inc.	ONDS
Red Cat Holdings, Inc.	RCAT
Redwire Corporation	RDW
Intuitive Machines, Inc.	LUNR
Mercury Systems, Inc.	MRCY
AeroVironment, Inc.	AVAV
Kratos Defense & Security Solutions Inc.	KTOS
Rocket Lab USA, Inc.	RKLB
Leonardo S.p.a.	LDO
Thales S.A.	HO
L3Harris Technologies, Inc.	LHX
Northrop Grumman Corporation	NOC

Note: Roth Capital excluded Unusual Machines from the comparable companies analysis as its IPO closed within the twelve (12) months prior to the date of the analysis, resulting in insufficient trading history for a reliable beta calculation.

*Perpetuity Method.* Roth Capital calculated an equity value for Edge Autonomy by calculating the ranges of estimated terminal value amounts by applying a range of terminal growth rates of 2.5% to 4.5% to the estimated terminal year free cash flow. The terminal value calculations were supported by an analysis of revenue multiples from comparable precedent transactions. The range of estimated present values of these estimated terminal value amounts was then calculated by applying discount rates ranging from 8.2% to 12.2%. Combining the total present value of the estimated unlevered free cash flows, the present value of the terminal values and net cash to achieve the financial projections resulted in the following range of implied equity values for Edge Autonomy in the Mergers:

Perpetual Growth Percentage	WACC					Implied Equity Value
	8.2%	9.2%	10.2%	11.2%	12.2%	
	2.5%	\$1,370.8	\$1,166.9	\$1,017.2	\$903.0	\$813.3
	3.0%	\$1,485.8	\$1,246.8	\$1,075.6	\$947.2	\$847.7
	3.5%	\$1,625.4	\$1,340.8	\$1,142.6	\$997.1	\$886.0
	4.0%	\$1,798.0	\$1,452.8	\$1,220.4	\$1,053.9	\$929.0
	4.5%	\$2,017.2	\$1,588.6	\$1,311.9	\$1,119.2	\$977.6
						\$925.0

Roth Capital noted that while the Merger Consideration was at the low end of the range of the implied equity value of Edge Autonomy based on the perpetuity discounted cash flow analysis, this was considered in conjunction with other valuation methodologies, market conditions, and company-specific factors in determining the fairness of the Merger Consideration.

*EBITDA Exit Method.* Roth Capital calculated an equity value for Edge Autonomy by calculating the ranges of estimated terminal value amounts for Edge Autonomy by applying a range of EBITDA exit multiples of 15.1x to 19.1x to the estimated terminal EBITDA for calendar year 2028 of Edge Autonomy. The range of terminal EBITDA multiples utilized in Roth Capital's discounted cash flow analysis was based on the median EBITDA multiple of precedent transactions completed in the aerospace and defense sector within the past three (3) years, focusing on transactions involving companies with similar business models and risk profiles to Edge Autonomy. The range of estimated present values of these estimated terminal value amounts was then calculated by applying discount rates ranging from 8.2% to 12.2%. Combining the total present value of the estimated unlevered free cash flows, the

present value of the terminal values and net cash to achieve the financial projections resulted in the following range of implied equity values for Edge Autonomy in the Mergers:

EBITDA Exit Multiple	WACC					Implied Equity Value
		8.2%	9.2%	10.2%	11.2%	
	15.1x	\$1,596.9	\$1,544.0	\$1,493.4	\$1,445.0	
	16.1x	\$1,686.4	\$1,630.3	\$1,576.7	\$1,525.3	
	17.1x	\$1,775.9	\$1,716.6	\$1,659.9	\$1,605.6	
	18.1x	\$1,865.4	\$1,802.9	\$1,743.1	\$1,685.9	
	19.1x	\$1,954.9	\$1,889.2	\$1,826.4	\$1,766.3	
						\$925.0

Roth Capital noted that the Merger Consideration was below the range of the implied equity value of Edge Autonomy based on the EBITDA exit method discounted cash flow analysis.

#### *Accretion Dilution Analysis*

Roth analyzed the pro forma impact of the Transactions on the projected Earnings per Share (“EPS”) of Redwire and Edge Autonomy combined for the calendar year 2025 using Roth Research Analyst and Banking’s and Redwire management’s estimates for Redwire and Edge Autonomy, respectively. For illustrative purposes, Roth prepared this analysis using the closing price of Redwire Common Stock on January 15, 2025, inclusive of a twenty-five percent (25%) Private Investment in Public Equity (“PIPE”) discount, and assumed that the Closing would occur on or around the second calendar year quarter of 2025.

Roth Capital’s analysis indicates that the Transactions are expected to be accretive to Redwire’s EPS by \$0.28 per share on a pro forma basis for calendar year 2025.

Additionally, Roth Capital noted that, AE Industrial owns a substantial stake of Redwire and Edge Autonomy, and following the Closing, AE Industrial will own approximately sixty-five percent (65%) of Redwire (calculated by applying certain assumptions).

**General**

The description set forth above does not contain a complete description of the analyses performed by Roth Capital, but does summarize the material analyses performed by Roth Capital in rendering its opinion. The preparation of a fairness opinion is a complex process involving numerous factors and considerations, and therefore not necessarily susceptible to partial analysis or summary description. Roth Capital believes that its analyses and the summary set forth above must be considered as a whole and that selecting portions of its analyses or of the summary, without considering the analyses as a whole or all of the factors included in its analyses, would create an incomplete view of the processes underlying the analyses set forth in the Roth Capital opinion. In arriving at its opinion, Roth Capital considered the results of all of its analyses, while no particular weight was assigned to any specific factor or analysis. Instead, Roth Capital made its determination as to fairness on the basis of its experience and financial judgment after considering the results of all of its analyses. The fact that any specific analysis has been referred to in the summary above first is not meant to indicate that this analysis was given greater weight than any other analysis. In addition, the ranges of valuations resulting from any particular analysis described above should not be taken to be Roth Capital's view of the actual value of Edge Autonomy.

As described above, Roth Capital's opinion was only one of many factors considered by the Redwire Special Committee and the Redwire Board in making its determination to approve the Mergers. Roth Capital was not requested to and did not solicit any expressions of interest from any other parties with respect to any acquisition of Edge Autonomy or any of its assets or any other business combination with Edge Autonomy.

Roth Capital is a full-service securities firm engaged in securities trading and brokerage activities, as well as providing investment banking and other financial services. Roth Capital may also seek to provide financial advisory

and financing services to Redwire and its affiliates in the future, and would expect to receive fees for the rendering of such services.

Roth Capital acted as a financial advisor to the Redwire Special Committee in connection with the Merger Agreement and received a cash fee totaling \$1 million for its services, which fee was not contingent upon its conclusion as to fairness or the consummation of the Merger Agreement. Redwire has agreed to indemnify Roth Capital against certain liabilities and reimburse Roth Capital for certain expenses in connection with its services. In the ordinary course of business, Roth Capital and its affiliates may acquire, hold or sell, for Roth Capital's and its affiliates' own accounts and for the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of Redwire and other parties to the Mergers, and, accordingly, may at any time hold a long or a short position in such securities.

**In the three (3) years prior to the Redwire Special Committee's engagement of Roth Capital, Roth Capital had not provided financing services or financial advisory services to Redwire, Edge Autonomy or AE Industrial Partners, LP or any of its known affiliates, and Roth Capital had not received fees from such parties.**

#### **Effects of the Mergers**

The First Merger and the Second Merger will occur on the Closing Date, with the Second Merger to occur immediately following the First Merger. Each of the Mergers will become effective at the time of the filing of an applicable certificate of merger with the Secretary of State of the State of Delaware in accordance with Delaware law, or at such later time as the parties may specify in such applicable certificate of merger.

As a result of the First Merger, the separate existence of Merger Sub will cease and Edge Autonomy will continue its existence under the laws of the State of Delaware as the surviving limited liability company and a wholly-owned subsidiary of Redwire. As a result of the Second Merger, which will occur immediately following the First Merger, the separate existence of Edge Autonomy will cease and Purchaser will continue its existence under the laws of the State of Delaware as the surviving limited liability company and a wholly-owned subsidiary of Redwire. At the Effective Time, all issued and outstanding units of Edge Autonomy immediately prior to the Effective Time and all rights in respect thereof will cease to exist and be converted automatically into the right to receive the portion of Cash Consideration and Equity Consideration allocated to such units under the Merger Agreement. Thereafter, Redwire will own Edge Autonomy and all of its operating companies.

#### **Merger Consideration**

The aggregate purchase price payable by Redwire with respect to the Mergers is \$925 million, payable in a combination of cash and Redwire Common Stock, subject to customary adjustments for indebtedness, cash, working capital and transaction expenses, in each case (as applicable), after giving effect to Edge Autonomy's pre-Closing payments with respect to certain indebtedness, transaction expenses and bonuses to employees or other service providers.

The Merger Agreement provides for such aggregate purchase price to be paid using a combination of cash and shares of Redwire Common Stock. Redwire may finance the cash portion of the transaction consideration at its sole discretion, using any available means, including, without limitation, cash on hand, its existing credit facility, new debt financing, or proceeds from an Equity Financing.

The amount of cash consideration to be paid by Redwire to the Seller with respect to the Mergers will be (i) \$150 million minus the Closing Date Cash Shortfall Amount plus (ii) fifty percent (50%) of any Equity Financing net proceeds exceeding \$175 million. With respect to the portion of the purchase price payable in Redwire Common Stock, the number of shares of Redwire Common Stock to be issued will be based on a price of such stock equal to (i) the volume-weighted average trading price of Redwire Common Stock on the NYSE for the thirty (30) trading days ending on January 17, 2025 of \$15.07, if no Equity Financing is consummated prior to the Effective Time or (ii) the gross proceeds per share of Redwire Common Stock issued in an Equity Financing, if an Equity Financing is consummated prior to the Effective Time.

### **Interests of Certain Redwire Directors and Executive Officers in the Transactions**

In considering the recommendation of the Redwire Board, upon the recommendation of the Redwire Special Committee, that Redwire stockholders vote **FOR** the Merger Transactions Proposal, Redwire stockholders should be aware that certain executive officers and directors of Redwire have interests in the Transactions that may be different from, or in addition to, the interests of Redwire stockholders generally. These interests include, among others: (1) the continued employment of Redwire executive officers with Redwire following the consummation of the Transactions and increases in compensation of certain Redwire executive officers conditioned on consummation of the Mergers; (2) the continued service of certain non-employee members of the Redwire Board; (3) continuing indemnification rights of non-employee members of the Redwire Board and Redwire executive officers following the Transactions; and (4) the affiliation of certain executive officers and directors with AE Industrial. For additional information with respect to item (4) of the preceding sentence: Peter Cannito, Chief Executive Officer of Redwire and Chair of the Redwire Board, has been an Operating Partner of AE Industrial Partners, LP since June 2019; Kirk Konert, a director on the Redwire Board, has served with AE Industrial Partners, LP as a Managing Partner since December 2023, Partner since October 2019 and Principal starting in August 2014; Reggie Brothers, a director on the Redwire Board, has been an Operating Partner of AE Industrial Partners, LP since October 2022; and Les Daniels, a director on the Redwire Board, has been an Operating Partner at AE Industrial Partners, LP since October 2017. The Redwire Board was aware of and considered these interests, among other matters, when it approved the Merger Agreement and recommended that Redwire stockholders approve the Mergers, including the Stock Issuance.

As of the date of this proxy statement, it is expected that Redwire's current executive officers and directors will continue to serve as executive officers and directors of Redwire following the consummation of the Transactions. The Transactions will not result in a "change in control" for purposes of Redwire equity-based awards or employment-related agreements, and therefore, no payments, accelerated vesting or benefit enhancements will be triggered under such awards or agreements by the Transactions.

As of the date of this proxy statement, it is expected that certain members of the Redwire Board will continue to serve as members of the Redwire Board following the consummation of the Transactions. See "[The Transactions—Directors of Redwire following the Mergers](#)."

### **Regulatory Filings and Approvals Required to Consummate the Mergers**

Redwire has received all necessary approvals from the relevant governmental authorities or the applicable waiting periods under applicable law and regulation have expired.

### **Closing and Effectiveness of the Mergers**

The Closing will occur on the third (3rd) business day after the satisfaction or waiver (to the extent permitted by law) of the conditions to Closing described in the section entitled "[The Merger Agreement—Conditions to Completion of the Mergers](#)", unless otherwise agreed by Redwire and Edge Autonomy.

Subject to the provisions of the Merger Agreement, the First Merger and the Second Merger will each become effective at the time and on the date on which the relevant certificate of merger is filed with the Secretary of State of the State of Delaware or such later time as the parties may specify in such certificate of merger.

### **Directors of Redwire following the Mergers**

Upon the Closing, the A&R Investor Rights Agreement will take effect. Among other things, such A&R Investor Rights Agreement will provide that the Redwire Board will be composed of at least nine (9) directors, with respect to which (i) AE Industrial Stockholders will be permitted to designate four (4) directors for election to the Redwire Board, which number would be reduced once AE Industrial Stockholders no longer hold fifty percent (50%) or more of the shares of Redwire Common Stock beneficially owned by AE Industrial (excluding shares of Redwire Common Stock beneficially owned by Seller) at the Closing and (ii) Seller will be permitted to designate one (1) director for election to the Redwire Board so long as Seller continues to hold twenty-five percent (25%) or more of the shares of Redwire Common Stock beneficially owned by Seller at the Closing; provided that, so long as AE Industrial Stockholders and Seller collectively may designate an aggregate of five (5) directors, all but one (1)

director must be independent under NYSE listing standards and, if less than five (5) directors, a majority must be independent.

Additionally, Redwire's investment agreement with Bain, dated as of October 28, 2022, provides Bain with the right to designate one (1) director for election to the Redwire Board so long as Bain beneficially owns Redwire Common Stock in the aggregate and on an as-converted basis, at least equal to fifty percent (50%) of the number of shares of Redwire Common Stock that Bain held on an as-converted basis immediately following the closing of the purchase and sale of Redwire Preferred Stock to Bain on November 3, 2022. Subject to the director nomination rights described above, the Nomination and Corporate Governance Committee of the Redwire Board will consider stockholder nominations for membership on the Redwire Board.

As of the date of this proxy statement, it is expected that Redwire's current directors will continue to serve as directors of Redwire following the consummation of the Transactions, subject to the director designation rights described above.

## THE MERGER AGREEMENT

### Explanatory Note Regarding the Merger Agreement

The Merger Agreement is included in this proxy statement only to provide public disclosure regarding its terms and conditions as required by U.S. federal securities laws, and is not intended to provide any factual information about Redwire or Edge Autonomy. Furthermore, any factual disclosures about Redwire or Edge Autonomy contained in this proxy statement or in Redwire's public reports filed with the SEC may supplement, update or modify the factual disclosures made by such person contained in the Merger Agreement.

The Merger Agreement contains representations and warranties by each of the parties to the Merger Agreement. Such representations and warranties:

1. were made solely to the parties to, and only for purposes of, the Merger Agreement and as of specific dates set forth therein and may be subject to more recent developments;
2. may not be intended as statements of fact, but rather as a means of allocating risk between the parties in the event that the statements therein prove to be inaccurate;
3. have been qualified by certain disclosures that were made between the parties in connection with the negotiation of the Merger Agreement, which disclosures are not reflected in the Merger Agreement itself; and
4. may apply standards of materiality in a way that is different from what may be viewed as material by you or other investors.

Accordingly, the representations and warranties and other provisions in the Merger Agreement should not be read alone and should not be relied upon as characterizations of the actual state of facts of Redwire, Edge Autonomy or any of their respective subsidiaries or affiliates.

This summary is qualified in its entirety by reference to the Merger Agreement.

### The Mergers

Subject to the terms and conditions of the Merger Agreement, on the Closing Date, (1) Merger Sub will merge with and into Edge Autonomy, with Edge Autonomy surviving such merger as a wholly-owned subsidiary of Redwire, and immediately following such First Merger, Edge Autonomy will merge with and into Purchaser, with Purchaser surviving such Second Merger as a wholly-owned subsidiary of Redwire and (2) Redwire shall deliver the aggregate purchase price with respect to the Mergers, payable in a combination of cash and Redwire Common Stock, subject to customary adjustments for indebtedness, cash, working capital and transaction expenses, as described in the section entitled "[The Merger Agreement—Merger Consideration](#)."

As a result of the First Merger, the separate existence of Merger Sub will cease and Edge Autonomy will continue its existence under the laws of the State of Delaware as the surviving limited liability company and a wholly-owned subsidiary of Redwire. As a result of the Second Merger, which will occur immediately following the First Merger, the separate existence of Edge Autonomy will cease and Purchaser will continue its existence under the laws of the State of Delaware as the surviving limited liability company and a wholly-owned subsidiary of Redwire.

### Effective Time and Closing

The Closing will occur on the third (3rd) business day after the satisfaction or waiver (to the extent permitted by law) of the conditions to Closing described in the section entitled "[The Merger Agreement—Conditions to Completion of the Mergers](#)", unless otherwise agreed by Redwire and Edge Autonomy."

Subject to the provisions of the Merger Agreement, the First Merger and the Second Merger will each become effective at the time and on the date on which the relevant certificate of merger is filed with the Secretary of State of

the State of Delaware or such later time as the parties may specify in such certificate of merger. At the Effective Time, all issued and outstanding units of Edge Autonomy immediately prior to the Effective Time and all rights in respect thereof will cease to exist and be converted automatically into the right to receive the portion of Cash Consideration and Equity Consideration allocated to such units under the Merger Agreement. Thereafter, Redwire will own Edge Autonomy and all of its operating companies. For additional information, see “[The Transactions—Effects of the Mergers](#).”

#### **Merger Consideration**

The aggregate purchase price payable by Redwire with respect to the Mergers is \$925 million, payable in a combination of cash and Redwire Common Stock, subject to customary adjustments for indebtedness, cash, working capital and transaction expenses, in each case (as applicable), after giving effect to the Edge Autonomy’s pre-Closing payments with respect to certain indebtedness, transaction expenses and bonuses to employees or other service providers.

The Merger Agreement provides for such aggregate purchase price to be paid using a combination of cash and shares of Redwire Common Stock. Redwire may finance the cash portion of the transaction consideration at its sole discretion, using any available means, including, without limitation, cash on hand, its existing credit facility, new debt financing, or proceeds from an Equity Financing.

The amount of cash consideration to be paid by Redwire to the Seller with respect to the Mergers will be (i) \$150 million minus the Closing Date Cash Shortfall Amount plus (ii) fifty percent (50%) of any Equity Financing net proceeds exceeding \$175 million. With respect to the portion of the purchase price payable in Redwire Common Stock, the number of shares of Redwire Common Stock to be issued will be based on a price of such stock equal to (i) the volume-weighted average trading price of Redwire Common Stock on the NYSE for the thirty (30) trading days ending on January 17, 2025 of \$15.07, if no Equity Financing is consummated prior to the Effective Time or (ii) the gross proceeds per share of Redwire Common Stock issued in an Equity Financing, if an Equity Financing is consummated prior to the Effective Time.

#### **Post-Closing Purchase Price Adjustment**

The Merger Agreement provides for Closing Date adjustments to the aggregate purchase price to be paid by Redwire for indebtedness, cash, closing working capital and transaction expenses. Of the aggregate Cash Consideration payable by Redwire, \$5,000,000 will be placed into an escrow account to be used in connection with the purchase price adjustment, pending the completion of the post-Closing calculation of the closing purchase price.

Within five (5) business days after the parties finalize the closing purchase price, which is expected to occur within 150 days following the Closing, Edge Autonomy and the Seller will each be entitled to receive an amount in cash that is equal to the amount by which the closing purchase price exceeds, or is less than, the estimated purchase price that Edge Autonomy provided to Redwire prior to the Closing, subject to certain exceptions. Specifically:

1. *if the closing purchase price is less than the estimated purchase price that Edge Autonomy provided to Redwire prior to the Closing (the “shortfall amount”)* Redwire will receive from the purchase price adjustment escrow account an amount in cash equal to the shortfall amount up to a maximum of \$5,000,000, and Edge Autonomy will receive the cash remaining in the purchase price adjustment escrow account (if any); and
2. *if the closing purchase price is greater than the estimated purchase price that Edge Autonomy provided to Redwire prior to the Closing (the “excess amount”)* (i) Redwire must pay the Seller the lesser of the excess amount or \$5,000,000 and (ii) the Seller will receive the cash in the purchase price adjustment escrow account.

#### **Indemnification**

Redwire has purchased representation and warranty insurance policies to provide for coverage for certain breaches of representations and warranties of Edge Autonomy and Seller contained in the Merger Agreement,

which, collectively, are subject to an aggregate limit of \$92,500,000 as well as certain exclusions, deductibles, and other terms and conditions set forth therein. None of the representations or warranties set forth in the Merger Agreement or in any other document, agreement, instrument or certificate delivered in connection with the Merger Agreement will survive the Closing. Therefore, other than as set forth below, Redwire's recourse for breaches of the representations and warranties of Edge Autonomy and Seller is limited to recovery under the representations and warranties insurance policies, except in the case of fraud.

Until the first (1st) anniversary of the Closing Date and subject to certain exceptions, Redwire and its affiliates (including, following the Closing, Edge Autonomy and its subsidiaries) will be indemnified and held harmless by Seller from and against any and all Losses (as defined in the Merger Agreement) up to an aggregate amount of \$20,000,000 accrued, incurred or suffered by Redwire and its affiliates as a result of, arising out of or in connection with: (i) certain specified liabilities; or (ii) the noncompliance with sanctions with respect to the Edge Autonomy Group's operations in Ukraine. Seller has agreed that any amount owing by Seller pursuant to such indemnity after final determination of such amount by a court or arbitral body of competent jurisdiction will be paid by Seller in immediately available funds or by cancellation or delivery to Redwire of a number of shares of Redwire Common Stock having a value sufficient to satisfy the applicable indemnification obligation. Redwire is not required to first seek recovery under the representations and warranties insurance policies before seeking recovery from Seller with respect to an indemnity payment owed by Seller pursuant to this indemnity.

#### **Representations and Warranties**

Certain of the representations and warranties made by the parties are qualified as to "materiality" or "Material Adverse Change." For purposes of the Merger Agreement, a "Material Adverse Change" is any event that individually or in the aggregate with any other events (i) does or would reasonably be expected to materially prevent, materially delay or materially impair the ability of Seller or Edge Autonomy to consummate the Transactions, or (ii) is or would reasonably be expected to be materially adverse to the condition (financial or otherwise), business, assets, properties, liabilities, or results of operations of the Edge Autonomy Group, taken as a whole; provided, however, that solely for purposes of this clause (ii), no event will be considered when determining whether a Material Adverse Change has occurred to the extent such event resulted or arose from: (a) any change in any law; (b) any change in interest rates, credit markets, currency exchange rates or general economic conditions (including changes in the price of gas, oil or other natural resources, commodities or chemicals); (c) any change that is generally applicable to the industries in which Edge Autonomy or any of its subsidiaries operate; (d) the entry into the Merger Agreement or the announcement or consummation of the transactions contemplated by the Merger Agreement and the other agreements referenced in the Merger Agreement; (e) any action taken by or at the written request of Redwire or any of its affiliates; (f) any omission to act or action taken with the prior written consent of Redwire (including those omissions to act or actions taken which are required by the Merger Agreement) or omissions to act for which Redwire withheld its consent required by the Merger Agreement; (g) any national or international political event or occurrence, including acts of war or terrorism; (h) any natural or manmade disasters,

hurricanes, floods, tornados, tsunamis, earthquakes or other acts of God; (i) any epidemic, pandemic or disease outbreak (including COVID-19 and monkeypox), or any law issued by a governmental body, the Centers for Disease Control and Prevention, the World Health Organization or industry group providing for business closures, “sheltering-in-place,” curfews or other restrictions that relate to, or arise out of, an epidemic, pandemic or disease outbreak (including COVID-19 and monkeypox) or any worsening of such conditions; (j) any political, geopolitical or social conditions, civil unrest, protests, public demonstrations or the response of any governmental body thereto or any escalation or worsening thereof; (k) any actual or potential sequester, stoppage, shutdown, default (including any default or delays in payments or delays or failures to act) or similar event or occurrence by the U.S. federal government or any other governmental body, including any shutdown or furlough of the U.S. federal government or any impact associated with the U.S. federal government’s “debt ceiling;” or (l) any failure by Edge Autonomy or any subsidiary thereof, in and of itself, to meet any projections, forecasts or estimates of revenue or earnings (it being understood that this clause (l) shall not prevent a determination that any event underlying such failure to meet projections, forecasts or estimates has resulted in a Material Adverse Change (to the extent the effect(s) of such event is not otherwise excluded from this definition of Material Adverse Change)); provided that, in the case of the foregoing clauses (a), (b), (c), (g), (h), (i), (j), and (k), to the extent such event materially and disproportionately affects the Edge Autonomy Group, taken as a whole, as compared to other Persons or businesses that operate in the same industry or similar industries in which the Edge Autonomy Group operates, such event may be taken into account in determining whether a Material Adverse Change has occurred or will occur.

22. enter into any transactions with affiliates that would be required to be disclosed against the representations and warranties in the Merger Agreement pertaining to affiliated transactions;
23. enter into any agreement that restricts the ability of the Edge Autonomy Group to engage in or compete in any line of business, solicit or hire any Person or enter into any agreement that restricts the ability of the Edge Autonomy or any of its subsidiaries to enter into a new line of business;
24. disclose any material trade secrets included in intellectual property of Edge Autonomy to any Person (other than to Redwire and its affiliates or in the ordinary course of business in circumstances in which it has imposed written confidentiality obligations or where a member of Edge Autonomy Group elects to cease to protect such intellectual property as trade secrets in its reasonable business judgment);

25. terminate, suspend, amend or modify in any material respect, any permit, except as required by applicable law or a governmental body;
26. fail to maintain or properly repair, in any material respect, any material assets of the Edge Autonomy Group consistent with past practice or commercially prudent practice; or
27. authorize, or commit or agree to take, any action described above.

Notwithstanding the restrictions described above, the Edge Autonomy Group is permitted to use its available cash to pay transaction expenses, indebtedness, bonus payments, or spot bonuses in amounts consistent with past practices, provided that such payments (i) are made in accordance with applicable law, (ii) do not materially impact working capital requirements and (iii) are subject to any limitations set forth elsewhere in the Merger Agreement.

***Director, Manager, and Officer Indemnification***

Edge Autonomy must purchase “tail coverage” directors’ and officers’ liability insurance prior to or at the Closing, covering at least six (6) years for claims arising from events before the Closing, with terms no less favorable than the terms of Edge Autonomy’s existing policies. The indemnification rights are intended to protect the officers, directors and managers of the Edge Autonomy Group at or prior to the Closing with respect to claims arising from acts, events or omissions that occurred at or prior to the Closing, including with respect to the Transactions.

The cost of such tail insurance policies will be shared equally between Redwire and Seller. Redwire, Purchaser and their affiliates are not required to indemnify for fraud-related liabilities. Additionally, Redwire must maintain the governing documents of the company that survives the Mergers and its subsidiaries in a manner that preserves for six (6) years following the Closing the relevant indemnification and exculpation provisions in such governing documents for officers, directors and managers that mirror the Edge Autonomy Group’s current provisions.

***Payoff Letters***

Edge Autonomy is required to deliver drafts of payoff letters from its debt holders to Redwire at least four (4) business days before the Closing Date. The payoff letters must be in a nearly final form and, as soon as practicable after the Closing, Edge Autonomy is required to make arrangements for the debt holders to provide all related lien releases to Redwire.

***Financing Covenants***

Redwire’s completion of a Debt Financing and/or an Equity Financing is not a condition to the Closing, and the choice of whether to pursue either of such forms of financing is within Redwire’s sole discretion.

If Redwire pursues a Debt Financing prior to the Closing, Edge Autonomy must cooperate with Redwire in arranging such Debt Financing, including facilitating meetings, providing necessary documentation, assisting with financing documentation, and helping with collateral pledging. Edge Autonomy is not required to take actions that would interfere with its operations or violate any laws or agreements. Confidential information shared with Redwire must remain confidential, except for disclosure to financing sources under confidentiality terms.

If Redwire pursues an Equity Financing prior to the Closing, Edge Autonomy must provide financial information, cooperate in marketing, and consent to use of logos, subject to certain conditions.

Redwire has agreed to indemnify and hold harmless Seller, Edge Autonomy, and their affiliates from losses related to cooperation with Debt Financing or Equity Financing, except for losses arising from breaches, bad faith, fraud, or misconduct. Additionally, Redwire has agreed to reimburse Seller and its affiliates for any reasonable out-of-pocket costs or expenses incurred during their cooperation with the financing efforts.

***Employees and Employee Benefits***

Redwire is required to ensure that the Edge Autonomy employees retained by Redwire receive at least the same salary, wages, and bonus potential for one (1) year after the Closing Date. Redwire has agreed to provide such employees with benefits similar to those offered to Redwire's employees for at least one (1) year after the Closing Date. Additionally, the Edge Autonomy employees retained by Redwire will receive credit for their previous service with the Edge Autonomy Group for benefits such as vacation, sick leave, and severance, and will be able to join welfare benefit plans without restrictions. The retained employees will also retain any unused vacation, sick leave, and personal holidays, with Redwire handling any payments related to these amounts. Such requirements are for the benefit of the parties to the Merger Agreement only, and no employees or other individuals have third-party beneficiary rights. In addition, nothing in the Merger Agreement requires Redwire to continue the employment of any such retained employee for any specific period.

***Stockholder Meeting; Fiduciary Exception to Recommendation***

Redwire is required to take all necessary actions to set a record date, give notice of, and convene a stockholders meeting to approve the Mergers, including the Stock Issuance and any Equity Financing, if applicable, within twenty (20) business days of mailing the proxy statement. Redwire is responsible for seeking and obtaining the Requisite Vote from stockholders.

The Redwire Board may change its recommendation with respect to the Merger Transactions Proposal in response to certain "intervening events" (as defined below), provided Redwire gives notice to Edge Autonomy and Seller, negotiates with them in good faith, and adheres to specific timelines. If such change in recommendation occurs and the Mergers do not receive stockholder approval, Redwire is obligated to reimburse Seller for its reasonable out-of-pocket expenses.

An "intervening event" refers to a material change in the business, assets, operations, or financial position of Redwire and its subsidiaries that occurs after the date of the Merger Agreement and was not known or reasonably foreseeable to the Redwire Board; provided that, the following are excluded from being considered an intervening event: (a) changes in the price or trading volume of Redwire's equity securities; (b) industry-wide developments, unless they disproportionately affect Redwire and its subsidiaries; and (c) the fact that Redwire or its subsidiaries meet or exceed projections, though the underlying causes of these factors may still be considered.

***Lock-Up***

The Seller is prohibited from selling, transferring, distributing, or otherwise disposing of any Redwire Common Stock received as consideration in connection with the Merger Agreement for a period of six (6) months following the Closing, without obtaining prior written approval from Redwire. For a description of the additional restrictions on the Seller's ability to sell Redwire Common Stock, see "[Other Transaction Agreements—A&R Investor Rights Agreement](#)."

***Contact with Business Relations***

Redwire, Purchaser, Merger Sub and their respective employees, agents, representatives and affiliates, may not contact any director, officer, employee or material business relation of the Edge Autonomy Group before the Closing without the prior written consent and coordination of an authorized representative of the Edge Autonomy Group.

***Exclusive Dealing***

Seller and Edge Autonomy have agreed, from the date of the Merger Agreement through the Closing or, if earlier, the termination of the Merger Agreement, not to, directly or indirectly, (i) solicit, initiate or encourage or facilitate any inquiries or the making of any proposals or offers that would constitute an Alternative Transaction, (ii) engage in or continue discussions or negotiations with any Person (other than Redwire and its representatives) with respect to an Alternative Transaction, (iii) disclose to any Person (other than Redwire and its representatives) any material nonpublic information relating to Edge Autonomy or any of its subsidiaries, or enter into, participate in,

maintain or continue any communications or negotiations that would, in each case, reasonably be expected to lead to an Alternative Transaction, (iv) agree to accept, recommend or endorse (or publicly propose or announce any intention or desire to agree to, accept, recommend or endorse) any Alternative Transaction or (v) enter into any letter of intent or other contract with respect to any Alternative Transaction.

***Other Covenants and Agreements***

The Merger Agreement contains certain other covenants and agreements, including covenants relating to:

1. confidentiality and access by the parties to offices, properties, and books and records;
2. the parties taking actions to complete the Mergers and related transactions, including satisfying conditions, making necessary filings, providing relevant information, and cooperating on regulatory approvals and filings, including the preparation and filing of this proxy statement;
3. the Edge Autonomy Group's obligation to seek waivers for any "parachute payments" under Section 280G of the Code and taking related actions to ensure compliance with relevant regulatory requirements;
4. Edge Autonomy's preparation and delivery of financial statements;
5. The parties' independent investigation of the financial and operational aspects of the relevant counterparty and non-reliance on certain information provided by the relevant counterparty;
6. Edge Autonomy seeking to obtain any consents, waivers, approvals and notices required under its contractual obligations;
7. Edge Autonomy cooperating with Redwire in Redwire's efforts to obtain employment arrangements or restrictive covenant agreements with certain employees of the Edge Autonomy Group;
8. Edge Autonomy making certain pre-Closing payments;
9. Seller's entitlement to receive insurance proceeds from a certain prior insurance claim made by the Edge Autonomy Group;
10. Seller's entitlement to receive reimbursements for amounts spent by the Edge Autonomy Group on a certain tenant improvement project prior to the Closing;
11. Redwire's obligation to ensure that the R&W Insurance Policies do not permit any subrogation claims against Seller, its affiliates and their respective representatives; and
12. Redwire's obligation to not prevent the Mergers, taken together, from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code.

**Conditions to Completion of the Mergers**

***Conditions to Redwire's, Purchaser's and Merger Sub's Obligations***

The obligations of Redwire, Purchaser and Merger Sub to consummate the Transactions are subject to the satisfaction or waiver of certain conditions, including the following:

1. the representations and warranties of Seller and Edge Autonomy (except for those certain representations and warranties which are fundamental, as described below) must be true and correct as of the Closing Date (without giving effect to any materiality qualifier), except for certain inaccuracies not constituting a material adverse change or representations and warranties relating to a date prior to the Closing Date, which must have been true and correct as of such earlier date;
2. (i) certain fundamental representations and warranties of Seller and Edge Autonomy (including those regarding, with respect to Seller, organization and power, authorization, capitalization and brokerage, and

with respect to Edge Autonomy, organization and power, predecessors, authorization and no breach, capitalization and brokerage) must be true and correct in all respects (other than *de minimis* inaccuracies) as of the Closing Date as if made on and as of the Closing Date, except for such fundamental representations and warranties which expressly relate to an earlier date, which must have been true and correct in all respects (other than *de minimis* inaccuracies) as of such earlier date, and (ii) the fundamental representations and warranties of Edge Autonomy regarding governmental consents (without giving effect to any materiality qualifier) must be true and correct in all material respects as of the Closing Date;

3. Edge Autonomy and Seller must: (i) not be in breach in any respect (other than *de minimis* breaches) of the covenant restricting Edge Autonomy's ability to distribute cash prior to the Closing, and (ii) not be in breach in any material respect of any of the other covenants and agreements required to be performed by them under the Merger Agreement prior to the Closing;
4. Edge Autonomy must have delivered to Redwire a certificate signed by an officer of Edge Autonomy certifying that the three (3) closing conditions summarized above, with respect to the representations, warranties, covenants and agreements of Edge Autonomy, have been satisfied;
5. Seller must have delivered to Redwire a certificate signed by an officer of Seller certifying that the first three (3) closing conditions summarized above, with respect to the representations, warranties, covenants and agreements of Seller, have been satisfied;
6. the Escrow Agreement must have been executed and delivered to Redwire;
7. Edge Autonomy must have delivered to Redwire a certificate confirming that none of Edge Autonomy's equity units is a "United States real property interest" (as defined under the Code) because it has not been a "United States real property holding corporation" in the past five (5) years;
8. Edge Autonomy must have delivered payoff letters from its debt holders to Redwire no less than three (3) business days prior to the Closing;
9. Edge Autonomy must have delivered resignation letters of all directors, managers and officers of the Edge Autonomy Group, other than with respect to resignations that would require a member of the Edge Autonomy Group to obtain a consent, waiver or approval of, or provide a notice to, a governmental body;
10. the Consulting Termination Agreement must have been executed and delivered to Redwire;
11. the Restrictive Covenant Agreement must have been executed and delivered to Redwire;
12. certain gross receipts taxes in Ohio and Washington for pre-Closing tax periods must have been fully paid; and
13. no "material adverse change" shall have occurred.

***Conditions to Edge Autonomy's and Seller's Obligations***

The obligations of Edge Autonomy and Seller to consummate the Transactions are subject to the satisfaction or waiver of certain conditions, including the following:

1. the representations and warranties of Redwire, Purchaser and Merger Sub (except for those certain representations and warranties which are fundamental, as described below) must be true and correct as of the Closing Date (without giving effect to any materiality qualifier), except for certain inaccuracies not constituting a material adverse change or representations and warranties relating to a date prior to the Closing Date, which must have been true and correct as of such earlier date;
2. the fundamental representations and warranties of Redwire, Purchaser and Merger Sub (including those with respect to organization and power, authorization, capitalization, equity consideration and brokerage) must be true and correct in all respects (other than any *de minimis* inaccuracies) as of the Closing Date as if

made on and as of the Closing Date, except for such fundamental representations and warranties which expressly relate to an earlier date, which must have been true and correct in all respects (other than *de minimis* inaccuracies) as of such earlier date;

3. Redwire must have delivered to Edge Autonomy and Seller a certificate signed by an officer of Redwire certifying that the two (2) closing conditions summarized above have been satisfied;
4. Redwire, Purchaser and Merger Sub must not be in breach in any material respect of the covenants and agreements required to be performed by them under the Merger Agreement prior to the Closing;
5. the fair market value of the closing equity consideration to be paid by Redwire to Seller in connection with the Closing, based on the VWAP for Redwire Common Stock on the Closing Date, must be an amount greater than forty percent (40%) of the sum of (i) the fair market value of the closing equity consideration to be paid by Redwire to Seller in connection with the Closing and (ii) the cash proceeds to be paid by Redwire in connection with the Closing;

#### ***Conditions to All Parties' Obligations***

The obligations of all parties to the Merger Agreement to consummate the Transactions are subject to the satisfaction or waiver of certain conditions, including the following:

1. the approvals and waiting periods under the HSR Act, any Other Antitrust Regulations and FDI Regulations, and any other applicable law that are required for the consummation of the Transactions shall have been received and remain in effect (in the case of approvals) or have expired, been waived or been terminated (in the case of waiting periods);
2. no final, binding and non-appealable injunction, order, judgment, decision, decree or ruling shall have been issued, promulgated, enacted or enforced by any governmental body enjoining or otherwise prohibiting the performance of the Merger Agreement or the consummation of any of the Transactions;
3. Redwire shall have received the Requisite Vote at the Redwire Special Meeting; and
4. the Merger Agreement shall not have been terminated.

#### **Termination of the Merger Agreement**

1. The Merger Agreement may be terminated by the mutual written consent of Redwire, on the one hand, and Edge Autonomy and Seller, on the other hand.
2. The Merger Agreement may be terminated by either Redwire, on the one hand, or by Edge Autonomy or Seller, on the other hand, if:
  - a governmental body were to issue a final and non-appealable order, decree ruling or other action prohibiting the performance of the Merger Agreement or the transactions contemplated thereby, such that it would not be possible to satisfy (i) the closing condition requiring that the approvals and waiting periods under the HSR Act, any Other Antitrust Regulations and FDI Regulations, and any other applicable law shall have been received and remain in effect (in the case of approvals) or have expired, been waived or been terminated (in the case of waiting periods) or (ii) the closing condition requiring that no final, binding and non-appealable injunction, order, judgment, decision, decree or ruling shall have been issued, promulgated, enacted or enforced by any governmental body enjoining or otherwise

prohibiting the performance of the Merger Agreement or the consummation of any of the Transactions, in each case, unless such circumstance has been primarily caused by the action or inaction of the terminating party; or

- the Closing shall not have occurred on or before the Outside Date, unless the applicable failure to close shall have been caused by the action or inaction of the terminating party.
3. The Merger Agreement may be terminated by Redwire, Purchaser and Merger Sub, if none of Redwire, Purchaser or Merger Sub is then in material breach of the Merger Agreement, and either Seller or Edge Autonomy is in breach of a covenant or agreement, or a representation or warranty of Seller or Edge Autonomy is or has become untrue, in either case, such that a condition to the obligations of Redwire, Purchaser and Merger Sub to consummate the Closing would not be satisfied; provided, however, if such breach is curable, such right to terminate will not be available if such breach is cured by the earlier of (i) thirty (30) days following receipt of notice of such breach and (ii) the day which is the last business day prior to the Outside Date.
  4. The Merger Agreement may be terminated by Edge Autonomy or Seller, if neither Edge Autonomy nor Seller is then in material breach of the Merger Agreement, and Redwire, Purchaser or Merger Sub is in breach of a covenant or agreement, or a representation or warranty of Redwire, Purchaser or Merger Sub is or has become untrue, in either case, such that a condition to the obligations of Edge Autonomy or Seller to consummate the Closing would not be satisfied; provided, however, if such breach is curable, such right to terminate will not be available if such breach is cured by the earlier of (i) thirty (30) days following receipt of notice of such breach and (ii) the day which is the last business day prior to the Outside Date.
  5. The Merger Agreement may be terminated by Seller if (i) the conditions to the obligations of Redwire, Purchaser and Merger Sub to consummate the Closing have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, each of which shall be capable of being satisfied if the Closing Date were the date that notice of termination is delivered by Seller to Redwire), (ii) Redwire, Purchaser and Merger Sub do not consummate the Transactions by the day and time the Closing is required to occur and (iii) Seller has, at least two (2) business days prior to terminating the Merger Agreement pursuant to such right to terminate, irrevocably confirmed to Redwire in writing that Seller and Edge Autonomy are ready, willing and able to consummate the Closing (subject to conditions that by their terms or nature are to be satisfied at the Closing), and Redwire, Purchaser and Merger Sub have not consummated the Closing by the end of such two (2)-business day period.
  6. The Merger Agreement may be terminated by either Redwire or Seller if Redwire fails to obtain the Requisite Vote at the Redwire Special Meeting.

#### **Effect of Termination**

In the event of termination of the Merger Agreement as described in the section entitled “[The Merger Agreement—Termination of the Merger Agreement](#)”, the Merger Agreement shall become void and of no further force and effect without any liability or obligation on the part of any party to the Merger Agreement, except:

1. with respect to liabilities and obligations under the confidentiality agreement between Redwire and Edge Autonomy;
2. no such termination will relieve any party to the Merger Agreement of any liability for damages resulting from fraud or any willful breach of the Merger Agreement by such party; and
3. certain provisions of the Merger Agreement will survive the termination, including such provisions regarding termination fees.

#### **Termination Fees; Expenses and Damages**

In determining losses or damages that are recoverable upon termination by a party to the Merger Agreement for another party’s breach, such losses or damages will not be limited to reimbursement of expenses or out-of-pocket

costs. Recoverable damages will include the benefit of the bargain lost by such party, taking into account all relevant matters (including, but not limited to, other opportunities foregone, and the time value of money, which will be deemed damages of such party).

Redwire has agreed to pay Seller or its designee (as directed by Seller in writing) a fee of \$1,000,000 in the event that the Merger Agreement is:

1. terminated by Edge Autonomy or Seller pursuant to paragraph 4 in the section above entitled “[The Merger Agreement—Termination of the Merger Agreement](#),” or
2. terminated by Seller pursuant to paragraph 5 in the section above entitled “[The Merger Agreement—Termination of the Merger Agreement](#).”

While Seller and Edge Autonomy may pursue each of (i) a grant of specific performance or other equitable relief under the Merger Agreement and (ii) the payment of the termination fee, Seller or Edge Autonomy will be permitted or entitled to receive only (a) a grant of specific performance to cause Redwire to consummate the Closing or (b) the termination fee; provided, however, in the event that Redwire pays such termination fee to the Seller (or its designee(s)):

1. in no event will Redwire’s, Purchaser’s and Merger Sub’s aggregate liability under the Merger Agreement or any other agreement contemplated by the Merger Agreement, with respect to remedies other than specific performance to cause the consummation of the Closing, exceed an amount equal to such termination fee;
2. Seller’s receipt of such termination fee will be the sole and exclusive remedy of Seller, the Edge Autonomy Group, each of their affiliates and each such Person’s and their respective affiliates’ agents, successors and permitted assigns for any and all liabilities as a result of any breach of, or non-compliance with, any covenant, agreement, representation or warranty in the Merger Agreement (including any willful breach) or any agreement contemplated by the Merger Agreement or the failure of the Transactions to be consummated or otherwise related or connected to the Merger Agreement or any Ancillary Agreement;
3. none of Seller, Edge Autonomy or any of their respective affiliates or any such Person’s or their respective affiliates’ agents, successors and permitted assigns may seek to recover any other damages or seek any other remedy with respect to any losses or damages suffered in connection with the Merger Agreement or any debt commitment letter;
4. Seller’s receipt of such termination fee would prohibit Seller from seeking specific performance or other equitable relief under the Merger Agreement or being indemnified and reimbursed for losses or expenses in connection with their cooperation with respect to a Debt Financing or an Equity Financing; and
5. Seller’s (or its designee’s) actual receipt of such termination fee will be deemed to be liquidated damages, which amounts constitute a reasonable estimate of the damages that will be suffered by reason of any such termination of the Merger Agreement.

In no event would Redwire be required to pay the termination fee on more than one (1) occasion.

#### **Amendments, Extensions and Waivers**

The Merger Agreement may be amended or waived only in a writing signed by a duly authorized officer of Seller, Edge Autonomy (or, following the Closing, the company that survives the Mergers) and Redwire, respectively. No waiver of any provision of the Merger Agreement or any breach or default thereof, or any inaccuracy in any representation, warranty or covenant under the Merger Agreement, shall extend to or affect in any way any rights arising by virtue of any prior or subsequent occurrence or by virtue of any other provisions.

On February 3, 2025, an amendment to the Merger Agreement was executed by and among the parties to the Merger Agreement, which extended from ten (10) business days following the execution and delivery of the Merger Agreement to thirteen (13) business days following the execution and delivery of the Merger Agreement the latest

day by which Edge Autonomy and Redwire are required under the Merger Agreement to (a) file, or cause to be filed, with the FTC and the DOJ, the notification and report form required for the Transactions and any supplemental information requested in connection therewith pursuant to the HSR Act and (b) file with any other governmental body any other filings (including any pre-notification draft), reports, information and documentation as may be required for the Transactions pursuant to any Other Antitrust Regulations and FDI Regulations.

#### **No Third-Party Beneficiaries**

The Merger Agreement is not intended to and does not confer any rights or remedies upon any Person other than the parties to the Merger Agreement and their respective successors and permitted assigns, except for (i) certain provisions related to directors' and officers' indemnification insurance (which are enforceable by current and former officers, directors or managers of each of the company that survives the Mergers and its subsidiaries and his or her heirs and representatives, successors and assigns that may be entitled to indemnification), (ii) certain matters relating to Seller incurring debt to finance a return of capital on its investment or to refinance existing debt and the granting of liens to secure that debt (which would provide the applicable lender or counterparty a right as a third-party beneficiary of Redwire's obligation to issue the Equity Consideration in accordance with the terms of the Merger Agreement) and (iii) certain matters relating to the providers of Debt Financing (which pertain to the liability of the providers of Debt Financing under the Merger Agreement and the invalidity of amendments or waivers adversely affecting the rights of the providers of Debt Financing without the prior written consent of the providers of Debt Financing).

#### **Specific Performance**

The parties have agreed that irreparable damage for which monetary damages or legal remedies would not be an adequate remedy, would occur in the event that the parties do not perform the provisions of the Merger Agreement. Accordingly, the parties have agreed that, subject to the satisfaction of the conditions summarized below, each party will be entitled to enforce specifically the terms and provisions of the Merger Agreement, or to enforce compliance with the covenants and obligations of any other party to the Merger Agreement, and appropriate injunctive relief will be granted in connection therewith, and no party may assert that a remedy of specific performance or other equitable relief is unenforceable, invalid, contrary to law or inequitable for any reason, nor that a remedy of monetary damages would provide an adequate remedy or that the parties to the Merger Agreement otherwise have an adequate remedy at law.

Notwithstanding the foregoing, the following conditions apply to Seller's and Redwire's respective right to specific performance:

1. Seller is entitled to specific performance of Redwire's, Purchaser's and Merger Sub's obligations to complete the Closing if: (1) all conditions to Redwire's, Purchaser's and Merger Sub's obligations and the conditions to all parties' obligations to close the transactions under the Merger Agreement are satisfied or waived (except for conditions to be satisfied at Closing), and Redwire, Purchaser or Merger Sub fails to complete the Closing by the applicable required date under the Merger Agreement; (2) funds sufficient for Redwire to pay all required cash amounts are available from a Debt Financing or an Equity Financing; and (3) Seller confirms in writing that it is ready, willing, and able to complete the Closing. Seller's remedies under this provision are in addition to its right to seek payment of the \$1,000,000 termination fee. However, if such termination fee is paid, Seller and Edge Autonomy cannot seek other remedies, including specific performance; and
2. Redwire is entitled to specific performance of Seller's and Edge Autonomy's obligations to complete the Closing if: (1) all conditions to Edge Autonomy's and Seller's obligations and the conditions to all parties' obligations to close the transactions under the Merger Agreement are satisfied or waived (except for conditions to be satisfied at Closing), and Seller or Edge Autonomy fails to complete the Closing by the applicable required date under the Merger Agreement; and (2) Redwire confirms in writing that it will consummate the Closing if the required funds are provided. Redwire's remedies under this provision are in addition to any other legal or equitable remedies it may have.

Furthermore, if any party brings an action to specifically enforce the terms of the Merger Agreement before the Outside Date, the Outside Date will be automatically extended for: (a) the duration of the pending action and until it is finally resolved by a non-appealable ruling of a court or arbitrator, plus an additional ten (10) business days; or (b) for a longer period as determined by the court or arbitrator handling the action.

**Governing Law; Waiver of Jury Trial**

The Merger Agreement is governed by Delaware law, without giving effect to any choice of law or conflict of law rules that would result in the application of the laws of another jurisdiction.

Under the Merger Agreement, the parties have waived their right to a jury trial for any litigation related to the Merger Agreement, including any claims or disputes, whether in contract, tort, or equity. Disputes under the Merger Agreement are subject to arbitration, subject to certain exceptions.

## OTHER TRANSACTION AGREEMENTS

### The Voting Agreements

*The following is a summary of the Voting Agreements. This summary does not purport to describe all of the terms of the Voting Agreements and is qualified in its entirety by the complete text of each of the Voting Agreements, which are included as Annex B of this proxy statement and incorporated by reference herein. All stockholders of Redwire are urged to read the Voting Agreements carefully and in their entirety, as well as this proxy statement, before making any decisions regarding the Merger Agreement and the Transactions.*

In connection with the signing of the Merger Agreement, Redwire entered into a Voting Agreement with each of (i) the AE Industrial Stockholders, (ii) Bain and (iii) Genesis Park (each, a “Voting Agreement Party”), pursuant to which, among other matters:

1. **AE Industrial Stockholders:** From January 20, 2025, until the earlier of the Mergers’ consummation, the Merger Agreement’s termination in accordance with its terms or the written consent of AE Industrial Stockholders and Redwire, the AE Industrial Stockholders must attend any meeting of Redwire stockholders (in person or by proxy) and vote or cause to be voted any Redwire Common Stock or Redwire Preferred Stock which the AE Industrial Stockholders held at the time of execution of the Voting Agreement or acquired the ability to vote thereafter, in favor of the Stock Issuance, in favor of an Equity Financing, if applicable, and in favor of any proposal to adjourn or postpone such meeting as may be requested by Redwire, unless the Redwire Board publicly announces and does not rescind a change in recommendation to vote in favor of such proposals. The AE Industrial Stockholders must also vote against any action, proposal, transaction or agreement that would reasonably be expected to prevent, materially impede, or materially delay the consummation of the Transactions or any Equity Financing. Additionally, from January 20, 2025 until the termination of the AE Industrial Stockholders’ Voting Agreement, the AE Industrial Stockholders may not transfer the shares of Redwire capital stock which are subject to such Voting Agreement.
2. **Bain:** From January 20, 2025, until the earliest of the Mergers’ consummation, the termination of the Bain Voting Agreement or the Merger Agreement, or July 19, 2025 (such date, the “Bain Expiration Date”), Bain must attend any meeting of Redwire stockholders (virtually or by proxy) and vote or cause to be voted any Redwire Common Stock or Redwire Preferred Stock which Bain held at the time of execution of the Voting Agreement or acquired the ability to vote thereafter, in favor of the Mergers, in favor of the Stock Issuance, in favor of an Equity Financing which is approved by a committee of the Redwire Board composed solely of John S. Bolton, Joanne Isham and Michael Bevacqua, if applicable, and in favor of any proposal to adjourn or postpone such meeting as may be requested by Redwire unless the Redwire Board or Redwire Special Committee changes its recommendation to vote in favor of such proposals. Additionally, from January 20, 2025 until the earlier of the day following the Record Date and the Bain Expiration Date, Bain may not transfer the shares of Redwire which are subject to such Voting Agreement.
3. **Genesis Park:** From January 20, 2025, until the earlier of the Mergers’ consummation or the Merger Agreement’s termination, Genesis Park must attend any meeting of Redwire stockholders (virtually or by proxy) and vote or cause to be voted any Redwire Common Stock or Redwire Preferred Stock which Genesis Park held at the time of execution of the Voting Agreement or acquired the ability to vote thereafter in favor of the Stock Issuance, in favor of an Equity Financing, if applicable, and in favor of any proposal to adjourn or postpone such meeting as may be requested by Redwire unless the Redwire Board publicly announces and does not rescind a change in recommendation to vote in favor of such proposals. Genesis Park must also vote against any action, proposal, transaction or agreement that would reasonably be expected to prevent, impede, or materially delay the consummation of the Transactions or Equity Financing.

At the close of business on April 22, 2025, the Record Date for the Redwire Special Meeting, the Voting Agreement Parties represented an aggregate of approximately 69.2% of Redwire’s outstanding voting power, and approximately 46.5% of Redwire’s outstanding voting power held by persons other than AE Industrial (which

excluded shares will, for purposes of calculating the Minority Vote, be deemed to include shares held by (1) any person that Redwire has determined to be an “officer of Redwire” within the meaning of Rule 16a-1(f) of the Exchange Act, and (2) those members of the Redwire Board who are (A) not members of the Redwire Special Committee and (B) affiliated with AE Industrial).

Each of the Voting Agreements will terminate upon the valid termination of the Merger Agreement or the Effective Time of the Mergers. Additionally, the Voting Agreement with Bain will terminate upon (i) the receipt of the Requisite Vote, (ii) any material amendment or waiver with respect to the Merger Agreement, including any amendment that increases or changes the amount or form of consideration payable by Redwire, the Lock-Up (as defined below) in the A&R Investor Rights Agreement or the transfer restrictions in the Voting Agreements with the AE Industrial Stockholders and Genesis Park (each such change, a “Covered Change”). The Voting Agreement with Bain also provides that Redwire will not enter into any Covered Change without the approval of a committee of the Redwire Board composed solely of John S. Bolton, Joanne Isham and Michael Bevacqua.

#### **A&R Investor Rights Agreement**

*The following is a summary of the form of A&R Investor Rights Agreement. This summary does not purport to describe all of the terms of the A&R Investor Rights Agreement and is qualified in its entirety by the complete text of the form of A&R Investor Rights Agreement, which is included as Exhibit I to the Merger Agreement and as Annex C of this proxy statement and incorporated by reference herein. All stockholders of Redwire are urged to read the form of A&R Investor Rights Agreement carefully and in its entirety, as well as this proxy statement, before making any decisions regarding the Merger Agreement and the Transactions.*

The Merger Agreement provides that, in connection with the Closing of the Mergers, Redwire, Seller, the AE Industrial Stockholders and Genesis Park Holdings will enter into the A&R Investor Rights Agreement to amend and restate that certain Investor Rights Agreement, dated March 25, 2021 and filed as Exhibit 10.1 to Redwire’s Annual Report on Form 10-K for the fiscal year ended December 31, 2024 with the SEC on March 11, 2025. Among other things, the A&R Investor Rights Agreement will provide that, of the nine (9) or more directors that will sit on the Redwire Board, (i) the AE Industrial Stockholders will be permitted to designate four (4) directors for election to the Redwire Board, which number would be reduced once the AE Industrial Stockholders no longer hold fifty percent (50%) or more of the Redwire Common Stock beneficially owned by the AE Industrial Stockholders (excluding Redwire Common Stock beneficially owned by Seller) at the Closing and (ii) Seller will be permitted to designate one (1) director for election to the Redwire Board so long as Seller continues to hold twenty-five percent (25%) or more of the Redwire Common Stock beneficially owned by Seller (excluding Redwire Common Stock beneficially owned by the AE Industrial Stockholders) at the Closing, provided that so long as the AE Industrial Stockholders and Seller collectively may nominate an aggregate of five (5) directors to the Redwire Board, all but one (1) director must be independent under NYSE listing standards and, if less than five (5) directors, a majority must be independent.

Additionally, the A&R Investor Rights Agreement provides for certain registration rights, including (i) that, as soon as reasonably practicable, and, in any event, within ninety (90) days following the effective date of the Mergers, Redwire would file a shelf registration statement on Form S-3 with the SEC covering the resale of all shares of Redwire Common Stock and warrants or any shares of Redwire Common Stock issuable upon exercise thereof, or other equity securities issued in respect thereof held by the AE Industrial Stockholders, Genesis Park Holdings, the Seller or any of their permitted transferees (the “Registrable Securities”), (ii) demand registration rights for each of the AE Industrial Stockholders and the Seller following the Lock-Up (as defined below), which allow for such parties to require Redwire to register the Registrable Securities where there is not an effective shelf registration statement in place and (iii) unlimited piggyback registration rights for each holder of Registrable Securities to require that their Registrable Securities be included in certain registration statements filed by Redwire.

The A&R Investor Rights Agreement also provides that none of the AE Industrial Stockholders will sell or otherwise transfer their Registrable Securities for 180 days following the Closing of the Mergers, and the Seller will not sell or otherwise transfer the shares of Redwire Common Stock it receives as the Equity Consideration in the Mergers at the Closing for 180 days following the Closing of the Mergers (such provisions, the “Lock-Up”), in each case, except for to permitted transferees who agree to be bound by the A&R Investor Rights Agreement.

## DEBT FINANCING

Redwire anticipates that total cash of approximately \$180 million to fund the parties' transaction expenses, the Cash Consideration and/or Edge Autonomy's indebtedness in excess of Edge Autonomy's balance sheet cash at Closing will be provided through a combination of (i) cash from Redwire's balance sheet (which cash would include approximately \$82.8 million raised from the redemption of its Warrants during the first quarter of 2025) and (ii) proceeds from new Debt Facilities (as defined below).

Redwire is in the process of marketing to a syndicate of banks and other financial institutions new senior secured debt facilities (the "Debt Facilities"), under which Redwire Holdings, LLC, a wholly-owned subsidiary of Redwire, would be the lead borrower (the "Borrower"). Redwire is targeting Debt Facilities with the following terms, subject to ongoing discussions with potential lenders:

The Debt Facilities would be effective upon the Closing Date and may consist of (i) a senior secured first lien revolving loan facility with expected maximum availability of \$75 million (limited to \$50 million as of the Closing Date), maturing four and a half years after the Closing Date and (ii) a senior secured first lien term loan facility in an aggregate principal amount of \$250 million maturing five years after the Closing Date. The Borrower's obligations under the Debt Facilities would be guaranteed by certain subsidiaries of Redwire. Proceeds from the Debt Facilities would be used in part to finance the Closing-related payments described in the preceding paragraph, to refinance Redwire's existing debt facilities and for working capital purposes. The administrative and collateral agent for the Debt Facilities would be JPMorgan Chase Bank, N.A. ("JPMorgan") and the lead arrangers would include TCBI Securities, Inc., doing business as Texas Capital Securities, and JPMorgan, among others to be determined, if any. The principal amount under the term loan facility is expected to be subject to amortization at an initial rate of 5% per year, which rate would decrease to 1% after the outstanding principal amount of the term loans as of the Closing Date has been reduced by \$50 million (the "Prepayment Event"). The revolving loans and term loans are expected to accrue interest at variable rates based on Term SOFR or other standard indices, plus a to be determined margin (with such margin to decrease by fifty (50) basis points following the Prepayment Event). A commitment fee of 37.5 basis points would also accrue in respect of the unused portion of the revolving loan. Obligations under the Debt Facilities would be secured by liens on substantially all of the assets of the Redwire entities party thereto. The Debt Facilities and their terms are subject to the negotiation and execution of definitive agreements, and the actual terms of such definitive agreements, if any, may differ from the anticipated terms described herein.

## **LITIGATION RELATING TO THE TRANSACTIONS**

On February 6, 2025, Redwire received the 220 Demand from the 220 Demanding Stockholder. Pursuant to Section 220 of the DGCL, the 220 Demand seeks books and records to allegedly investigate the conduct of Redwire’s controlling stockholder, AE Industrial, and other fiduciaries in connection with the Transactions. Specifically, the 220 Demanding Stockholder seeks to: (a) investigate potential wrongdoing, breaches of fiduciary duty and/or mismanagement in connection with the Transactions; and (b) investigate the independence and disinterestedness of the members of the Board both generally and with respect to the Transactions. Redwire is cooperating with such request and is providing requested information. It is not possible to predict whether the 220 Demand Stockholder will file a lawsuit with respect to the Transaction or any effect that such lawsuit would have thereon.

On April 22, 2025, counsel for Redwire received a letter from a law firm on behalf of an individual who is a purported Redwire stockholder, accompanied by a draft complaint naming Redwire and its directors as defendants and alleging that Redwire’s preliminary proxy statement with respect to the Transactions, filed with the SEC on April 7, 2025, omitted or misrepresented certain material information. Such draft complaint includes a request for injunctive relief with respect to the Redwire stockholder vote to approve, and the closing of, the Transactions, as well as other remedies, including counsel fees. Such letter asserts that counsel intends to file such draft complaint in the event that Redwire does not file “corrective disclosure” prior to the Redwire Special Meeting. Redwire believes that the allegations set forth in the draft complaint are without merit and, if such complaint is actually filed, will defend such action vigorously.

On April 28, 2025, counsel for Redwire received a letter from a law firm on behalf of an individual who is a purported Redwire stockholder alleging that Redwire’s preliminary proxy statement with respect to the Transactions, filed with the SEC on April 7, 2025, omitted or misrepresented certain material information and demanding that Redwire amend the proxy statement or issue supplemental disclosures to correct such alleged deficiencies. Redwire believes that the allegations set forth in the demand letter are without merit and, if any further demand is made or any complaint is actually filed, will defend such action vigorously.

## **BUSINESS OF EDGE AUTONOMY**

### **Overview**

Edge Autonomy develops and manufactures UAS for commercial, government, and military applications in areas such as surveillance, logistics, reconnaissance, border security, and emergency response. Edge Autonomy designs and deploys UAS technology through solutions including autonomous flight systems, artificial intelligence (“AI”) powered data processing, and specialized sensors. Edge Autonomy’s intelligence, surveillance, and reconnaissance (“ISR”) gimbal technology provides stabilization and targeting capabilities, while its fuel cell, power solutions, and remote backup power systems support flight operations and mission-critical operations in diverse environments.

Through its solutions, Edge Autonomy aims to help customers streamline operations, enhance security, and address complex challenges related to aerial surveillance and data collection. With a deep understanding of industry demands, Edge Autonomy has become a trusted partner to government agencies, defense contractors, and commercial enterprises worldwide.

Edge Autonomy is a private company and units of Edge Autonomy are not publicly traded, and thus there is not an established public trading market for units of Edge Autonomy.

### **Industry**

Edge Autonomy is a provider of UAS and autonomous technology solutions in a sector that has experienced significant growth driven by advancements in autonomous systems, AI, machine learning, and sensor technologies. Through continuous innovation and proprietary technological developments, Edge Autonomy delivers state-of-the-art autonomous flight solutions that help to maximize efficiency, safety, and operational capabilities for commercial, government, and defense customers worldwide.

The UAS industry is shaped by various factors, including economic conditions, technological advancements, complex regulatory frameworks (including National Defense Authorization Act (NDAA) compliance requirements, Federal Aviation Regulations (FARs), and Defense Federal Acquisition Regulations (DFARs)), export control regimes (including International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR)), evolving security needs, and political landscapes. Edge Autonomy’s solutions serve key sectors such as defense, intelligence, border security, logistics, and infrastructure. Edge Autonomy strives to maintain compliance with all applicable U.S. and international export control laws, regulations, and security requirements. Reliable and advanced uncrewed aerial systems are increasingly taking the place of the large, expensive aerial operations that have traditionally required dedicated runways, flight crews, and a large logistic footprint. The integration of AI, machine learning, and advanced sensor technologies into UAS platforms continues to drive both operational efficiencies and the ability to perform increasingly complex tasks autonomously, while adhering in all material respects to stringent regulatory requirements for autonomous systems, cybersecurity protocols, and technology transfer restrictions.

Edge Autonomy believes that evolving global security requirements and increasing demand for efficient supply chain and logistics solutions may present opportunities for growth in the market for autonomous aerial systems and advanced UAS technology. Edge Autonomy’s ability to capitalize on these opportunities, however, depends on various factors, including its ability to develop and commercialize new technologies, maintain regulatory compliance, and effectively compete in a rapidly evolving market.

### **Growth Strategy**

Edge Autonomy’s growth strategy revolves around continuing the innovation and development of its core technologies, while also expanding its market footprint in commercial, government, and military sectors. Edge

Autonomy’s strategy focuses on the following key elements, subject to various risks and uncertainties that could affect its ability to execute these plans:

**1. Investment in Technology Development:**

- Edge Autonomy intends to advance its UAS platform technologies, focusing on enhancing autonomous flight capabilities, AI-powered data processing, advanced ISR gimbal systems, innovative fuel cell technology, sustainable power solutions, remote backup power systems, and sensor integration. Investments in these areas may allow Edge Autonomy to offer solutions for a variety of industries, helping to enable its customers to improve operational performance, security, and data-driven decision-making.

**2. Expansion into Key Markets:**

- Edge Autonomy aims to grow its presence in high-demand sectors such as defense, border security, infrastructure, logistics, and emergency services. With the increasing reliance on autonomous systems, demand for secure ISR solutions, and the need for sustainable and remote backup power systems in both military and commercial applications, Edge Autonomy plans to broaden its product offerings and customer base in these sectors.

**3. Global Government and Defense Focus:**

- A cornerstone of Edge Autonomy’s strategy is the continued expansion of its established presence within government and defense markets. Edge Autonomy currently maintains relationships with U.S. and allied nation military and government agencies and seeks to leverage its security clearances and track record of mission success to provide UAS solutions for surveillance, intelligence, reconnaissance, and border security applications, although such relationships are subject to various governmental regulations, budget appropriations, and other factors beyond Edge Autonomy’s control. This strategic focus is supported by long-term contracts and a deep understanding of complex government procurement processes.

**4. End-to-End UAS Solutions:**

- Edge Autonomy plans to continue to develop and deliver integrated, end-to-end UAS systems that combine advanced hardware, software, and AI technologies, providing customers with seamless and scalable solutions. With a modular open systems approach to aircraft and payload design, these systems can be integrated with third-party technology—with or without Edge Autonomy support—to enable agile adaptation to a wider variety of mission challenges. With innovative technology ranging from custom UAS designs to full-system deployment and ongoing support, customers can rely on Edge Autonomy for all aspects of their UAS operations.

**5. Sustainability and Energy Solutions:**

- Through strategic acquisitions, including of Adaptive Energy Systems, LLC (“Adaptive Energy”) in 2022, Edge Autonomy plans to continue developing sustainable energy solutions for UAS operations, developing and implementing proprietary power systems such as advanced solid oxide fuel cell (“SOFC”) technologies. These innovations help extend the operational endurance of uncrewed systems, providing a competitive advantage in long-range and long-endurance missions. Edge Autonomy also develops and deploys sustainable remote and backup power solutions, including renewable energy systems and advanced energy storage technologies, helping ensure reliable operations in diverse environmental conditions and mission-critical scenarios.

**Competition**

Edge Autonomy operates in the highly competitive UAS industry, which is characterized by rapid technological advancement and evolving customer requirements. Edge Autonomy faces competition from various entities, including established defense contractors, autonomous flight system specialists, security technology providers, and

companies focused on sensor technology and AI software development, many of which are larger than Edge Autonomy and have greater technical, manufacturing and financial resources. This competition could materially affect Edge Autonomy's market position, as rapid technological advancements in AI and automation may require significant ongoing investment in research and development ("R&D") to maintain its competitive advantage. Edge Autonomy's future growth prospects depend on its ability to successfully innovate, differentiate its offerings, and maintain or expand its market share in an increasingly competitive landscape. Failure to effectively compete in these areas could result in reduced sales, margin pressure, and loss of strategic opportunities.

**1. UAS Manufacturers:**

- Edge Autonomy competes with other UAS manufacturers that develop and market autonomous flight platforms for defense, security, and commercial applications. Edge Autonomy believes it differentiates itself through its technological innovations, product versatility, and specialized capabilities, including its proprietary ISR gimbal technology for stabilized and targeted imagery, long-range and long-endurance operations enabled by innovative fuel cell solutions, enhanced payload capabilities, and advanced navigation systems.

**2. System Integrators:**

- Edge Autonomy competes with system integrators that offer end-to-end solutions, combining UAS platforms with mission-critical sensors, software, and data analytics to support government and military operations. These integrators have an advantage in delivering holistic, customized solutions for large-scale government contracts, making them key players in the defense and security sectors. Edge Autonomy offers systems designed to be agile and modular, enabling integration with third-party software and hardware.

**3. AI and Sensor Companies:**

- Edge Autonomy also competes with organizations specializing in the development of AI-driven software, sensors, and data analytics platforms. These companies focus on enhancing the intelligence of UAS systems and enabling automated decision-making for real-time mission success.

**4. Original Equipment Manufacturers ("OEMs"):**

- Large OEMs that provide integrated UAS solutions, including both hardware and software, also represent significant competition for Edge Autonomy. These OEMs leverage economies of scale to offer UAS solutions across a wide range of industries, often at competitive prices.
- Edge Autonomy believes it has developed several competitive advantages in this dynamic market environment. These advantages include:
  1. A demonstrated track record of successful deployments with key government and defense customers across multiple countries;
  2. Proprietary machine learning algorithms that Edge Autonomy believes enable superior autonomous navigation and mission execution capabilities;
  3. Advanced energy management systems, including proprietary SOFC technology, that Edge Autonomy believes significantly extend flight duration and operational range while providing reliable mission support in challenging environments;
  4. Vertically integrated manufacturing capabilities that enable rapid customization and deployment of mission-specific solutions; and
  5. Semi-open architecture software that allows for integration of third-party applications while maintaining robust security protocols, which Edge Autonomy believes provides customers with

flexibility to develop and deploy custom payload solutions while protecting Edge Autonomy's core proprietary technology.

**Revenue Mix**

For the fiscal year ended December 31, 2024, Edge Autonomy derived its revenue primarily from three (3) principal sources: (i) product sales, (ii) government contracts, and (iii) professional services. The following discussion provides a detailed analysis of the revenue mix:

**1. Product Sales:**

- Revenue from product sales consists primarily of sales of UAS, including hardware, advanced ISR gimbal systems, sensors, proprietary software platforms, innovative SOFC technology, sustainable power solutions, remote backup power systems, and related power infrastructure for both commercial and defense applications. These sales are subject to various risk factors, including but not limited to technological obsolescence, competitive pressures, regulatory requirements, and market demand fluctuations.

**2. Government Contracts:**

- Edge Autonomy's revenue is derived from multi-year government contracts, including but not limited to defense and border security projects. While these contracts have historically provided relatively stable and recurring revenue streams with visibility into potential future cash flows and have presented opportunities for contract expansion and growth, past performance does not guarantee future results. The timing, size, and continuation of such government contracts are subject to various factors, including but not limited to government appropriations, changing governmental priorities, and applicable procurement regulations.

### 3. Professional Services:

- Edge Autonomy generates revenue through various service offerings, which include but are not limited to, consulting services, system integration solutions, comprehensive training programs, ongoing technical support services, and operational optimization services, including power systems deployment and maintenance, all of which are intended to assist customers in deploying, managing, and seeking to optimize their UAS operations.

### Human Capital

As of January 20, 2025, Edge Autonomy employed 625 full-time employees globally, and of these employees, 393 employees (62.88%) were located in U.S. facilities and 232 employees (37.12%) were based in international locations. - Research and development expenditures increased significantly by \$8.3 million, or 123%, to \$15.0 million for the year ended December 31, 2024, compared to \$6.7 million for the year ended December 31, 2023, and increased by \$3.0 million, or 83%, to \$6.7 million for the year ended December 31, 2023, compared to \$3.7 million for the year ended December 31, 2022.
- Net cash provided by operating activities was \$11.7 million for the year ended December 31, 2024, compared to \$38.0 million in 2023 and \$16.7 million in 2022. The decrease in deferred revenue balance from December 31, 2023 to December 31, 2024 contributed to \$16.5 million of the decline in cash provided by operating activities in 2024. Deferred taxes and other working capital items also contributed to the decline in cash provided by operating activities.
- Contracted backlog decreased by \$28.3 million, or 22%, to \$99.4 million as of December 31, 2024, compared to \$127.8 million as of December 31, 2023. Contracted backlog increased by \$76.1 million, or 147%, to \$127.8 million as of December 31, 2023, compared to \$51.7 million as of December 31, 2022. The decrease in contracted backlog at December 31, 2024 compared to December 31, 2023 is primarily due to accelerated contract execution during 2024 and timing of new contract awards.

For a discussion of possible effects of recent trade actions on Edge Autonomy’s business, see, in the section entitled “[Risk Factors](#)” on page [25](#), the subsection entitled “Recent tariff actions by the United States and other countries may adversely affect demand for Redwire’s and Edge Autonomy’s products and services, as well as increase manufacturing costs, which could have a material adverse effect on our business, financial condition and results of operations.”

### Revenues

Revenues increased by \$43.3 million, or 29%, for the year ended December 31, 2024, compared to the year ended December 31, 2023, and by \$102.5 million, or 208%, for the year ended December 31, 2023, compared to the year ended December 31, 2022. The year-over-year increases in revenues were primarily driven by Edge Autonomy's success in securing new contracts with prime government contractors, increased demand for the type of drones and optronic payloads manufactured by the company, increased production capacity and production output, and expanded global market presence.

### Cost of Sales

Cost of sales increased by \$16.0 million, or 19%, to \$100.1 million for the year ended December 31, 2024, compared to \$84.1 million for the year ended December 31, 2023. The increase was primarily driven by higher production volumes and associated inventory costs to support significant revenue growth. However, as a percentage of revenues, the cost of sales improved notably to 51% in 2024 from 55% in 2023, primarily due to efficiencies realized from increased production scale and favorable volume discounts negotiated with suppliers.

Cost of sales increased significantly by \$60.4 million, or 255%, to \$84.1 million for the year ended December 31, 2023, from \$23.7 million in 2022. This increase was primarily attributable to substantial revenue growth, and increased inventory procurement to support higher production volumes. As a percentage of revenues, the cost of sales increased to 55% in 2023 from 48% in 2022, reflecting the shift in product mix toward higher-value payloads, which typically carry lower margins.

### Gross Profit

Gross margin is equal to revenue minus the cost of sales. Gross margin increased by \$27.4 million, or 41%, to \$94.9 million for the year ended December 31, 2024, compared to \$67.5 million for the prior year. Gross margin increased significantly by \$42.0 million, or 165%, for the year ended December 31, 2023, compared to \$25.5 million in 2022. Gross margin as a percentage of revenues improved to 49% in 2024 from 45% in 2023, primarily driven by increased revenues from significant contracts with prime government contractors, favorable shifts in product mix and product pricing, and production efficiencies.

### *SG&A Expenses*

SG&A expenses increased by \$16.3 million, or 52%, to \$47.6 million for the year ended December 31, 2024, compared to \$31.2 million in 2023, and increased by \$13.8 million, or 79%, to \$31.2 million in 2023, compared to \$17.5 million in 2022. The year-over-year increases were primarily due to higher labor costs associated with expanded staffing required to support significant business growth, increased payouts for paid time off and vacation, higher bonus expenses, and elevated professional service fees, including accounting and tax advisory costs, reflecting the growth in complexity and scale of operations. Additionally, in the year ended December 31, 2024, Edge Autonomy incurred equity-based compensation expenses of \$9.7 million due to an incentive unit modification that accelerated the vesting of certain equity units. As a percentage of revenues, SG&A expenses increased to 24% in 2024 from 21% in 2023, primarily driven by incremental equity-based compensation expenses; however, this still represents an improvement from 35% in 2022, demonstrating overall enhanced operational efficiency relative to the significant revenue growth over the two-year period.

### *Transaction Expenses*

Transaction expenses increased by \$3.0 million to \$3.1 million for the year ended December 31, 2024, compared to less than \$0.1 million in 2023, primarily consisting of professional fees and other costs related to the proposed merger with Redwire. This increase primarily reflects diligence activities associated with the merger with Redwire. Transaction expenses decreased by \$1.9 million, or 96%, to less than \$0.1 million in 2023 from \$2.0 million in 2022. The higher expenses in 2022 were mainly attributable to the Adaptive Energy acquisition, with nominal transaction activities in 2023.

### *Research and Development*

Research and development expenses increased by \$8.3 million, or 123%, for the year ended December 31, 2024, compared to 2023, driven by intensified internal R&D efforts and increased labor expenditures focused on technology innovation and product development, particularly at the San Luis Obispo, California site.

### *Interest Expense, net*

Interest expense, net increased by \$0.2 million, or 3%, for the year ended December 31, 2024, compared to 2023, and increased by \$3.3 million, or 122%, for the year ended December 31, 2023, compared to 2022. The increases were primarily related to higher interest costs resulting from: (1) the replacement of the Goldman Sachs debt (pursuant to the Promissory Note dated October 3, 2022) with new term loans in 2024, and (2) increases in variable interest rates on Edge Autonomy's debt obligations during the period. Please refer to Note 11 - Revolving Line of Credit and Long-Term Debt of the accompanying notes to the consolidated financial statements for additional information related to Edge Autonomy's debt obligations.

### *Other (Income) Expenses, net*

Other (income) expense, net increased by approximately \$1.1 million, or 70%, to \$2.6 million for the year ended December 31, 2024, compared to \$1.5 million in 2023, primarily driven by higher management fees paid to the parent entity (\$2.5 million in 2024 compared to \$1.8 million in 2023). Other (income) expense, net also increased by approximately \$4.1 million, or 159%, shifting from net other income of \$2.6 million in 2022 to net other expense of \$1.5 million in 2023. This change was primarily due to the absence of a \$2.9 million gain recorded in 2022 related to favorable adjustments in contingent consideration from the Adaptive Energy acquisition, for which there was no comparable activity in 2023, as well as increased management fees to the predecessor parent entity (\$1.8 million in 2023 compared to \$0.7 million in 2022).

### *Income Tax Expense*

<b>(in thousands, except percentages)</b>	<b>December 31, 2024</b>	<b>December 31, 2023</b>	<b>December 31, 2022</b>
Income tax expense	\$ 4,590	\$ 109	\$ 208
Effective tax rate	22.5 %	0.5 %	9.5 %

The increase in our effective tax rate for the year ended December 31, 2024 as compared to the year ended December 31, 2023, is primarily due to changes in income mix by jurisdiction and tax credits offset by foreign income inclusion and disallowed expenses. The decrease in our effective tax rate for the year ended December 31, 2023 as compared to the year ended December 31, 2022 is primarily due to changes in income mix by jurisdiction and tax credits offset by foreign income inclusion and disallowed expenses. Please refer to Note 9 - Income Taxes of the accompanying notes to the consolidated financial statements for additional information.

### Supplemental Non-GAAP Information

We use Adjusted EBITDA, a non-GAAP financial measure, to evaluate our operating performance, generate future operating plans, and make strategic decisions. While EBITDA has limitations as an analytical tool and should not be considered in isolation, we believe it provides useful supplemental information by excluding certain non-cash and non-recurring items that may not be indicative of our core operating performance. This non-GAAP financial performance measure is used to supplement the financial information presented on a GAAP basis. It should not be considered in isolation or as a substitute for the relevant GAAP measures and should be read in conjunction with information presented on a GAAP basis. Because not all companies use identical calculations, our presentation of adjusted EBITDA may not be comparable to other similarly titled measures of other companies.

Adjusted EBITDA is defined as net income (loss) adjusted for interest expense, net, income tax expense (benefit), depreciation and amortization, acquisition deal costs, acquisition integration costs, acquisition earnout costs, purchase accounting fair value adjustment related to deferred revenue, severance costs, capital market and advisory fees, litigation-related expenses, transaction costs, and debt financing costs.

The table below presents a reconciliation of Adjusted EBITDA to net income (loss), computed in accordance with GAAP for the following periods:

(in thousands)	Year Ended		
	December 31, 2024	December 31, 2023	December 31, 2023
Net income	\$ 15,773	\$ 21,771	\$ 1,986

Board compensation <sup>(viii)</sup>	265	223	184
Adjusted EBITDA	\$ 48,706	\$ 43,995	\$ 11,272

(i) For the year ended December 31, 2024, equity-based compensation expenses were approximately \$9.7 million and were related to the modification of certain of Edge Autonomy's incentive units, resulting in the acceleration of Edge Autonomy's compensation cost.

(ii) For the year ended December 31, 2024, transaction expenses of \$3.1 million primarily represent due diligence, legal, and other related costs incurred in connection with the merger with Redwire. For the year ended December 31, 2023, transaction expenses of \$0.1 million primarily represent preliminary due diligence and related costs associated with the proposed merger. For the year ended December 31, 2022, transaction expenses of \$2.3 million primarily represent diligence, legal, and other expenses related to the acquisition of Adaptive Energy (now Edge Autonomy Energy Systems, LLC).

(iii) For the year ended December 31, 2023, Riga fire costs of \$8.2 million related to inventory, equipment and other losses resulting from a fire at Edge Autonomy's Latvia operations. No similar expenses were incurred during 2024 and 2022.

(iv) For the years ended December 31, 2024, 2023, and 2022, management fees of approximately \$2.5 million, \$1.8 million, and \$0.7 million, respectively, were paid to AE Partners for management and related consulting services. These management fees will cease upon the consummation of the merger with Redwire.

- (v) For the years ended December 31, 2024, and 2023, debt financing costs of \$0.4 million and less than \$0.1 million, respectively, represent costs expensed in accordance with GAAP related to debt financing arrangements. No similar costs were incurred in 2022.
- (vi) Non-recurring integration costs were \$0.4 million for the year ended December 31, 2023, primarily related to the integration of the Adaptive Energy acquisition completed in 2022. For the year ended December 31, 2022, non-recurring integration costs were \$1.7 million, primarily associated with the integration of the Jennings Aeronautics acquisition. No similar costs were incurred for the year ended December 31, 2024.
- (vii) For the year ended December 31, 2022, a \$2.9 million gain was recognized from the reversal of contingent consideration previously accrued in connection with the Jennings Aeronautics business combination, as certain revenue targets were not achieved. No similar adjustments occurred in 2023 or 2024.
- (viii) For the years ended December 31, 2024, 2023, and 2022, board compensation expenses were approximately \$0.3 million, \$0.2 million, and \$0.2 million, respectively. These expenses will cease upon consummation of the merger with Redwire.

## Key Performance Indicators

Edge Autonomy management uses the following Key Performance Indicators (“KPI”) to assess the financial performance of Edge Autonomy, monitor relevant trends, and support financial, operational, and strategic decision-making. Edge Autonomy management frequently monitors and evaluates KPIs against internal targets, core business objectives as well as industry peers and may, on occasion, change the mix or calculation of KPIs to better align with the business, its operating environment, standard industry metrics, or other considerations. If Edge Autonomy changes the method by which it calculates or presents a KPI, prior period disclosures are recast to conform to the current presentation.

### *Book-to-Bill*

Our book-to-bill ratio was as follows for the periods presented:

(in thousands, except ratio)	Year Ended		
	December 31, 2024	December 31, 2023	December 31, 2022
Contracts awarded	\$ 168,139	\$ 226,616	\$ 88,239
Revenues	194,983	151,645	49,186
<b>Book-to-bill ratio</b>	<b>0.86</b>	<b>1.49</b>	<b>1.79</b>

Book-to-bill is the ratio of total contracts awarded to revenues recorded in the same period. The contracts awarded balance includes firm contract orders, including fixed price service contracts, awarded during the period and does not include unexercised contract options or potential orders under indefinite-delivery/indefinite-quantity contracts. Although the contracts awarded balance reflects firm contract orders, terminations, amendments, or contract cancellations may occur, which could result in a reduction of the contract awarded balance. We view book-to-bill as an indicator of future revenue growth potential, however historical book-to-bill ratios may not be indicative of future revenue growth and may not be comparable to similarly titled metrics used by other companies. To drive future revenue growth, our goal is for the level of contracts awarded in a given period to exceed the revenue recorded, thus yielding a book-to-bill ratio greater than 1.0.

Our book-to-bill ratio was 0.86 for the year ended December 31, 2024, as compared to 1.49 for the year ended December 31, 2023 and 1.79 for the year ended December 31, 2022. For the years ended December 31, 2024, and December 31, 2023, none of the contracts awarded balance relates to the acquired contract value. For the year that ended December 31, 2022, contracts awarded include \$9 million of acquired contract value from the Adaptive Energy acquisition, which was completed in 2023.

### Backlog

The following table presents our contracted backlog as of December 31, 2024, 2023, and 2022 and related comparative activity for the years ended December 31, 2024, 2023, and 2022.

(in thousands)	December 31, 2024	December 31, 2023	December 31, 2022
Organic backlog, beginning balance	\$ 127,755	\$ 51,689	\$ 12,062
Organic additions during the period	168,139	226,616	77,596
Organic revenue recognized during the period	(194,983)	(151,645)	(43,739)
Foreign currency translation	(1,500)	1,095	574
Organic backlog, ending balance	\$ 99,411	\$ 127,755	\$ 46,493
Acquisition-related contract value, beginning balance	—	—	—
Acquisition-related additions during the period	—	—	10,643
Acquisition-related revenue recognized during the period	—	—	(5,447)
Foreign currency translation	—	—	—
Acquisition-related backlog, ending balance	—	—	5,196
Contracted backlog, ending balance	\$ 99,411	\$ 127,755	\$ 51,689

We view backlog growth as a key measure of our business growth. Contracted backlog represents the estimated dollar value of firm-funded executed contracts for which work has not been performed (also known as the remaining performance obligations on a contract). Our contracted backlog includes approximately \$3.0 million and \$15.4 million in remaining contract value from service contracts as of December 31, 2024, and December 31, 2023, respectively.

The acquisition-related contract backlog activity presented in the table above includes only the contracted backlog of Adaptive Energy (now Edge Autonomy Energy Systems, LLC) acquired on August 5, 2022. Similarly, organic revenue includes revenue earned during the period presented for the entity treated as organic, while acquisition-related revenue includes the same for Adaptive Energy, excluding any pre-acquisition revenue earned during the period. The Adaptive Energy backlog activity is presented under organic backlog activity for the year ended December 31, 2024 and December 31, 2023.

Organic contract value includes the remaining contract value as of January 1, which is not yet recognized as revenue, and additional orders awarded during the period for those entities treated as organic. Acquisition-related contract value includes the remaining contract value as of the acquisition date, which is not yet recognized as revenue, and additional orders awarded during the period for entities not treated as organic. Organic revenue includes revenue earned during the period presented for those entities treated as organic, while acquisition-related revenue includes the same for all other entities, excluding any pre-acquisition revenue earned during the period.

Although contracted backlog reflects business associated with contracts that are considered to be firm, terminations, amendments, or contract cancellations may occur, which could result in a reduction in our total backlog. In addition, some of our multi-year contracts are subject to annual funding. The contracted backlog from foreign operations in Latvia was approximately \$20 million, \$28 million, and \$47 million as of December 31, 2024, December 31, 2023, and December 31, 2022, respectively. These amounts are subject to foreign exchange rate translations from euros to U.S. dollars, which could cause the remaining backlog balance to fluctuate with the foreign exchange rate at the time of measurement.

### Liquidity and Capital Resources

Cash flows provided by operating activities primarily fund our day-to-day operations, including normal recurring accounts payable, accrued expenses, ongoing research and development costs, and obligations under long-term borrowings. As of December 31, 2024, and 2023, we had \$50.4 million and \$58.4 million, respectively, in cash and \$4.0 million in full borrowing capacity under our line of credit. The majority of our purchase obligations are pursuant to funded contractual arrangements with our customers. Our management believes that existing cash, cash

provided by operating activities, and other financing sources will be sufficient to meet our anticipated working capital, capital expenditure requirements, and obligations under our existing credit facilities over the next twelve (12) months.

Our primary liquidity and capital requirements include material cash requirements for working capital needs, repayment of indebtedness and contractual commitments, investment in acquisitions to expand our product breadth and market footprint, and investments in facilities, equipment, technologies, and research and development to support growth initiatives and general corporate purposes.

Our ability to fund our cash needs depends upon the successful execution of our business strategy and future operating results, which are subject to various factors such as general economic conditions, including heightened inflation, rising interest rates, supply chain pressures, competitive dynamics in our target markets, and legislative and regulatory factors that may be outside our control. As part of our business and debt management strategy, we continually evaluate opportunities to enhance our financial and liquidity position, including issuing additional equity or debt securities, refinancing or restructuring existing credit facilities, or entering into new financing arrangements. There can be no assurance that these actions will enable us to service our debt obligations and meet debt covenants or that they will not adversely affect our business. Should additional financing be required, there is no guarantee that we could raise such financing on terms acceptable to us or at all.

We believe our existing sources of liquidity will be sufficient to meet our working capital needs and comply with our debt covenants for at least the next twelve months from the date our consolidated financial statements are issued.

### ***Indebtedness***

Please refer to Note 11 - Revolving Line of Credit and Long-Term Debt of the accompanying notes to the consolidated financial statements for additional information related to Edge Autonomy's debt obligations.

## Cash Flows

The table below summarizes certain information from the condensed consolidated statements of cash flows for the following periods:

(in thousands)	Year Ended		
	December 31, 2024	December 31, 2023	December 31, 2022
Cash and restricted cash at beginning of year	\$ 58,427	\$ 26,147	\$ 6,786

Cash and restricted cash at end of period	\$ 55,941	\$ 58,427	\$ 26,147

### Operating activities

Net cash provided by operating activities decreased by \$26.3 million to \$11.7 million for the year ended December 31, 2024, compared to \$38.0 million in 2023. This decline was primarily driven by an unfavorable change in working capital of \$21.8 million and lower net income of \$6.0 million (from \$21.8 million in 2023 to \$15.8 million in 2024), partially offset by positive adjustments for non-cash items. The most significant factor in the working capital outflow was a \$16.5 million decrease in customer advances, resulting from the fulfillment of several larger projects that had been prepaid in prior periods. Accounts payable decreased by \$2.5 million, reflecting a strategic decision to accelerate vendor payments in exchange for more favorable terms. This strategic shift is illustrated by the reduction in Days Payables Outstanding (“DPO”) from 28 days in 2023 to 14 days in 2024. Additionally, accrued liabilities decreased by \$1.3 million, primarily due to lower compensation-related accruals at year-end. These cash outflows were partially offset by a \$1.6 million reduction in inventories resulting from more efficient production planning and improved turnover, as reflected by a reduction in Days in Inventory from approximately 139 days in 2023 to 135 days in 2024.

Net cash provided by operating activities increased by \$21.3 million to \$38.0 million for the year ended December 31, 2023, compared to \$16.7 million in 2022. This increase was primarily driven by higher net income, adjusted for non-cash expenses, partially offset by less favorable changes in working capital compared to the prior year. Net income for 2023 significantly increased to \$21.8 million from \$2.0 million in 2022, driven by expanded sales. Changes in operating assets and liabilities generated a net working capital inflow of \$1.0 million in 2023, compared to an inflow of \$11.4 million in 2022. This improvement was primarily due to reduced growth in customer advances and timing differences in settling accounts payable. DPO decreased from fifty (50) days in 2022 to 28 days in 2023, primarily due to shorter payment cycles with key suppliers. Inventory levels remained relatively stable, benefiting from improved production scheduling. Overall, strong operating performance in 2023 supported greater cash generation from operations, despite certain working capital items being less favorable compared to the prior year.

### Investing activities

Net cash used in investing activities increased by \$5.1 million compared to 2023 during the year ended December 31, 2024. This increase was primarily due to increased capital expenditures related to property, plant, and equipment.

Net cash used in investing activities decreased by \$10.3 million during the year ended December 31, 2023, compared to 2022. This decrease was primarily due to \$13.0 million of cash used for the acquisition of Adaptive Energy in 2022, for which there was no comparable activity in 2023, partially offset by an increase in capital expenditures related to property, plant, and equipment.

*Financing activities*

Net cash provided by financing activities decreased by \$0.4 million for the year ended December 31, 2024, compared to 2023. This decrease was primarily driven by the repayment of the \$28.7 million Goldman Sachs Note, partially offset by the net proceeds of \$29.1 million from term loans received in 2024.

Net cash provided by financing activities decreased by \$18.9 million for the year ended December 31, 2023, compared to 2022. This decrease was primarily due to proceeds of \$17.0 million from the issuance of the Goldman Sachs Note used to finance the Adaptive Energy acquisition, combined with proceeds totaling \$1.9 million from the sale of common units and AE Industrial Partners, LP's contribution, all received in 2022, for which there were no comparable transactions in 2023.

*Foreign Currency Exposures*

Our operations in Latvia conduct transactions that are primarily denominated in euros. In 2024, foreign currency translation effects resulted in a \$3.1 million impact to our cash flows. We do not currently employ hedging strategies, and significant euro/dollar exchange rate fluctuations could materially impact our consolidated financial results.

**Critical Accounting Estimates**

Our consolidated financial statements are prepared in conformity with GAAP, which requires us to make estimates, assumptions, and judgments that affect the amounts reported in our consolidated financial statements and accompanying notes to the consolidated financial statements. For the critical accounting estimates used in preparing our consolidated financial statements, we make assumptions and judgments that can have a significant impact on the reported amounts of assets and liabilities as of the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. We base our assumptions, judgments, and estimates on historical experience and various other factors that we believe are reasonable under the circumstances. Actual results could differ materially from these estimates under different assumptions or conditions.

We believe the following accounting policies are the most critical to the understanding of our consolidated financial statements and require the use of significant management judgment. For a summary of our significant accounting policies, please refer to Note 2 - Basis of Presentation and Summary of Significant Accounting Policies of the accompanying notes to the consolidated financial statements.

*Revenue Recognition*

Significant management judgments and estimates must be made and used in connection with the recognition of revenue in any accounting period. Material differences in the amount of revenue in any given period may result if these judgments or estimates prove to be incorrect or if Edge Autonomy management's estimates change based on the development of the business or market conditions. Management judgments and estimates have been applied consistently and have been reliable historically. The first of those key factors is that the terms of our contracts are typically less than six months. The short-term nature of such contracts reduces the risk that material changes in accounting estimates will occur on the basis of market conditions or other factors. The second key factor is that we have hundreds of contracts in any given accounting period, which reduces the risk that any change in an accounting estimate on one or several contracts would have a material impact on our consolidated financial statements.

All of our revenue is generated pursuant to written contractual arrangements to design, develop, and manufacture products and to perform certain services, including research and development, engineering and technical services, training services, and other services according to customer specifications. These contracts may be fixed price, cost-reimbursable, or time and materials. We account for all revenue contracts in accordance with ASC

606. A performance obligation is a promise in a contract to transfer distinct goods or services to a customer, and it is the unit of account in ASC 606. A contract's transaction price is allocated to each distinct performance obligation, and revenue is recognized when each performance obligation is satisfied under the terms of a contract. For contracts with multiple performance obligations, we allocate the contract's transaction price to each performance obligation using observable standalone selling prices for similar products and services. When the standalone selling price is not directly observable, we use our best estimate of the standalone selling price of each distinct good or service in the contract using the cost plus reasonable margin approach.

Our performance obligations are satisfied over time or at a point in time. For standalone product sales, each product sold to a customer typically represents a distinct performance obligation. The revenues resulting from the sale of aircraft or aircraft parts are recognized at a point in time when control is transferred to the customer, which usually occurs when the products are shipped. Edge Autonomy's products are neither customized nor designed for a specific customer. We enter into service contracts, which are comprised of a single or multiple performance obligations. Revenues from service contracts are recognized when control of the promised service is transferred to the customers in an amount that reflects the consideration Edge Autonomy expects to be entitled to in exchange for those services. The service contracts are typically fixed-price contracts, and revenue is recognized over time using an input method (i.e., costs incurred to date relative to total estimated costs at completion) to measure progress. Edge Autonomy uses the cost-to-cost measure of progress as it best depicts the transfer of control to the customer, which occurs when we incur costs in performing the service. For performance obligations satisfied over time, revenue is generally recognized using costs incurred to date relative to total estimated costs at completion to measure progress. Incurred costs represent work performed, which correspond with, and thereby best depict, the transfer of control to the customer. Contract costs include labor, materials, subcontractors' costs, other direct costs, and indirect costs applicable to government contracts.

We review cost performance, estimates to complete, and variable consideration at least annually or more frequently as needed. Adjustments to original estimates for a contract's revenue, estimated costs at completion, and estimated profit or loss are often required as work progresses under a contract, as experience is gained, and as more information is obtained, even though the scope of work required under the contract may not change, or if contract modifications, including the finalization of contract actions, occur. The impact of revisions in the estimate of completion and variable consideration for all types of contracts are recognized on a cumulative catch-up basis in the period in which the revisions are made. Changes in variable consideration associated with the finalization of contract actions could result in cumulative catch-up adjustments to revenue, which could be material. During the years ended December 31, 2024, 2023, and 2022, changes in accounting estimates on contracts recognized using the overtime method were immaterial to the consolidated financial statements.

#### ***Goodwill, Intangible and Long-lived Assets***

Edge Autonomy allocates the purchase price of an acquired business to the underlying tangible and identifiable intangible assets acquired and liabilities assumed based on their estimated fair values at the acquisition date, with the excess recorded as goodwill. Identifiable finite-lived intangible assets from acquired businesses primarily consist of technology, trademarks, and customer relationships. Accounting for business combinations requires us to make significant estimates and assumptions, especially with respect to goodwill, intangible assets, and contingent consideration, which can be affected by contract performance and other factors over time. This may cause final amounts to differ materially from original estimates. Adjustments to the fair value of purchased assets and liabilities after the initial measurement period are recognized in net earnings.

Edge Autonomy assesses goodwill and indefinite-lived intangible assets for impairment annually for impairment as of December 31 or more frequently if events or circumstances indicate the carrying value may be impaired. Such events or circumstances may include, but are not limited to:

- deterioration in overall economic conditions;
- failure to reach our internal revenue forecasts could impact our ability to achieve our forecasted levels of cash flows;
- adverse technological events that could impact our performance;

- volatility in equity and debt markets resulting in higher discount rates; and
- significant adverse changes in the regulatory environment or markets in which we operate.

Our goodwill and indefinite-lived intangible assets are allocated to and tested for impairment at the reporting unit level, which is defined as an operating segment or one level below an operating segment. Edge Autonomy has four reporting units, “SLO,” “Bend,” “Riga,” and “Energy Systems,” which were determined based on product and servicing offerings. We may use both qualitative and quantitative approaches when testing goodwill and indefinite-lived intangible assets for impairment. In circumstances where a qualitative analysis indicates that the fair value of a reporting unit does not exceed its carrying value, a quantitative analysis is performed using an income approach.

When performing a quantitative analysis, the fair value of Edge Autonomy's reporting units is generally determined using a combination of an income approach based on a discounted cash flow (“DCF”) model as well as a market approach based on guideline public company revenues and earnings before interest, tax, depreciation, and amortization multiples. Determining fair value requires the exercise of significant judgments and assumptions, including the amount and timing of expected future cash flows, long-term growth rates, discount rates, and relevant comparable public company earnings multiples and transaction multiples. Changes in these judgements and assumptions could material affect the determination of fair value and any resulting impairment charge. The cash flows employed in the DCF analysis are based on Edge Autonomy's best estimate of future revenues, gross margins, operating expenses, and cash flows with consideration for other factors, such as general market conditions, U.S. and foreign government budgets, existing contracted and uncontracted backlog, subcontractor agreements, changes in working capital, long-term business plans and historical operating performance. These estimates and judgments are based on information available at the time and have been deemed reasonable by Edge Autonomy management as of the measurement date. The discount rates utilized in the DCF model are based on the respective reporting unit's WACC, which takes into account the relative weights of debt and equity components within Edge Autonomy's existing capital structure and represents the expected cost of new capital, adjusted as appropriate to consider the risk inherent in future cash flows of the respective reporting unit. Actual results could differ from these assumptions.

During 2024, 2023, and 2022, Edge Autonomy performed its annual impairment tests for each of our reporting units. It concluded there were no indicators that the fair value was more likely than not below the carrying value. Therefore, no quantitative assessment was performed, and no goodwill impairment was recognized in 2024, 2023, and 2022.

Finite-lived intangible assets and long-lived assets are amortized to expense over their estimated useful life on a straight-line basis or over the period the economic benefits of the intangible asset are consumed. Edge Autonomy evaluates its intangible and long-lived assets for impairment when events or changes in circumstances indicate that the carrying value of an asset or asset group may be impaired. Suppose events or changes in circumstances indicate that the carrying value of an asset or asset group may be impaired. In that case, the sum of the undiscounted expected future cash flows of the asset or asset group is compared to the asset or asset group's carrying value. Suppose the asset or asset group's carrying value exceeds the sum of undiscounted cash flows. In that case, Edge Autonomy records an impairment loss equal to the excess of the carrying amount over the estimated fair value of the asset or asset group.

In 2024, 2023, and 2022, Edge Autonomy identified no triggering events, so no impairment assessment was performed on its intangible and long-lived assets.

#### ***Inventories Reserves for Excess and Obsolescence***

Our policy for the valuation of inventory, including the determination of obsolete or excess inventory, requires us to perform a detailed assessment of inventory at each balance sheet date, which includes a review of, among other factors, an estimate of future demand for products within specific time horizons, valuation of existing inventory, as well as product lifecycle and product development plans. Inventory reserves are also provided to cover risks arising from slow-moving items. We write down our inventory for estimated obsolescence or unmarketable inventory equal to the difference between the cost of inventory and the estimated net realizable value based on assumptions about future demand and market conditions and record the cost of sales. We may be required to record additional inventory write-downs if actual market conditions are less favorable than those projected by our management.

***Income Taxes***

Significant judgments are required in order to determine the realizability of tax assets. In assessing the need for a valuation allowance, we evaluate all significant available positive and negative evidence, including historical operating results, estimates of future sources of taxable income, carry-forward periods available, the existence of prudent and feasible tax planning strategies, and other relevant factors. Edge Autonomy recognizes a tax benefit only if it is more likely than not (a likelihood of more than fifty percent (50%)) that the tax position will be sustained upon examination by the taxing authorities based on the technical merits of the position, including resolution of any related appeals or litigation processes. The tax benefits recognized in the financial statements from such positions are then measured based on the largest benefit that has a greater than fifty percent (50%) likelihood of being realized upon settlement.

## DESCRIPTION OF REDWIRE'S CAPITAL STOCK AND WARRANTS

*In connection with the Closing, Seller will receive shares of Redwire Common Stock and will become a stockholder of Redwire. The following is a summary of the material terms of Redwire's capital stock and warrants and is not complete. You should also refer to (i) Redwire's Certificate of Incorporation, (ii) Redwire's Bylaws and (iii) the applicable provisions of the DGCL.*

### General

Redwire's authorized capital stock consists of 500,000,000 shares of Redwire Common Stock, and 100,000,000 shares of Redwire Preferred Stock, in each case, par value \$0.0001 per share.

### Common Stock

#### *Dividend Rights*

Subject to applicable law and the rights, if any, of the holders of any outstanding series of Redwire Preferred Stock or any class or series of stock having a preference over, or the right to participate with, Redwire Common Stock with respect to the payment of dividends, dividends may be declared and paid ratably on Redwire Common Stock out of the assets of Redwire that are legally available for this purpose at such times and in such amounts as the Redwire Board in its discretion shall determine.

#### *Voting Rights*

Each outstanding share of Redwire Common Stock is entitled to one (1) vote on all matters submitted to a vote of the Redwire stockholders. Holders of shares of Redwire Common Stock do not have cumulative voting rights.

#### *Preemptive Rights*

Redwire Common Stock is not entitled to preemptive or other similar subscription rights to purchase any of the securities of Redwire.

#### *Conversion or Redemption Rights*

The Redwire Common Stock is neither convertible nor redeemable.

#### *Liquidation Rights*

Upon a liquidation of Redwire, the holders of Redwire Common Stock are entitled to receive pro rata Redwire's assets that are legally available for distribution, after payment of all debts and other liabilities and subject to the prior rights of any holders of Redwire Preferred Stock then outstanding.

### Preferred Stock

The Redwire Board may, without further action by Redwire's stockholders, from time to time, direct the issuance of shares of Redwire Preferred Stock in series and may, at the time of issuance, determine the designations, powers, preferences, privileges and relative participating, optional or special rights as well as the qualifications, limitations or restrictions thereof, including dividend rights, conversion rights, voting rights, terms of redemption and liquidation preferences, any or all of which may be greater than the rights of Redwire Common Stock. Satisfaction of any dividend preferences of outstanding shares of the Redwire Preferred Stock would reduce the amount of funds available for the payment of dividends on shares of the Redwire Common Stock. Holders of shares of Redwire Preferred Stock may be entitled to receive a preference payment in the event of Redwire's liquidation before any payment is made to the holders of shares of Redwire Common Stock. Under certain circumstances, the issuance of shares of Redwire Preferred Stock may render more difficult or tend to discourage a merger, tender offer or proxy contest, the assumption of control by a holder of a large block of Redwire's securities or the removal of incumbent management. Upon the affirmative vote of a majority of the total number of directors then in office, the Redwire Board may issue shares of Redwire Preferred Stock with voting and conversion rights which could adversely affect the holders of shares of Redwire Common Stock.

For additional information regarding the rights, preferences and privileges associated with Redwire's capital stock to take effect in connection with the Closing, see ["Other Transaction Agreements—A&R Investor Rights Agreement."](#)

## **Warrants**

### ***Private Placement Warrants***

Each private placement Warrant entitles the registered holder to purchase one (1) whole share of Redwire Common Stock at a price of \$11.50 per share, subject to adjustment as discussed below, at any time. A Warrant holder may exercise its Warrants only for a whole number of shares of Common Stock. This means that only a whole Warrant may be exercised at any given time by a Warrant holder. The Warrants will expire on September 2, 2026, at 5:00 p.m., New York City time, or earlier upon redemption or liquidation.

The private placement Warrants are not redeemable by Redwire, so long as they are held by Genesis Park Holdings, Jefferies LLC, AE Red Holdings, LLC or their respective permitted transferees. Additionally, for so long as the private placement Warrants are held by Jefferies LLC or its designees or affiliates, they may not be exercised after November 27, 2025. Genesis Park Holdings, Jefferies LLC, AE Red Holdings, LLC and their respective permitted *transferees* have the option to exercise the private placement Warrants on a cashless basis. If the private placement Warrants are held by holders other than the Genesis Park Holdings, Jefferies LLC, AE Red Holdings, LLC or their respective permitted transferees, the private placement Warrants will be redeemable by Redwire and exercisable by the holders on the same basis as the warrants included in the units sold in Genesis Park Acquisition Corp.'s initial public offering.

If holders of the private placement Warrants elect to exercise them on a cashless basis, they would pay the exercise price by surrendering their Warrants for that number of shares of Redwire Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Redwire Common Stock underlying the Warrants, multiplied by the excess of the "fair market value" (defined below) of the shares of Redwire Common Stock over the exercise price of the Warrants by (y) the fair market value. The "fair market value" will mean the average reported closing price of the shares of Redwire Common Stock for the ten (10) trading days ending on the third (3rd) trading day prior to the date on which the notice of Warrant exercise is sent to the warrant agent. The reason that Redwire has agreed that these Warrants will be exercisable on a cashless basis so long as they are held by the Genesis Park Holdings, Jefferies LLC, AE Red Holdings, LLC or their respective permitted transferees is because, in the case of Genesis Park Holdings and its permitted transferees, it is not known at this time whether they will remain affiliated with Redwire and, in the case of Genesis Park Holdings, AE Red Holdings, LLC and their respective permitted transferees, Genesis Park Holdings, Jefferies LLC and AE Red Holdings, LLC agreed that the private placement Warrants purchased by Jefferies LLC and issued to AE Red Holdings, LLC would have the same terms as the private placement Warrants purchased by Genesis Park Holdings. If Genesis Park Holdings or AE Red Holdings, LLC, or any of their respective permitted transferees, is affiliated with Redwire, their ability to sell Redwire's securities in the open market will be significantly limited. Redwire has an Insider Trading Policy, which prohibits insiders from selling Redwire's securities, subject to certain exceptions and procedures. Even during such periods of time when insiders would be permitted to sell Redwire's securities, an insider cannot trade in Redwire's securities if such insider is in possession of material nonpublic information. As a result, Redwire believes that allowing the holders to exercise such Warrants on a cashless basis is appropriate.

### ***Public Warrants***

On March 24, 2025, Redwire redeemed all of its outstanding publicly traded Warrants that remained unexercised at 5:00 p.m., New York City time, on such date, for a redemption price of \$0.01 per Warrant. All of such publicly traded Warrants ceased trading at the close of the market on the NYSE on March 21, 2025.

### ***Quorum***

The holders of a majority of the voting power of the capital stock issued and outstanding and entitled to vote at the meeting, present in person (virtually) or represented by proxy, will constitute a quorum at all meetings of the stockholders for the transaction of business except as otherwise required by law, the rules of any stock exchange

upon which Redwire's securities are listed or provided by Redwire's Certificate of Incorporation, Bylaws or the Certificate of Amendment of Certificate of Designation of Series A Convertible Preferred Stock; provided, however, that where a separate vote by a class or series or classes or series is required, the holders of a majority in voting power of the shares of such class or classes or series of the capital stock of Redwire issued and outstanding and entitled to vote, present in person (virtually) or represented by proxy, shall constitute a quorum entitled to take action with respect to the vote on such matter. If, however, such quorum will not be present or represented at any meeting of the stockholders, the chairperson of the meeting or stockholders holding a majority in voting power of the shares of Redwire's capital stock, present in person (virtually) or by proxy and entitled to vote thereon, shall have the power to adjourn the meeting from time to time without notice other than announcement at the meeting until a quorum shall be present. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting will be given to each stockholder entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

***Anti-Takeover Effects of Redwire's Certificate of Incorporation and Redwire's Bylaws***

Redwire's Certificate of Incorporation, Redwire's Bylaws, Redwire's Certificate of Designation, the investment agreements governing Redwire's Series A Convertible Preferred Stock (each, an "Investment Agreement") and the DGCL contain provisions, which are summarized in the following paragraphs that are intended to enhance the likelihood of continuity and stability in the composition of the Redwire Board. Such provisions are intended to avoid costly takeover battles, reduce Redwire's vulnerability to a hostile change of control and enhance the ability of the Redwire Board to maximize stockholder value in connection with any unsolicited offer to acquire Redwire. However, these provisions may have an anti-takeover effect and may delay, deter or prevent a merger or acquisition of Redwire by means of a tender offer, a proxy contest or other takeover attempt that a stockholder might consider in its best interest, including those attempts that may result in a premium over the prevailing market price for the shares of Redwire Common Stock held by stockholders.

These provisions include:

- *Classified Board:* Redwire's Certificate of Incorporation provides that the Redwire Board be divided into three (3) classes of directors, with the classes as nearly equal in number as possible, and with the directors serving three (3)-year terms. As a result, approximately one-third of the Redwire Board will be elected each year. The classification of directors will have the effect of making it more difficult for stockholders to change the composition of the Redwire Board. Redwire's Certificate of Incorporation also provides that, subject to any rights of holders of Redwire Preferred Stock to elect additional directors under specified circumstances, the number of directors will be fixed exclusively pursuant to a resolution adopted by the Redwire Board.
- *Stockholder Action by Written Consent:* Redwire's Certificate of Incorporation will preclude stockholder action by written consent at any time when AE Red Holdings, LLC and its permitted transferees beneficially own, in the aggregate, less than fifty percent (50%) in voting power of Redwire's stock entitled to vote generally in the election of directors.
- *Special Meetings of Stockholders:* Redwire's Certificate of Incorporation and Bylaws provide that, except as required by law, special meetings of Redwire's stockholders may be called at any time only by or at the direction of the Redwire Board or the chairman of the Redwire Board. Redwire's Bylaws prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting. These provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control or management of Redwire.
- *Advance Notice Procedures:* Redwire's Bylaws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of Redwire's stockholders, including proposed nominations of persons for election to the Redwire Board. Stockholders at an annual meeting are only able to consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the Redwire Board or by a stockholder who was a stockholder of record on the record

date for the meeting, who is entitled to vote at the meeting and who has given Redwire's Secretary timely written notice, in proper form, of the stockholder's intention to bring that business before the meeting. Although the Bylaws do not give the Redwire Board the power to approve or disapprove stockholder nominations of candidates or proposals regarding other business to be conducted at a special or annual meeting, the Bylaws may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed or may discourage or deter a potential acquirer from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of Redwire.

- *Removal of Directors; Vacancies:* Redwire's Certificate of Incorporation provides that directors may be removed with or without cause upon the affirmative vote of a majority in voting power of all outstanding shares of stock entitled to vote thereon, voting together as a single class; provided, however, at any time when AE Red Holdings, LLC and its permitted transferees beneficially own, in the aggregate, less than fifty percent (50%) in voting power of Redwire's stock entitled to vote generally in the election of directors, directors may only be removed for cause, and only by the affirmative vote of holders of at least 66 2/3% in voting power of all the then-outstanding shares of Redwire's stock entitled to vote thereon, voting together as a single class. In addition, Redwire's Certificate of Incorporation provides that, subject to the rights of any holders of Redwire Common Stock under Redwire's Investor Rights Agreement and the rights granted to one or more series of Redwire Preferred Stock then outstanding, at any time when AE Red Holdings, LLC and its permitted transferees beneficially own, in the aggregate, less than fifty percent (50%) in voting power of Redwire's stock, any newly created directorship on the Redwire Board that results from an increase in the number of directors and any vacancies on the Redwire Board will be filled only by the affirmative vote of a majority of the remaining directors, even if less than a quorum, or by a sole remaining director. If a member of the Redwire Board is appointed by Bain pursuant to the Investment Agreement, dated as of October 28, 2022, by and between Redwire and Bain, and there is a vacancy on the Redwire Board resulting from the death, disability, resignation or removal of such director, Bain shall be entitled to designate the director to fill such vacancy. Further, Redwire's Certificate of Designation (as amended) provides that if dividends on any shares of Series A Convertible Preferred Stock of Redwire have not been declared and paid for three (3) or more dividend periods (whether or not consecutive) ending after the seven (7) year and six (6) month anniversary of the initial issue date, the holders of Series A Convertible Preferred Stock of Redwire are entitled to vote for the election of two (2) additional members to the Redwire Board.
- *Supermajority Approval Requirements:* Redwire's Certificate of Incorporation and Bylaws provide that the Redwire Board is expressly authorized to make, alter, amend, change, add to, rescind or repeal, in whole or in part, Redwire's Bylaws without a stockholder vote in any matter not inconsistent with the laws of the State of Delaware and Redwire's Certificate of Incorporation. The Bylaws may be amended or repealed, and new bylaws may be adopted, by the affirmative vote of the holders of at least 66 2/3% of the voting power of all the then-outstanding shares of stock entitled to vote on such amendment, repeal or adoption, voting together as a single class; provided, however, that if the Redwire Board recommends that stockholders approve such amendment or repeal at such meeting of stockholders, such amendment or repeal shall only require the affirmative vote of the majority of the outstanding shares of stock entitled to vote on such amendment or repeal, voting together as a single class. At any time when AE Red Holdings, LLC and its permitted transferees beneficially own, in the aggregate, less than fifty percent (50%) in voting power of all outstanding shares of the stock of Redwire entitled to vote generally in the election of directors, any amendment, alteration, rescission or repeal of Redwire's Bylaws by Redwire's stockholders will require the affirmative vote of the holders of at least 66 2/3% in voting power of all the then-outstanding shares of Redwire's stock entitled to vote thereon, voting together as a single class. Notwithstanding the foregoing, so long as AE Industrial Partners Fund II, LP and AE Industrial Partners Structured Solutions I, LP (together with their respective affiliates, "AEI") and Bain each continue to beneficially own, on an as-converted basis, at least 25% of the number of shares of Redwire Common Stock issued to such investor at the closing of the transactions contemplated by such investor's Investment Agreement (such requirement, the "25% Beneficial Ownership Requirement"), without the affirmative vote or written consent of the Required Holders (as defined below), Redwire may not amend, waive, alter or

repeal any provision of Redwire's Certificate of Incorporation, Bylaws or comparable organizational documents in a manner that would adversely affect the Series A Convertible Preferred Stock of Redwire or the rights, preferences or privileges of the Series A Convertible Preferred Stock of Redwire. "Required Holders" means all of (a) Bain (so long as Bain satisfies the 25% Beneficial Ownership Requirement), AEI (as long as AEI satisfies the 25% Beneficial Ownership Requirement) and (c) in the event that Bain does not constitute a Required Holder pursuant to clause (a) and AEI does not constitute a Required Holder pursuant to clause (b), the holders of a majority of the issued and outstanding shares of Series A Convertible Preferred Stock of Redwire.

The DGCL provides generally that the affirmative vote of a majority of the outstanding shares entitled to vote thereon, voting together as a single class, is required to amend a corporation's certificate of incorporation, unless the certificate of incorporation requires a greater percentage.

Redwire's Certificate of Incorporation provides that at any time when AE Red Holdings, LLC and its permitted transferees beneficially own, in the aggregate, less than fifty percent (50%) in voting power of the stock of Redwire entitled to vote generally in the election of directors, the following provisions in Redwire's Certificate of Incorporation may be amended, altered, repealed or rescinded only by the affirmative vote of the holders of at least 66 2/3% (as opposed to a majority threshold that would apply if AE Red Holdings, LLC and its permitted transferees beneficially own, in the aggregate, fifty percent (50%) or more) in voting power of all the then- outstanding shares of Redwire's stock entitled to vote thereon, voting together as a single class:

1. the provision requiring a 66 2/3% supermajority vote for stockholders to amend Redwire's Bylaws;
2. the provisions providing for a classified board of directors (the election and term of Redwire's directors);
3. the provisions regarding resignation and removal of directors;
4. the provisions regarding entering into business combinations with interested stockholders;
5. the provisions regarding stockholder action by written consent;
6. the provisions regarding calling special meetings of stockholders;
7. the provisions regarding filling vacancies on the Redwire Board and newly created directorships;
8. the provisions eliminating monetary damages for breaches of fiduciary duty by a director;
9. the provision requiring exclusive forum in Delaware; and
10. the amendment provision requiring that the above provisions be amended only with a 66 2/3% supermajority vote.

The combination of the classification of the Redwire Board, the lack of cumulative voting and the supermajority voting requirements will make it more difficult for Redwire's existing stockholders to replace the Redwire Board as well as for another party to obtain control of us by replacing the Redwire Board. Because the Redwire Board has the power to retain and discharge Redwire's officers, these provisions could also make it more difficult for existing stockholders or another party to effect a change in management.

#### ***Authorized but Unissued Shares***

Redwire's authorized but unissued shares of Redwire Common Stock and Redwire Preferred Stock will be available for future issuance without stockholder approval, subject to stock exchange rules, at the discretion of the Redwire Board. These additional shares may be utilized for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. One of the effects of the existence of authorized but unissued Redwire Common Stock or Redwire Preferred Stock may be to enable the Redwire Board to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of Redwire by means of a merger, tender offer, proxy contest or

otherwise, and thereby protect the continuity of Redwire's management and possibly deprive Redwire's stockholders of opportunities to sell their shares of Redwire Common Stock at prices higher than prevailing market prices.

#### **Dissenters' Rights of Appraisal and Payment**

Under the DGCL, with certain exceptions, Redwire's stockholders have appraisal rights in connection with a merger or consolidation of Redwire. Pursuant to the DGCL, stockholders who properly request and perfect appraisal rights in connection with such merger or consolidation have the right to receive payment of the fair value of their shares as determined by the Delaware Court of Chancery. For the avoidance of doubt, Redwire's stockholders will not be entitled to exercise appraisal or dissenter's rights under the DGCL, in connection with the Mergers or the Stock Issuance.

#### **Stockholders' Derivative Actions**

Under the DGCL, any of Redwire's stockholders may bring an action in Redwire's name to procure a judgment in Redwire's favor, also known as a derivative action, provided that the stockholder bringing the action is a holder of Redwire's shares at the time of the transaction to which the action relates or such stockholder's stock thereafter devolved by operation of law, and such stockholder continues to hold such shares for the duration of such action.

#### **Exclusive Forum**

Redwire's Certificate of Incorporation provides that, unless Redwire consents in writing to the selection of an alternative forum, a state court within the State of Delaware (or, if no state court within the State of Delaware has jurisdiction, the United States District Court for the District of Delaware) will be the sole and exclusive forum for (i) any derivative action or proceeding brought on Redwire's behalf, (ii) any action asserting a claim of breach of a fiduciary duty owed by any of Redwire's directors, officers or other employees to Redwire or Redwire's stockholders, (iii) any action asserting a claim against Redwire or any director or officer of Redwire arising pursuant to any provision of the DGCL, Redwire's Certificate of Incorporation or Redwire's Bylaws, (iv) any other action asserting a claim against Redwire or any director or officer of Redwire that is governed by the internal affairs doctrine or (v) any action asserting an "internal corporate claim" as that term is defined in Section 115 of the DGCL; provided that for the avoidance of doubt, the forum selection provision that identifies a state court within the State of Delaware as the exclusive forum for certain litigation, including any "derivative action", will not apply to suits to enforce a duty or liability created by the Securities Act, the Exchange Act or any other claim for which the federal courts have exclusive jurisdiction. Redwire's Certificate of Incorporation further provides that any Person or entity purchasing or otherwise acquiring any interest in shares of Redwire's capital stock will be deemed to have notice of and to have consented to the provisions of Redwire's Certificate of Incorporation described above. Although Redwire believes these provisions benefit Redwire by providing increased consistency in the application of Delaware law for the specified types of actions and proceedings, the provisions may have the effect of discouraging lawsuits against Redwire or Redwire's directors and officers.

## **Report of Independent Auditors**

To the Management and Board of Directors of Edge Autonomy Intermediate Holdings, LLC

### **Opinion**

We have audited the accompanying consolidated financial statements of Edge Autonomy Intermediate Holdings, LLC and its subsidiaries (the “Company”), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of comprehensive income (loss), of members’ equity and of cash flows for the years ended December 31, 2024, 2023 and 2022, including the related notes (collectively referred to as the “consolidated financial statements”).

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years ended December 31, 2024, 2023 and 2022 in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

### **Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The Company designs and manufactures highly engineered autonomous and un-crewed systems and related technologies for use in various military, civil, and academic applications. The Company’s principal place of business and headquarters is in San Luis Obispo, CA. The Company leverages its engineering expertise to develop innovative solutions spanning flight control, advanced sensors, and ground support systems, among other areas, supporting a diverse customer base that includes US government agencies, allied foreign governments, and commercial organizations.

**2. Basis of Presentation and Summary of Significant Accounting Policies*****Basis of Presentation***

The accompanying consolidated financial statements are prepared in accordance with United States Generally Accepted Accounting Principles (“U.S. GAAP”).

The accompanying consolidated financial statements of Edge Autonomy Intermediate Holdings, LLC, include the accounts of its wholly-owned subsidiaries Edge Autonomy Intermediate II Holdings, LLC, Edge Autonomy Holdings, LLC, Edge Autonomy Operations, LLC, Edge Autonomy, LLC, Edge Autonomy SLO, LLC, Edge Autonomy Bend, LLC, Edge Autonomy Riga, SIA, Edge Autonomy Energy Systems, LLC, and Edge Autonomy Huntsville, LLC. The operating results of these wholly-owned subsidiaries are included in the consolidated financial statements from the effective date of their acquisition or formation if not acquired in a business acquisition, and all intercompany balances and transactions have been eliminated in the Company’s consolidated financial statements.

***Use of Estimates***

The preparation of the consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors that management believes to be reasonable under the circumstances, including the current economic environment. Management adjusts such estimates and assumptions when facts and circumstances dictate. Actual results may differ from those estimates. Accounting policies subject to estimates include but are not limited to, valuation of assets acquired and liabilities assumed in business combinations, incremental borrowing rates, the valuation of goodwill and intangible assets, variable consideration, estimates-at-completion and income taxes.

***Concentration of Credit Risk***

The Company does not believe it has significant exposure to credit risk, as the majority of accounts receivable are due from US and foreign government entities or their prime contractors. As a result, the allowance for credit losses was not material as of December 31, 2024, and 2023.

At times, these balances may exceed the Federal Deposit Insurance Corporation's (FDIC) federally insured limits. Similarly, the cash held outside the US may exceed the amount covered by insurance for those specific accounts. As of December 31, 2024, and 2023, cash on deposit with financial institutions in the US was \$28,736,915 and \$15,446,398, respectively, while cash on deposit with financial institutions outside the US was \$21,673,933 and \$42,980,241, respectively. #### Notes to Consolidated Financial Statements

December 31, 2024 and 2023 and for the Years Ended December 31, 2024, 2023 and 2022

---

#### *Accounts Receivable, Net*

The Company extends credit to customers in the normal course of business. Accounts receivable are recorded at invoiced amounts less an allowance for credit losses, which reflects the Company's estimate of expected credit losses over the contractual life of the receivable in accordance with Accounting Standards Codification (ASC) 326, *Financial Instruments – Credit Losses*. Management evaluates the ability to collect accounts receivable based on a combination of factors. In establishing the required allowance, management considers historical losses adjusted to take into account current market conditions, the counterparties' financial condition, the amount of receivables in dispute, and the current receivables aging and payment patterns. Past-due balances are reviewed individually for collectability. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote.

The Company's accounts receivable primarily consist of balances due from US government agencies, allied foreign governments, and large government contracting companies. Receivables typically have payment terms ranging from 30 to 60 days from the invoice date.

Accounts receivables are recorded for amounts to which the Company is entitled and has invoiced to the customer. As of December 31, 2024, and 2023, the Company had no significant unbilled receivables. Substantially, all accounts receivable as of December 31, 2024, are expected to be collected in 2025.

#### *Inventories*

Inventories primarily consist of finished goods, work-in-progress, raw materials, and packaging materials, which are stated at a lower of cost or net realizable value. The cost of inventories is calculated using the weighted average or specific identification method which approximates actual cost.

The Company's policy for the valuation of inventory, including the determination of obsolete or excess inventory, requires performing a detailed assessment of inventory at each balance sheet date, which includes a review of, among other factors, an estimate of future demand for products within specific time horizons, valuation of existing inventory, as well as product lifecycle and product development plans. Inventory reserves are also provided to cover risks arising from slow-moving items. The Company writes down inventory for estimated obsolescence or unmarketable inventory equal to the difference between the cost of inventory and the estimated net realizable value based on assumptions about future demand and market conditions which is recognized within cost of sales. As of December 31, 2024, and 2023, the reserve was approximately \$1,106,560 and \$166,129, respectively.

#### *Property and Equipment, Net*

Property and equipment are stated at acquisition cost, less accumulated depreciation or accumulated amortization or at fair market value as of the date of a business combination. Maintenance and repairs are charged to expense as incurred while the cost of additions and betterments that increase the useful lives of assets are capitalized. Depreciation on property and equipment and amortization on leasehold improvements is calculated on a straight-line basis over the estimated useful lives of the related assets as follows:

Machinery and equipment	3-7 years
Computer equipment and purchased software	2-5 years
Furniture and fixtures	3-7 years
Other fixed assets	2-5 years
Leasehold improvements	Lesser of useful life or lease term

The Company records depreciation on property and equipment within cost of sales or selling, general and administrative expenses in the consolidated statements of comprehensive income (loss) based on the asset's function. The Company reviews the carrying values of its long-lived assets for impairment when events or changes in circumstances indicate the carrying amount of the assets (or asset group) may not be recoverable. Impairment is measured by comparing the carrying value of the long-lived assets to the estimated undiscounted future cash flows expected to result from use of the assets and their ultimate disposition. In circumstances where impairment is

[TABLE OF CONTENTS](#)**Edge Autonomy Intermediate Holdings, LLC and Subsidiaries****Notes to Consolidated Financial Statements****December 31, 2024 and 2023 and for the Years Ended December 31, 2024, 2023 and 2022**

---

determined to exist, the Company will write down the asset to the fair value based on the present value of estimated expected future cash flows. The Company determined that no impairment of long-lived assets existed for any of the years presented.

***Intangible Assets, Net***

Intangible assets were acquired from the Company's business combinations and are recorded at fair value as of the date of acquisition. The definite-lived intangible assets subject to amortization are amortized using the straight-line method over the estimated useful lives of the assets, which are as follows:

Intangible Asset	Useful Life (Years)
Customer relationships	15-20
Technology	7-20
Patents	3-5
Trademark	1

The Company reviews intangible assets for impairment when events or circumstances indicate that the carrying value of the asset may not be recoverable. If the estimated undiscounted future cash flows related to the asset or asset group are less than the carrying value, the Company recognizes a loss equal to the difference between the carrying value and the estimated fair value within the consolidated statements of comprehensive income (loss). No indicators of impairment were noted during any of the years presented.

***Goodwill***

Goodwill represents the excess of the purchase price over the fair value of the identifiable net assets acquired. Goodwill is reviewed for impairment at least annually on December 31st or when events or circumstances change in a manner that indicates goodwill might be impaired. An entity is permitted to first assess qualitative factors to determine whether a quantitative impairment test is necessary. Further testing is only required if the entity determines, based on the qualitative assessment, that it is more-likely-than-not that the fair value is less than its carrying amount. If the Company determines that the fair value of its reporting unit is less than the carrying value, a goodwill impairment loss is recognized in the amount equal to the excess of the reporting unit's carrying value over its fair value, up to the amount of goodwill allocated to the reporting unit. The Company estimates the fair value of goodwill for its reporting units using a discounted cash flow model as well as a market approach. The Company has four reporting units which are also operating segments. No indicators of impairment were noted during any of the years presented.

***Leases***

The Company leases office space, warehousing space, vehicles and manufacturing space under agreements that are classified as operating leases. The Company determined if a contract contains a lease at inception of the arrangement based on if there is a right to obtain substantially all of the economic benefits from the use of an identified asset and whether there is a right to direct the use of an identified asset in exchange for consideration, which relates to an asset which the Company does not own. Operating lease right-of-use assets represent the right to use an underlying asset for the lease term and operating lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease liabilities are recognized at the present value of the future lease payments at the lease commencement date. Lease payments may be fixed or variable; however, only fixed payments or in-substance fixed payments are included in the lease liability calculation. Some of the Company's real estate lease agreements contain incentives for tenant improvements or rent holidays or rent escalation clauses. For tenant improvement incentives, if the incentive is determined to be a leasehold improvement owned by the lessee, the Company generally records incentive as a reduction to fixed lease payments thereby reducing rent expense. For rent holidays and rent escalation clauses during the lease term, the Company records rental expense on a straight-line basis over the term of the lease. For these lease incentives, the Company uses the date of initial possession as the commencement date, which is generally when the Company is given the right of access to the space and begins to make improvements in preparation for intended use.

The Company has elected the accounting policy to include both lease and nonlease components into a single component and account for it as a lease. The Company has also elected the short-term lease recognition exemption for all leases with a lease term of 12 months or less at the time of commencement.

The Company defines the initial lease term to include renewal options determined to be reasonably certain. If the Company determines the option to extend or terminate is reasonably certain, it is included in determining right-of-use assets and lease liabilities. The Company has no material restrictions or covenants in its lease agreements, sale-leaseback transactions, land easements, or residual value guarantees.

In determining the inputs to the incremental borrowing rate calculation, the Company makes judgments about the value of the leased asset, its credit rating and the lease term including the probability of its exercising options to extend or terminate the underlying lease.

#### ***Revenue Recognition***

The Company generates revenues based on written contractual arrangements to manufacture products and perform certain services, including research and development, engineering and technical services, training services, and other services according to the customer specifications. The Company provides services primarily to government agencies, including the US Army, research organizations, and commercial customers, to conduct product development and prototype testing.

Consistent with ASC 606, the Company follows the five-step process to recognize revenue through:

- Identification of a contract with a customer;
- Identification of the performance obligations in the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the performance obligations in the contract; and
- Recognition of revenue when or as the performance obligations are satisfied.

#### ***Performance Obligations***

Under GAAP, a performance obligation is a promise in a contract to transfer a distinct service to the customer and is defined as the unit of account. At the inception of each contract with a customer, the Company determines the performance obligations under the contract and the contract's transaction price. Some contracts could have more than one performance obligation. If there are multiple performance obligations bundled in a contract, the transaction price is allocated to each performance obligation based upon the relative standalone selling prices of the promised goods or services.

The Company records revenue at the transaction price which is measured as the amount of consideration the Company anticipates receiving in exchange for selling products or services to customers. Revenue is recognized as the net amount estimated to be received after deducting estimated or known amounts for variable consideration. Variable consideration is estimated using the expected value method based primarily on historical utilization and redemption rates. Estimates are reviewed regularly until product returns are realized and the result of any such adjustments are known.

Contract modifications are routine in the performance of the Company's contracts. In most instances, contract modifications are for additional goods and services that are distinct and, therefore, accounted for as separate contracts.

The Company includes in its computation of remaining performance obligations customer orders for which it has accepted signed sales orders. As of December 31, 2024, the aggregate contract price allocated to remaining performance obligations was \$99,410,527. The Company expects to recognize 100% of its remaining performance obligations as revenue within the next 12 months.

---

*Product Sales*

For standalone product sales, each product sold to a customer typically represents a distinct performance obligation. The revenues resulting from the sale of aircraft or aircraft parts are recognized at a point in time when control is transferred to the customer, which usually occurs when the products are shipped. The Company's products are neither customized nor designed for a specific customer.

*Service Contracts*

The Company enters into service contracts, which are comprised of a single or multiple performance obligations. Revenues from service contracts are recognized when control of the promised service is transferred to the customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those services.

The service contracts are typically fixed-price contracts, and revenue is recognized over time using an input method (i.e., costs incurred to date relative to total estimated costs at completion) to measure progress. The Company uses the cost-to-cost measure of progress as it best depicts the transfer of control to the customer, which occurs when the Company incurs costs in performing the service.

Subscription or membership-based services provided to product-buying customers comprise a single performance obligation, including software maintenance, updates, and telematics monitoring services. The subscription or membership-based services are short-term, generally one-year, and are recognized over time on a straight-line basis.

*Deferred Revenue*

Deferred revenue is an obligation to transfer products and services to a customer for which the Company has already received consideration. Upon receipt of a prepayment from a customer for all or a portion of the transaction price, the Company initially recognizes deferred revenue as a contract liability. The Company had deferred revenue of \$34,267,158 and \$50,789,069 on the consolidated balance sheets as of December 31, 2024, and 2023, respectively. As of December 31, 2024, approximately 80% of deferred revenue related to domestic customers, approximately 16% related to customers in Europe, and the remainder represented other regions. As of December 31, 2023, approximately 63% of deferred revenue related to domestic customers, approximately 36% related to customers in Europe, and the remainder represented other regions.

Revenue recognized in the year ended December 31, 2024, that was included in the deferred revenue balance as of December 31, 2023 was \$47,435,128 while revenue recognized in the year ended December 31, 2023, that was included in the deferred revenue balance as of December 31, 2022 was \$23,046,979.

*Revenue by Category*

***Cost of Sales***

The Company includes direct labor, direct materials, subcontracts, other direct costs such as freight-in, warranty costs, and manufacturing overhead within the cost of sales. Manufacturing overhead comprises indirect labor, manufacturing plant operating costs, and other costs associated with manufacturing products and performing services for sale. Manufacturing overhead is allocated to the cost of sales and inventory based on the direct labor cost.

***Share-Based Compensation***

The Company follows the guidelines of the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification Topic 718, *Stock Compensation* (“ASC 718”), for the accounting of share-based compensation. Effective January 2021, Edge Autonomy Ultimate Holdings, LP (the “Parent” or the “Member”), the Parent who owns all of the outstanding Units of the Company, adopted a written compensatory benefit plan (the “Plan”) to provide incentives to existing or new employees, officer, managers, directors or other service providers of the Company or its subsidiaries in the form of the Parent’s Class B Units (the “Incentive Units”). The value of the Incentive Units is considered a capital contribution from the Parent and is recognized by the Company in the same income statement line item as the cash compensation paid to employees receiving the Incentive Units. For the year ended December 31, 2024, \$9,705,000 of share-based compensation expense was recognized within selling, general and administrative expenses in the consolidated statements of comprehensive income (loss). No expense was recognized for the years ending December 31, 2023 or 2022. Forfeitures are recognized as they occur.

The Plan contains three tranches of Incentive Units, each subject to time, performance, and market based vesting conditions established at the inception of the Plan. Share-based compensation expense for Incentive Units is recognized when the Company concludes it is probable the performance condition will be met. The Incentive Units are intended to qualify and be treated as “profit interests” within the meaning of IRS Revenue Procedures 93-27 and 2001-43.

***Fair Value of Financial Instruments***

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The hierarchy for this standard requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The three levels of the hierarchy are as follows:

Level 1	Quoted prices in active markets for identical assets or liabilities.
Level 2	Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets or other inputs that are observable or can be corroborated by observable market data.
Level 3	Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities, including certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs. A financial instrument’s level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

---

A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The Company's financial instruments primarily include cash and restricted cash, accounts receivable, and accounts payable. The carrying amount of the Company's financial instruments, including cash and restricted cash, accounts receivable, and accounts payable, approximates fair value due to the short-term maturity of the instruments.

The Company had no financial assets or liabilities that required measurement using this hierarchy except those recorded as a result of business combinations. These assets and liabilities were classified as Level 3 in the fair value hierarchy.

***Income Taxes***

The Company and its subsidiaries are organized as Limited Liability Companies (LLCs) but have elected to be taxed as a corporation and a provision for income taxes has been recognized in these consolidated financial statements. Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which these temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The Company recognizes net deferred tax assets and liabilities, by jurisdiction, as noncurrent.

The measurement of a deferred tax asset is reduced, if necessary, by a valuation allowance if it is more-likely-than-not that some portion of the deferred tax asset will not be realized. In evaluating the Company's ability to realize the deferred tax assets, management considered all available positive and negative evidence, including cumulative historic earnings, reversal of temporary differences, projected taxable income and tax planning strategies.

The Company recognizes the financial statement effect of a tax position when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. The Company periodically reviews assumptions and estimates of the Company's probable tax obligations using informed judgment and historical experience. The Company recognizes interest and penalties related to uncertain tax positions as a component of provision for income taxes on the consolidated statements of comprehensive income (loss).

A current income tax receivable or payable is recognized for the estimated taxes refundable or payable on tax returns for each year presented.

***Business Combinations***

The Company includes the results of businesses acquired in a business combination in its consolidated financial statements starting from the date of the acquisition with assets acquired and liabilities assumed being recorded at their estimated fair values on acquisition date. The determination of the fair value requires the use of significant judgment and estimates including the selection of valuation methodologies, estimating future revenue, expenses, cash flows, and discount rates. Any excess after allocating the purchase price to the assets acquired and liabilities assumed is recognized as goodwill. When measurements are incomplete at the end of a reporting period, the Company will report provisional numbers and recognize measurement period adjustments in the reporting period in which the adjustment amount is determined. The measurement period does not exceed one year from acquisition date. Transaction costs are expensed as incurred.

Additionally, for acquired entities with contract assets and contract liabilities, the Company measures those contract assets and liabilities as if they had originated the contract and subsequently followed the guidance in ASC 606, *Revenue from Contracts with Customers*.

***Foreign Currency***

The Company's sole foreign subsidiary, Edge Autonomy Riga, SIA, maintains its accounting records in Euro, which is also its functional currency. The Company's reporting and functional currency is US Dollars (USD).

Foreign currency transaction gains and losses arising from fluctuations in currency exchange rates on transactions denominated in currencies other than the functional currency are charged or credited to earnings as incurred. Foreign currency transaction (gains)/losses included in other expenses in the accompanying consolidated statements of comprehensive income (loss) were approximately \$108,835 of income, \$188,046 of loss and \$212,699 of income for the years ending December 31, 2024, 2023 and 2022, respectively.

The financial statements of the foreign subsidiary, Edge Autonomy Riga, SIA, are translated to USD using the period-end exchange rate for assets and liabilities and the average exchange rate of the reporting period for revenues and expenses. Equity accounts are translated at historical rates. Translation adjustments for the foreign subsidiary are recorded as a component of accumulated other comprehensive loss in equity.

***Recently Issued Accounting Pronouncements***

In December 2023, the FASB issued ASU No. 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which requires qualitative disclosure about specific categories of reconciling items and individual jurisdictions that result in a significant difference between the statutory tax rate and effective tax rate. The new standard is effective for annual periods beginning after December 15, 2025. The Company is currently evaluating the impact of the adoption of this guidance on its consolidated financial statements.

**3. Business Combinations**

The Company utilizes the acquisition method of accounting for all transactions and events in which it obtains control over businesses to recognize the fair value of all assets acquired and liabilities assumed and to establish the acquisition date fair value as of the measurement date. The acquisition was accounted for in accordance with the Financial Accounting Standards Board (the "FASB") guidance Accounting Standards Codification ("ASC") 805, *Business Combinations*, which requires the Company to measure and record all the identifiable assets acquired and liabilities assumed at their fair value on the respective acquisition dates. The valuation of acquired property and equipment was derived using a combination of the market approach and the cost approach. Excess of the purchase price over the fair values of net assets was recognized as goodwill which related to synergies from product development for the Adaptive Energy acquisition. Goodwill consists of the Company's expected future economic benefits from expected future product sales and operational synergies and is tax deductible for the Adaptive Energy acquisition.

***Adaptive Energy Acquisition***

On August 5, 2022, the Company acquired 100% of Adaptive Energy, (now "Edge Autonomy Energy Systems, LLC,") a US company that offers research, development, and engineering services and manufactures solid oxide fuel cell systems for backup and portable power applications. The acquisition was primarily to support the Company's development of products using the fuel cell systems.

The total consideration was \$17,291,385, including \$3,000,000 rollover equity from sellers and approximately \$14,291,385 of cash, primarily funded by proceeds from a Goldman Sachs Guaranteed Note.

The Company has a foreign subsidiary to conduct or support business outside the United States. The Company has not provided foreign withholding taxes on the undistributed earnings of its foreign subsidiary as of December 31, 2024, 2023, and 2022, because it intends to reinvest such earnings outside of the US permanently.

In assessing the realization of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets depends upon the generation of future taxable income during the periods in which those temporary differences are deductible. In this assessment, management considers the scheduled reversal of deferred tax liabilities, projected taxable income, and tax planning strategies. As of December 31, 2024, 2023, and 2022, the Company has developed a trend of continued profitability and has significant foreign income inclusions, which are projected to show full utilization of the Company's deferred tax assets. The Company recorded no valuation allowance against the deferred tax assets because management believes that it is more likely than not that the attributes will be fully utilized.

As of December 31, 2024, 2023 and 2022, the Company has \$747,269, \$600,246 and \$280,719, respectively, of tax-effected state net operating loss carryforwards. The state net operating loss carry forward generated prior to December 31, 2017, will expire between 2032 and 2041. For states that have adopted the new regulations under the Tax Cuts and Jobs Act of 2017, net operating losses generated after December 31, 2017, will carry forward indefinitely.

The Company files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Company is subject to examination by federal, state and foreign jurisdictions. As of December 31, 2024, 2023 and 2022 the Company had no unrecognized tax benefits. Tax years 2021 through 2024 for federal tax and 2020 through 2024 for state remain open to statute. Tax years 2021 through 2024 remain open to statute in the foreign jurisdiction.

Under the Plan, Incentive Units are divided into three tranches (“Tranche I,” “Tranche II,” and “Tranche III”): Tranche I, Tranche II, and Tranche III Incentive Units are subject to performance- based, service-based, and market-based conditions.

- The performance condition relates to the sale of the Parent (“Exit Sale”) or the occurrence of a Liquidity Event (defined as an Exit Sale, a public offering or the payment of an extraordinary cash dividend) for Tranche I, and an Exit Sale for Tranche II and Tranche III.
- The service condition relates to the five-year required service period of the grantee for Tranche I and continued employment of the grantee through the performance condition achievement date for Tranche II and Tranche III.
- The market-based condition relates to a target internal rate of return, as defined in the Class B Unit Incentive Plan.

The Incentive Units are measured at their grant date fair value. Share-based compensation for awards with performance conditions is based on the probable outcome of the related performance condition. The vesting for each tranche of the Incentive Units is contingent on the sale of the Parent. As such events are not considered probable until they occur and recognition of share- based compensation for the Incentive Units is deferred until the sale of the Parent or a liquidity event occurs. Once the event occurs, unrecognized compensation cost associated with the performance-vesting Incentive Units (based on their grant date fair value) will be recognized based on the portion of the requisite service period that has been rendered.

During the year ended December 31, 2024, the Company’s Parent modified the vesting conditions for a former employee. Under the original terms of the grant agreements, Incentive Units are forfeited upon separation. Due to the amended agreement, the Incentive Units held by the former employee are no longer contingent upon service and the performance and market conditions attached to the awards were removed. The amended Incentive Units are considered vested as of the amendment date. The result of the amended agreement is an accounting modification that resulted in 100% of the share-based compensation expense being recognized for the former employee based on the modification date fair value. The incremental compensation cost recognized as a result of the modification was \$9,705,000 during the year ended December 31, 2024.

The remaining awards are not considered probable of vesting and therefore, no compensation expense has been recognized for the years ending December 31, 2024, 2023 and 2022.

The table below presents the activity of Incentive Units:

	Incentive Units Outstanding	Weighted Average Grant Date Fair Value	Aggregate Intrinsic Value

As of December 31, 2024, there was approximately \$13,173,850 of unrecognized share-based compensation costs related to the Incentive Units.

Interest on the Goldman Sachs Note is based on the secured overnight financing rate (SOFR) plus a 3.5% base rate. Effective January 1, 2023, the paid-in-kind (PIK) interest method replaced the monthly interest payment requirement and was applied to the principal balance based on SOFR plus the base rate of 3.25%.

During 2023 and 2024, the Company made partial principal payments on the Goldman Sachs Guaranteed Note of \$20,703,672 and \$28,730,000, respectively. These payments were funded through term loans issued under the Capital Southwest Corporation Credit Facility. For further details on these term loans, refer to the Capital Southwest Corporation Credit Facility section. The Credit Agreement requires the Company to repay the aggregate principal amount of the Goldman Sachs Note upon maturity on April 21, 2028.

As of December 31, 2024, and 2023, the outstanding balance of the Goldman Sachs Note was \$7,641,328 and \$33,564,756, respectively, including accrued PIK interest of \$2,806,572 and \$3,268,428.

***Seller Note***

As part of the UAV Factory acquisition on January 27, 2021, a seller note with a principal amount of \$11,250,000 was issued to multiple direct sellers as a component of the total purchase price consideration. The seller note carries an annual interest rate of 5.00%, payable quarterly, and matures on the earlier of January 27, 2026, or the date of sale of the Company. As of December 31, 2024 and 2023, the outstanding balance of the seller note was \$11,250,000.

***Capital Southwest Corporation Credit Facility***

On April 21, 2023, the Company entered into a debt agreement with Capital Southwest Corporation, which includes term loans A and B, each of \$11,250,000, and access to a revolving line of credit of \$4,000,000. A portion of the proceeds from Term Loans A and B were used to pay down the outstanding balance on the Goldman Sachs Note. Interest on Term Loan A is calculated as the secured overnight financing rate (SOFR) plus a base rate that varies between 6.5% and 7% based on the Company's consolidated senior net leverage ratio. Interest on Term Loan B is calculated as SOFR plus a base rate that varies between 8.5% and 9% based on the Company's consolidated senior net leverage ratio. As of December 31, 2024, and 2023, the interest rate in effect on Term Loans A and B ranged between approximately 12% and 14%. No amount was drawn on the revolving line of credit for any of the years presented.

On October 31, 2024, the Company entered into the first amended credit agreement governing the term loans and revolving credit line to, among other things, (i) increase the borrowing capacity under Term Loan A and B by \$6,250,000 each and (ii) borrow additional \$17,500,000 under Term Loan C (new term loan) and incurred an additional \$950,000 of debt issuance costs. \$28,730,000 of the proceeds from the amended credit facility was used to pay down the Goldman Sachs Note. Interest on Term Loan C is calculated as SOFR plus a base rate varies between 7.5% and 8% based on the Company's consolidated senior net leverage ratio. As of December 31, 2024, the interest rate in effect on Term Loans C is approximately 12%.

The Credit Agreement and the first amendment require the Company to repay the aggregate principal amount of initial term loans A, B, and C upon maturity on April 21, 2028. The Credit Agreement and its first amendment require quarterly interest payments, calculated using the SOFR plus base rate effective as of the payment date. The Company's term debt and revolving line of credit are collateralized by substantially all of the Company's assets and secured by a first-priority security interest in the assets of the Company and its subsidiaries.

Under the credit agreement and the first amendment, the Company is subject to certain restrictive covenants common to such agreements. The Company was in compliance with its covenants for each of the years presented.

## UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

*Capitalized terms used but not defined in this section shall have the meanings ascribed to them in Redwire Corporation's Current Report on Form 8-K (the "Form 8-K") filed with the Securities and Exchange Commission (the "SEC") on April 3, 2025.*

### Introduction

On January 20, 2025, Redwire Corporation ("Acquirer" or "Redwire") entered into an agreement and plan of merger (the "Merger Agreement") by and among (i) Edge Autonomy Ultimate Holdings, LP, a Delaware limited partnership (f/k/a UAVF Ultimate Holdings, LP) ("Seller"), (ii) Edge Autonomy Intermediate Holdings, LLC, a Delaware limited liability company (f/k/a UAVF Intermediate Holdings, LLC) ("Edge Autonomy"), (iii) Redwire, (iv) Echelon Merger Sub, Inc., a Delaware corporation and a direct wholly-owned subsidiary of Redwire ("Merger Sub"), and (v) Echelon Purchaser, LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Redwire ("Purchaser", together with Seller, the "Company", Redwire and Merger Sub, the "Parties", and each, a "Party"), as amended on February 3, 2025, pursuant to which Merger Sub will cease to exist and the Company will become a wholly-owned subsidiary of Redwire (the "First Merger"), with Edge Autonomy being the surviving company (the "Initial Surviving Company"). Immediately following the First Merger, the Initial Surviving Company will merge with and into the Purchaser ("Second Merger" together with the First Merger, the "Merger"), whereupon the Initial Surviving Company will cease to exist and Purchaser will continue as a wholly-owned subsidiary of Redwire. Under the terms of the Merger Agreement, Redwire will acquire Edge Autonomy for \$925 million, subject to working capital, cash, and debt adjustments. Stockholders of Edge Autonomy will receive \$150 million in cash and \$775 million in shares of Redwire common stock, based on the volume-weighted average trading price on the New York Stock Exchange for the 30 trading days ending on January 17, 2025 of \$15.07. The estimated equity consideration, considering working capital, cash, and debt adjustments, is approximately 48.4 million shares of Redwire common stock, reflecting a fair value of approximately \$401 million based on Redwire's closing share price of \$8.29 on March 31, 2025. Of the \$150 million cash consideration, it is estimated that \$99 million will be paid directly to Seller and \$51 million will be paid to settle Seller expenses and indebtedness. The cash proceeds are expected to be funded through the issuance of \$225 million of new term debt, approximately \$25 million drawn from a new revolving credit facility, proceeds from the exercise of Redwire's warrants after December 31, 2024, and existing cash balances.

The unaudited pro forma condensed combined financial information, which is derived from Redwire's historical consolidated financial statements as included in our Annual Report Form 10-K, for the year ended December 31, 2024, filed with the SEC on March 11, 2025, which are incorporated by reference, and Edge Autonomy's historical consolidated financial statements as included within Exhibit 99.1 of the Form 8-K, which is incorporated by reference, has been prepared in accordance with Article 8 and Article 11 of Regulation S-X, and is presented as follows:

- The unaudited pro forma condensed combined balance sheet as of December 31, 2024, was prepared based on (i) the audited consolidated balance sheet of Redwire as of December 31, 2024, and (ii) the audited consolidated balance sheet of Edge Autonomy as of December 31, 2024.
- The unaudited pro forma condensed combined statement of operations and comprehensive income (loss) for the year ended December 31, 2024, was prepared based on (i) the audited consolidated statement of operations and comprehensive income (loss) of Redwire for the year ended December 31, 2024, and (ii) the audited consolidated statement of operations and comprehensive income (loss) of Edge Autonomy for the year ended December 31, 2024.

The historical financial statements of Redwire and Edge Autonomy have been adjusted in the accompanying unaudited pro forma condensed combined financial information to give pro forma effect to events which are necessary to account for the Merger, warrants exercise, new term debt, and revolving credit facility in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The unaudited pro forma adjustments are based upon available information and certain assumptions that management believes are reasonable under the circumstances.

The Merger will be treated as a business combination in accordance with Accounting Standards Codification (“ASC”) Topic 805, Business Combinations (“ASC 805”), with Redwire as the accounting acquirer and Edge Autonomy as the accounting acquiree. Per guidance from ASC 805, the total consideration will be allocated to Edge Autonomy’s assets acquired and liabilities assumed based upon their estimated fair values at the Merger date, which is expected to close during the second quarter of 2025. The process of valuing the net assets of Edge Autonomy at the expected acquisition date, as well as evaluating accounting policies for conformity, is preliminary. Any differences between the fair value of the consideration transferred and the fair value of the assets acquired, and liabilities assumed will be recorded as goodwill. Accordingly, the purchase consideration allocation and related adjustments reflected in this unaudited pro forma condensed combined financial information are preliminary and represents the best estimate of fair value, which is subject to revision based on a final determination of fair value at close of the Merger.

As a result of the foregoing, the unaudited pro forma condensed combined financial information is based on the preliminary information available and management’s preliminary valuation of the fair value of tangible and intangible assets acquired and liabilities assumed. Redwire will finalize the accounting for the Merger as soon as practicable within the measurement period in accordance with ASC 805, but in no event later than one (1) year from the closing date of the Merger.

The unaudited pro forma condensed combined financial information and related notes are provided for illustrative purposes only and do not purport to represent what the combined company’s actual results of operations or financial position would have been had the Merger been completed on the dates indicated, nor are they necessarily indicative of the combined company’s future results of operations or financial position for any future period. The actual financial position and results of operations may differ significantly from the pro forma amounts reflected herein.

The following unaudited pro forma condensed combined financial information gives effect to the Merger, warrants exercise, and debt financing, which includes the following specific adjustments:

- Certain reclassifications to conform Edge Autonomy’s historical financial statement presentation to Redwire’s presentation;
- Application of the acquisition method of accounting under the provisions of ASC 805 and to reflect estimated consideration of approximately \$551 million;
- Proceeds from the exercise of Redwire’s warrants;
- Proceeds and uses of the debt financing entered into in connection with the Merger; and
- Non-recurring transaction costs in connection with the Merger.

Upon completion of the Merger, Redwire will perform a detailed review of Edge Autonomy’s accounting policies. As a result of that review, Redwire may identify differences between the accounting policies of Redwire and Edge Autonomy that, when conformed, could have a material impact on the consolidated financial statements of the combined company. At this time, Redwire is not aware of any significant accounting policy differences. The pro forma financial statements do not reflect any cost or growth synergies that the combined company may achieve as a result of the Merger, or the costs to combine the operations of Redwire and Edge Autonomy, or the costs necessary to achieve these cost or growth synergies.

**NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED  
FINANCIAL STATEMENTS**

**Note 1 – Basis of Presentation**

The unaudited pro forma condensed combined financial information and related notes are prepared in accordance with Article 8 and Article 11 of Regulation S-X

Both Redwire and Edge Autonomy historical financial statements were prepared in accordance with U.S. GAAP and presented in U.S. dollars.

The unaudited pro forma condensed combined financial information is prepared using the acquisition method of accounting in accordance with ASC 805, with Redwire treated as the accounting acquirer for the Merger. Under ASC 805, assets acquired, and liabilities assumed in a business combination are recognized and measured at their assumed merger closing date fair value, while transaction costs associated with a business combination are expensed as incurred. The excess of merger consideration over the fair value of assets acquired and liabilities assumed, if any, is allocated to goodwill.

The unaudited pro forma condensed combined balance sheet is presented as if the Merger had occurred on December 31, 2024, and the unaudited pro forma condensed combined statement of operations and comprehensive income (loss) for the year ended December 31, 2024 are presented as if the Merger had occurred on January 1, 2024.

The unaudited pro forma condensed combined financial information does not reflect any anticipated synergies or dis-synergies, operating efficiencies or cost savings that may result from the Merger and integration costs that may be incurred. The pro forma adjustments represent Redwire's best estimates and are based upon currently available information and certain assumptions that Redwire believes are reasonable under the circumstances. Redwire is not aware of any material transactions between Redwire and Edge Autonomy during the period presented. Accordingly, adjustments to eliminate transactions between Redwire and Edge Autonomy have not been reflected in the unaudited pro forma condensed combined financial information.

**Note 2 – Significant Accounting Policies**

The accounting policies used in the preparation of the unaudited pro forma condensed combined financial information are those set out in Redwire's audited financial statements as of and for the year ended December 31, 2024. Upon completion of the Merger, management will perform a comprehensive review of Edge Autonomy's accounting policies. Management is currently not aware of any significant accounting policy differences and, therefore, has not made any adjustments to the pro forma condensed combined financial information related to these potential differences other than the adjustments described in Note 3 below. Upon completion of the Merger and management's comprehensive review, management may identify differences in accounting policies between the two entities which, when conformed, could have a material impact on the consolidated financial statements of Redwire following the Merger.

**Note 3 – Reclassification Adjustments**

Certain reclassifications are reflected in the pro forma adjustments to conform Edge Autonomy's financial statement presentation to Redwire's in the unaudited pro forma condensed combined balance sheet and statement of operations and comprehensive income (loss). These reclassifications have no effect on previously reported stockholders' equity or income of Redwire or Edge Autonomy. The pro forma financial information may not reflect all reclassifications necessary to conform Edge Autonomy's presentation to that of Redwire due to limitations on the availability of information as of the date of the Form 8-K. Accounting policy differences and additional reclassification adjustments may be identified as more information becomes available.

**Note 4 – Debt Financing**

- A. Redwire currently plans to issue \$225 million of term debt and secure a \$100 million revolving credit facility. Based on current negotiations with potential lenders, the term debt and revolving credit facility will accrue interest at an annual rates based on Secured Overnight Financing Rate (“SOFR”) plus 5.50%. Principal repayments of the term debt amount to 1% of the face value and will be due annually, with the remaining balance due at maturity in 2031. Principal repayment of the revolving credit facility will be due at maturity in 2030. Proceeds from the term debt and approximately \$25 million drawn from the revolving credit facility will be used to settle Redwire’s existing debt and fund the cash portion of the Merger consideration. The pro forma effects of the debt financing are as follows:

<i>(In thousands of U.S. dollars)</i>	Long-term debt, net	Short-term debt, including current portion of long- term debt	Prepaid expenses and other current assets	Other non-current assets	Cash, cash equivalents and restricted cash

(1) Reflects the anticipated borrowings under the term loan with a total principal amount of \$225.0 million and \$25.0 million drawn from the revolving credit facility to fund the Merger and pay down its existing debt and Edge Autonomy’s existing debt as described in Note 6 and Note 7 below, and total debt issuance costs of \$7.9 million.

- B. Represents an increase to interest expense of \$25.7 million for the year ended December 31, 2024, which includes the following:

<i>(In thousands of U.S. dollars)</i>	Year Ended December 31, 2024
Interest on borrowings under the term loan credit agreement <sup>(1)</sup>	\$ 22,727
Interest on borrowings under the revolving credit facility <sup>(2)</sup>	3,019
<b>Total pro forma interest expense adjustment</b>	<b>\$ 25,746</b>

(1) Represents additional interest expense and amortization of debt issuance costs on the \$225 million of borrowings assumed under the term loan based on terms currently proposed by potential lenders. Interest expense is calculated using the effective interest rate method, with the weighted-average interest rate equal to 10.3%.

(2) Represents additional interest expense and amortization of debt issuance costs on the \$25.0 million of borrowings assumed under the revolving credit facility. Interest expense is calculated using a rate of 9.9%. Debt issuance costs of \$2.8 million are amortized on a straight-line over the period of 5 years of the revolving credit facility.

## TABLE OF CONTENTS

A sensitivity analysis on interest expense for the year ended December 31, 2024 has been performed to assess the effect of change of 12.5 basis points in the weighted-average interest rate. The following table shows this effect of change in interest expense for the debt financing:

<i>(In thousands of U.S. dollars)</i>	<b>Year Ended December 31, 2024</b>
Increase of 0.125%	\$ 310
Decrease of 0.125%	\$ (310)

- C. Represents the income tax effect of the debt financing adjustments calculated using an estimated tax rate of 26.39%. The effective tax rate of the combined company could be significantly different than what is presented in the pro forma financial information depending on post-Merger activities and the geographical mix of taxable income.

### Note 5 – Warrants Exercise

- A. Subsequent to December 31, 2024, 7,205,399 of Redwire's warrants were exercised and converted into 7,205,399 shares of Redwire's common stock at the exercise price of \$11.50 per share for proceeds of \$82.9 million. Proceeds from the exercise of these warrants were factored into management's estimates for debt financing needed to settle the cash consideration for the Merger. As such, an adjustment has been included to give effect to the exercise of the warrants as if they had occurred on December 31, 2024.

### Note 6 – Transaction Accounting Adjustments to the Unaudited Pro Forma Condensed Combined Balance Sheet

- A. The unaudited pro forma condensed combined financial information reflects the acquisition of Edge Autonomy for an estimated preliminary purchase consideration of \$551 million. The fair value of the purchase consideration expected to be transferred on the closing date includes:
- the estimated fair value of approximately 48.4 million shares of Redwire common stock, with a par value of \$0.0001 per share, to be transferred, calculated by using the price per share of Redwire common stock as of March 31, 2025.
  - the value of the estimated cash consideration; and
  - settlement of Seller's pre-combination debt and transaction expenses.

The calculation of the purchase consideration is as follows:

<i>(In thousands of U.S. dollars, except share price and shares)</i>	<b>Amount</b>
Number of shares to be issued by Redwire	48,419
Share price as of March 31, 2025	\$ 8.29
Estimated equity consideration	\$ 401,397
Cash consideration	99,395
Total estimated purchase price	\$ 500,792
Settlement of Seller's debt	15,450
Settlement of Seller's transaction expenses	35,155
<b>Total estimated consideration transferred</b>	<b>\$ 551,397</b>

The actual value of Redwire common stock to be issued will depend on the per share price of Redwire common stock at the closing date of the Merger and, therefore, the actual purchase consideration will fluctuate with the

market price of Redwire common stock until the Merger is completed. The following table shows the effect of changes in Redwire's share price and the resulting impact on the estimated purchase consideration:

<i>(In thousands of U.S. dollars, except share price)</i>		<b>Share Price</b>		<b>Estimated Purchase Consideration</b>	
Increase of 10%		\$	9.12	\$	591,537
Decrease of 10%		\$	7.46	\$	511,257

#### **Preliminary Purchase Price Allocation**

Under the acquisition method of accounting, Edge Autonomy's identifiable assets acquired and liabilities assumed by Redwire will be recorded at the Merger date fair values. The excess purchase price over the fair value of identifiable assets and liabilities is recorded as goodwill. The pro forma adjustments are preliminary and based on estimates of the fair value and useful lives of the assets acquired and liabilities assumed and are prepared to illustrate the estimated effect of the Merger. The final determination of the purchase price allocation will be completed as soon as practicable within the measurement period in accordance with ASC 805, but in no event later than one year from the Merger, and will be based on the fair values of the assets acquired and liabilities assumed as of the closing date. The final amounts allocated to assets acquired and liabilities assumed could differ significantly from the amounts presented in the unaudited pro forma condensed combined financial information. Accordingly, the pro forma purchase price allocation is subject to further adjustment as additional information becomes available and as additional analyses and final valuations are completed. There can be no assurances that these additional analyses and final valuations will not result in material changes to the estimates of fair value set forth below.

The following table sets forth a preliminary allocation of the estimated purchase consideration to Edge Autonomy's identifiable tangible and intangible assets expected to be acquired and liabilities expected to be

- B. Represents the settlement of outstanding principal balance and accrued interest related to Redwire's debt facilities, which will be refinanced concurrent with the closing of the Merger. The settlement of this debt would result in a loss on extinguishment. An adjustment for the loss on extinguishment has been reflected

in Retained earnings (accumulated deficit). The pro forma effects of the settlement of Redwire's debt facilities are as follows:

<i>(In thousands of U.S. dollars)</i>	Long-term debt, net	Short-term debt, including current portion of long- term debt	Accrued expenses	Prepaid expenses and other current assets	Other non- current assets

- C. Reflects the adjustment to cash and cash equivalents and Redwire's retained earnings to record the estimated acquisition costs to be incurred by Redwire in connection with the Merger.
- D. Represents the settlement of Edge Autonomy's outstanding indebtedness.
- E. Represents the net adjustment to the estimated fair value of intangible assets acquired in the Merger. Preliminary identifiable intangible assets in the pro forma financial information are provided in the table below. The amortization related to these identifiable intangible assets is calculated on a straight-line basis over the estimated useful life and is reflected as a pro forma adjustment in the unaudited pro forma condensed combined statements of operations and comprehensive income (loss). The identifiable intangible assets and related amortization are preliminary and are based on management's estimates after consideration of similar transactions.

Total	261,332

<b>Pro Forma Adjustment</b>	<b>\$ 231,872</b>	

- F. Represents the adjustment to the deferred tax asset and the deferred tax liability balances associated with the incremental differences in the book and tax basis created from the preliminary purchase price allocation, primarily resulting from the closing date value of intangible assets. Deferred taxes are established based on a statutory tax rate based on jurisdictions where income is generated. The effective tax rate of Redwire following the Merger could be significantly different (either higher or lower) depending on post-Merger activities, including repatriation decisions, cash needs and the geographical mix of income. This determination is preliminary and subject to change based upon the final determination of the fair value of the identifiable intangible assets and liabilities.
- G. Represents the elimination of Edge Autonomy's historical equity balances.

**Note 7 – Transaction Accounting Adjustments to the Unaudited Pro Forma Condensed Combined Statement of Operations and Comprehensive Income (Loss)**

- A. Represents an adjustment to record amortization expense of \$32 million based on the preliminary fair value of the identified intangible assets and the related assigned estimated useful life for the year ended December 31, 2024.
- B. Represents Redwire's total estimated unrecorded transaction costs of \$17 million that are expected to be incurred. This adjustment excludes \$4 million in transaction costs which are recognized in Redwire's historical financial statements for the year ended December 31, 2024.
- C. Represents the reversal of Redwire's and Edge Autonomy's historical interest expense, including the amortization of debt issuance costs.
- D. Represents the loss on extinguishment of Redwire's debt facilities upon settlement at close of the Merger.
- E. Represents the income tax effect of the transaction accounting adjustments calculated using an estimated tax rate of 26.39%. The effective tax rate of the combined company could be significantly different than what is presented in the pro forma financial information depending on post-Merger activities and the geographical mix of taxable income.

For the avoidance of doubt, disputes intended to be submitted to the Firm (or in the event the Firm cannot be selected, to arbitration pursuant to the JAMS Rules) relate only to the calculation of the Closing Purchase Price and whether this Section 2.04 was properly applied. Any and all other claims, including but not limited to breaches of representations and warranties, Fraud or other willful misconduct (even if such claims relate to or have an impact on the Closing Purchase Price) shall be subject to the dispute resolution requirements set forth in Section 13.11, Section 13.12 or Section 13.18, as applicable.

(f) The Firm shall act as an expert and not as an arbitrator, and make a final and binding determination with respect to the computation of the Closing Purchase Price, including each of the components thereof, to the extent such amounts are in dispute, in accordance with the guidelines and procedures set forth in this Agreement and on Exhibit D. Parent and Seller shall cooperate with the Firm during the term of its engagement and shall use reasonable best efforts to cause the Firm to resolve all remaining disagreements with respect to the computation of the Closing Purchase Price, including each of the components thereof, as soon as practicable. The Firm shall consider only those items and amounts in Parent's and Seller's respective calculations of the Closing Purchase Price, including each of the components thereof, that in all cases are initially submitted by Parent and Seller to the Firm for resolution (which shall not include any categories of items that were not included in the Objection Notice) and

identified as being items and amounts to which Parent and Seller have been unable to agree. In resolving any disputed item, the Firm may not assign a value to any item in dispute other than either (i) Parent's proposed value for such disputed item as submitted by Parent in good faith after considering Seller's proposed value therefor, or (ii) Seller's proposed value for such disputed item as submitted by Seller in good faith after considering Parent's proposed value therefor (*i.e.*, a "baseball arbitration"), based on whether Parent's or Seller's proposed value of such disputed item is closer to the Firm's own calculations for such disputed item. Except as permitted on [Exhibit D](#) hereto in order to clarify or understand any position or argument made by a party in a written submission, the Firm's determination of the Closing Purchase Price, including each of the components thereof, shall be based solely on written presentations submitted by Parent and Seller which are in accordance with the guidelines and procedures (including the definitions of each of the components thereof) set forth in this Agreement (*i.e.*, not on the basis of an independent review). The determination of the Firm shall be conclusive and binding upon the parties hereto and shall not be subject to appeal or further review absent clerical or mathematical manifest error, fraud or willful misconduct by Parent, the Company or the Seller.

(g) The fees, costs and expenses of the Firm will be allocated to and borne by the non-prevailing party. If there are multiple items submitted to the Firm that have been identified as being items and amounts to which Parent and Seller have been unable to agree and a party prevailed with respect to some but not all of such disputed items, then the party whose non-prevailing positions in dollar terms exceeded, in the aggregate, such party's prevailing positions, shall be the non-prevailing party, and in the event that a party's prevailing and non-prevailing positions are equal, there shall be no non-prevailing party and the parties will equally bear the fees, costs and expenses of the Firm. Prior to the Firm's determination of the Closing Purchase Price, (i) Parent, on the one hand, and Seller, on the other hand, shall retain the Firm and each pay fifty percent (50%) of any retainer paid to the Firm, and (ii) during the engagement of the Firm, the Firm will bill fifty percent (50%) of the total charges to each of Parent, on the one hand, and Seller, on the other hand. In connection with the Firm's determination of the Closing Purchase Price, the Firm shall also determine, pursuant to the terms of the first and second sentences of this [Section 2.04\(g\)](#), and taking into account all fees, costs and expenses of the Firm already paid by each of Parent, on the one hand, and Seller, on the other hand, as of the date of such determination, the allocation of the Firm's fees, costs and expenses between Parent and Seller, which such determination shall be conclusive and binding upon the parties hereto.

(h) Within five (5) Business Days after the Closing Purchase Price, including each of the components thereof, is finally determined pursuant to this [Section 2.04](#):

(i) if the Closing Purchase Price as finally determined pursuant to this [Section 2.04](#) is less than the Estimated Closing Purchase Price (the total amount of such shortfall, the "[Parent Adjustment Amount](#)"), then Parent and Seller shall cause the Escrow Agent to (A) deliver to Parent from the Purchase Price Adjustment Escrow Account an aggregate amount of cash equal to the Parent Adjustment Amount, provided, that if the Parent Adjustment Amount is greater than the Purchase Price Adjustment Escrow Amount, then Parent shall only be entitled to receive an amount equal to the Purchase Price Adjustment Escrow Amount, and (B) deliver to Seller the balance of any cash remaining in the Purchase Price Adjustment Escrow Funds; or

(ii) if the Closing Purchase Price as finally determined pursuant to this [Section 2.04](#) is greater than the Estimated Closing Purchase Price (the total amount of such excess, the "[Seller Adjustment Amount](#)"), then (A) Parent shall pay or cause to be paid to Seller an amount equal to the lesser of (x) the Seller Adjustment Amount and (y) the amount of the Purchase Price Adjustment Escrow Amount, and (B) Parent and Seller shall

cause the Escrow Agent to deliver to Seller all cash in the Purchase Price Adjustment Escrow Account.

(i) Unless otherwise required by applicable Law, any payment made pursuant to [Section 2.04\(h\)](#) shall (i) be treated by all parties for U.S. federal (and applicable state, local, and non-U.S.) Income Tax purposes as an adjustment to the Enterprise Value and (ii) be made by wire transfer of immediately available funds to the account(s) designated by Parent or Seller, as applicable. Notwithstanding anything to the contrary in this [Section 2.04](#), absent manifest error, fraud or willful misconduct by the Company or the Seller with respect to the preparation of the Estimated Closing Purchase Price or the financial statements or books or records relating thereto, the payments described in [Section 2.04\(h\)\(i\)](#) shall be the sole and exclusive remedy of Parent for any and all claims arising under this Agreement with respect to this [Section 2.04](#).

2.05 [Certain Payments](#). The Company shall act as paying agent in effecting any payments that are compensatory for income Tax purposes and are made in connection with the transactions contemplated by this Agreement to any individual currently or formerly employed by the Company or any of its Subsidiaries. The Company (or any other Person that has any withholding obligation with respect to any payment made pursuant to this [Section 2.05](#)) shall be entitled to deduct and withhold from any payments to be made pursuant to this [Section 2.05](#) any Taxes required to be deducted and withheld with respect to the making of such payments under the Code or any other applicable provision of Law and any amounts deducted or withheld hereunder shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

2.06 [Withholding](#). Parent (and any other Person that has any withholding obligation with respect to any payment made pursuant to this Agreement) shall be entitled to deduct and withhold from any amounts payable pursuant to this Agreement to any Person in such amounts as Parent or such other Person is required to deduct and withhold with respect to the making of such payment under the Code or any other applicable provision of Tax Law; provided that, except with respect to any payments that are compensatory for Income Tax purposes, subject to payroll Taxes and payable pursuant to [Section 2.05](#), Parent or such other Person shall use commercially reasonable efforts to provide Seller with reasonable written notice at least five (5) Business Days prior to deducting or withholding any amounts pursuant to this [Section 2.06](#) other than any deduction or withholding relating to a failure to deliver the form to Parent pursuant to [Section 2.03\(i\)](#), and shall provide an opportunity to Seller to mitigate, reduce or eliminate any such deduction or withholding. To the extent that amounts are so deducted or withheld and duly and timely paid over to the applicable Governmental Body in accordance with applicable Law, such deducted or withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

Seller will not sell, transfer or otherwise dispose of the Parent Securities or any interest therein except in a transaction registered pursuant to the provisions of the Securities Act or in a transaction exempt from or not subject to the registration requirements of the Securities Act. (e) Seller understands and acknowledges that the Parent Securities are being offered and issued in reliance on a transactional exemption from the registration requirements of federal and state securities Laws, and that Parent is relying in part upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of Seller set forth in this Agreement in (i) concluding that the issuance and sale of the Parent Securities is a “private offering” and, as such, is exempt from the registration requirements of the Securities Act, and (ii) determining the applicability of such exemptions and the suitability of Seller to purchase the Parent Securities.

equityholders of any of the Company and its applicable Subsidiaries in a manner that complies with Section 280G(b)(5)(B) of the Code and the Treasury Regulations promulgated thereunder.

(b) In connection with the foregoing, Parent shall provide Seller with all information and documents necessary to allow the Company and each of its Subsidiaries to determine whether any payments made or to be made or benefits granted or to be granted pursuant to any employment agreement or other agreement, arrangement or contract entered into or negotiated by Parent, Purchaser, Merger Sub or any of their respective Affiliates (“Parent Payments”), together with all Section 280G Payments, could reasonably be considered to be “parachute payments” within the meaning of Section 280G(b)(2) of the Code at least ten (10) Business Days prior to the Closing Date (and shall further provide any such updated information as is necessary prior to the Closing Date). (d) Notwithstanding anything to the contrary in this Section 7.04 or otherwise in this Agreement, to the extent Parent has provided misinformation, or Parent’s omission of information has resulted in misinformation, with respect to any Parent Payments and, in either case, this has directly resulted in a “parachute payment” to a “disqualified individual” that otherwise would not have been a “parachute payment, then there shall be no breach of the representation contained in Section 5.15(l) or the covenant contained in this Section 7.04.

7.05 Exclusive Dealing. Notwithstanding the foregoing, for the avoidance of doubt, nothing in this

Section 7.05 shall prevent Seller or the Company or any of their respective Representatives from informing any person who contacts Seller or the Company that Seller and the Company cannot engage in any such discussions.

**7.06 Payoff Letters.** At least four (4) Business Days prior to the Closing, the Company shall deliver to Parent drafts of customary payoff letters in substantially final form from the holders of Indebtedness of the Company Group identified on Schedule 7.06 (the “Payoff Letters”) and shall make arrangements for such holders of such Indebtedness to deliver all related Lien released to Parent as soon as practicable after the Closing.

(b) All information provided pursuant to this Section 7.07 shall constitute “confidential information” under the Confidentiality Agreement and shall be kept confidential in accordance with the terms of the Confidentiality Agreement, except that Parent shall be permitted to disclose such information to the Debt Financing Sources, rating agencies and other lenders or potential lenders in accordance with the terms of any debt commitment letters or otherwise, subject to customary confidentiality undertakings by the Debt Financing Sources, rating agencies and other lenders and potential lenders which are, in all material respects, the same as those in the Confidentiality Agreement; provided that, Parent shall be responsible for any acts or omissions of the Debt Financing Sources or other lenders or potential lenders with respect to such information. The Company, its Affiliates and Parent hereby consent to the use of the Company’s and its Affiliates logos solely in connection with the Debt Financing (but in no event to commercialize any product or service); provided, that such logos are used solely in a manner that does not and is not reasonably likely to harm or disparage the Company or any of its Subsidiaries or the value or goodwill of the Company’s or any of its Subsidiaries’ rights in any such logo.

(c) Notwithstanding anything in this Agreement to the contrary, (i) none of the Company, its Affiliates, or any of their respective directors, officers, employees or agents shall be required to execute or enter into any certificate, instrument, agreement or other document in connection with the Debt Financing which will be effective prior to the Closing, (ii) nothing herein shall require cooperation or other actions or efforts on the part of the Company or any of its Affiliates, or any of their respective directors, officers, employees or agents in connection with the Debt Financing to the extent it would interfere materially with the business or operations of the Company or any of its Affiliates, (iii) none of the Company, its Affiliates, or any of their respective directors, officers, employees or agents will be required to pay any commitment or other similar fee, to incur any other liability or obligation or to enter into any agreement effective in connection with the Debt Financing prior to the Closing, unless such fees are reimbursed by Parent, and (iv) nothing herein shall require the board of directors or similar governing body of the Company, prior to the Closing, to adopt resolutions approving or to otherwise approve the agreements, documents or instruments pursuant to which the Debt Financing is made. Nothing in this [Section 7.07](#) shall require the cooperation contemplated in [Section 7.07\(a\)](#) to the extent that it would (x) cause or be reasonably likely to cause any condition to Closing set forth in [Article III](#) to fail to be satisfied or otherwise cause any breach of this Agreement or (y) require the Company to take any action that will conflict with or violate the Company's Governing Documents or any applicable Laws, or result in the material contravention of, or would reasonably be expected to result in a material violation of, or material default under, any material contract to which the Company or any of its Subsidiaries is a party as of the date hereof.

(d) If Parent determines in its sole discretion to undertake an Equity Financing in connection with the Mergers, then the Company shall (i) provide the Required Financial Statements and such other financial and other information reasonably requested by the Parent or by the Equity Financing Sources or in connection with any Equity Offering Documents, (ii) take all corporate, partnership, limited liability company and other entity actions that are necessary or customary to market and obtain Equity Financing, (iii) provide or cause to be provided any customary opinions and other documents reasonably requested by the Equity Financing Sources, including comfort letters and consents to the inclusion of audit reports from the Company's auditors and legal opinions and negative assurance letters from the Company's outside counsel, (iv) consent to the use of all of the Company's and its Subsidiaries' logos solely in connection with the Equity Financing (but in no event to commercialize any product or service); provided, that such logos are used solely in a manner that does not and is not reasonably likely to harm or disparage the Company or any of its Subsidiaries or the value or goodwill of the Company's or any of its Subsidiaries' rights in any such logo, and (v) otherwise cooperate with Parent in the preparation of any Equity Offering Documents with respect to any Equity Financing, in accordance with [Section 7.03](#).

7.08 [Lock-Up](#). For a period of six (6) months following the Closing, without the prior written approval of Parent, Seller shall not sell, transfer, distribute or otherwise dispose of any Parent Shares issued as Closing Equity Consideration.

7.09 [Financial Statements](#). As promptly as practicable following the date of this Agreement, the Company shall, or shall cause its Subsidiaries to, engage PricewaterhouseCoopers International Limited (the "[Auditor](#)") in order to prepare and deliver to Parent (a) audited financial statements (including any related notes thereto) of the Company and its consolidated Subsidiaries as of and for the fiscal years ended December 31, 2024, 2023 and 2022, audited by the Auditor in accordance with the standards of the AICPA or other appropriate standards proposed by KPMG International Limited, the auditor of Parent, together with the Auditor's report thereon, for inclusion in the Proxy Statement and the Equity Offering Documents, as applicable, (b) unaudited interim financial statements (including any related notes thereto) of the Company and its consolidated Subsidiaries as of and for each subsequent interim period as may be required by SEC Regulation S-X to be included in the Proxy Statement or the Equity Offering Documents, reviewed by the Auditor in accordance with the procedures specified by the AICPA or other appropriate procedures

proposed by KPMG International Limited, and (c) financial information reasonably requested by Parent to prepare the pro forma financial statements required by SEC Regulation S-X, for inclusion in the Proxy Statement, the Equity Offering Documents and the Parent's other filings with the SEC (collectively, the "[Required Financial Statements](#)"). The Required Financial Statements shall comply as to form in all material respects, shall be prepared in accordance with GAAP (as modified by the rules and regulations of the SEC) applied on a consistent basis throughout the periods involved (except as may be indicated therein or in the notes thereto), shall fairly present (subject, in the case of the unaudited interim financial statements included therein, to normal year-end adjustments (the effect of which will not, individually or in the aggregate, be material) and the absence of complete footnotes) in all material respects the consolidated financial position of the Company and its consolidated Subsidiaries as of the respective dates thereof and the results of its operations, cash flows and stockholders' equity for the respective periods then ended.

7.10 [Access and Investigation: Non-Reliance](#). Seller and each of its Non-Recourse Parties have each conducted to its satisfaction an independent investigation and verification of the financial condition, results of operations, assets, liabilities, properties and projected operations of Parent and each of its Subsidiaries, and any of their respective joint ventures and businesses, and, in making its determination to proceed with the transactions contemplated by this Agreement, each of Seller and its Non-Recourse Parties (i) have relied solely on the results of such independent investigation and verification and on the representations and warranties of the Parent, Purchaser and Merger Sub set forth in [Article VI](#), as qualified by the Disclosure Schedules in accordance with [Section 13.06](#) of this Agreement, as well as the representations and warranties contained in any certificates tendered in accordance with this Agreement, and (ii) have not relied on any other representations, warranties or statements (including by omission) of any kind or nature, whether written or oral, expressed or implied, statutory or otherwise (including, for the avoidance of doubt, relating to quality, quantity, condition, merchantability, fitness for a particular purpose or conformity to samples) of Parent or any of its Non-Recourse Parties as to any matter concerning Parent, any of its Subsidiaries or any of its joint ventures (if any) or businesses or in connection with this Agreement or the transactions contemplated by this Agreement, or with respect to the accuracy or completeness of any information provided to (or otherwise acquired by) Seller, the Company or any of their respective Non-Recourse Parties in connection with this Agreement or the transactions contemplated by this Agreement (including, for the avoidance of doubt, any statements, information, documents, projections, forecasts or other materials made available to Seller, the Company or any of their respective Non-Recourse Parties in certain "data rooms" or presentations, including "management presentations"). In connection with the transactions contemplated by this Agreement, each of Seller and the Company has been represented by, and adequately consulted with, legal counsel of its choice and each of Seller, the Company and such counsel has carefully read this Agreement and has been given time to consider this Agreement, understands this Agreement and, after such consideration, and with such understanding, Seller and the Company have knowingly, freely and without coercion entered into this Agreement and, in particular, this [Section 7.10](#), [Section 11.02](#), and [Section 13.15](#). Nothing in this [Section 7.10](#) shall amend or limit the representations and warranties of the Parent, Purchaser and Merger Sub set forth in [Article VI](#).

7.11 [Confidentiality](#). Seller acknowledges that the success of the Company after the Closing Date depends in part upon the continued preservation of the confidentiality of certain information that may be possessed by Seller and its Affiliates, that the preservation of the confidentiality of any such information by Seller and its Affiliates is an essential premise of the bargain between the parties hereto, and that Parent would be unwilling to enter into this Agreement in the absence of this [Section 7.11](#). Accordingly, for a period of five (5) years from and after the Closing Date, except as otherwise permitted by this Agreement, or with the consent of Parent, Seller shall not, and shall cause its Affiliates who have received, or who receive, Confidential Information from or on behalf of Seller, not to disclose, reveal or divulge to any Person, any Confidential Information (as defined below); provided, that Seller shall have no such obligation with respect to any Confidential Information if and to the extent (a) disclosure thereof is required by applicable Law or (b) disclosure of such Confidential Information is reasonably necessary to enforce or

defend any of its rights, claims or causes of action under this Agreement or otherwise relating to the transactions contemplated thereby; provided, further, that in the case of the foregoing clause (a), in the event disclosure is required by applicable Law (including by request for information or documents in any legal proceeding, interrogatory, discovery requests, subpoena, civil investigative demand or similar process or otherwise), Seller shall, to the extent practicable and legally permissible, provide Parent with prompt written notice of such requirement prior to making any such disclosure so that Parent may, at Parent's sole cost and expense, seek an appropriate protective order. Notwithstanding anything to the contrary contained herein, no such notice will be required with respect to disclosure to any bank, securities, tax or other regulatory authority having jurisdiction in the course of an examination of Seller's books and records by such regulatory authority or in response to any request by a regulatory authority.

7.12 Third Party Consents. From the date hereof until the earlier of the Closing or the termination of this Agreement pursuant to Section 9.01, the Company shall use its reasonable best efforts to seek to obtain all consents, waivers, approvals and notices required under the Contractual Obligations set forth on Schedule 7.12 in connection with the transactions contemplated hereby. Executed counterparts of such consents, waivers and approvals shall be delivered to Parent promptly after receipt thereof, and copies of such notices shall be delivered to Parent promptly after the making thereof. For the avoidance of doubt, failure to obtain (in and of itself) any consent, waiver, approval or amendment contemplated by this Section 7.12 shall not be considered a breach of this Agreement or otherwise result in the failure of any of the conditions set forth in Article III to be satisfied.

7.13 Employment Agreements. From the date hereof until the earlier of the Closing or the termination of this Agreement pursuant to Section 9.01, the Company shall provide commercially reasonable cooperation to Parent in Parent's efforts to obtain employment arrangements or restrictive covenant agreements with the employees of the Company Group set forth on Schedule 7.13. For the avoidance of doubt, failure to obtain (in and of itself) any such arrangement or agreement contemplated by this Section 7.13 shall not be considered a breach of this Agreement or otherwise result in the failure of any of the conditions set forth in Article III to be satisfied.

7.14 Company Pre-Closing Payments. On the Closing Date and prior to the Closing transactions contemplated by Section 2.03, if all of the conditions set forth in Article III have been satisfied or waived, the Company shall utilize all available Cash to make the following payments (in each case, to the fullest extent possible) (the aggregate amount of such payments, the "Company Pre-Closing Payments"):

(a) First, the Company shall repay, or cause to be repaid, on behalf of the Company Group, as applicable, all amounts necessary to discharge fully the then-outstanding balance of all Indebtedness set forth on Schedule 2.03(d);

(b) Second, the Company shall pay, or cause to be paid, all Transaction Expenses identified on Schedule 2.03(g) (other than the Bonus Payments, if any) to each Person who is owed a portion thereof; and

(c) Third, the Company shall pay, or cause to be paid, an aggregate amount equal to all Bonus Payments that are set forth on Schedule 2.03(g), to its applicable employees or other service providers.

ARTICLE VIII

COVENANTS OF PARENT

8.01 Conduct of Parent's Business. From the date hereof until the Closing or the earlier termination of this Agreement, Parent and Merger Sub shall, and Parent shall cause its other Subsidiaries to, use their respective reasonable best efforts to conduct their business in all material respects in the Ordinary Course of Business, except as otherwise contemplated by this Agreement or in connection with the transactions contemplated by this Agreement, as consented to in writing by Seller (such consent not to be unreasonably withheld, delayed or conditioned) or in connection with refinancing its Indebtedness for borrowed money.

8.02 Access to Books and Records. From and after the Closing, Parent shall, and shall cause each of the Company Group to, provide Seller and its agents and advisors with reasonable access (for the purpose of examining and copying at Seller's cost and expense) to, during normal business hours and upon reasonable advance notice, (a) the books and records of the Company Group with respect to periods or occurrences prior to the Closing Date and (b) employees (if any) of each of Parent, the Company and the Company's Subsidiaries, and each of their respective Affiliates for purposes of complying with any applicable Tax, financial reporting or regulatory requirements; provided that, such access does not unreasonably interfere with the normal operations of the Company or any of its Subsidiaries and is permissible under applicable Law. Unless otherwise consented to in writing by Seller, none of Parent, the Company or the Company's Subsidiaries shall, for a period of seven (7) years following the Closing Date, destroy, alter or otherwise dispose of any of the books and records of the Company and each of its Subsidiaries for any period prior to the Closing Date without first offering to surrender to Seller such books and records or any portion thereof which Parent or the Company or any of its Subsidiaries may intend to destroy, alter or dispose of.

8.03 Director, Manager and Officer Liability and Indemnification.

(a) Prior to or simultaneously with the Closing, the Company shall purchase from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to directors', managers' and officers' liability insurance a prepaid insurance policy(ies) (*i.e.*, "tail coverage") which provide "side A, B and C directors and officers" insurance coverage for each of the individuals who were officers, directors or managers (or the foreign equivalent thereof) of the Company or any of its Subsidiaries at or prior to the Closing on terms no less favorable (including with respect to both policy limit and scope) as the policy or policy(ies) maintained by the Company or any of the Company's Subsidiaries immediately prior to the Closing for the benefit of such individuals for an aggregate period of not less than six (6) years with respect to claims arising from acts, events or omissions that occurred at or prior to the Closing, including with respect to the transactions contemplated by this Agreement (such policies, the "D&O Tail Policies"). The cost of the D&O Tail Policies shall not exceed two-hundred percent (200%) of the aggregate annual premium payable by the Company Group for its existing coverage under their insurance policy or policies in effect on the date of this Agreement. The cost of the D&O Tail Policies shall be borne fifty percent (50%) by Parent and fifty percent (50%) by Seller as Transaction Expenses. Notwithstanding anything to the contrary in this Section 8.03, none of Parent or Purchaser or any of their respective Affiliates shall have any obligation to indemnify Seller's, or after the Closing, the Final Surviving Company's and its Subsidiaries' respective officers, directors, or managers pursuant to this Section 8.03 or otherwise for Liabilities relating to or arising from fraud.

(b) The Parent shall cause the Governing Documents of the Final Surviving Company and its Subsidiaries to contain, except as prohibited by Law, provisions relating to exculpation and indemnification of the officers, directors, or managers of the Final Surviving Company and its Subsidiaries

substantially identical to those set forth in the Company's and its Subsidiaries' Governing Documents as of the date hereof and for a period of six (6) years after the Closing, Parent shall not, and shall not permit the Final Surviving Company and its Subsidiaries to, amend, repeal or otherwise modify any such provisions in such Governing Documents (unless to provide for greater exculpation or indemnification or unless required by Law), it being the intent of the parties hereto that the current and former officers, directors and managers of the Company Group shall continue to be entitled to such exculpation and indemnification (including with respect to advancement of expenses) to the full extent of the Law. Parent agrees and acknowledges that this [Section 8.03](#) shall be binding on Parent's successors and assigns.

(c) If the Final Surviving Company or its Subsidiaries or any of their respective successors or assigns (i) shall consolidate with or merge into any other Person and shall not be the continuing or surviving company or entity of such consolidation or merger, or (ii) shall transfer all or substantially all of its properties and assets to any Person, then, and in each such case, proper provisions shall be made so that the successors and assigns of the Final Surviving Company and its Subsidiaries shall assume all of the obligations set forth in this [Section 8.03](#).

(d) Notwithstanding anything in this Agreement to the contrary, if any claim, action, suit, proceeding or investigation (whether arising before, at or after the Closing Date) is made against any individual who was an officer, director, or manager of the Company Group at or prior to the Closing or any other party covered by directors', managers' and officers' liability insurance, on or prior to the sixth (6th) anniversary of the Closing, the provisions of this [Section 8.03](#) shall continue in effect until the final disposition of such claim, action, suit, proceeding or investigation.

(e) From and after the Second Effective Time, the obligations under this [Section 8.03](#) shall not be terminated or modified in such a manner as to affect adversely any indemnitee or exculpee to whom this [Section 8.03](#) applies without the consent of such affected indemnitee or exculpee. From and after the Second Effective Time, the provisions of this [Section 8.03](#) are intended for the benefit of, and will be enforceable by (as express third party beneficiaries), each current and former officer, director, or manager of each of the Final Surviving Company and its Subsidiaries and his or her heirs and representatives, successors and assigns and are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such person may have had by contract or otherwise.

8.04 [Efforts](#). On the terms and subject to the conditions of this Agreement, Parent will use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary to satisfy the conditions to the Closing (and refrain from taking any action that would reasonably be expected to have the effect of materially delaying, preventing or impeding the Closing). In furtherance of the foregoing but subject to and without limiting [Section 10.04](#), Parent shall (a) use its reasonable best efforts to make or cause to be made all filings and submissions under any Laws or regulations applicable to Parent required for the consummation of the transactions contemplated by this Agreement, (b) reasonably coordinate and cooperate with the Company in exchanging such information and providing such assistance as the Company may reasonably request in connection with all of the foregoing and (c) supply promptly any additional information and documentary material that may be requested in connection with such filings, make any further filings pursuant thereto that may be necessary, proper, or advisable in connection therewith, and take all actions necessary to obtain all required clearances. For the avoidance of doubt, nothing in this [Section 8.04](#) shall limit the obligations of Parent and its Affiliates pursuant to [Section 10.04](#) of this Agreement.

8.05 [Edge Autonomy Riga Insurance Proceeds](#). Following the Closing, Seller shall be entitled to receive any and all proceeds received by the Final Surviving Company or any of its Subsidiaries paid out of or in connection with the Riga Insurance Claim (net of any related unreimbursed reasonable and documented out-of-pocket fees or expenses incurred by Parent, Purchaser, the Final Surviving Company or

any of its Subsidiaries not paid prior to the Closing) (such proceeds, the “Riga Insurance Proceeds”). In furtherance of the foregoing, following the Closing, to the extent Parent, Purchaser, the Final Surviving Company or any of its Subsidiaries receive communications with respect to the Riga Insurance Claim, Parent or Purchaser, as applicable, shall, and shall cause the Final Surviving Company and its Subsidiaries to, promptly deliver such communications to the Seller. Neither Parent nor Purchaser shall, and shall not permit the Final Surviving Company and its Subsidiaries to, participate in any communications, negotiations, settlements or dispute resolution proceedings regarding the Riga Insurance Claim without the prior consent of the Seller not to be unreasonably delayed, conditioned or withheld. Promptly (and in any event within fifteen (15) Business Days) after receipt by the Final Surviving Company or any of its Subsidiaries of any Riga Insurance Proceeds, the Final Surviving Company shall, or shall cause its applicable Subsidiary(ies) to (and Parent or Purchaser shall cause the Final Surviving Company or its applicable Subsidiary(ies) to) remit such Riga Insurance Proceeds to the Seller, by wire transfer of immediately available funds to the account(s) designated by Seller, net of any related unreimbursed reasonable and documented out-of-pocket fees or expenses incurred by Parent, Purchaser, the Final Surviving Company or any of its Subsidiaries in connection with the Riga Insurance Claim, including any Losses related thereto which are indemnifiable under Section 11.03(a) (subject to the limitations set forth therein). Notwithstanding the foregoing, if following the Closing and prior to payment to Seller of the Riga Insurance Proceeds, Parent or any of its Affiliates (including the Final Surviving Company and its Subsidiaries following the Closing) incurs and pays out any reasonable and documented out-of-pocket fees or expenses in connection with the Riga Insurance Proceeds or the collection thereof, then Seller shall promptly (and in any event within fifteen (15) Business Days) reimburse Parent or its applicable Affiliate(s) for such amount following written demand therefor (i) from time-to-time whenever the total amount owed is at least \$100,000, and (ii) upon the final resolution of the Riga Insurance Claim.

8.06 Contact with Business Relations. Neither Parent, Purchaser nor Merger Sub is authorized to and shall not (and shall not permit any of their respective employees, agents, representatives or Affiliates to) contact any director, manager, officer, employee (in each case, other than an Authorized Representative), or, with respect to the businesses of the Company or any of its Subsidiaries or the transactions contemplated by this Agreement, any customer, supplier, distributor or other material business relation, of the Company or any of its Subsidiaries prior to the Closing without the prior written consent and coordination of an Authorized Representative (not to be unreasonably delayed, conditioned or withheld).

8.07 Continuing Confidentiality. Until the Closing, Parent shall remain bound by the Confidentiality Agreement, and it shall be responsible for any breaches of the Confidentiality Agreement by any of Parent’s representatives.

8.08 Access and Investigation; Non-Reliance.

(a) Each of Parent, Purchaser, Merger Sub and their respective representatives (a) have had access to and the opportunity to review all of the documents in the Project Echelon virtual data room hosted by Datasite on behalf of the Company (the “Data Room”) as of 11:59 p.m. Eastern Time on the day two days prior to the date of this Agreement, and (b) have been afforded reasonable access to the books and records, facilities and officers, directors, employees and other representatives of the Company Group for purposes of conducting a due diligence investigation with respect thereto.

(b) Parent and each of its Non-Recourse Parties have each conducted to its satisfaction an independent investigation and verification of the financial condition, results of operations, assets, liabilities, properties and projected operations of the Company and each of its Subsidiaries, and any of their respective joint ventures and businesses, and, in making its determination to proceed with the transactions contemplated by this Agreement, each of Parent and its Non-Recourse Parties (i) have relied solely on the

results of such independent investigation and verification and on the representations and warranties of the Seller and the Company set forth in [Article IV](#), [Article V](#) and [Article VII](#) (only to the extent that [Section 7.01\(b\)](#) is incorporated by reference into [Section 5.09\(b\)](#)) as qualified by the Disclosure Schedules in accordance with [Section 13.06](#) of this Agreement, as well as the representations and warranties contained in any certificates tendered in accordance with this Agreement, and (ii) have not relied on any other representations, warranties or statements (including by omission) of any kind or nature, whether written or oral, expressed or implied, statutory or otherwise (including, for the avoidance of doubt, relating to quality, quantity, condition, merchantability, fitness for a particular purpose or conformity to samples) of any of Seller, the Company or any of their respective Non-Recourse Parties as to any matter concerning the Company, any of its Subsidiaries or any of their respective joint ventures (if any) or businesses or in connection with this Agreement or the transactions contemplated by this Agreement, or with respect to the accuracy or completeness of any information provided to (or otherwise acquired by) Parent, Purchaser, Merger Sub or any of their respective Non-Recourse Parties in connection with this Agreement or the transactions contemplated by this Agreement (including, for the avoidance of doubt, any statements, information, documents, projections, forecasts or other materials made available to Parent, Purchaser, Merger Sub or any of their respective Non-Recourse Parties in certain “data rooms” or presentations, including “management presentations”). In connection with the transactions contemplated by this Agreement, each of Parent, Purchaser and Merger Sub has been represented by, and adequately consulted with, legal counsel of their choice and each of Parent, Purchaser, Merger Sub and such counsel has carefully read this Agreement and has been given time to consider this Agreement, understands this Agreement and, after such consideration, and with such understanding, Parent, Purchaser and Merger Sub have knowingly, freely and without coercion entered into this Agreement and, in particular, this [Section 8.08](#), [Section 10.01](#), [Section 11.02](#), and [Section 13.15](#). Nothing in this [Section 8.08](#) shall amend or limit the representations and warranties of the Seller and the Company set forth in [Article IV](#), [Article V](#) and [Article VII](#) (only to the extent that [Section 7.01\(b\)](#) is incorporated by reference into [Section 5.09\(b\)](#)).

8.09 [R&W Insurance Policies](#). Parent shall ensure that the R&W Insurance Policies expressly waive any claims of subrogation (except in the case of Fraud (as defined in this Agreement)) against Seller and its Affiliates and their respective representatives and shall not amend, waive or otherwise modify the R&W Insurance Policies in any manner that would allow the applicable insurer thereunder or any other Person to subrogate or otherwise make or bring any action, suit or proceeding against Seller, its Affiliates or any of their respective representatives, based upon, arising out of, or related to this Agreement or the transactions contemplated by this Agreement, or the negotiation, execution or performance of this Agreement, other than in the case of Fraud.

8.10 [Parent’s Financing Covenants](#).

(a) Parent may, but shall not be obligated, to arrange and consummate an Equity Financing in connection with the transactions contemplated by this Agreement, to be consummated not later than immediately prior to the First Effective Time.

(b) Notwithstanding anything herein to the contrary, none of the arrangement, consummation or obtaining of the Debt Financing or any alternative financing by Parent is a condition to Closing and the obligations of Parent to consummate the transactions contemplated by this Agreement are not subject to the availability of the Debt Financing.

(c) Parent shall indemnify and hold harmless Seller, the Company and each of their respective Affiliates, officers, directors, employees or agents from and against any and all losses suffered or incurred by any of them (other than such losses resulting primarily from breaches of this Agreement or such Person’s bad faith, gross negligence, fraud or willful misconduct) in connection with any of their cooperation or assistance with respect to the Debt Financing or the Equity Financing or the provision of

any information utilized in connection therewith or otherwise arising from the Debt Financing or the Equity Financing. Parent shall from time to time, promptly upon request by Seller and in any event prior to the Closing, reimburse Seller, the Company and each of their respective Affiliates, officers, directors, employees or agents for any and all reasonable and documented out-of-pocket fees, costs or expenses (including fees, costs and expenses of counsel, accountants and other advisors, but excluding such costs or expenses incurred by or on behalf of the Company, its Subsidiaries, or their respective Affiliates in connection with their ordinary course financial reporting requirements) incurred by any of them in connection with any of their cooperation or assistance with respect to the Debt Financing or the Equity Financing or the provision of any information utilized in connection therewith or otherwise arising from the Debt Financing or the Equity Financing (such out-of-pocket fees, costs and expenses, the “Financing Cooperation Expenses”).

8.11 Preparation of Proxy Statement. Parent shall prepare (with the Company’s cooperation) and file with the SEC a preliminary proxy statement relating to the Stockholders Meeting (the “Proxy Statement”), as promptly as reasonably practicable (but in no event later than five (5) Business Days after Seller and the Company have provided all information reasonably requested by Parent for inclusion in the Proxy Statement, including the Required Financial Statements). Prior to the filing of the Proxy Statement (or any amendment or supplement thereto), or any dissemination thereof to the stockholders of Parent, or responding to any comments from the SEC with respect thereto, Parent shall provide the Company, Seller and their counsel with a reasonable opportunity to review such document or response (except made pursuant to any telephone call initiated by the SEC, in which case Parent shall promptly provide the Company and Seller with a summary of any such communication), and Parent shall consider in good faith any comments proposed by the Company and Seller thereto (which comments shall be provided to Parent as promptly as reasonably practicable). Parent shall (with the Company’s cooperation) respond promptly to any comments from the SEC or the staff of the SEC with respect to the Proxy Statement (or any amendment or supplement thereto). Parent shall notify the Company and Seller promptly of the receipt of any comments (whether written or oral) from the SEC or the staff of the SEC and of any request by the SEC or the staff of the SEC for amendments or supplements to the Proxy Statement or for additional information and shall supply the Company and Seller with copies of all correspondence between the Parent and any of its representatives, on the one hand, and the SEC or the staff of the SEC, on the other hand, with respect to the Proxy Statement or the transactions contemplated by this Agreement. The Proxy Statement shall comply as to form in all material respects with the requirements of the Exchange Act. If at any time prior to the Stockholders Meeting (or any adjournment or postponement thereof) any information relating to any of the parties hereto, or any of their respective Affiliates, officers or directors, is discovered by Parent, the Company or Seller (in the case of the Company and Seller, solely with respect to the information supplied by the Company or Seller, as applicable) that should be set forth in an amendment or supplement to the Proxy Statement so that the Proxy Statement would not include a misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, then the party that discovers such information shall promptly notify the other parties hereto and an appropriate amendment or supplement describing such information shall be promptly filed by Parent with the SEC and, to the extent required by applicable Law, disseminated to the stockholders of Parent. Parent shall cause the definitive Proxy Statement to be mailed to Parent’s stockholders as promptly as reasonably practicable (and in any event no later than five (5) Business Days) after the date the SEC advises that it has no further comments thereon or that Parent may commence mailing the Proxy Statement (which advice will be deemed to have been received if the SEC has not affirmatively notified Parent prior to the eleventh (11th) calendar day after filing the preliminary Proxy Statement that the SEC will or will not be reviewing the Proxy Statement, the “Clearance Date”).

8.12 Stockholder Meeting; Fiduciary Exception to Recommendation.

(a) Subject to the terms of this Section 8.12, Parent shall take all actions necessary in accordance with applicable Law and the Governing Documents of Parent to set a record date for, duly give notice of, convene and hold a meeting of its stockholders to consider and vote upon the approval of the Mergers, including the Stock Issuance pursuant to the Mergers and the Equity Financing (the “Stockholders Meeting”), as soon as reasonably practicable following the Clearance Date and, subject to the terms of this Section 8.12, in any event no later than twenty (20) Business Days following the mailing of the Proxy Statement and shall submit such proposal to such holders at the Stockholders Meeting and, without the prior written consent of the Company and the Seller, shall not submit any other proposal to such holders in connection with the Stockholders Meeting, a customary proposal regarding adjournment of the Stockholders Meeting and, at Parent’s option, the election of Directors of Parent, ratification of Parent’s auditor and any other matter required by the Exchange Act and the applicable rules and regulations of the SEC for inclusion in a proxy statement of Parent related to an annual meeting of stockholders or a special meeting in lieu thereof. Once filed in the definitive Proxy Statement, Parent shall not change the record date for the Stockholders Meeting without the prior written consent of the Company and Seller or as otherwise required by applicable Law (including any requirement of Law in connection with any rescheduling, postponement or adjournment of the Stockholders Meeting that is permitted hereunder) or the rules and regulations of the Stock Exchange. If the Special Committee has not made a Change in Recommendation in accordance with this Section 8.12, the Board of Directors shall make the Recommendation and shall include the Recommendation in the Proxy Statement and recommend at the Stockholders Meeting that the stockholders of Parent approve the Mergers, including the Stock Issuance pursuant to the Mergers, and Parent shall use its reasonable best efforts to obtain and solicit such approval (including by soliciting from its stockholders proxies in favor of the approval of the Mergers, including the Stock Issuance pursuant to the Mergers and the Equity Financing), and taking all other action reasonably necessary to secure the approval (the “Requisite Vote”) of the Mergers, including the Stock Issuance pursuant to the Mergers and, if effected, the Equity Financing, by (i) the holders of a majority of the votes cast at the Stockholders Meeting, in accordance with Sections 312.03 and 312.07 of the NYSE Listed Company Manual and (ii) the holders of a majority in voting power of the Parent capital stock issued and outstanding and held by Persons other than AE Industrial Partners, LP or any of its Affiliates. Parent shall not adjourn or otherwise postpone or delay the Stockholders Meeting without the prior written consent of the Company and Seller, which shall not be unreasonably withheld, delayed or conditioned; provided, that without the Company’s and the Seller’s prior written consent, Parent may adjourn or postpone the Stockholder Meeting (i) after consultation with the Company and the Seller, to the extent necessary to ensure that any supplement or amendment to the Proxy Statement is provided to the stockholders of Parent within a reasonable amount of time in advance of the Stockholders Meeting, (ii) to a date that is in the aggregate not more than thirty (30) days following the originally scheduled date (or the date rescheduled pursuant to clause (i) hereof) but at least two (2) Business Days prior to the Outside Date if there are not sufficient affirmative votes in person or by proxy at such meeting to constitute a quorum at the Stockholders Meeting or to obtain the Requisite Vote, in order to allow reasonable additional time for solicitation of proxies for purposes of obtaining a quorum or the Requisite Vote, or (iii) if required by applicable Law.

(b) Neither the Board of Directors nor the Special Committee shall (A) withdraw, qualify or modify in a manner adverse to the Company or Seller, or propose publicly to withdraw, qualify or modify in a manner adverse to the Company or Seller, the Recommendation or its declaration of advisability, or resolve or agree to take any such action or (B) fail to include the Recommendation in the Proxy Statement when disseminated to the stockholders of Parent (any actions in clauses (A) and (B) being referred to herein as a “Change in Recommendation”). Notwithstanding the immediately preceding sentence, prior to the time the Requisite Vote is obtained, the Board of Directors and the Special Committee may make a Change in Recommendation in response to, and in respect of, an Intervening Event if (but only if) the following conditions are collectively satisfied: (1) an Intervening Event has occurred; (2) in light of

such Intervening Event, the Board of Directors and the Special Committee have determined in good faith, after consultation with outside legal counsel, that the failure to make a Change in Recommendation in response to such Intervening Event would be reasonably likely to be a violation of the directors' fiduciary duties under applicable Law; (3) Parent has notified the Company and Seller in writing that the Board of Directors and the Special Committee intend to make a Change in Recommendation and the basis therefor (which notice shall include a reasonably detailed description of the Intervening Event in connection with which such notice has been given) (any such notice, a "Triggering Notice"); (4) at least four (4) Business Days pass following the Company's and Seller's receipt of the Triggering Notice (it being understood that any material change to the Intervening Event shall constitute a new Intervening Event and shall require Parent to provide a new Triggering Notice in respect of such Intervening Event and comply with this Section 8.12 in respect of such Intervening Event, except that, in such case, the four (4) Business Day period referred to in this clause (4) and in clauses (5) and (6) shall be reduced to two (2) Business Days following the giving of such new Triggering Notice); (5) after providing such Triggering Notice and prior to effecting such Change in Recommendation, (x) Parent shall, during such four (4) Business Day period, negotiate in good faith with the Company and Seller and their representatives, to the extent the Company and Seller wish to negotiate, with respect to any revisions to the terms of the transactions contemplated by this Agreement proposed by the Company and Seller, and (y) in determining whether it may still under the terms of this Agreement make a Change in Recommendation, the Board of Directors and the Special Committee shall take into account any changes to the terms of this Agreement proposed by the Company and Seller and any other information provided by the Company and Seller in response to such notice during such four (4) Business Day period; and (6) after taking into account any changes to the terms of this Agreement proposed by the Company and Seller and any other information provided by the Company and Seller in response to a Triggering Notice during such four (4) Business Day period, the Board of Directors and the Special Committee again determine in good faith, after consultation with outside counsel, that the failure to make a Change in Recommendation in response to such Intervening Event would be reasonably likely to be a violation of the directors' fiduciary duties under applicable Law. Notwithstanding any Change in Recommendation, the proposal in respect of the Mergers, including the Stock Issuance pursuant to the Mergers shall be submitted to the Parent stockholders at the Stockholders Meeting for the purpose of obtaining the Requisite Vote, and nothing contained herein (unless this Agreement is otherwise terminated in accordance with its terms) shall relieve Parent of such obligation or any of Parent, Purchaser or Merger Sub of any of their respective obligations hereunder.

(c) In the event that a Change in Recommendation occurs pursuant to, and in accordance, with this Section 8.12, the holders of a majority of the Parent Shares represented in person or by proxy at the Stockholders Meeting held by Persons other than AE Industrial Partners, LP and its Affiliates fail to vote in favor of the Mergers, including the Stock Issuance pursuant to the Mergers at the Stockholders Meeting, and this Agreement is terminated by the Company or the Seller in accordance with Article IX such that no Termination Fee is payable by Parent, then within two (2) Business Days after written demand by the Company or Seller, Parent shall pay to Seller an amount equal to Seller's and its Affiliates' (other than Parent and its Subsidiaries) reasonable and documented out-of-pocket fees and expenses of third parties (including legal fees and expenses of outside counsel) incurred by Seller and its Affiliates (but not, for the avoidance of doubt, Parent and its Subsidiaries) on or prior to the termination of this Agreement in connection with the transactions contemplated by this Agreement in cash by wire transfer of immediately available funds to an account designated in writing by Seller.

8.13 368(a) Reorganization. From the date hereof until the Closing or the earlier termination of this Agreement, except as otherwise contemplated by this Agreement or in connection with the transactions contemplated by this Agreement, as set forth on Schedule 8.13 or as consented to in writing (email being sufficient) by Seller (such consent not to be unreasonably withheld, delayed or conditioned), Parent shall not, and shall cause each of its Subsidiaries not to, take any action or knowingly fail to take any action, which action or failure to act could reasonably be expected to prevent the First Merger and the Second

Merger, taken together, from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

8.14 Tenant Improvement Project Reimbursements. Following the Closing, upon receipt thereof by the Final Surviving Company or any of its Subsidiaries, Seller shall be entitled to receive (net of any related unreimbursed reasonable and documented out-of-pocket fees or expenses incurred by Parent, Purchaser, the Final Surviving Company or any of its Subsidiaries in connection with the Tenant Improvement Project Reimbursements (as defined below) not paid prior to the Closing) any and all reimbursements or other proceeds for amounts spent by the Company Group prior to Closing (or included as a Liability in Closing Working Capital or Indebtedness) (the “Tenant Improvement Project Reimbursements”) on a dollar for dollar basis up to the amount of funds received by the Final Surviving Company or any of its Subsidiaries following the Closing from the Ann Arbor Landlord with respect to that certain tenant improvement project contemplated by Exhibit D of that certain Industrial Lease Agreement, dated as of December 18, 2023, by and between 35700 Van Dyke Avenue, LLC (the “Ann Arbor Landlord”) and Edge Autonomy Energy Systems, LLC (*f/k/a* Adaptive Energy, LLC). In furtherance of the foregoing, following the Closing, to the extent Parent, Purchaser, the Final Surviving Company or any of its Subsidiaries receive communications with respect to the Tenant Improvement Project Reimbursements, Parent or Purchaser, as applicable, shall, and shall cause the Final Surviving Company and its Subsidiaries to, promptly deliver such communications to the Seller. Promptly (and in any event within fifteen (15) Business Days) after receipt by the Final Surviving Company or any of its Subsidiaries of any Tenant Improvement Project Reimbursements, the Final Surviving Company shall, or shall cause its applicable Subsidiary(ies) to (and Parent or Purchaser shall cause the Final Surviving Company or its applicable Subsidiary(ies) to) remit such Tenant Improvement Project Reimbursements to the Seller, by wire transfer of immediately available funds to the account(s) designated by Seller, net of any related unreimbursed reasonable and documented out-of-pocket fees or expenses incurred by Parent, Purchaser, the Final Surviving Company or any of its Subsidiaries in connection with the Tenant Improvement Project Reimbursements. Notwithstanding the foregoing, if following the Closing and prior to payment to Seller of the Tenant Improvement Project Reimbursements, Parent or any of its Affiliates (including the Final Surviving Company and its Subsidiaries following the Closing) incurs and pays out any reasonable and documented out-of-pocket fees or expenses in connection with the Tenant Improvement Project Reimbursements or the collection thereof, then Seller shall promptly (and in any event within fifteen (15) Business Days) reimburse Parent or its applicable Affiliate(s) for such amount following written demand therefor (i) from time-to-time whenever the total amount owed is at least \$100,000, and (ii) upon the final resolution of the Tenant Improvement Project Reimbursements.

## ARTICLE IX

### TERMINATION

9.01 Termination. This Agreement may be terminated at any time prior to the Closing only as follows, and in no other manner:

(a) by mutual written consent of Parent, on the one hand, and the Company and Seller, on the other hand;

(b) by Parent, on the one hand, or by the Company or Seller, on the other hand, by written notice to the other, upon the issuance by any Governmental Body of an order, decree or ruling or its taking of any other action restraining, enjoining or otherwise prohibiting the performance of this Agreement or the consummation of the transactions contemplated by this Agreement, which order, decree, ruling or any other action shall have become final and non-appealable and which renders the condition set forth in Section 3.03(a) or Section 3.03(b) incapable of being satisfied; provided that, no termination may

be made under this [Section 9.01\(b\)](#) if the issuance of such order, decree, ruling or such other action has been primarily caused by the action or inaction of the terminating party;

(c) by Parent, on the one hand, or by the Company or Seller, on the other hand, by written notice to the other, if the Closing shall not have occurred on or before the date that is one hundred eighty (180) days following the date of this Agreement (the “[Outside Date](#)”); provided, however, that no termination may be made under this [Section 9.01\(c\)](#) if the failure to close shall have been caused by the action or inaction of the terminating party; and provided, further, that, if on the Outside Date the conditions to Closing set forth in [Section 3.03\(a\)](#) shall not have been satisfied or waived but all other conditions to Closing shall have been satisfied or waived (or, in the case of conditions that by their nature are to be satisfied at the Closing shall be capable of being satisfied on such date), then the Outside Date may be extended by either the Company or Seller to the date that is two hundred seventy (270) days following the date of this Agreement;

(d) by Parent, Purchaser and Merger Sub, if neither Parent, Purchaser nor Merger Sub is then in material breach of this Agreement, by written notice to the Company, upon a breach of any covenant or agreement on the part of Seller or the Company set forth in this Agreement, or if any representation or warranty contained in [Article IV](#), [Article V](#) or [Article VII](#) (only to the extent that [Section 7.01\(b\)](#) is incorporated by reference into [Section 5.09\(b\)](#)), as qualified by the Disclosure Schedules in accordance with [Section 13.06](#) of this Agreement, shall be or have become untrue, in either case, such that any of the conditions set forth in [Section 3.01\(a\)](#), [Section 3.01\(b\)](#) or [Section 3.01\(c\)](#) would not be satisfied; provided, however, that, if such breach is curable, the right to terminate under this [Section 9.01\(d\)](#) will not be available to Parent, Purchaser or Merger Sub if Seller and the Company use reasonable best efforts to cure such breach or breaches or such failure to perform after notice thereof is delivered by Parent, Purchaser or Merger Sub to the Company or Seller, as applicable, and such breach or breaches or failure to perform, as applicable, is cured by the earlier of (x) thirty (30) days following receipt by the Company or Seller, as applicable, of written notice of such breach or failure to perform from Parent, Purchaser or Merger Sub and (y) the day which is the last Business Day prior to the Outside Date;

(e) by the Company or Seller, if the Company and Seller, as applicable, are not then in material breach of this Agreement, by written notice to Parent, upon a breach of any covenant or agreement on the part of Parent, Purchaser or Merger Sub set forth in this Agreement, or if any representation or warranty of Parent, Purchaser or Merger Sub shall be or have become untrue, in either case, such that any of the conditions set forth in [Section 3.02\(a\)](#) or [Section 3.02\(b\)](#) would not be satisfied; provided, however, that if such breach is curable, the right to terminate under this [Section 9.01\(e\)](#) will not be available to the Company or Seller if Parent, Purchaser and Merger Sub use reasonable best efforts to cure such breach or breaches or such failure to perform after notice thereof is delivered by the Company or Seller to Parent, Purchaser or Merger Sub, as applicable, and such breach or breaches or failure to perform, as applicable, is cured by the earlier of (x) thirty (30) days following receipt by Parent, Purchaser or Merger Sub, as applicable, of written notice of such breach or failure to perform from the Company or Seller and (y) the day which is the last Business Day prior to the Outside Date;

(f) by Seller, if (i) the conditions provided for in [Section 3.01](#) and [Section 3.03](#) have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, each of which shall be capable of being satisfied if the Closing Date were the date that notice of termination is delivered by Seller to Parent), (ii) Parent, Purchaser and Merger Sub do not consummate the transactions contemplated by this Agreement by the day and time the Closing is required to occur pursuant to [Section 2.02](#) and (iii) Seller has, at least two (2) Business Days prior to terminating this Agreement pursuant to this [Section 9.01\(f\)](#), irrevocably confirmed in a written notice delivered to Parent that Seller and the Company are ready, willing and able to consummate the Closing subject to conditions that by their terms

or nature are to be satisfied at the Closing, and Parent, Purchaser and Merger Sub have not consummated the Closing by the end of such two (2)-Business Day period; or

(g) by either Parent or Seller if Parent fails to obtain the Requisite Vote at the Stockholders Meeting at which a vote is taken on the Mergers.

9.02 Effect of Termination.

(a) If this Agreement is terminated pursuant to Section 9.01, this Agreement shall become void and of no further force and effect (other than Article I, Section 7.10, Section 8.07, Section 8.08, this Section 9.02 (including, for the avoidance of doubt, Parent's obligations for payment of the Termination Fee pursuant to Section 9.02(b)), Section 10.01, Section 13.02, Section 13.11, Section 13.13, Section 13.15, Section 13.17 and Section 13.18, which shall survive the termination of this Agreement) without any liability or obligation on the part of any party hereto, (i) other than liabilities and obligations under the Confidentiality Agreement and (ii) except that no such termination shall relieve any party hereto of any liability for damages resulting from Fraud or any Willful Breach of this Agreement by such party. In determining losses or damages that are recoverable in accordance with this Section 9.02 upon termination by a party hereto for another party's breach, the parties hereto acknowledge and agree that such losses and damages shall not be limited to reimbursement of expenses or out-of-pocket costs, and shall include the benefit of the bargain lost by such party hereto, taking into consideration all relevant matters (including other opportunities and the time value of money), which shall be deemed to be damages of such party hereto.

(b) In the event of a termination of this Agreement by Seller pursuant to Section 9.01(e) (other than with respect to a breach of any representation or warranty of Parent, Purchaser or Merger Sub) or Section 9.01(f), then Parent shall, as promptly as reasonably practicable (and, in any event, within two (2) Business Days) following such termination, pay or cause to be paid to Seller or its designee (as directed by Seller in writing) one million dollars (\$1,000,000.00) (the "Termination Fee") by wire transfer of immediately available funds to an account designated by Seller or such designee; it being understood that in no event shall (1) Parent be required to pay the Termination Fee on more than one (1) occasion, or (2) Parent's, Purchaser's and Merger Sub's aggregate liability under this Agreement or any other agreement contemplated hereby, including the Confidentiality Agreement, with respect to remedies other than specific performance to cause the consummation of the Closing in accordance with Section 13.18 exceed an amount equal to the Termination Fee. The Termination Fee is inclusive of any Taxes. The agreements contained in this Section 9.02 are an integral part of the transactions contemplated by this Agreement and without these agreements, no Party would enter into this Agreement.

(c) If Seller (or its designee(s)) receives full payment of the Termination Fee pursuant to Section 9.02(b), the receipt of the Termination Fee will be the sole and exclusive remedy (whether at law, in equity, in contract, in tort, through piercing of the corporate veil, by or through a claim by or on behalf of a party or another Person or otherwise) of the Seller, the Company Group, each of their Affiliates and each such Person's and their respective Affiliates' agents, successors and permitted assigns for any and all Liabilities (including all Liability(ies) of any of the such Persons for the benefit of the bargain, opportunity cost, loss of premium, time value of money or otherwise, or for any punitive, special, exemplary, indirect, consequential or incidental damages, or damages argued to be associated with lost profits or diminution in value) as a result of any breach of, or non-compliance with, any covenant, agreement, representation or warranty in this Agreement (including any Willful Breach) or any agreement contemplated hereby or the failure of the transactions contemplated by this Agreement to be consummated or otherwise related or connected to this Agreement or any Ancillary Agreement or the transactions contemplated by this Agreement (or the abandonment or termination thereof) suffered or incurred by Seller, the Company Group, any of their Affiliates and each such Person's and their respective Affiliates' agents,

successors and permitted assigns in connection with this Agreement and the transactions contemplated by this Agreement, and none of the Seller, the Company, any of their respective Affiliates or any such Person's or their respective Affiliates' agents, successors and permitted assigns shall seek to recover any other damages or seek any other remedy, at law or in equity, in contract, tort or otherwise, with respect to any losses or damages suffered in connection with this Agreement or any debt commitment letter or the transactions contemplated hereby or thereby or any oral representation made or alleged to be made in connection herewith. If the Seller or the Company receives any payments from Parent in respect of any breach of this Agreement and thereafter the Seller or the Company receives the Termination Fee pursuant to [Section 9.02\(b\)](#), the amount of the Termination Fee shall be reduced by the aggregate amount of such prior payments received by Seller or the Company from Parent in respect of any such breaches, and in no event shall Parent or its Affiliates be subject to (nor shall the Seller, the Company or any of their Affiliates seek to recover) monetary damages in excess of an amount equal to the Termination Fee, in the aggregate, for any losses or other liabilities arising out of or in connection with breaches by Parent of its representations, warranties, covenants and agreements contained in this Agreement or arising from any claim or cause of action that the Seller, the Company or any of their Affiliates may have; for the avoidance of doubt, receipt of the full Termination Fee pursuant to [Section 9.02\(b\)](#) shall prohibit Seller from (i) seeking specific performance or other equitable relief as provided in [Section 13.18](#) or (ii) being indemnified and reimbursed for losses or expenses in accordance with [Section 8.10\(c\)](#). The actual receipt by Seller (or its designee(s)) of the Termination Fee shall be deemed to be liquidated damages, which amounts constitute a reasonable estimate of the damages that will be suffered by reason of any such termination of this Agreement (and not a penalty).

(d) Each of the Parties further acknowledges that the payment of the amounts by Parent specified in this [Section 9.02](#) is not a penalty, but, in each case, is liquidated damages in a reasonable amount that will compensate the Company and Seller in the circumstances in which such fees are payable for the efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated by this Agreement, which amount would otherwise be impossible to calculate with precision. While the Seller and the Company may pursue each of (i) a grant of specific performance or other equitable relief under [Section 13.18](#), and (ii) the payment of the Termination Fee under this [Section 9.02](#), any recovery by the Seller or the Company shall be subject to the limitations set forth in this [Section 9.02](#) and the Seller or the Company shall be permitted or entitled to receive only (A) a grant of specific performance to cause Parent to consummate the Closing, or (B) the Termination Fee; provided, however, that if the Termination Fee is paid, then Seller and the Company shall no longer have the right to initiate or maintain any action for any other remedy, including specific performance to consummate the Closing.

## ARTICLE X

### ADDITIONAL AGREEMENTS AND COVENANTS

10.01 No Other Representations or Warranties. The representations and warranties of the Parties set forth in [Article IV](#), [Article V](#), [Article VI](#) and [Article VII](#) (only to the extent that [Section 7.01\(b\)](#) is incorporated by reference into [Section 5.09\(b\)](#)), as qualified by the Disclosure Schedules in accordance with [Section 13.06](#) of this Agreement, constitute the sole and exclusive representations, warranties, and statements (including by omission) of any kind or nature, whether written or oral, expressed or implied, statutory or otherwise (including, for the avoidance of doubt, relating to quality, quantity, condition, merchantability, fitness for a particular purpose or conformity to samples) of the Parties or any of their respective Non-Recourse Parties as to any matter concerning the Parties, and of their respective Subsidiaries or any of their respective joint ventures or businesses or in connection with this Agreement or the transactions contemplated by this Agreement, or with respect to the accuracy or completeness of any information provided to (or otherwise acquired by) the Parties or any of their respective Non-Recourse

Parties in connection with this Agreement or the transactions contemplated by this Agreement (including, for the avoidance of doubt, any statements, information, documents, projections, forecasts or other material made available to Parent, Purchaser, Merger Sub or any of their respective Non-Recourse Parties in certain “data rooms” or presentations including “management presentations”) and all other purported representations and warranties or statements (including by omission) (“Ex-Contractual Statements”) are hereby disclaimed by the Parties and each of their respective Non-Recourse Parties and (a)(i) each of Parent, Purchaser, Merger Sub and their respective Non-Recourse Parties has only relied, and will only rely, on the representations and warranties of Seller and the Company set forth in Article IV, Article V and Article VII (only to the extent that Section 7.01(b) is incorporated by reference into Section 5.09(b)) respectively, as qualified by the Disclosure Schedules in accordance with Section 13.06 of this Agreement, and (ii) each of Seller, the Company and their respective Non-Recourse Parties has only relied, and will only rely, on the representations and warranties of Parent, Purchaser and Merger Sub set forth in Article VI, as qualified by the Disclosure Schedules in accordance with Section 13.06 of this Agreement, (b) each of the Parties and their respective Non-Recourse Parties hereby expressly and irrevocably acknowledges and agrees that he, she or it has not relied and will not rely on any Ex-Contractual Statements, and (c) none of the Parties or any of their respective Non-Recourse Parties shall have any claim with respect to their purported use of, or reliance on, any Ex-Contractual Statement on any basis or legal theory whatsoever (whether sounding in contract or tort, at law or in equity, on public policy grounds, under any Law (including under securities Laws or the Racketeer Influence and Corrupt Organizations Act of 1970 (“RICO”)), on the basis of “unjust enrichment” or otherwise). Except with respect to the representations and warranties of the Parties set forth in Article IV, Article V, Article VI and Article VII (only to the extent that Section 7.01(b) is incorporated by reference into Section 5.09(b)) as applicable, the Parties are consummating the transactions contemplated by this Agreement on an “AS IS, WHERE IS” basis. Without in any way limiting the generality of the foregoing, the Parties acknowledge that there are uncertainties inherent in attempting to make projections, forward looking statements and other forecasts and estimates, and certain business plan information, that the Parties are familiar with such uncertainties, that except with respect to the applicable representations and warranties of set forth in Article IV, Article V, Article VI and Article VII (only to the extent that Section 7.01(b) is incorporated by reference into Section 5.09(b)), the Parties and their respective Non-Recourse Parties are taking full responsibility for making their own evaluation of the adequacy and accuracy of any such projections, forward looking statements, forecasts, estimates and business plan information provided to (or otherwise acquired by) any other Party and its Non-Recourse Parties in connection with the transactions contemplated by this Agreement (including the reasonableness of the assumptions underlying such projections, forward looking statements, forecasts, estimates and business plan information). Under no circumstances shall any of the representations and warranties of the Parties made herein be imputed to, or deemed to have been made by, any other Person. Nothing in this Section 10.01 shall amend or limit the representations and warranties set forth in Article IV, Article V, Article VI and Article VII (only to the extent that Section 7.01(b) is incorporated by reference into Section 5.09(b)).

10.02 Further Assurances. From time to time following the Closing, as and when requested in writing by any party hereto and at such requesting party’s expense, any other party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as such requesting party may reasonably deem necessary to evidence and effectuate the transactions contemplated by this Agreement.

10.03 Employees and Employee Benefits.

(a) Salary and Wages. Parent will cause the Company Group to continue the employment effective immediately after the Closing Date of all employees of the Company Group, including each such employee on medical, disability, family or other leave of absence as of the Closing Date. All such employees of the Company Group who are employed by the Company Group immediately following the Closing Date are referred to as “Retained Employees”. Parent will cause the Company Group

to provide each such Retained Employee who remains employed with base wages, annual base salary and annual target rate of cash bonus potential (determined as a percentage of annual base salary) (but excluding any equity plan, retention, transaction, change in control or similar program or arrangement), that is in the aggregate at least equal to such compensation provided to each such employee on the Closing Date for a period of at least one (1) year thereafter; provided, however, that nothing in this [Section 10.03\(a\)](#) shall obligate Parent or the Company or any of its Subsidiaries to continue the employment of any such Retained Employee for any specific period.

(b) Employee Benefits. As of the Closing Date and for a period of at least one (1) year thereafter, Parent shall provide, or shall cause the Company Group to provide, each Retained Employee with employee benefits (other than any nonqualified deferred compensation benefits) that are substantially similar in the aggregate to the benefits provided to similarly situated employees of Parent.

(c) Employee Service Credit. Parent (i) shall use commercially reasonable efforts to give, or cause the Company Group to give, each Retained Employee credit under all benefit plan or personnel policies that cover the Retained Employee after the Closing Date, including any vacation, sick leave and severance policies, for purposes of eligibility, vesting and entitlement to vacation, sick leave and severance benefits for the Retained Employee's service with the Company Group prior to the Closing Date, to the same extent recognized by the Company Group as of the Closing Date, but not to the extent any such credit would result in a duplication of benefits, (ii) shall use commercially reasonable efforts to allow such Retained Employees to participate in each plan in which Retained Employees are eligible to participate following the Closing Date providing welfare benefits (including medical, dental, vision, prescription drug, life insurance, long-term disability insurance and long-term care insurance) without regard to preexisting condition limitations, waiting periods, evidence of insurability or other exclusions or limitations not imposed on the Retained Employee by the corresponding Plans immediately prior to the Closing Date, and (iii) if coverage for Retained Employees under any Welfare Plan is terminated prior to the end of the plan year that includes the Closing Date, shall use commercially reasonable efforts to credit the Retained Employee with any expenses that were covered by such Welfare Plan(s) during the plan year that includes the Closing Date for purposes of determining deductibles, co-pays and other applicable limits under any similar replacement plans.

(d) Vacation Pay and Personal Holidays. Parent shall cause the Company Group to continue to credit to each Retained Employee to use all vacation, sick leave, personal holiday and other paid time off that the Retained Employee is entitled to use but has not used as of the Closing Date (including any such vacation, sick leave, personal holiday and other paid time off to be used in future years), and shall retain all liability for the payment of all such amounts, but only to the extent such Liabilities are included as Indebtedness in the determination of the Closing Purchase Price pursuant to [Section 2.04](#).

(e) No Third-Party Beneficiaries. The provisions of this [Section 10.03](#) are solely for the benefit of the parties to this Agreement, and no current or former employee, officer, director, manager or consultant, or any other individual associated therewith, shall be regarded for any purpose as a third party beneficiary of this [Section 10.03](#). In no event shall the terms of this Agreement be deemed to (i) establish, amend or modify any Plan or any other "employee benefit plan" as defined in Section 3(3) of ERISA, or any other benefit plan, program, or Contractual Obligation maintained or sponsored by the Company, Parent, the Company and their respective Subsidiaries or any of their respective Affiliates, (ii) alter or limit the ability of Parent or the Company and their respective Subsidiaries to amend, modify or terminate any Plan or any other benefit or employment plan, program or Contractual Obligation after the Closing Date, or (iii) confer upon any current or former employee, officer, director or consultant, any right to employment or continued employment or continued service with Parent or the Company or any of their respective Subsidiaries, or constitute or create an employment agreement with any employee.

10.04 Antitrust and Governmental Notifications.

(a) The Company and Parent shall file, or cause to be filed, with the U.S. Federal Trade Commission and the U.S. Department of Justice, as promptly as practicable, but in no event later than ten (10) Business Days following the execution and delivery of this Agreement, the notification and report form (which shall request early termination) required for the transactions contemplated by this Agreement and any supplemental information requested in connection therewith pursuant to the HSR Act. Parent shall file with any other Governmental Body, as promptly as practicable and before the expiration of any relevant legal deadline, but in no event later than ten (10) Business Days following the execution and delivery of this Agreement, any other filings (including any pre-notification draft), reports, information and documentation as may be required for the transactions contemplated by this Agreement pursuant to any Other Antitrust Regulations and FDI Regulations. Each of the Company and Parent shall furnish to each other's counsel such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing or submission that is necessary under the HSR Act and any Other Antitrust Regulations and FDI Regulations. Parent and Seller shall each be responsible for fifty percent (50%) of all filing fees and local counsel fees payable in connection with the filings described in the first two (2) sentences of this Section 10.04(a). Neither Parent, the Company, or any of their respective Affiliates shall enter into any agreement with any Governmental Body to extend any waiting period under the HSR Act or any Other Antitrust Regulations and FDI Regulations without the consent of the other parties hereto (such consents shall not be unreasonably conditioned, delayed, or withheld).

(b) The Company and Parent shall: (i) use their reasonable best efforts to promptly obtain any clearance required under the HSR Act or any Other Antitrust Regulations and FDI Regulations for the consummation of this Agreement and the transactions contemplated by this Agreement; (ii) keep each other apprised of the status of any material communications with, and any material inquiries or requests for additional information from any Governmental Body; and (iii) comply as promptly as practicable with any such material inquiry or request and supply to any Governmental Body without undue delay any additional information requested. Parent agrees to take (and cause its Affiliates to take) any and all steps necessary to avoid or eliminate each and every impediment under any Law that may be asserted by any Governmental Body or any other Person so as to enable the parties hereto to expeditiously close the transactions contemplated by this Agreement (and for the avoidance of doubt, so as to avoid an in depth, second request or second phase review by the relevant Governmental Body) including consenting to any divestiture or other structural or conduct relief in order to obtain clearance from any Governmental Body and, at the reasonable request of the Company, Parent and its Affiliates shall be obligated to contest, administratively or in court, any ruling, order, or other action of any Governmental Body or any other Person respecting the transactions contemplated by this Agreement. Prior to the Closing, Parent shall not, and shall cause its Affiliates not to, undertake or consummate any Competitive Transaction. In addition to the foregoing, subject to the terms and conditions of this Agreement, Parent shall not (and shall cause its Affiliates not to) take or fail to take any action that is intended to or has (or would reasonably be expected to have) the effect of preventing, impairing, materially delaying or otherwise adversely affecting (A) the consummation of the transactions contemplated by this Agreement, including (w) imposing any material delay in the obtaining of, or materially increasing the risk of not obtaining, any authorization, consent, order, declaration or approval of any Governmental Body necessary to consummate the transactions contemplated by this Agreement or the expiration or termination of any applicable waiting period, (x) materially increasing the risk of any Governmental Body entering an order prohibiting the consummation of the transactions contemplated by this Agreement, (y) materially increasing the risk of not being able to remove any such order on appeal or otherwise, or (z) materially delaying or preventing the consummation of the transactions contemplated by this Agreement or (B) the ability of such party to fully perform its obligations pursuant to this Agreement.

(c) The parties hereto commit to instruct their respective counsel to cooperate with each other and use reasonable best efforts to facilitate and expedite the identification and resolution of any issues arising under the HSR Act or any Other Antitrust Regulations and FDI Regulations at the earliest practicable dates. Such reasonable best efforts and cooperation include counsel's undertaking (i) to keep each other appropriately informed of material communications from and to personnel of the reviewing Governmental Bodies, and (ii) to confer with each other regarding appropriate contacts with and response to personnel of such Governmental Bodies and the content of any such contacts or presentations. Neither the Company nor Parent shall participate in any meeting or material discussion with any Governmental Body with respect to any such filings, applications, investigation, or other inquiry without giving the other party prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, the opportunity to attend and participate in such meeting or discussion (which, at the request of either Parent or the Company, shall be limited to outside antitrust counsel only). The Company and Parent shall each approve the content of any filings (as contemplated by Section 10.04(a)), material communications, presentations, white papers or other written materials to be submitted to any Governmental Body in advance of any such submission, provided that, such materials may be redacted to (A) remove references to commercially or competitively-sensitive information, and (B) address reasonable attorney-client privilege or confidentiality concerns; provided, further, that copies of filings made under the HSR Act need not be shared.

(d) Except as otherwise provided in this Agreement:

(i) each of Parent, Purchaser and Merger Sub, with the reasonable cooperation of Seller and the Company, shall use its reasonable efforts to, as promptly as practicable following the execution of this Agreement, (i) take, or cause to be taken, all appropriate actions and do, or cause to be done, all things necessary, proper or advisable under any applicable Law, regulation or otherwise to consummate the transactions contemplated by this Agreement, (ii) obtain from or provide to any Governmental Body or any other Person all consents, licenses, permits, waivers, approvals, authorizations, notices, orders, or expirations or terminations of any relevant waiting period required to be obtained or made by Parent or any of its Affiliates or Subsidiaries in connection with the authorization, execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement and (iii) make all necessary filings, and thereafter make any other required submission, with respect to this Agreement and the transactions contemplated by this Agreement, required under applicable Law or regulation; and

(ii) each of Seller, the Company Group, with the reasonable cooperation of Parent, Purchaser and Merger Sub, shall use its reasonable efforts to, as promptly as practicable following the execution of this Agreement, (i) take, or cause to be taken, all appropriate actions and do, or cause to be done, all things necessary, proper or advisable under any applicable Law, regulation or otherwise to consummate the transactions contemplated by this Agreement, (ii) obtain from or provide to any Governmental Body or any other Person all consents, licenses, permits, waivers, approvals, authorizations, notices, orders, or expirations or terminations of any relevant waiting period required to be obtained or made by Seller or the Company Group in connection with the authorization, execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement, and (iii) make all necessary filings, and thereafter make any other required submission, with respect to this Agreement and the transactions contemplated by this Agreement, required under applicable Law or regulation.

10.05 Back Leverage Cooperation. Following the expiration of the lock-up set forth in [Section 7.08](#), and subject to applicable limitations under the Securities Act, if requested by Seller or any stockholder, Parent will provide the following cooperation in connection with Seller obtaining any Back Leverage: (i) entering into an issuer agreement (an “Issuer Agreement”) with each lender or counterparty providing such Back Leverage in a mutually agreed upon form, (ii) if so requested by such lender or counterparty, as applicable, re-registering the pledged Parent Shares in the name of the relevant lender, counterparty, custodian or similar party to a Back Leverage, in certificated or restricted book-entry form on the books and records of Parent’s transfer agent, in each case, subject to appropriate transfer restrictions and related restrictive legends, (iii) entering into customary triparty agreements reasonably acceptable to Parent with each lender or counterparty and the applicable stockholder relating to the delivery of the Parent Shares, in certificated or restricted book-entry form on the books and records of Parent’s transfer agent, subject to appropriate transfer restrictions and related restrictive legends, to the relevant lender or counterparty for crediting to the relevant collateral accounts upon funding of any Back Leverage and payment of the purchase price, including a right for such lender or counterparty as a third-party beneficiary of Parent’s obligation under [Article II](#) to issue the Parent Shares in accordance with the terms of this Agreement and/or (iv) such other cooperation and assistance in connection with such Back Leverage as the applicable stockholder or such lender or counterparty may reasonably request.

All other covenants which are to be performed at or after the Closing, whether in this Agreement or any Ancillary Agreement, shall survive for the time periods specified therein or, if no time period is specified, shall survive until such covenants are fully performed, and shall terminate immediately thereafter. Notwithstanding anything contained herein to the contrary, nothing in this [Section 11.01](#) shall preclude any claims for Fraud.

#### 11.02 Exclusive Remedy.

(a) From and after (i) the date hereof until the Closing, Parent’s, Purchaser’s, Merger Sub’s and their respective Non-Recourse Parties’ sole and exclusive remedy against the Company and its Subsidiaries, Seller and each of their respective Non-Recourse Parties, whether in any individual, corporate or any other capacity, with respect to any and all claims relating (directly or indirectly) to the subject matter of this Agreement or the transactions contemplated by this Agreement, regardless of the legal theory under which such liability or obligation may be sought to be imposed, whether sounding in contract or tort, or whether at law or in equity, or otherwise, shall be solely pursuant to (x) the provisions of [Section 9.01](#) (subject to [Section 9.02](#)) or [Section 13.18](#) in accordance with the terms hereof, or (y) the Confidentiality Agreement, and (ii) the Closing, Parent’s, Purchaser’s, Merger Sub’s and their respective Non-Recourse Parties’ sole and exclusive remedy against Seller and each of their respective Non-Recourse Parties, whether in any individual, corporate or any other capacity, with respect to any and all claims relating (directly or indirectly) to the subject matter of this Agreement or the transactions contemplated by this Agreement, regardless of the legal theory under which such liability or obligation may be sought to be

imposed (whether sounding in contract or tort, or whether at law or in equity, on public policy grounds, under any Law (including under securities Laws or RICO), on the basis of “unjust enrichment” or otherwise), shall be solely and exclusively for breach of any agreement or covenant herein or any Ancillary Agreement expressly surviving, and requiring performance at or after, the Closing to the extent provided in [Section 11.01](#) and the provisions of the Escrow Agreement, and in accordance with (and subject to the limitations set forth in) [Section 11.03](#). In furtherance of the foregoing, Parent, Purchaser and Merger Sub hereby waive and release to the fullest extent permitted under applicable Law, the Company and its Subsidiaries, Seller and each of their respective Non-Recourse Parties, whether in any individual, corporate or any other capacity, from and against any and all other rights, claims and causes of action it may have against the Company and its Subsidiaries, Seller or their respective Non-Recourse Parties relating (directly or indirectly) to the subject matter of this Agreement or the transactions contemplated by this Agreement (including relating to any exhibit, Schedule or document delivered hereunder), regardless of the legal theory under which any such right, claim or cause of action may arise (whether sounding in contract or tort, or whether at law or in equity, on public policy grounds, under any Law (including under securities Laws or RICO, or the Comprehensive Environmental Response Compensation and Liability Act or any other Environmental Law), on the basis of “unjust enrichment” or otherwise) and including any rights to rescission of the transactions contemplated by this Agreement, other than claims for breach of any agreement or covenant herein or any Ancillary Agreement surviving, and requiring performance at or after, the Closing to the extent provided in [Section 11.01](#) or the provisions of the Escrow Agreement, and in accordance with (and subject to the limitations set forth in) [Section 11.03](#). For the avoidance of doubt, nothing herein shall constitute a waiver of any rights that AE Consultant or its affiliated investment funds may have as an equityholder of Parent or Seller.

(b) From and after (i) the date hereof until the Closing, Seller’s, the Company’s and their respective Non-Recourse Parties’ sole and exclusive remedy against Parent, Purchaser, Merger Sub and each of their respective Non-Recourse Parties, whether in any individual, corporate or any other capacity, with respect to any and all claims relating (directly or indirectly) to the subject matter of this Agreement or the transactions contemplated by this Agreement, regardless of the legal theory under which such liability or obligation may be sought to be imposed, whether sounding in contract or tort, or whether at law or in equity, or otherwise, shall be solely pursuant to (x) the provisions of [Section 9.01](#) (subject to [Section 9.02](#)) or [Section 13.18](#) in accordance with the terms hereof or (y) the Confidentiality Agreement, and (ii) the Closing, Seller’s and the Company’s and their respective Non-Recourse Parties’ sole and exclusive remedy against Parent, Purchaser, Merger Sub and each of their respective Non-Recourse Parties, whether in any individual, corporate or any other capacity, with respect to any and all claims relating (directly or indirectly) to the subject matter of this Agreement or the transactions contemplated by this Agreement, regardless of the legal theory under which such liability or obligation may be sought to be imposed (whether sounding in contract or tort, or whether at law or in equity, on public policy grounds, under any Law (including under securities Laws or RICO), on the basis of “unjust enrichment” or otherwise), shall be solely and exclusively for breach of any agreement or covenant herein or any Ancillary Agreement expressly surviving, and requiring performance at or after, the Closing to the extent provided in [Section 11.01](#) and the provisions of the Escrow Agreement. In furtherance of the foregoing, Seller and the Company hereby waive and release to the fullest extent permitted under applicable Law, Parent, Purchaser, Merger Sub and each of their respective Non-Recourse Parties, whether in any individual, corporate or any other capacity, from and against any and all other rights, claims and causes of action it may have against Parent, Purchaser, Merger Sub or their respective Non-Recourse Parties relating (directly or indirectly) to the subject matter of this Agreement or the transactions contemplated by this Agreement (including relating to any exhibit, Schedule or document delivered hereunder), regardless of the legal theory under which any such right, claim or cause of action may arise (whether sounding in contract or tort, or whether at law or in equity, on public policy grounds, under any Law (including under securities Laws or RICO), on the basis of “unjust enrichment” or otherwise) and including any rights to rescission of the transactions contemplated by this Agreement, other than claims for breach of any agreement or covenant herein or any Ancillary

Agreement surviving, and requiring performance at or after, the Closing to the extent provided in [Section 11.01](#) or the provisions of the Escrow Agreement. For the avoidance of doubt, nothing herein shall constitute a waiver of any rights that AE Consultant or its affiliated investment funds may have as an equityholder of Parent or Seller.

(c) The limits imposed on each Party's and its respective Non-Recourse Parties' remedies with respect to this Agreement and the transactions contemplated by this Agreement (including this [Section 11.02](#)) were specifically bargained for between sophisticated parties and were specifically taken into account in the determination of the amounts to be paid to Seller hereunder. No Party or any of their respective Non-Recourse Parties may avoid the limitations on liability set forth in this Agreement by seeking damages for breach of contract, tort or pursuant to any other theory of liability. Notwithstanding anything to the contrary in this [Section 11.02](#), each Party may (i) seek specific performance of this Agreement in accordance with [Section 13.18](#), (ii) subject to the applicable limitations set forth in [Article IX](#), if any, bring a claim (and, if successful, recover damages) for Fraud or (iii) subject to the limitations set forth therein, seek indemnification as set forth in [Section 11.03](#), in each case, in accordance with the terms and conditions hereof.

#### 11.03 [Indemnification By Seller.](#)

(a) Subject to the limitations set forth in this [Section 11.03](#), from and after the Closing until the first (1<sup>st</sup>) anniversary thereof, the Seller, without any right of indemnification (including in regard to the status of the Seller as a member or manager, of the Company) or contribution from the Company shall assume liability for and indemnify, defend, reimburse and hold harmless Parent and each of its Affiliates (including, following the Closing, the Company and its Subsidiaries), and the Representatives and Affiliates of each of the foregoing Persons (each, a "[Parent Indemnified Person](#)" and collectively, the "[Parent Indemnified Persons](#)"), from, against and in respect of any and all Actions, Liabilities, Governmental Orders, Liens, Environmental Liabilities, losses, damages, bonds, dues, assessments, fines, interest, penalties, Taxes, fees, costs (including costs of investigation, defense and enforcement of this Agreement), expenses or amounts paid in settlement (in each case, whether or not realized and including attorneys', experts' and paralegal fees and other expenses and court costs at the administrative, trial and appellate levels), threatened or actual, and whether or not involving a third party claim (collectively, "[Losses](#)"), accrued, incurred or suffered by Parent Indemnified Persons or any of them as a result of, arising out of or in connection with:

- (i) the Disclosed Liabilities; or
- (ii) the Material R&W Insurance Policy Exclusion;

[provided](#), that with respect to items no. 7 and no. 8 on [Schedule 5.14\(a\)](#), the Parent Indemnified Parties shall only be entitled to indemnification under this [Section 11.03](#) for Losses as a result of, arising out of or in connection with a claim by LMC or any of its Affiliates which has been made prior to the date hereof.

(b) For the avoidance of doubt, Purchaser shall not be required to first seek recovery under and exhaust the R&W Insurance Policies before seeking recovery from Seller with respect to any such indemnity payment owed pursuant to this [Section 11.03](#).

(c) No claim may be made or suit instituted seeking indemnification pursuant to [Section 11.03\(a\)](#) unless a written notice describing the nature of the Losses related to the Disclosed Liabilities in reasonable detail in light of the circumstances then known to the Parent Indemnified Person, is provided to Seller at any time prior to 11:59 p.m. (Eastern Time) on the last day of the twelve (12) month period following the Closing Date. Notwithstanding the foregoing, if, at any time prior to 11:59 p.m.

(Eastern Time) on the last day of the twelve (12) month period following the Closing Date, any Parent Indemnified Person delivers to Seller a written notice alleging the existence or reasonably likely existence of Losses related to the Disclosed Liabilities and asserting a claim for Losses pursuant to [Section 11.03](#) regardless of whether litigation is commenced or a complaint in litigation is filed at such time or otherwise, then all indemnity obligations under this [Section 11.03](#) related thereto and the right to commence a proceeding in respect thereof shall survive until such claim is finally and fully resolved in accordance with this Agreement and the Losses for which a Parent Indemnified Person shall be entitled to recover under this Agreement in connection with any such claim shall include any Losses accrued, incurred, suffered or arising on or after the expiration of the applicable survival period until such claim is fully and finally resolved.

(d) The maximum aggregate amount of Losses that Parent Indemnified Persons will be entitled to recover under [Section 11.03\(a\)](#) shall not exceed \$20,000,000 (the “[Cap](#)”).

(e) Claims made by a third party which may give rise to a claim against Parent Indemnified Persons under this [Section 11.03](#) (a “[Third Party Claim](#)”) shall be conducted as follows:

(i) If any third party notifies a Parent Indemnified Person with respect to a Third Party Claim, then Parent will promptly give written notice to the Seller with respect to such Third Party Claim; provided, however, that no delay on the part of Parent in notifying Seller will relieve Seller from any obligation under this [Section 11.03](#), except to the extent that such delay shall have caused the Losses for which Seller is obligated to be greater than such damages would have been had Parent provided prompt notice hereunder.

(ii) Seller will have the right to assume the defense of the Parent Indemnified Person against the Third Party Claim with counsel satisfactory to Parent so long as (a) Seller gives written notice to Parent within fifteen (15) days after Parent has given notice of the Third Party Claim that the Seller will indemnify the Parent Indemnified Persons from and against the entirety of any and all Losses the Parent Indemnified Persons may suffer resulting from, arising out of, relating to, in the nature of or caused by the Third Party Claim, (b) Seller provides Parent with evidence reasonably acceptable to Parent that the Seller will have adequate financial resources to defend against the Third Party Claim and fulfill its indemnification obligations hereunder, (c) the Third Party Claim involves only money damages and does not seek an injunction or other equitable relief against any Parent Indemnified Person, (d) Parent does not reasonably believe that such Third Party Claim could negatively impact the Parent Indemnified Persons’ businesses, relationships with customers, vendors or other third Persons or future business prospects, (e) no Parent Indemnified Person has been advised by counsel that an actual or potential conflict exists between any Parent Indemnified Person and Seller in connection with the defense of the Third Party Claim, (f) the Third Party Claim does not relate to or otherwise arise in connection with any criminal or regulatory enforcement Action, (g) such Third Party Claim does not involve potential Losses that, together with the potential Losses associated with all other pending Claims, are reasonably expected to exceed the Cap and (h) Seller conducts the defense of the Third Party Claim actively and diligently (the foregoing conditions to such assumption of defense, collectively, the “[Assumption Conditions](#)”). The Parent Indemnified Person may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third Party Claim; provided, however, that the Seller will pay the fees and expenses of separate co-counsel retained by the Parent Indemnified Person that are incurred prior to Seller’s assumption of control of the defense of the Third Party Claim.

(iii) Seller will not consent to the entry of any judgment or enter into any compromise or settlement with respect to any Third Party Claim without the prior written consent of Parent, unless such judgment, compromise or settlement (a) provides for the payment by Seller of money as sole relief for the claimant, (b) results in the full and general release of all Parent Indemnified Persons from all Liabilities arising from, relating to or in connection with, the Third Party Claim and (c) involves no finding or admission of any violation of Legal Requirements or the rights of any Person and has no effect on any other claims that may be made against any Parent Indemnified Person.

(iv) If (x) Seller with respect to a Third Party Claim does not deliver the notice contemplated by clause (a), or the evidence contemplated by clause (b), of [Section 11.03\(e\)\(ii\)](#) within fifteen (15) days after the Parent Indemnified Person has given notice of the Third Party Claim, (y) any of the Assumption Conditions ceases to be met at any time with respect to a Third Party Claim, or (z) Seller otherwise at any time fails to conduct the defense of the Third Party Claim actively and diligently, any of the Parent Indemnified Persons may defend, and may consent to the entry of any judgment or enter into any compromise or settlement with respect to, the Third Party Claim in any manner such Person(s) may deem appropriate (and the Parent Indemnified Persons need not consult with, or obtain any consent from, Seller in connection therewith). If such notice and evidence is given on a timely basis and Seller conducts the defense of the Third Party Claim actively and diligently but any of the other conditions in [Section 11.03\(e\)\(ii\)](#) is or becomes unsatisfied, the Parent Indemnified Persons may defend, and may consent to the entry of any judgment or enter into any compromise or settlement with respect to, the Third Party Claim with the consent of Seller, which consent shall not be unreasonably delayed, conditioned or withheld. In the event that the Parent Indemnified Persons conduct the defense of the Third Party Claim pursuant to this [Section 11.03\(e\)\(iv\)](#), Seller will (a) advance (whether in cash or pursuant to a sale of Parent Shares in accordance with the procedures set forth in [Section 11.03\(g\)](#)) the Parent Indemnified Persons promptly and periodically for the costs of defending against the Third Party Claim (including attorneys' fees and expenses) and (b) remain responsible for any and all Losses that the Parent Indemnified Persons may incur or suffer resulting from, arising out of, relating to, in the nature of or caused by the Third Party Claim to the fullest extent provided in this [Section 11.03](#) (subject to the limitations set forth herein).

(v) The party or parties not in control of the prosecution or defense of a Third Party Claim will reasonably cooperate with the other party or parties in the conduct of the prosecution or defense of such Third Party Claim.

(f) The investigations and inquiries made by or on behalf of Parent and the information, materials and documents supplied to Parent or its Representatives in connection with their review of the Seller, the Company, its Subsidiaries and the Business were intended to provide Parent with the comfort necessary for it to enter into this Agreement but shall not (and were not intended to) limit or affect the representations and warranties of the Seller or the Company. The right of any Parent Indemnified Person to indemnification pursuant to this [Section 11.03\(f\)](#) will not be affected by any investigation conducted or knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement or the Closing, with respect to the accuracy of any representation or warranty referred to in this [Section 11.03\(f\)](#) or otherwise.

(g) Except as otherwise set forth in this [Section 11.03](#), any amount owing by Seller pursuant to this [Section 11.03](#) (the "[Indemnification Amount](#)") shall be paid by Seller in immediately available funds within five (5) Business Days after final determination of such amount by a court or arbitral

body of competent jurisdiction (an “Indemnity Determination”) or, at Seller’s election as set forth in writing delivered to Parent (email being sufficient) (an “Indemnity Payment Notice”):

(i) within five (5) Business Days after an Indemnity Determination, and provided that a sufficient number of Seller’s Parent Shares (A) are registered for resale pursuant to an effective registration under the Securities Act or (B) may be resold pursuant to Rule 144 under the Securities Act, Seller shall cause to be sold for cash a number of Parent Shares sufficient to satisfy the full Indemnification Amount and deliver such cash to the applicable Parent Indemnified Person(s) by wire transfer to an account designated in writing in the Indemnity Payment Notice within five (5) Business Days following such sale; or

(ii) within five (5) Business Days following an Indemnity Determination, Parent shall cause its transfer agent to cancel a number of Parent Shares, having a value based on the Closing Per Share Price of Parent Shares sufficient to satisfy the Indemnification Amount. If, however, Seller is not the record holder of such Parent Shares on the books of Parent’s transfer agent, then Seller shall cause such Parent Shares to be delivered to an account designated in writing by Parent within two (2) Business Days after delivery of an Indemnity Payment Notice and Seller shall execute and deliver such stock powers or other instruments of transfer and assignment as Parent may require to vest in Parent good and marketable title to such Parent Shares.

Payments (or the value thereof as determined above) received by any Parent Indemnified Person shall be treated by the parties as an adjustment to the Closing Date Purchase Price for Tax purposes to the extent permitted by applicable Law.

(h) Notwithstanding anything to the contrary set forth herein, no Parent Indemnified Person shall be entitled to indemnification or reimbursement under this Section 11.03 for any amount to the extent that such Parent Indemnified Person has been indemnified or reimbursed for such amount by any applicable insurance (less all costs and expenses incurred to obtain any such recovery including, without limitation, any increase of premium related to any insurance policy). Except for payments owed pursuant to Section 2.04, notwithstanding anything to the contrary contained in this Agreement, no Parent Indemnified Person shall have any right to indemnification under this Section 11.03 with respect to any Loss or alleged Loss to the extent included as a Liability in the final determination of the Closing Purchase Price pursuant to Section 2.04 and Parent has received in such adjustment the full amount of indemnification it otherwise would have been entitled to receive pursuant to this Section 11.03.

(i) The Seller hereby waives, acknowledges and agrees that it neither shall exercise or assert (or attempt to exercise or assert), any right of contribution, right of indemnity or other right or remedy against the Company or any of its Affiliates in connection with any indemnification obligation or any other Liability to which it may become subject under this Section 11.03.

(j) For the avoidance of doubt, and subject to the second sentence of Section 11.03(c), following the first (1<sup>st</sup>) anniversary of the Closing, Seller shall have no indemnification obligations under this Section 11.03.

ARTICLE XII

TAX MATTERS

12.01 Allocation of Certain Taxes. In the case of any Straddle Period, (a) the amount of any Taxes based on or measured by income, receipts, payments, or payroll of the Company Group for the portion of the Straddle Period ending on the Closing Date shall be determined based on an interim closing of the books as of the close of business on the Closing Date (and for such purpose, the taxable period of any controlled foreign corporation, partnership or other pass-through entity in which the Company or any of its Subsidiaries holds a beneficial interest shall be deemed to terminate at such time) and (b) the amount of other Taxes of the Company Group for the portion of the Straddle Period ending on the Closing Date shall be deemed to be the amount of such Tax for the entire Straddle Period multiplied by a fraction the numerator of which is the number of days in the portion of the Straddle Period ending on the Closing Date and the denominator of which is the total number of days in such Straddle Period; provided that, exemptions, allowances or deductions that are calculated on an annual basis (including depreciation and amortization deductions for property placed in service on or before the Closing Date) shall be allocated between the portion of the Straddle Period ending on the Closing Date and the portion of the Straddle Period beginning after the Closing Date in proportion to the number of days in each such period.

12.02 Pre-Closing Tax Returns. Parent shall prepare all Tax Returns of the Company Group that are due on or after the Closing Date, taking into account all valid extensions, with respect to any Pre-Closing Tax Periods. Each such Tax Return shall be true and correct in all respects and Parent shall prepare such Tax Returns on a basis consistent with the past customs, practices and accounting methods of prior similar Tax Returns of the Company Group (including applicable methods and elections) for the immediately preceding taxable period, unless otherwise required by applicable Law or this Agreement. Parent shall give a draft of each such Tax Return to Seller prior to filing for Seller's review and comment at least thirty (30) days (or, in the case of non-income Tax Returns, such shorter period as is reasonably practicable under the circumstances) prior to the date on which such Tax Return is required to be filed (taking into account applicable extensions) and shall incorporate any reasonable comments provided by Seller in writing at least ten (10) days (or, in the case of non-income Tax Returns, such shorter period as is reasonably practicable under the circumstances) before the date on which such Tax Return is due to be filed (taking into account any extensions). Parent shall not file or submit any such Tax Return that reflects a material amount of Taxes that is inconsistent with amounts for such Taxes for the immediately prior period without Seller's prior written consent (not to be unreasonably withheld, conditioned or delayed). The parties agree that the Transaction Tax Deductions shall, to the extent permitted by applicable Law, be reflected in the Pre-Closing Tax Period on all applicable Tax Returns. The provisions of this Section 12.02 shall not apply (i) following the final determination of the Closing Purchase Price pursuant to Section 2.04 or (ii) to the extent Seller (or any direct or indirect beneficial owner thereof) does not economically bear any Tax liability for Taxes arising from such Tax Returns under this Agreement.

12.03 Cooperation on Tax Matters. Following the Closing, Parent and the Final Surviving Company and its Subsidiaries, on the one hand, and Seller, on the other hand, and their respective Affiliates shall reasonably cooperate, at the requesting party's cost, in the preparation and review of all Tax Returns for any Tax periods, the conduct of any Tax proceeding and to the extent relating to Tax matters of the Company Group or in connection with the Tax treatment of the transactions contemplated by this Agreement, in each case to the extent relating to the Company Group. Such cooperation shall include the retention and, upon the other party's reasonable request, furnishing prior years' Tax Returns of the Company or any of its Subsidiaries or return preparation packages containing information relevant to the preparation of such Tax Returns and making employees and representatives available for discussion of such Tax matters.

12.04 Amended Tax Returns; Tax Elections. Unless otherwise contemplated by this Agreement or required by applicable Law (provided that Parent and Seller must agree whether any such action is required by applicable Law or if they cannot agree submit such determination to a mutually agreeable tax expert for dispute resolution), following the Closing, Parent will not, and will cause each of the Final Surviving Company, any successor thereto and any of their respective Subsidiaries not to, without Seller's prior written consent, which shall not be unreasonably withheld, conditioned or delayed: (a) other than in accordance with Section 12.02, file, re-file, amend, or otherwise modify any Tax Return of the Company or any of its Subsidiaries relating to a Pre-Closing Tax Period, (b) make, revoke or change any election with respect to the Company or any of its Subsidiaries with respect to, or that has retroactive effect to, any Pre-Closing Tax Period, (c) voluntarily approach any Governmental Body with respect to any Tax Returns or Taxes of the Company or any of its Subsidiaries for any Pre-Closing Tax Period (including, for the avoidance of doubt, through any voluntary disclosure agreement process), (d) file any ruling or request with any Governmental Body that relates to Taxes or Tax Returns of the Company or any of its Subsidiaries with respect to any Pre-Closing Tax Period, or (e) compromise, concede or settle any Tax liability of the Company or any of its Subsidiaries in respect of a Pre-Closing Tax Period; in the case of each of clauses (a) through (e), to the extent such action would reasonably be expected to (i) increase the amount of Taxes included in the Income Tax Amount hereunder, (ii) increase the amount of Taxes included in Closing Working Capital hereunder, or (iii) increase the Tax liability of Seller (or any direct or indirect beneficial owner thereof); provided that following the final determination of the Closing Purchase Price pursuant to Section 2.04 this Section 12.04 shall only apply to the extent such action would result in a decrease to any Tax Refund to which Seller is entitled pursuant to Section 12.08.

12.05 Transfer Taxes. At Closing or, if due thereafter, promptly when due, all transfer, property, documentary, sales, use, stamp, registration and other similar taxes, and all conveyance fees, recording charges and other similar fees and charges (together with any penalties, interest, or additions with respect to any such Tax) applicable to, arising out of or imposed upon the transactions contemplated by this Agreement ("Transfer Taxes") shall be paid by fifty percent (50%) by Parent and fifty percent (50%) by the Seller. The party required under applicable Law shall prepare and file any related Tax Return with respect to such Transfer Taxes and the other party shall cooperate reasonably in the preparation of such Tax Returns.

12.06 Section 336(e) and Section 338 of the Code. No party to this Agreement nor any Subsidiary or Affiliate thereof shall make an election under Section 336(e) or Section 338 of the Code (or any similar provision under state, local, or non-U.S. Law) with respect to the transactions contemplated by this Agreement.

12.07 Consolidated Group Matters. Parent covenants and agrees that Parent is a U.S. corporation, which corporation will be included in a consolidated return with the applicable Subsidiaries of the Company such that the taxable year of the Company and its applicable Subsidiaries will end on the Closing Date for U.S. federal income Tax purposes (and, to the maximum extent permitted by applicable Law, state and local income Tax purposes). All U.S. federal income Tax Returns (and, to the maximum extent permitted by applicable Law, applicable state and local income Tax Returns) including such Tax Returns of Parent, the Final Surviving Company, the Company and the applicable Subsidiaries of the Company, shall be filed in a manner consistent with the foregoing. Seller and Parent further agree that the U.S. federal income Tax Return of the Company for such taxable period ending on the Closing Date shall be prepared in accordance with Treasury Regulations Section 1.1502-76(b)(1)(ii) and that (a) none of Parent, the Final Surviving Company, the Company or any of their respective Affiliates shall make a ratable allocation election under Treasury Regulations Section 1.1502-76(b)(2) or any analogous provision of state, local or non-U.S. Law, and (b) in accordance with Treasury Regulations Section 1.1502-76 and any analogous provision of state, local or non-U.S. Law, any Taxes arising out of, relating to, or resulting from any transactions or actions engaged in by the Final Surviving Company or any applicable Subsidiary of the Company not in the

Ordinary Course of Business at the direction of Parent or any Affiliate thereof that occur on the Closing Date but after the Closing shall be allocable to the taxable period (or portion thereof) beginning after the Closing Date.

12.08 Tax Refunds. To the extent that, subsequent to the Closing Date, the Company Group receives on or before the second (2<sup>nd</sup>) anniversary of the Closing Date (a) any Tax refund attributable to any Pre-Closing Tax Period or (b) any credits against Taxes in lieu of refunds described in clause (a) that actually reduce cash Taxes otherwise payable by Parent, the Company Group or any of their respective Affiliates, in each case, described on Schedule 12.08, including any interest thereon (each, a “Tax Refund”), such Tax Refund shall be the property of Seller to the extent such Tax Refund is attributable to a Tax that was paid on or prior to the Closing Date by the Company Group; provided, however, that Seller shall not be entitled to a Tax Refund to the extent such Tax Refund (i) is attributable to the carryback of any loss, credit or other allowance arising in a post-Closing Tax period (or portion thereof), (ii) is required to be paid over by the Company Group or any of its Affiliates to any other Person under a provision of a Contract to which the Company Group or such Affiliate was a party prior to the Closing, or (iii) is included in the calculation of the Closing Purchase Price hereunder. Parent shall remit, and shall cause the Company Group to remit, such Tax Refund, net of any Taxes and documented out-of-pocket costs incurred by Parent, the Company Group or any of their respective Affiliates attributable to the obtaining and receipt of such Tax Refund, to Seller within thirty (30) days of, in the case of a refund, actual receipt of such refund in cash or, in case of a credit in lieu of a refund, the date on which the Tax Return claiming such credit is filed. To the extent any amount previously paid by Parent or the Company Group under this Section 12.08 is subsequently disallowed by a Governmental Body, Seller shall promptly pay such amount back to Parent or the Company Group, including penalties and interest in respect of such disallowed amount owed to any Governmental Body or other reasonable, documented and out-of-pocket costs of Parent, the Company Group, or any of their Affiliates, in connection with such disallowance.

12.09 Tax Treatment of Merger. For U.S. federal (and applicable state and local) income tax purposes, the parties hereto intend and agree that (i) the First Merger and the Second Merger, taken together, will constitute an integrated transaction that qualifies as a “reorganization” within the meaning of Section 368(a) of the Code and the Treasury Regulations thereunder (the “Intended Tax Treatment”) and this Agreement is intended to be, and is hereby adopted as, a “plan of reorganization” within the meaning of Treasury Regulations Section 1.368-2(g) and 1.368-3(a) to which Parent, Purchaser, Merger Sub and the Company are parties under Section 368(b) of the Code. The parties will prepare and file all income Tax Returns consistent with the Intended Tax Treatment and will not take any inconsistent position on any income Tax Return or during the course of any audit, litigation or other proceeding with respect to income Taxes, except to the extent required pursuant to a determination within the meaning of Section 1313(a) of the Code (or a similar provision of applicable state or local Law) or a change in applicable Law. Each of the parties agrees to promptly notify all other parties in writing of any challenge to the Intended Tax Treatment by any Governmental Body (with such notice including a copy of any such challenge). No party hereto shall take or cause to be taken any action, or fail to take or cause to be taken any action, which action or failure to act would reasonably be expected to prevent the First Merger and Second Merger, taken together, from qualifying for the Intended Tax Treatment.

12.10 Tax Sharing Agreements. All Tax sharing, allocation, indemnification or similar Contractual Obligation (other than this Agreement) to which the Company Group, on the one hand, and Seller or any of its Affiliates (other than the Company Group), on the other hand, are parties shall be terminated as of the Closing Date and, after the Closing Date, neither the Company nor any of its Subsidiaries, nor Seller nor any of its Affiliates, will be bound thereby or have any liability thereunder.

ARTICLE XIII

MISCELLANEOUS

13.01 Press Releases and Communications. No press release or public announcement related to this Agreement or the transactions contemplated by this Agreement, or, prior to the Closing, any other announcement or communication (other than by the Company, any of its Subsidiaries or any of their respective officers, employees and agents in the Ordinary Course of Business) to the employees, customers, suppliers or other business relations of the Company or any of its Subsidiaries, shall be issued or made without the joint approval of Parent and Seller, unless required by Law (in the reasonable opinion of counsel) in which case Parent and Seller shall have the right to review and comment on such press release or announcement prior to publication (in which case, any such comments shall be provided promptly, and in any event, within forty-eight (48) hours after such communication); provided that, Seller shall be entitled to communicate with and may disclose the terms and the existence of this Agreement and the transactions contemplated by this Agreement to its direct and indirect equityholders, as applicable, in order that such Persons may provide information about the subject matter of this Agreement and the transactions contemplated by this Agreement to their respective investors and prospective investors in connection with their fundraising and reporting activities, and following the consummation of the transactions contemplated by this Agreement, Seller and its Affiliates shall retain the right to disclose the Company's and its Subsidiaries' historical sales and earnings information for the period during which the Company was owned by Seller; provided further, that Parent shall be entitled to make any press release or other public announcement or filing required under applicable Law or Stock Exchange regulations or rule, including applicable SEC regulations (in the reasonable opinion of counsel), in which case, to the extent practicable under applicable Law or Stock Exchange regulations or rule Seller shall have the right to review and comment on such press release or announcement prior to publication (in which case, any such comments shall be provided promptly, and in any event, within forty-eight (48) hours after such communication). For the avoidance of doubt, each party hereto may make announcements to their respective employees or other business relations that are not inconsistent in any material respects with the parties' prior public disclosures regarding the transactions contemplated by this Agreement.

13.02 Expenses. Whether or not the Closing takes place, except as otherwise provided herein, all fees, costs and expenses (including fees, costs and expenses of legal counsel, investment bankers, brokers or other representatives and consultants and appraisal fees, costs and expenses, and travel, lodging, entertainment and associated expenses) incurred in connection with the negotiation and performance of this Agreement, the Seller Documents, the Company Documents, the Parent Documents, and the consummation of the transactions contemplated hereby and thereby (a) by the Company Group (including all fees payable by the Company or any of its Subsidiaries to AE Consultant in connection with this Agreement or the transactions contemplated by this Agreement) shall be paid by Seller or, prior to the Closing, by the Company Group, or (b) by Parent, Purchaser or Merger Sub shall be paid by Parent. Without limiting the generality of the foregoing and for the avoidance of doubt, (x) Parent shall pay fifty percent (50%), and the Company shall pay the other fifty percent (50%), of any and all expenses relating to (1) the R&W Insurance Policies, (2) all costs and fees (including all filing fees incurred by the Parties) in connection with any HSR Act or Other Antitrust Regulations and FDI Regulations filing or any regulatory approval required by any Governmental Body in connection with the transactions contemplated by this Agreement, (3) costs of the D&O Tail Policies, and (4) any Transfer Taxes, (y) Parent shall pay fifty percent (50%), and the Company shall pay the other fifty percent (50%) of the first \$900,000 of any and all costs, fees and expenses associated with preparing the Required Financial Statements and the Company shall pay one hundred percent (100%) of any and all costs, fees and expenses associated with preparing the Required Financial Statements in excess of \$900,000. For the avoidance of doubt, the expenses for which the Company (but not, for the avoidance of doubt, the Final Surviving Company) is responsible pursuant to this Section 13.02 are and shall be Transaction Expenses to the extent not paid prior to the Closing.

13.03 Notices. Except as otherwise expressly provided herein, all notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be deemed to have been given (a) when personally delivered, (b) when transmitted by electronic mail (unless the sender receives a notice of failure of transmission in connection therewith), (c) the day following the day (except if not a Business Day, then the next Business Day) on which the same has been delivered prepaid to a reputable national overnight air courier service or (d) the third (3rd) Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case to the respective parties hereto at the address set forth below, or at such other address as such party may specify by written notice to the other party hereto:

13.04 Assignment. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, except that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Parent, the Company or Seller without the prior written consent of the other parties hereto; provided that, substantially simultaneously with (but not prior to) the Closing, each of Parent and the Company (or, following the Closing, the Final Surviving Company) may assign, without the prior written consent of the other parties hereto, any or all of their respective rights under this Agreement to their lenders as collateral security for their obligations under any of their secured debt financing arrangements.

13.05 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement, and the remaining provisions should be effective to the greatest extent possible.

13.06 Construction. The language used in this Agreement shall be deemed to be the language chosen by the parties hereto to express their mutual intent, no rule of strict construction shall be applied against any Person, and any controversy over interpretations of this Agreement will be decided without regard to events of drafting or preparation. The parties hereto hereby agree that time is of the essence with respect to the performance of each of the parties' obligations under this Agreement. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and shall in no way restrict, expand, or otherwise modify any of the terms or provisions hereof. The parties intend that each representation, warranty and covenant contained herein will have independent significance. If any party has breached or violated, or if there is an inaccuracy in, any representation, warranty or covenant contained herein, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which the party has not breached or violated, or in respect of which there is not an inaccuracy, will not detract from, be a defense against, or mitigate the fact that the party has breached or violated, or there is an inaccuracy in, the given representation, warranty or covenant. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Disclosure Schedules or exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course of Business, and no party shall use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Disclosure Schedules, or exhibits in any dispute or controversy between the parties hereto as to whether any obligation, item or matter not set forth or included in this Agreement, the Disclosure Schedules, or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or is within or outside of the Ordinary Course of Business for purposes of this Agreement. In addition, matters reflected in the Disclosure Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Disclosure Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. The Disclosure Schedules have been arranged in separate sections and subsections, with each section solely qualifying the corresponding section or subsection of Article I, Article IV, Article V and Article VII; provided that, information disclosed on one section or subsection of the Disclosure Schedules shall be deemed to be disclosed on another section or subsection of the Disclosure Schedules or be deemed to be an exception to another representation and warranty in Article IV, Article V or Article VII, in each case, only if the relevance of such information to such other section or subsection of the Disclosure Schedules is reasonably apparent on its face. Capitalized terms used in the Disclosure Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The information contained in this Agreement, in the Disclosure Schedules, and exhibits hereto is disclosed solely for purposes of this Agreement, and no

information contained herein or therein shall be deemed to be an admission by any party hereto to any third party of any matter whatsoever (including any violation of Law or breach of contract).

13.07 Amendment and Waiver. Except as provided herein, any provision of this Agreement or the Disclosure Schedules or exhibits hereto may be amended or waived only in a writing signed by a duly authorized officer of Seller, the Company (or, following the Closing, the Final Surviving Company) and Parent respectively. No waiver of any provision hereunder or any breach or default thereof, or any inaccuracy in any representation, warranty or covenant hereunder, shall extend to or affect in any way any rights arising by virtue of any prior or subsequent such occurrence or by virtue of any other provisions.

13.08 Complete Agreement. This Agreement, the Ancillary Agreements and the other agreements, instruments, and documents contemplated hereby or executed in connection herewith (including the Confidentiality Agreement) contain the complete agreement between the parties hereto and supersede any prior or contemporaneous understandings, agreements or representations by or between the parties hereto, written or oral, which may have related to the subject matter hereof in any way, including any letter of intent. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement) and will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the parties hereto.

13.09 Third Party Beneficiaries. Section 8.03 shall be enforceable by each of the current and former officers, directors or similar functionaries of the Company Group and his or her heirs and representatives, and Section 13.14 shall be enforceable by K&E and Sorainen, and Section 13.20 shall be enforceable by the Debt Financing Sources. Except as otherwise expressly provided in this Section 13.09, nothing expressed or referred to in this Agreement will be construed to give any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement to any Person other than (a) the parties to this Agreement, (b) for purposes of Section 8.03, each of the current and former officers, directors or similar functionaries of the Company Group and his or her heirs and representatives, and (c) for purposes of Section 13.14, K&E and Sorainen.

13.10 Counterparts. This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments hereto or thereto, may be executed in two (2) or more counterparts, all of which shall constitute one and the same instrument. Any such counterpart, to the extent delivered by .pdf, .tif, .gif, .jpeg or similar attachment to electronic mail (any such delivery, an “Electronic Delivery”) shall be treated in all manner and respects as an original executed counterpart and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto, each other party hereto or to any signed agreement or instrument entered into in connection with this Agreement, or any amendments hereto or thereto, shall re-execute the original form of this Agreement, or the applicable signed agreement, instrument or amendment, and deliver such form to all other parties hereto or thereto. Any request to re-execute this Agreement shall not alter the Agreement’s effective date. No party hereto shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract, and each such party forever waives any such defense, except to the extent such defense relates to lack of authenticity. Minor variations in the form of the signature page, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining a party’s intent or the effectiveness of such signature.

13.11 GOVERNING LAW; CHOICE OF LAW; VENUE; SERVICE OF PROCESS; WAIVER OF JURY TRIAL.

(a) EXCEPT AS SET FORTH IN SECTION 13.20, ALL ISSUES AND QUESTIONS CONCERNING THE CONSTRUCTION, VALIDITY, INTERPRETATION AND ENFORCEABILITY OF THIS AGREEMENT, THE DISCLOSURE SCHEDULES ATTACHED HERETO AND THE ANCILLARY AGREEMENTS, AND THE PERFORMANCE OF THE OBLIGATIONS IMPOSED HEREUNDER SHALL BE INTERPRETED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, INCLUDING ITS STATUTES OF LIMITATIONS (EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT), WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAW RULES OR PROVISIONS (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OR STATUTE OF LIMITATIONS OF A JURISDICTION OTHER THAN THE STATE OF DELAWARE. ANY AND ALL ACTIONS AND CAUSES OF ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE DISCLOSURE SCHEDULES ATTACHED HERETO OR THE ANCILLARY AGREEMENTS, WHETHER SOUNDING IN CONTRACT, TORT OR STATUTE, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF DELAWARE, INCLUDING ITS STATUTES OF LIMITATIONS (EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT), WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAW RULES OR PROVISIONS (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OR STATUTE OF LIMITATIONS OF A JURISDICTION OTHER THAN THE STATE OF DELAWARE.

(b) For the avoidance of doubt, the parties hereto intend the arbitration provision set forth in Section 13.12 to be binding and applicable to the broadest extent possible, and include this sub- paragraph (b) to address only matters that: (1) are permitted to be brought in court pursuant to Sections 13.12(d) and 13.18 and (2) in the event a court, arbitrator, arbitral society, or another person or body were to determine that a particular dispute is not arbitrable. Nothing in this subsection alters the parties' rights under Section 13.12. In the event that certain disputes arising out of or relating to this Agreement or the Disclosure Schedules attached hereto are not required to be arbitrated pursuant to Section 13.12, the parties agree as follows:

(c) Jurisdiction and Venue. Each party, by its execution hereof: (a) hereby irrevocably attorns and submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware or the federal court sitting in the City of Wilmington, Delaware for the purpose of any of the litigation referenced in the immediately preceding sub-paragraph occurring between or among the parties (or any of them); (b) hereby waives and agrees not to assert, by way of motion, as a defense or otherwise, in any such litigation, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that any such litigation brought in one of the above-named courts should be dismissed on grounds of *forum non conveniens*, should be transferred or removed to any court other than one of the above-named courts, or should be stayed by reason of the pendency of some other proceeding in any court other than one of the above-named courts, or that this Agreement or the subject matter hereof may not be enforced in or by such court; and (c) hereby agrees not to commence any such litigation (including for a declaratory judgment or the like) other than before one of the above-named courts. Notwithstanding the previous sentence, a party may commence litigation in a court other than the above-named courts solely for the purpose of enforcing an order or judgment issued by one of the above-named courts. For the avoidance of doubt, because this provision addresses a court's jurisdiction, as noted in the immediately preceding subparagraph, nothing herein alters the rights and obligations of the parties to arbitrate disputes pursuant to Section 13.12. Each party further waives any claim, and will not assert, that venue should properly lie in any other location within the selected jurisdiction or otherwise.

(d) Service of Process. Each party hereby: (a) consents to service of process in any litigation in court between the parties arising out of or relating to this Agreement in any manner permitted by the Laws of the State of Delaware; (b) agrees that service of process made in accordance with clause (a) or made by registered or certified mail return receipt requested and with a simultaneous e-mail notification, at its physical and electronic addresses specified pursuant to [Section 13.03](#), will constitute good and valid service of process in any such litigation; and (c) waives and agrees not to assert (by way of motion, as a defense, or otherwise) in any such litigation any argument that service of process made in accordance with clause (a) or (b) does not constitute good and valid service of process.

(e) WAIVER OF JURY TRIAL. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE AND COVENANT THAT THEY WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT, RESPONDENT OR OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY LITIGATION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE DISCLOSURE SCHEDULES ATTACHED THERETO OR THE ANCILLARY AGREEMENTS, OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO IN RESPECT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS RELATED HERETO, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE (INCLUDING, FOR THE AVOIDANCE OF DOUBT, ANY EQUITABLE RELIEF). THE PARTIES AGREE THAT ANY OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE THEIR RIGHTS TO TRIAL BY JURY IN ANY ACTION WHATSOEVER BETWEEN OR AMONG THEM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE DISCLOSURE SCHEDULES ATTACHED HERETO OR THE ANCILLARY AGREEMENTS, WHICH LITIGATION WILL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY. FOR THE AVOIDANCE OF DOUBT, NOTHING IN THIS [SECTION 13.11\(e\)](#) PREJUDICES THE RIGHTS AND OBLIGATIONS OF THE PARTIES TO ARBITRATE DISPUTES PURSUANT TO [SECTION 13.12](#).

#### 13.12 Arbitration.

(a) Except for disputes, controversies or claims arising under [Section 2.04](#) (which will be resolved in accordance with the dispute resolution provisions set forth therein, except that in the event a dispute arises over whether a party has failed to comply with [Section 2.04](#), then this provision shall apply to resolve such dispute), for other claims seeking specific performance or injunctive relief (for which the provisions of [Section 13.11](#), [Section 13.18](#) and subsection (d) of this [Section 13.12](#) will be applicable) or as otherwise explicitly set forth in an Ancillary Agreement, all disputes, controversies or claims arising out of or relating to this Agreement or the transactions contemplated by this Agreement (whether in contract, tort, equity or otherwise), including the arbitrability of any dispute or controversy that cannot be settled by mutual agreement will be finally settled by binding arbitration in accordance with the JAMS Comprehensive Arbitration Rules & Procedures (“[JAMS Rules](#)”) and this [Section 13.12](#). Prior to submitting a dispute to arbitration, any party hereto aggrieved will deliver a notice to the other party setting forth the specific points in dispute. Any points remaining in dispute twenty (20) days after the giving of such notice may, upon ten (10) days’ notice to the other party, be submitted to JAMS arbitration conducted before a panel of three (3) arbitrators in New York, New York ( provided that, if the arbitrators unanimously determine in their reasonable discretion that an arbitration cannot be conducted in-person in such location without jeopardizing the health and safety of the parties or the arbitrators, then the arbitration may be conducted either in an alternative location or via video conference, as determined by the arbitrators in their reasonable discretion). Parent and Seller will each appoint one (1) arbitrator (the “Party-Appointed Arbitrators”) within fourteen (14) days of service of the claim, and the Party-Appointed Arbitrators will appoint the third and presiding arbitrator within fourteen (14) days of the appointment of the second

arbitrator; provided that, any arbitrator not timely appointed herein will be appointed in accordance with the JAMS Rules upon the written demand of any party to the dispute. Anything in the JAMS Rules notwithstanding, if, for any reason, a Party-Appointed Arbitrator is unable to fulfill his or her arbitrator duties, the party that appointed that arbitrator shall select a replacement Party-Appointed Arbitrator, unless the Parties expressly agree to proceed with the remaining two arbitrators. In the event a party fails to participate in the arbitration proceedings, JAMS Rules addressing the absence of a party shall apply.

(b) The decision of the arbitrators on the points in dispute will be final, unappealable and binding, and judgment on the award may be entered in any court having jurisdiction thereof. The arbitrators will only be authorized to interpret the provisions of this Agreement, and will not amend, change or add to any such provisions. The parties hereto agree that this provision has been adopted by the parties to rapidly and inexpensively resolve any disputes between them and that this provision will be grounds for dismissal of any court action commenced by any party with respect to this Agreement (other than disputes, controversies or claims arising under Section 2.04 (which will be resolved in accordance with the dispute resolution provisions set forth therein) or other claims seeking injunctive relief (for which the provisions of Section 13.18 will be applicable)).

(c) The parties hereto and the arbitrators will keep confidential, and will not disclose to any person, except the parties' advisors and legal representatives, or as may be required by Law (including to enforce, confirm or vacate an arbitral award (though the parties will attempt to submit all such court filings under seal, subject to the court's approval)), the existence of any controversy under this Section 13.12, the referral of any such controversy to arbitration or the status or resolution thereof.

(d) The parties hereto may seek any interim or conservatory relief, including an injunction or injunctions, to prevent breaches of this Agreement, at the moving party's option, in arbitration pursuant to Section 13.12 or in the Court of Chancery of the State of Delaware; provided, however, that if such court does not have jurisdiction over any such action or proceeding, such action or proceeding will be heard and determined exclusively in any Delaware state or federal court sitting in the City of Wilmington, Delaware, this being in addition to any other substantive remedy to which such party is entitled at law or in equity. Any such litigation for such measures or for the implementation or enforcement of any such measures ordered by an arbitral tribunal will not be deemed to be an infringement or a waiver of this Section 13.12 and will not affect the relevant powers reserved to the arbitral tribunal. Any party seeking an injunction, a decree or order of specific performance shall not be required to provide any bond or other security in connection therewith and any such remedy shall be in addition and not in substitution for any other remedy to which such party is entitled at law or in equity.

13.13 Prevailing Party. Except with respect to disputes resolved according to Section 2.04, all other disputes (including, for the avoidance of doubt, any dispute arbitrated under Section 13.12 or any litigation or arbitration that relates to Section 2.04 that is not resolved pursuant to Section 2.04) arising out of or related to this Agreement, any of the exhibits or schedules hereto, or any agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Agreement, any of the exhibits or schedules hereto, or any agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage (between zero (0) percent to one hundred (100) percent, as deemed appropriate) of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Agreement, any of the exhibits or schedules hereto, or any agreement, document, instrument or certificate contemplated hereby or thereby; provided that, notwithstanding the foregoing, no prevailing party in any

such action shall be entitled to an award of attorneys' fees based on any contingent, "success fee" or similar arrangement.

13.14 Legal Representation. Following consummation of the transactions contemplated by this Agreement, the Company's and its Subsidiaries' current and former legal counsel (including K&E and Sorainen, each "Company Counsel") may serve as counsel to each and any of Seller and its Non-Recourse Parties, in connection with any litigation, claim or obligation arising out of or relating to this Agreement or the transactions contemplated by this Agreement notwithstanding such representation or any continued representation of any other Person (including Seller and its Affiliates), and each of the parties hereto (on behalf of itself and each of its Non-Recourse Parties) consents thereto and waives any conflict of interest arising therefrom. The decision to represent any of Seller and its Non-Recourse Parties shall be solely that of such Company Counsel. Any attorney-client privilege, work product protection or expectation of confidentiality arising out of or as a result of any Company Counsel's representing of the Company or any of its Subsidiaries in any matter relating in any way to Seller, AE Industrial Partners, LP and their respective Affiliates or in connection with the transactions contemplated by this Agreement or any Ancillary Agreement (collectively, the "Privileges") shall survive the Closing and shall remain in full force and effect; provided that, notwithstanding anything to the contrary in this Agreement or any Company Document, the Privileges and all information, data, documents or communications, in any format and by whomever possessed, covered by or subject to any of the Privileges (collectively, "Privileged Materials") shall, from and after the Closing, automatically be assigned and exclusively belong to, and be controlled by, Seller. For the avoidance of doubt, as to any Privileged Materials, Parent and the Company (including, after the Closing, the Final Surviving Company), together with any of their respective Affiliates, successors or assigns, agree that no such party may, as a result of this Agreement or any Ancillary Agreement or otherwise (except as expressly provided below), assert that it has a right to use or rely on any of the Privileged Materials in any action or claim against or involving any of the parties hereto or any of their respective Non-Recourse Parties after the Closing, and Seller, AE Industrial Partners, LP and their respective Affiliates shall have the right to assert any of the Privileges against the Company (including, after the Closing, the Final Surviving Company) and its Subsidiaries, provided, however, that to the extent the common law or any applicable statute would waive privilege (by way of example only, and in no way limited to this example, via the crime-fraud exemption), Parent reserves the right to argue that any relevant privilege has been waived. Parent further agrees that, on its own behalf and on behalf of its Subsidiaries (including, following the Closing, the Final Surviving Company), any Company Counsel's retention by the Final Surviving Company or any of its Subsidiaries shall be deemed completed and terminated without any further action by any Person effective as of the Closing, except that this provision shall not apply to Company Counsel in any ongoing litigation or arbitral proceedings filed prior to Closing for which Company Counsel had been engaged, provided, however, that such proceedings have no relation to this Agreement or any Ancillary Agreement. For the avoidance of further doubt, any attorney client privilege, work product protection or expectation of confidentiality arising out of or as a result of Company Counsel's representation of the Company Group in any matter other than the transactions contemplated by this Agreement or any Ancillary Agreement, shall be deemed as having been held by the Company and shall pass to the Final Surviving Company. The Final Surviving Company shall cause each of its future direct and indirect Subsidiaries and its and their successors and assigns that are not signatories to this Agreement to fulfill and comply with the terms of this Section 13.14 and take any and all other steps necessary to effect the agreements in this Section 13.14.

13.15 Non-Recourse Parties. Notwithstanding any provision of this Agreement or otherwise, the Parties agree on their own behalf and on behalf of their Subsidiaries and Affiliates that no Non-Recourse Party of a Party shall have any liability relating to this Agreement or any of the transactions contemplated by this Agreement except to the extent agreed to in writing by such Non-Recourse Party.

13.16 Disclosures to Parent. The phrase “made available” in this Agreement means that such document or information has been uploaded for review and download to the Data Room as of 11:59 p.m. Eastern Time on the day that is two (2) days prior to the date of this Agreement.

13.17 Conflict Between Transaction Documents. The parties hereto agree and acknowledge that to the extent any terms and provisions of this Agreement are in any way inconsistent with or in conflict with any term, condition or provision of any other agreement, document or instrument contemplated hereby, this Agreement shall govern and control.

13.18 Specific Performance.

(a) The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that money damages or legal remedies would not be an adequate remedy for any such damages. Therefore, it is accordingly agreed that, subject to [Section 9.02](#), [Section 13.11](#) and [Section 13.12\(d\)](#), as applicable, each party shall be entitled to enforce specifically the terms and provisions of this Agreement, or to enforce compliance with, the covenants and obligations of any other party, and appropriate injunctive relief shall be granted in connection therewith, and no party shall assert that a remedy of specific performance or other equitable relief is unenforceable, invalid, contrary to law or inequitable for any reason, nor that a remedy of monetary damages (including any amounts payable pursuant to [Section 9.02](#)) would provide an adequate remedy or that the parties hereto otherwise have an adequate remedy at law. Any party seeking an injunction, a decree or order of specific performance shall not be required to provide any bond or other security in connection therewith and, subject to [Section 9.02](#), any such remedy shall be in addition and not in substitution for any other remedy to which such party is entitled at law or in equity.

(b) Notwithstanding the foregoing, it is expressly agreed that:

(i) Seller will be entitled to specific performance of Parent’s, Purchaser’s and Merger Sub’s obligations to consummate the Closing only in the event that (i) all conditions set forth in [Section 3.01](#) and [Section 3.03](#) have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, each of which shall be capable of being satisfied by the date the Closing is required to have occurred pursuant to this Agreement) and Parent, Purchaser or Merger Sub fails to complete the Closing by the date the Closing is required to have occurred pursuant to this Agreement, (ii) funds in an amount sufficient to allow Parent to pay all cash amounts required to be paid by it pursuant to this Agreement are available to Parent from any Debt Financing or Equity Financing pursuant to the terms of the applicable agreements with respect thereto and (iii) Seller has irrevocably confirmed in a written notice delivered to Parent that Seller and the Company are ready, willing and able to consummate the Closing. Until such time as Parent pays the Termination Fee in accordance with [Section 9.02](#), the remedies available to Seller pursuant to this [Section 13.18](#) will be in addition to Seller’s and the Company’s right to seek payment of the Termination Fee in accordance with [Section 9.02](#). Under no circumstances may Seller, the Company or any of the Non Recourse Parties seek or be entitled to any other remedy at law or in equity, and the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit Seller from seeking to collect or collecting the Termination Fee pursuant to [Section 9.02](#); provided, however, that if the Termination Fee is paid, then Seller and the Company shall no longer have the right to initiate or maintain any action for any other remedy, including specific performance to consummate the Closing.

(ii) Parent shall be entitled to specific performance of Seller's and the Company's obligations to consummate the Closing only in the event that (i) all conditions set forth in [Section 3.02](#) and [Section 3.03](#) have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, each of which shall be capable of being satisfied by the date the Closing is required to have occurred pursuant to this Agreement) and Seller or the Company fails to complete the Closing by the date the Closing is required to have occurred pursuant to this Agreement, and (ii) Parent has irrevocably confirmed in a written notice delivered to Seller that if the Closing Equity Consideration, Closing Date Cash Payment Amount, if any, and Debt Financing, if any, are funded, then it shall consummate the Closing. The remedies available to Parent pursuant to this [Section 13.18](#) will be in addition to any other remedy to which it or Purchaser is entitled at law or in equity.

(c) If, before the Outside Date, any party hereto brings any action to enforce specifically the performance of the terms and provisions hereof by any other party, then the Outside Date will automatically be extended (i) for the period during which such action is pending and until such action has been finally resolved by a non-appealable ruling by an arbitrator or court of competent jurisdiction in accordance with the terms hereof, plus ten (10) Business Days, or (ii) by such greater time period established by the court or arbitrator presiding over such action, as the case may be.

13.19 [Relationship of the Parties](#). Nothing in this Agreement shall be deemed to constitute the parties hereto as joint venturers, alter egos, partners or participants in an unincorporated business or other separate entity, nor in any manner create any principal-agent, fiduciary or other special relationship between the parties hereto. No party shall have any duties (including fiduciary duties) towards any other party hereto except as specifically set forth herein.

13.20 [Debt Financing Sources](#). Notwithstanding anything herein to the contrary, each of the parties hereto, on behalf of itself and each of its Subsidiaries and other controlled Affiliates, agrees that:

(a) no Debt Financing Source shall have any liability hereunder (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or losses arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of or by reason of this Agreement or its negotiation, execution, performance, or breach (provided that nothing in this [Section 13.20](#) shall limit the liability or obligations of the Debt Financing Sources under the applicable debt commitment letters or any definitive agreements with respect to the Debt Financing); and

(b) only Parent (including its permitted successors and assigns under the applicable debt commitment letters or the applicable definitive agreement with respect to the Debt Financing) shall be permitted to bring any claim against a Debt Financing Source for failing to satisfy any obligation to fund the Debt Financing pursuant to the terms of the applicable debt commitment letters or any definitive agreement with respect thereto.

(c) No amendment or waiver of this [Section 13.20](#) (or the definitions used herein) shall be effective to the extent such amendment is adverse to the Debt Financing Sources without the prior written consent of the Debt Financing Sources. In addition, in no event will any Debt Financing Source be liable for consequential, special, exemplary, punitive or indirect damages (including any loss of profits, business, or anticipated savings), or damages of a tortious nature in connection with the Debt Financing. If, notwithstanding the foregoing waivers, any claim is brought against the Debt Financing Sources, such claim will be governed by the laws of the State of New York (without giving effect to any conflicts of law principles that would result in the application of the laws of another state) and subject to the jurisdiction limitations and waiver of jury trial provisions set forth in the applicable debt commitment letters as if fully

set forth herein. The Debt Financing Sources are intended third-party beneficiaries of this Section 13.20. This Section 13.20 shall, with respect to the matters referenced herein, supersede any provision of this Agreement to the contrary.

THIS VOTING AND SUPPORT AGREEMENT (this “Agreement”) is entered into as of January 20, 2025, by and between Redwire Corporation, a Delaware corporation (“Parent”), and the holders of the Shares (as defined below) identified on the signature pages hereto (collectively, the “Stockholder”). Capitalized terms used but not defined in this Agreement shall have the respective meanings assigned thereto in the Merger Agreement (as defined below).

**RECITALS**

WHEREAS, as of the date hereof, Stockholder, directly or indirectly with its Affiliates, is a holder of record and/or the “beneficial owner” (within the meaning of Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) of shares of common stock, \$0.0001 par value per share (the “Common Stock”) and shares of Series A Convertible Preferred Stock, par value \$0.0001 per share (the “Preferred Stock”), which shares of Preferred Stock are convertible into shares of Common Stock and vote on as-converted basis with the holders of Common Stock, of the Parent, all as set forth on Schedule A hereto (the “Existing Shares”).

WHEREAS, Edge Autonomy Ultimate Holdings, LP, a Delaware limited partnership, (ii) Edge Autonomy Intermediate Holdings, LLC, a Delaware limited liability company (the “Company”), (iii) Parent, (iv) Echelon Merger Sub, Inc., a Delaware corporation and (v) Echelon Purchaser, LLC, a Delaware limited liability company, are entering into an Agreement and Plan of Merger on the date hereof (such agreement, as it may be amended, the “Merger Agreement”), which provides (subject to the conditions set forth therein) for, among other things, the acquisition of the Company through merger transactions set forth in the Merger Agreement (collectively, the “Merger”).

WHEREAS, Stockholder is entering into this Agreement in order to induce Parent to enter into the Merger Agreement and to cause the Merger to be consummated.

**AGREEMENT**

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements set forth herein, as well as other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Parent and the Stockholder agree as follows:

**ARTICLE I**  
**AGREEMENT TO VOTE****Section 1.1. Agreement to Vote.**

(a) From and after the date of this Agreement until the date that is the earliest of the following to occur: (a) the consummation of the Merger, (b) the termination of the Merger Agreement in accordance with its terms and (c) the written consent of the Stockholder and Parent (such earlier date, the “Expiration Date”), the Stockholder irrevocably and unconditionally agrees, subject to Section 5.1, that at any meeting (whether annual or special and each adjourned, rescheduled or postponed meeting) of the Parent’s stockholders, however called, or in connection

---

with any written consent of the Parent's stockholders, in each case, upon which a vote, consent or other approval (including a written consent) with respect to the Merger Agreement, the Merger or the Stock Issuance is sought, the Stockholder will (i) appear at such meeting (in person or by proxy) or otherwise cause all of the Stockholder's Existing Shares and any other shares of Common Stock or Preferred Stock over which it has acquired record or beneficial ownership after the date of this Agreement (including, without limitation, any shares of Common Stock or Preferred Stock acquired by means of purchase, dividend or distribution, or issued upon the exercise of any stock options, warrants, restricted stock units or other rights to acquire Common Stock, Preferred Stock or the conversion of any convertible securities, the vesting of equity awards or otherwise) (collectively, the "New Shares," and together with the Existing Shares, the "Subject Shares"), which it owns as of the applicable record date, to be counted as present thereat for purposes of determining a quorum, and respond to each request by Parent for written consent, if any, and (ii) unless the Parent shall have publicly announced and not rescinded a Change in Recommendation, vote (including via proxy) or execute consents with respect to (or cause to be voted (including via proxy) or consents to be executed with respect to) all such Subject Shares (A) in favor of the issuance of shares of Common Stock by Parent pursuant to the Merger as partial consideration for the acquisition of the Company pursuant to the Merger, including for purposes of Rule 312.03 of the New York Stock Exchange, (B) in favor of the Equity Financing, if any, (C) any proposal to adjourn or postpone such meeting of the Parent's stockholders to a later date as may be requested by the Parent, and (D) against any action, proposal, transaction or agreement that would reasonably be expected to prevent, materially impede or materially delay the consummation of the transactions contemplated by the Merger Agreement or the issuance of shares of Common Stock by Parent as partial consideration for the acquisition of the Company pursuant to the Merger or the Equity Financing, if any, including against any action, agreement or transaction that would reasonably be expected to result in (x) a material breach of or failure to perform any representation, warranty, covenant or agreement of the Parent under the Merger Agreement or (y) any of the conditions set forth in Article III of the Merger Agreement not being satisfied. The Stockholder shall retain at all times the right to vote the Stockholder's Subject Shares in the Stockholder's sole discretion, and without any other limitation, on any matters other than those set forth in this Section 1.1 that are at any time or from time to time presented for consideration to the Parent's stockholders generally. The Stockholder shall not be restricted from voting in favor of, against or abstaining with respect to any other matter presented by the Parent's stockholders.

(b) The Stockholder hereby revokes (and agrees to cause to be revoked and to promptly communicate in writing notice of such revocation to the relevant proxy holder) any proxies that the Stockholder has granted before the date hereof with respect to the Subject Shares. For the avoidance of doubt, nothing in this Section 1.1(b) shall revoke, cancel or in any way diminish the proxy and power of attorney set forth in Section 1.1(c).

(c) The Stockholder hereby irrevocably grants to, and appoints, Parent, all officers of Parent, and any person or persons designated in writing by Parent, and each of them individually, as the Stockholder's proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of the Stockholder, to vote all its Subject Shares, or grant a consent or approval in respect of such Shares, or execute and deliver a proxy to vote such Shares, on the matters and in the manner specified in Section 1.1(a) (but not on any other matters); provided, that Parent shall only use such proxy in the event that the Stockholder breaches the terms of this Section

1.1. The Stockholder hereby affirms that the irrevocable proxy set forth in this Section 1(c) is given in connection with, and in consideration of, the execution of the Merger Agreement by Parent, and that such irrevocable proxy is given to secure the performance of the duties of the Stockholder under this Agreement and that no such further written instrument or proxy shall be necessary. The Stockholder hereby further affirms that the irrevocable proxy is coupled with an interest sufficient in law to support an irrevocable power and may under no circumstances be revoked. The Stockholder hereby ratifies and confirms all actions that such irrevocable proxy may lawfully do or cause to be done by virtue hereof. Such irrevocable proxy is executed and intended to be irrevocable until such time as this Agreement shall have been terminated in accordance with its terms.

## ARTICLE II REPRESENTATIONS AND WARRANTIES OF THE STOCKHOLDER

The Stockholder represents and warrants to Parent that:

**Section 2.1. Authorization; Binding Agreement.** The Stockholder has the requisite legal capacity to execute and deliver this Agreement and to perform such Stockholder's obligations hereunder. The execution and delivery of this Agreement has been duly and validly executed and delivered by the Stockholder and, assuming due authorization, execution and delivery hereof by the Parent, constitutes a legal, valid and binding obligation of the Stockholder, enforceable against the Stockholder in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and similar Laws relating to or affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

**Section 2.2. Non-Contravention.** Neither the execution and delivery of this Agreement by the Stockholder nor the consummation of the transactions contemplated hereby nor compliance by the Stockholder with any provisions herein will (a) require any Permits of, action by, or filing with or notification to, any Governmental Body on the part of the Stockholder, except for such filings or notifications reasonably required in compliance with applicable securities Laws (including, without limitation, filings required under, and compliance with other applicable requirements of, the Exchange Act), (b) violate, conflict with, or result in a breach of any provisions of, or require any consent, waiver or approval or result in any breach or violation of, constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give rise to any right of termination, cancellation, amendment, or acceleration under any of the terms, conditions or provisions of, any contract, agreement or understanding to which the Stockholder is a party or by which the Stockholder or any of its assets may be bound, (c) result (or, with the giving of notice, the passage of time or otherwise, would result) in the creation or imposition of any Lien on the Subject Shares, or (d) violate any Law or order applicable to the Stockholder or by which any of its assets are bound, except, in the case of clause (b), for breaches, violations or defaults that would not, individually or in the aggregate, materially impair the ability of the Stockholder to perform its obligations hereunder.

**Section 2.3. Ownership of Subject Shares; Total Shares.** As of the date hereof, the Stockholder is, and at all times during the term of this Agreement will be, the owner of all of the Existing Shares and has good and marketable title to all such Existing Shares free and clear of any Liens, except for any such Liens that may be imposed pursuant to (a) this Agreement, (b) the

Stockholder's organizational documents, (c) the Investor Rights Agreement, dated as of March 25, 2021, by and among Genesis Park Acquisition Corp., Redwire, LLC, Genesis Park Holdings, Genesis Park II LP and Jefferies LLC (the "Investor Rights Agreement") and (d) any applicable restrictions on transfer under the Securities Act or any state securities Law. Except to the extent of any Subject Shares acquired after the date hereof (which shall become Subject Shares upon any such acquisition), the Subject Shares (as set forth on Schedule A opposite such Stockholder's name) are the only equity interests in the Parent beneficially owned by such Stockholder and its Affiliates as of the date hereof. As of the date hereof, other than the Subject Shares, neither the Stockholder nor any of its Affiliates owns any Shares or any other interests in options to purchase or rights to subscribe for or otherwise acquire any securities of the Parent and has no interest in or voting rights with respect to any securities of the Parent.

**Section 2.4. Voting Power.** Subject to this Agreement, the Stockholder has full voting power (or the power to effect the full voting power), full power of disposition, full power to issue instructions with respect to the matters set forth herein and full power to agree to all of the matters set forth in this Agreement, in each case, with respect to all of the Subject Shares. Except for the Investor Rights Agreement, none of the Subject Shares are subject to any stockholders' agreement, proxy, voting trust, or other agreement or arrangement with respect to the voting of such Subject Shares.

**Section 2.5. Reliance and Merger Agreement.** The Stockholder understands and acknowledges that Parent is entering into the Merger Agreement in reliance upon the Stockholder's execution, delivery and performance of this Agreement and upon the representations and warranties and covenants of the Stockholder contained in this Agreement. The Stockholder has reviewed and understands the terms of this Agreement and the Merger Agreement, and has had the opportunity to consult with his counsel in connection with this Agreement.

**Section 2.6. Absence of Litigation.** With respect to the Stockholder, there are no proceedings of any nature pending against, or, to the knowledge of the Stockholder, threatened in writing against the Stockholder or any of the Stockholder's properties or assets (including any Subject Shares) before or by any Governmental Body that would reasonably be expected to have, individually or in the aggregate, a materially adverse effect (whether through prevention, delay, impairment or otherwise) on the Stockholder's ability to timely perform its obligations under this Agreement.

**Section 2.7. Stockholder Has Adequate Information.** The Stockholder acknowledges that the Stockholder is a sophisticated investor with respect to the Subject Shares and has adequate information concerning the business and financial condition of the Parent, the Company and the transactions contemplated by the Merger Agreement to make an informed decision regarding the transactions contemplated by this Agreement and has, independently and without reliance upon the Parent or any Affiliate of the Parent, and based on such information as the Stockholder has deemed appropriate, made the Stockholder's own analysis and decision to enter into this Agreement. The Stockholder has received and reviewed a copy of this Agreement and the Merger Agreement and the Stockholder acknowledges that the Stockholder has had the opportunity to seek independent legal advice prior to executing this Agreement and fully understands and accepts all of the provisions hereof and of the Merger Agreement.

**Section 2.8. No Inconsistent Agreements.** The Stockholder has not entered into any agreement or knowingly taken any action that would reasonably be expected to make any representation or warranty of the Stockholder contained herein untrue or incorrect with respect to any of the Subject Shares or is otherwise materially inconsistent with, or would materially interfere with, or prohibit or prevent the Stockholder from satisfying, its obligations pursuant to this Agreement.

### ARTICLE III REPRESENTATIONS AND WARRANTIES OF PARENT

Parent represents and warrants to the Stockholder that:

**Section 3.1. Organization and Qualification.** Parent is duly organized and validly existing and in good standing under the Laws of the jurisdiction in which it is incorporated.

**Section 3.2. Authority for this Agreement.** Parent has all necessary power and authority to (a) execute and deliver this Agreement, (b) perform its obligations hereunder and (c) consummate the transactions contemplated hereby. The execution and delivery of this Agreement by Parent has been duly and validly authorized by all necessary corporate action of Parent, and no other corporate proceedings on the part of Parent are necessary to authorize this Agreement. This Agreement has been duly and validly executed and delivered by Parent and, assuming due authorization, execution and delivery hereof by the Stockholder, constitutes a legal, valid and binding obligation of Parent, enforceable against Parent in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and similar Laws relating to or affecting creditors' rights or to general principles of equity.

### ARTICLE IV ADDITIONAL COVENANTS OF THE STOCKHOLDER

The Stockholder hereby covenants and agrees that until the valid termination of this Agreement in accordance with Section 5.1:

**Section 4.1. No Transfer; No Inconsistent Arrangements.** Except as provided hereunder, from and after the date hereof and until this Agreement is validly terminated in accordance with Section 5.1, the Stockholder shall not, directly or indirectly, (a) create or permit to exist any Liens on any of the Subject Shares, (b) transfer, sell (including short sell), assign, gift, hedge, pledge, grant a participation interest in, hypothecate or otherwise dispose of, or enter into any derivative arrangement with respect to (collectively, "Transfer"), any of the Subject Shares, or any right or interest therein (or consent to any of the foregoing), (c) enter into any contract, option or other agreement, arrangement or understanding with respect to any Transfer of the Subject Shares or any interest therein, (d) grant or permit the grant of any proxy, power-of-attorney or other authorization or consent in or with respect to any of the Subject Shares, (e) deposit or permit the deposit of any of the Subject Shares into a voting trust or enter into a voting agreement or arrangement (including any grant of any proxy or power of attorney) with respect to any of the Subject Shares or (f) take any other action that in any way would be reasonably expected to materially restrict, limit, impede, delay or interfere with the performance of such Stockholder's obligations hereunder. Notwithstanding the foregoing, this Section 4.1 shall not prohibit a Transfer

of the Subject Shares by the Stockholder (x) to any beneficial owner, shareholder, member or partner of the Stockholder or (y) to any Affiliate of the Stockholder, so long as, in the case of the foregoing clauses, the assignee or transferee agrees to be bound by the terms of this Agreement and executes and delivers to the parties hereto a written consent and joinder reasonably acceptable to Parent memorializing such agreement. If any involuntary Transfer of any of the Subject Shares occurs (including, but not limited to, a sale by the Stockholder's trustee in any bankruptcy, or a sale to a purchaser at any creditor's or court sale), the transferee (which term, as used herein, includes any and all transferees and subsequent transferees of the initial transferee) will take and hold such Subject Shares subject to all of the restrictions, liabilities, and rights under this Agreement, which will continue in full force and effect until valid termination of this Agreement in accordance with [Section 5.1](#) and the Stockholder will undertake best efforts to cause such transferee to execute a joinder to this Agreement. The Stockholder agrees that it shall not, and shall cause each of its Affiliates not to, become a member of a group (as defined for purposes of Section 13(d) under the Exchange Act) for the purpose of taking any actions inconsistent with the transactions contemplated by this Agreement.

**Section 4.2. Documentation and Information.** The Stockholder shall not make any public announcement regarding this Agreement, the Merger Agreement or the transactions contemplated hereby or thereby without the prior written consent of the Parent (such consent not to be unreasonably withheld or delayed), except as may be required by applicable Law, including, without limitation, applicable filings with the SEC (provided, that the Stockholder shall provide reasonable prior written notice (which may include email) of any such disclosure to the Parent and such notice shall include a copy of any such disclosure). The Stockholder consents to and hereby authorizes the Parent to publish and disclose in all documents and schedules filed with the SEC, and any press release or other disclosure document that the Parent (as the case may be) reasonably determines to be necessary in connection with the Merger, and any transactions contemplated by the Merger Agreement, the Stockholder's identity and ownership of the Subject Shares, the existence of this Agreement, and the nature of the Stockholder's commitments and obligations under this Agreement and such other information pertaining to this Agreement or the Merger that the Parent (as the case may be) reasonably determines is required to be disclosed by Law, and the Stockholder acknowledges that the Parent may, in its sole discretion and with prior written notice to the Stockholder, file this Agreement or a form hereof with the SEC or any other applicable Governmental Body. The Stockholder agrees to provide the Parent as promptly as reasonably practicable with any information that either of the foregoing may reasonably require for the preparation of any such disclosure documents, and such Stockholder agrees to notify the Parent as promptly as reasonably practicable if it becomes aware of any required corrections with respect to any information regarding this Agreement supplied by such Stockholder specifically for use in any such disclosure document, if and to the extent that any such information shall have become false or misleading in any material respect.

**Section 4.3. Adjustments, etc.**

(a) In the event of any stock split, reverse stock split, stock distribution or dividend (including any dividend or other distribution of securities convertible into shares of Common Stock or Preferred Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other similar change with respect to the Subject Shares, the terms of this Agreement will be equitably adjusted, including to apply to any resulting securities.

(b) The Stockholder agrees, while this Agreement is in effect, to notify the Parent as promptly as reasonably practicable in writing (which may include email) of the number of any additional shares of Common Stock or Preferred Stock, any additional options or rights to purchase shares of Common Stock, Preferred Stock or other voting capital stock of the Parent and any other securities convertible into or exercisable or exchangeable therefor acquired by the Stockholder or any of its Affiliates after the date hereof.

**Section 4.4. Waiver of Certain Rights and Actions.** The Stockholder shall not, and shall cause its representatives and affiliates not to, bring, institute, commence, voluntarily aid or participate in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, appeal or proceeding against the Parent or any of its Affiliates, successors, directors or officers relating to the negotiation, execution or delivery of this Agreement or the Merger Agreement or the consummation of the Merger or the other transactions contemplated by the Merger Agreement.

## ARTICLE V MISCELLANEOUS

**Section 5.1. Termination.** This Agreement shall automatically terminate without further action upon the earliest to occur of (A) the Effective Time, (B) the termination of the Merger Agreement in accordance with its terms, (C) the written agreement of the Stockholder and the Parent to terminate this Agreement; provided that any termination of this Agreement by Parent shall be approved by the Special Committee. Upon the valid termination of this Agreement in accordance with this Section 5.1, no party will have any further obligations or liabilities under this Agreement; provided, however, that (x) nothing set forth in this Section 5.1 shall relieve any party of any liability or damages to any other party resulting from fraud or intentional breach of this Agreement prior to termination hereof and (y) the provisions of Section 4.2, Section 4.4 and this ARTICLE V will survive any termination of this Agreement.

**Section 5.2. **Section 5.3. Expenses.** Whether or not the transactions contemplated by this Agreement and the Merger Agreement are consummated, all costs, fees and expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement including all costs, fees and expenses of its representatives, shall be paid by the party incurring such cost, fee or expense, except as otherwise provided herein and therein.

**Section 5.4. Amendment or Other Modification. Waiver.**

(a) Subject to the provisions of applicable Law, this Agreement may be amended or otherwise modified only by a written instrument specifically designated as an amendment hereto,

duly executed and delivered by the parties; provided that any amendment, modification or waiver of this Agreement by Parent shall be approved by the Special Committee.

(b) The conditions to each of the respective parties' obligations to consummate the transactions contemplated by this Agreement are for the sole benefit of such party and may be waived by such party. Any party may, to the extent permitted by applicable Law, waive any provision of this Agreement in whole or in part (including by extending the time for the performance of any of the obligations or other acts of the other parties); provided, however, that any such waiver shall only be effective if made in a written instrument duly executed and delivered by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder or under applicable Law shall operate as a waiver of such rights and, except as otherwise expressly provided herein, no single or partial exercise thereof shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

**Section 5.5. Governing Law and Venue; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury.**

(a) This Agreement and all Proceedings against any other party in connection with, arising out of or otherwise relating to this Agreement, shall be interpreted, construed, governed by and enforced in accordance with, the Laws of the state of Delaware, including, its statutes of limitations, without regard to the conflicts of laws provisions, rules or principles thereof (or any other jurisdiction) to the extent that such provisions, rules or principles would direct a matter to another jurisdiction.

(b) Each of the parties agrees that except for actions seeking specific performance or injunctive relief, all disputes, controversies or claims arising out of or relating to this Agreement (whether in contract, tort, equity or otherwise), including the arbitrability of any dispute or controversy that cannot be settled by mutual agreement will be finally settled by binding arbitration in accordance with Section 13.12 of the Merger Agreement, *mutatis mutandis*. In all cases not subject to such arbitration, each party shall bring any proceeding against any other party in connection with, arising out of or otherwise relating to this Agreement, any instrument or other document delivered pursuant to this Agreement or the transactions contemplated by this Agreement exclusively in the Court of Chancery of the State of Delaware; provided, however, that if such court does not have jurisdiction over any such action or proceeding, such action or proceeding will be heard and determined exclusively in any Delaware state or federal court sitting in the City of Wilmington, Delaware and solely in connection with such proceedings, (A) irrevocably and unconditionally submits to the exclusive jurisdiction of the such courts, (B) irrevocably waives any objection to the laying of venue in any such proceeding in such courts, (C) irrevocably waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party, (D) agrees that mailing of process or other papers in connection with any such proceeding in the manner provided in Section 5.2 or in such other manner as may be permitted by applicable Law shall be valid and sufficient service thereof and (E) it shall not assert as a defense any matter or claim waived by the foregoing clauses (A) through (D) of this Section 5.5(b) or that any order issued by such courts may not be enforced in or by such courts.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY PROCEEDING AGAINST ANY OTHER PARTY WHICH MAY BE CONNECTED WITH, ARISE OUT OF OR OTHERWISE RELATE TO THIS AGREEMENT IS EXPECTED TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY SUCH PROCEEDING. EACH PARTY HEREBY ACKNOWLEDGES AND CERTIFIES THAT (I) NO REPRESENTATIVE OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) IT MAKES THIS WAIVER VOLUNTARILY AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE INSTRUMENTS OR OTHER DOCUMENTS DELIVERED PURSUANT TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS, ACKNOWLEDGMENTS AND CERTIFICATIONS SET FORTH IN THIS SECTION 5.5(c).

**Section 5.6. Specific Performance.**

(a) Each of the parties acknowledges and agrees that the rights of each party to consummate the transactions contemplated by this Agreement are special, unique and of extraordinary character and that if for any reason any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, immediate and irreparable harm or damage would be caused for which money damages would not be an adequate remedy. Accordingly, each party agrees that, in addition to any other available remedies a party may have in equity or at law, each party shall be entitled to enforce specifically the terms and provisions of this Agreement and to obtain an injunction restraining any breach or violation or threatened breach or violation of the provisions of this Agreement, consistent with the provisions of Section 5.5(b), without necessity of posting a bond or other form of security. In the event that any Proceeding should be brought in equity to enforce the provisions of this Agreement, no party shall allege, and each party hereby waives the defense, that there is an adequate remedy at law.

**Section 5.7. Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors, legal representatives and permitted assigns. No party may assign this Agreement, any right to damages for breach of this Agreement or any of its rights or interests or delegate any of its obligations under this Agreement, in whole or in part, by operation of Law, by transfer or otherwise, without the prior written consent of the other parties not seeking to assign this Agreement, any right to damages for breach of this Agreement or any of its rights or interests or delegate any of its obligations and any attempted or purported assignment or delegation in violation of this Section 5.7 shall be null and void.

**Section 5.8. Entire Agreement.**

(a) This Agreement (together with Schedule A and the other documents, certificates and instruments referred to herein) constitutes the entire agreement among the parties with respect to the subject matter hereof and thereof and supersedes all other prior and contemporaneous

agreements, negotiations, understandings, representations and warranties, whether oral or written, with respect to such matters.

(b) In the event of any inconsistency between the statements in the body of this Agreement, on the one hand, and any other documents, certificates and instruments referred to herein, on the other hand, the statements in the body of this Agreement shall control.

(c) Each party acknowledges and agrees that, except for the express representations and warranties set forth in this Agreement (i) no party has made or is making any other representations, warranties, statements, information or inducements, (ii) no party has relied on or is relying on any other representations, warranties, statements, information or inducements and (iii) each party hereby disclaims reliance on any other representations, warranties, statements, information or inducements, oral or written, express or implied, or as to the accuracy or completeness of any statements or other information, made by, or made available by, itself or any of its representatives, in each case with respect to, or in connection with, the negotiation, execution or delivery of this Agreement, any instrument or other document delivered pursuant to this Agreement or the transactions contemplated by this Agreement and notwithstanding the distribution, disclosure or other delivery to the other or the other's representatives of any documentation or other information with respect to any one or more of the foregoing, and waives any claims or causes of action relating thereto.

**Section 5.9. Severability.** The provisions of this Agreement shall be deemed severable and the illegality, invalidity or unenforceability of any provision shall not affect the legality, validity or enforceability of the other provisions of this Agreement. If any provision of this Agreement, or the application of such provision to any Person or any circumstance, is illegal, invalid or unenforceable, (a) a suitable and equitable provision to be negotiated by the parties, each acting reasonably and in good faith shall be substituted therefor in order to carry out, so far as may be legal, valid and enforceable, the intent and purpose of such illegal, invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such illegality, invalidity or unenforceability, nor shall such illegality, invalidity or unenforceability affect the legality, validity or enforceability of such provision, or the application of such provision, in any other jurisdiction.

**Section 5.10. Counterparts; Effectiveness.** This Agreement (a) may be executed in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement and (b) shall become effective when each party shall have received one or more counterparts hereof signed by each of the other parties. An executed copy of this Agreement delivered by email or other means of electronic transmission (including DocuSign) shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement.

**Section 5.11. Third-Party Beneficiaries.** The parties hereby agree that their respective representations, warranties, covenants and agreements set forth in this Agreement are solely for the benefit of the other, subject to the terms and conditions of this Agreement, and this Agreement is not intended to, and does not, confer upon any other Person any rights or remedies, express or implied, hereunder.

**Section 5.12. Further Assurances.** The Stockholder, at the request of Parent, shall execute and deliver, or cause to be executed and delivered, all further documents and instruments and use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper, or advisable under applicable Laws, to perform its obligations under this Agreement.

**Section 5.13. Capacity as Stockholder.** The Stockholder signs this Agreement solely in the Stockholder's capacity as the owner of Subject Shares. Notwithstanding anything to the contrary in this Agreement, nothing herein will in any way prevent, limit or otherwise restrict a director or officer of the Parent in the taking of any actions (or failure to act) in his or her capacity as a director or officer of the Parent, or in the exercise of his or her fiduciary duties as a director or officer of the Parent, or prevent or be construed to create any obligation on the part of any director or officer of the Parent from taking any action in his or her capacity as such director or officer, and no action taken in any such capacity as an officer or director of the Parent shall be deemed to constitute a breach of this Agreement.

**Section 5.14. No Agreement Until Executed.** This Agreement will not be effective unless and until the Merger Agreement and this Agreement are executed by all parties thereto and hereto.

### **AGREEMENT**

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements set forth herein, as well as other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Parent and the Stockholder agree as follows:

#### **ARTICLE I AGREEMENT TO VOTE**

##### **Section 1.1. Agreement to Vote.**

(a) From and after the date of this Agreement until the date that is the earliest of the following to occur: (a) the consummation of the Merger, (b) the termination of this Agreement or

---

the Merger Agreement in accordance with its terms and (c) 180 days following the date of execution of the Merger Agreement (such earlier date, the “Expiration Date”), the Stockholder irrevocably and unconditionally agrees, subject to the terms and conditions hereof, that at any meeting (whether annual or special and each adjourned, rescheduled or postponed meeting) of the Parent’s stockholders, however called, or in connection with any written consent of the Parent’s stockholders, the Stockholder will (i) appear at such meeting (in person or by proxy) or otherwise cause all of the Stockholder’s Existing Shares and any other shares of Common Stock or Preferred Stock over which it has acquired record or beneficial ownership after the date of this Agreement (including, without limitation, any shares of Common Stock or Preferred Stock acquired by means of purchase, dividend or distribution, or issued upon the exercise of any stock options, warrants, restricted stock units or other rights to acquire Common Stock, Preferred Stock or the conversion of any convertible securities, the vesting of equity awards or otherwise) (collectively, the “New Shares,” and together with the Existing Shares, the “Subject Shares”) which it owns and, in the case of the New Shares, has the right to vote as of the applicable record date (the “Covered Shares”), to be counted as present thereat for purposes of determining a quorum, and respond to each request by Parent for written consent, and (ii) unless the Board of Directors or the Special Committee shall have made a Change in Recommendation (as defined in the Merger Agreement), vote or cause to be voted (including by proxy or written consent, if applicable) all such Covered Shares (A) in favor of the Mergers, including the Stock Issuance pursuant to the Mergers, including for purposes of Rule 312.03 of the New York Stock Exchange, (B) in favor of any Equity Financing that has been approved by a committee of Parent’s board of directors composed solely of John S. Bolton, Joanne Isham and Michael Bevacqua (or in the case of the incapacity or resignation from Parent’s board of directors of any of the members thereof, an alternate independent and disinterested director of Parent reasonably acceptable to Stockholder) (the “Financing Committee”), or (C) in favor of any proposal to adjourn or postpone such meeting of the Parent’s stockholders to a later date as may be requested by the Parent. The Stockholder shall retain at all times the right to vote the Stockholder’s Subject Shares in the Stockholder’s sole discretion, and without any other limitation, on any matters other than those set forth in this Section 1.1(a) (including in connection with any Equity Financing that has not been approved by the Financing Committee). The Financing Committee shall act by vote of a majority of its members.

(b) The Stockholder hereby revokes (and agrees to cause to be revoked and to promptly communicate in writing notice of such revocation to the relevant proxy holder) any proxies that the Stockholder has granted before the date hereof with respect to the Subject Shares that cover the matters set forth in this Section 1.1(a).

## ARTICLE II REPRESENTATIONS AND WARRANTIES OF THE STOCKHOLDER

The Stockholder represents and warrants to Parent that, as of the date hereof:

**Section 2.2. With respect to the Stockholder, as of the date hereof, there are no proceedings of any nature pending against, or, to the knowledge of the Stockholder, threatened in writing against the Stockholder or any of the Stockholder's properties or assets (including any Subject Shares) before or by any Governmental Body that would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Stockholder's ability to perform its obligations under this Agreement.

**Section 2.7.** Stockholder Has Adequate Information. The Stockholder acknowledges that the Stockholder is a sophisticated investor with respect to the Subject Shares and has adequate information concerning the business and financial condition of the Parent, the Company and the transactions contemplated by the Merger Agreement to make fully informed decision regarding the transactions contemplated by this Agreement and has, independently and without reliance upon the Parent or any Affiliate of the Parent (other than the representations and warranties contained herein), and based on such information as the Stockholder has deemed appropriate, made the Stockholder's own analysis and decision to enter into this Agreement. The Stockholder has received and reviewed a copy of this Agreement and the Merger Agreement and the Stockholder acknowledges that the Stockholder has had the opportunity to seek independent legal advice prior to executing this Agreement and fully understands and accepts all of the provisions hereof.

**Section 2.8.** No Inconsistent Agreements. The Stockholder has not entered into any agreement that would reasonably be expected to make any representation or warranty of the Stockholder contained herein untrue or incorrect with respect to any of the Existing Shares or that would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Stockholder's ability to perform its obligations under this Agreement.

ARTICLE III  
REPRESENTATIONS AND WARRANTIES OF PARENT

Parent represents and warrants to the Stockholder that:

**Section 3.1.** Organization and Qualification. Parent is duly organized and validly existing and in good standing under the Laws of the jurisdiction in which it is incorporated.

**Section 3.2.** Authority for this Agreement. Parent has all necessary power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution and delivery of this Agreement by Parent has been duly and validly authorized by all necessary corporate action of Parent, and no other corporate proceedings on the part of Parent are necessary to authorize this Agreement. This Agreement has been duly and validly executed and delivered by Parent and, assuming due authorization, execution, and delivery hereof by the Stockholder, constitutes a legal, valid, and binding obligation of Parent, enforceable against Parent in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and similar Laws relating to or affecting creditors' rights or to general principles of equity.

**Section 3.3. Non-Contravention.** Neither the execution and delivery of this Agreement by Parent nor the consummation of the transactions contemplated hereby nor compliance by Parent with any provisions herein will (a) require any Permits of, action by, or filing with or notification to, any Governmental Body on the part of Parent or any of its Affiliates, except for such filings or notifications reasonably required in compliance with applicable securities Laws (including, without limitation, filings required under, and compliance with other applicable requirements of, the Exchange Act), (b) violate, conflict with, or result in a breach of any provisions of, or require any consent, waiver or approval or result in any breach or violation of, constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give rise to any right of termination, cancellation, amendment, or acceleration under any of the terms, conditions or provisions of, any contract, agreement or understanding to which Parent or any of its Affiliates is a party or by which Parent or any of its Affiliates or any of their respective assets may be bound, (c) result (or, with the giving of notice, the passage of time or otherwise, would result) in the creation or imposition of any Lien on any of such assets, or (d) violate any Law or order applicable to Parent or any of its Affiliates or any of their respective assets, in each case except as would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Parent's ability to perform its obligations under this Agreement.

#### ARTICLE IV ADDITIONAL COVENANTS OF THE STOCKHOLDER

The Stockholder hereby covenants and agrees that until the valid termination of this Agreement in accordance with Section 5.1:

**Section 4.1. No Transfer; No Inconsistent Arrangements.** Except as provided hereunder (including a Permitted Transfer), from and after the date hereof and until the earlier of the Expiration Date and the day following the record date for the Stockholders Meeting (which shall be set as soon as reasonably practicable) (the "Restricted Period"), the Stockholder shall not, directly or indirectly, (a) voluntarily transfer, sell (including short sell), assign, gift, hedge, pledge, grant a participation interest in, hypothecate or otherwise dispose of, or enter into any derivative arrangement with respect to (collectively, "Transfer"), any of the Subject Shares, or any right or interest therein (or consent to any of the foregoing), (b) enter into any contract, option, or other agreement, arrangement or understanding with respect to any such Transfer of the Subject Shares or any interest therein that could be consummated during the Restricted Period, (c) grant or permit the grant of any proxy, power-of-attorney, or other authorization or consent in or with respect to any of the Subject Shares that cover the matters set forth in Section 1.1(a), or (d) deposit or permit the deposit of any of the Subject Shares into a voting trust or enter into a voting agreement or arrangement (including any grant of any proxy or power of attorney) with respect to any of the Subject Shares that cover the matters set forth in Section 1.1(a). If any involuntary Transfer of any of the Subject Shares (other than a Permitted Transfer) occurs (including, but not limited to, a sale by the Stockholder's trustee in any bankruptcy, or a sale to a purchaser at any creditor's or court sale), the transferee (which term, as used herein, includes any and all transferees and subsequent transferees of the initial transferee)

will take and hold such Subject Shares subject to all of the restrictions, liabilities, and rights under this Agreement, which will continue in full force and effect until valid termination of this Agreement in accordance with Section 5.1 and the Stockholder will undertake good faith efforts to cause such transferee to execute a joinder to this Agreement. The Stockholder agrees that it shall not become a member of a group (as defined purposes of Section 13(d) under the Exchange Act) for the purpose of taking any actions prohibited by this Agreement. Notwithstanding anything to the contrary contained herein, the Stockholder shall be permitted to Transfer Subject Shares to an Affiliate provided that such Affiliate executes a joinder to this Agreement (a “Permitted Transfer”).

**Section 4.2. Documentation and Information.** The Stockholder shall not make any public announcement regarding this Agreement, the Merger Agreement or the transactions contemplated hereby or thereby without the prior written consent of the Parent (such consent not to be unreasonably withheld or delayed), except as may be required by applicable Law, including, without limitation, applicable filings with the SEC (provided, that the Stockholder shall, to the extent practicable and permitted, provide reasonable prior written notice (which may include email) of any such disclosure to the Parent and such notice shall include a copy of any such disclosure). The Stockholder consents to and hereby authorizes the Parent to publish and disclose in all documents and schedules filed with the SEC, and any press release or other disclosure document that the Parent reasonably determines to be necessary in connection with the Merger, and any transactions contemplated by the Merger Agreement, the Stockholder’s identity and ownership of the Subject Shares, the existence of this Agreement, and the nature of the Stockholder’s commitments and obligations under this Agreement and such other information pertaining to this Agreement or the Merger, in each case that the Parent (as the case may be) reasonably determines is required to be disclosed by Law, and the Stockholder acknowledges that the Parent may, in its sole discretion and with prior written notice to the Stockholder, file this Agreement or a form hereof with the SEC or any other applicable Governmental Body. The Stockholder agrees to provide the Parent as promptly as reasonably practicable with any information that Parent may reasonably request for the preparation of any such disclosure documents. Parent consents to and hereby authorizes the Stockholder to make any disclosures the Stockholder reasonably determines to be necessary in connection with the existence of this Agreement and the nature of the Stockholder’s commitments and obligations under this Agreement and such other information pertaining to this Agreement or the Merger that the Stockholder reasonably determines is required to be disclosed by Law, including any amendment to any Schedule 13D.

**Section 4.3.** Adjustments, etc. In the event of any stock split, reverse stock split, stock distribution or dividend (including any dividend or other distribution of securities convertible into shares of Common Stock or Preferred Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other similar change with respect to the Subject Shares, the terms of this Agreement will be equitably adjusted, including to apply to any resulting securities.

ARTICLE V  
MISCELLANEOUS

**Section 5.1. Termination.** This Agreement shall automatically terminate without further action upon the earliest to occur of (A) the Effective Time, (B) the termination of the Merger Agreement in accordance with its terms, (C) the written agreement of the Stockholder and the Parent to terminate this Agreement; provided that any termination of this Agreement by Parent shall be approved by the Financing Committee, and (D) the receipt of the Requisite Vote. Stockholder may terminate the Agreement upon written notice to Parent upon any material amendment, modification or supplementation of (or material waiver with respect to) the Merger Agreement (as set forth in Exhibit A) which is, in whole or in part, adverse to Parent or the Stockholder, including any amendment, modification, supplement or waiver (x) to or of Sections 7.08, 8.10(a), Section 9.02 or 13.18 of the Merger Agreement, (y) that has the effect of increasing or changing the amount or form of the consideration or other material amounts payable by Parent thereunder or modifying or waiving any condition to Parent's obligation to close the Merger (including the definition of Requisite Vote) or (z) to or of Section 4.1 (or the defined terms use therein) of the A&R Investor Rights Agreement or the transfer restrictions in any Other Voting Agreement, in the case of clause (z), in a manner favorable to the stockholders bound thereto (collectively, a "Covered Change" and the items described in clauses (x)-(z), a "Specified Amendment"). Upon the valid termination of this Agreement in accordance with this Section 5.1, no party will have any further obligations or liabilities under this Agreement; provided, however, that (x) nothing set forth in this Section 5.1 shall relieve any party of any liability or damages to any other party resulting from actual and intentional fraud or a knowing and intentional breach of this Agreement prior to termination hereof and (y) the provisions of Section 4.2 and this ARTICLE V will survive any termination of this Agreement.

**Section 5.2. Notices.** All notices and other communications given or made hereunder by one party to the other party shall, unless otherwise specified herein, be in writing (which may include e-mail) and shall be deemed to have been duly given or made on the date of receipt by the recipient thereof if received prior to 5:00 p.m. (New York time) if (a) served by personal delivery or by a nationally recognized overnight courier service upon the party for whom it is intended, (b) delivered by registered or certified mail, return receipt requested or (c) sent by email; provided that any email transmission is promptly confirmed by a responsive electronic communication by the recipient thereof or receipt is otherwise clearly evidenced (excluding out-of-office replies or other automatically generated responses) or is followed up within one Business Day after such email by dispatch pursuant to one of the methods described in the foregoing clauses (a) and (b) of this Section 5.2). **Section 5.3.** Expenses. Whether or not the transactions contemplated by this Agreement and the Merger Agreement are consummated, all costs, fees and expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement including all costs, fees and expenses of its representatives, shall be paid by the party incurring such cost, fee or expense, except as otherwise provided herein and therein.

**Section 5.4. Amendment or Other Modification. Waiver.**

(a) Subject to the provisions of applicable Law, this Agreement may be amended or otherwise modified only by a written instrument duly executed and delivered by the parties; provided that any amendment, modification or waiver of this Agreement by Parent shall be approved by the Financing Committee.

(b) The conditions to each of the respective parties' obligations to consummate the transactions contemplated by this Agreement are for the sole benefit of such party and may be waived by such party. Any party may, to the extent permitted by applicable Law, waive any provision of this Agreement in whole or in part (including by extending the time for the performance of any of the obligations or other acts of the other parties); provided, however, that any such waiver shall only be effective if made in a written instrument duly executed and delivered by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder or under applicable Law shall operate as a waiver of such rights and, except as otherwise expressly provided herein, no single or partial exercise thereof shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

**Section 5.5. Governing Law and Venue; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury.**

(a) This Agreement and all Proceedings against any other party in connection with, arising out of or otherwise relating to this Agreement, shall be interpreted, construed, governed by, and enforced in accordance with, the Laws of the state of Delaware, including, its statutes of limitations, without regard to the conflicts of laws provisions, rules or principles thereof (or any other jurisdiction) to the extent that such provisions, rules or principles would direct a matter to another jurisdiction.

(b) Each of the parties agrees that except for actions seeking specific performance or injunctive relief, all disputes, controversies or claims arising out of or relating to this Agreement (whether in contract, tort, equity or otherwise), including the arbitrability of any dispute or controversy that cannot be settled by mutual agreement will be finally settled by binding arbitration in accordance with Section 13.12 of the Merger Agreement, *mutatis mutandis*. In all cases not subject to such arbitration, each party shall bring any proceeding against any other party in connection with, arising out of or otherwise relating to this Agreement, any instrument or other document delivered pursuant to this Agreement or the transactions contemplated by this Agreement exclusively in the Court of Chancery of the State of Delaware; provided, however, that if such court does not have jurisdiction over any such action or proceeding, such action or proceeding will be heard and determined exclusively in any Delaware state or federal court sitting in the City of Wilmington, Delaware and solely in connection with such proceedings, (A) irrevocably and unconditionally submits to the exclusive jurisdiction of the such courts, (B) irrevocably waives any objection to the laying of venue in any such proceeding in such courts, (C) irrevocably waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party, (D) agrees that mailing of process or other papers in connection with

any such proceeding in the manner provided in [Section 5.2](#) or in such other manner as may be permitted by applicable Law shall be valid and sufficient service thereof and (E) it shall not assert as a defense any matter or claim waived by the foregoing clauses (A) through (D) of this [Section 5.5\(b\)](#) or that any order issued by such courts may not be enforced in or by such courts.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY PROCEEDING AGAINST ANY OTHER PARTY WHICH MAY BE CONNECTED WITH, ARISE OUT OF OR OTHERWISE RELATE TO THIS AGREEMENT IS EXPECTED TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY SUCH PROCEEDING. EACH PARTY HEREBY ACKNOWLEDGES AND CERTIFIES THAT (I) NO REPRESENTATIVE OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) IT MAKES THIS WAIVER VOLUNTARILY AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE INSTRUMENTS OR OTHER DOCUMENTS DELIVERED PURSUANT TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS, ACKNOWLEDGMENTS AND CERTIFICATIONS SET FORTH IN THIS [SECTION 5.5\(c\)](#).

**Section 5.6. [Specific Performance.](#)**

(a) Each of the parties acknowledges and agrees that the rights of each party to consummate the transactions contemplated by this Agreement are special, unique and of extraordinary character and that if for any reason any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, immediate and irreparable harm or damage would be caused for which money damages would not be an adequate remedy. Accordingly, each party agrees that, in addition to any other available remedies a party may have in equity or at law, each party shall be entitled to enforce specifically the terms and provisions of this Agreement and to seek an injunction restraining any breach or violation or threatened breach or violation of the provisions of this Agreement, consistent with the provisions of [Section 5.5\(b\)](#), without necessity of posting a bond or other form of security. In the event that any Proceeding should be brought in equity to enforce the provisions of this Agreement, no party shall allege, and each party hereby waives the defense, that there is an adequate remedy at law.

**Section 5.7. [Successors and Assigns.](#)** This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors, legal representatives and permitted assigns. No party may assign this Agreement, any right to damages for breach of this Agreement or any of its rights or interests or delegate any of its obligations under this Agreement, in whole or in part, by operation of Law, by transfer or otherwise, without the prior written consent of the other parties not seeking to assign this Agreement, any right to damages for breach of this

Agreement or any of its rights or interests or delegate any of its obligations and any attempted or purported assignment or delegation in violation of this [Section 5.7](#) shall be null and void.

**Section 5.8. [Entire Agreement.](#)**

(a) This Agreement (together with [Schedule A](#) and the other documents, certificates, and instruments referred to herein) constitutes the entire agreement among the parties with respect to the subject matter hereof and thereof and supersedes all other prior and contemporaneous agreements, negotiations, understandings, representations and warranties, whether oral or written, with respect to such matters.

(b) In the event of any inconsistency between the statements in the body of this Agreement, on the one hand, and any other documents, certificates, and instruments referred to herein, on the other hand, the statements in the body of this Agreement shall control.

(c) Each party acknowledges and agrees that, except for the express representations and warranties set forth in this Agreement, (i) no party has made or is making any other representations, warranties, statements, information or inducements, (ii) no party has relied on or is relying on any other representations, warranties, statements, information or inducements and (iii) each party hereby disclaims reliance on any other representations, warranties, statements, information or inducements, oral or written, express or implied, or as to the accuracy or completeness of any statements or other information, made by, or made available by, itself or any of its representatives, in each case with respect to, or in connection with, the negotiation, execution or delivery of this Agreement, any instrument or other document delivered pursuant to this Agreement or the transactions contemplated by this Agreement and notwithstanding the distribution, disclosure or other delivery to the other or the other's representatives of any documentation or other information with respect to any one or more of the foregoing, and waives any claims or causes of action relating thereto.

**Section 5.9. [Severability.](#)** The provisions of this Agreement shall be deemed severable and the illegality, invalidity or unenforceability of any provision shall not affect the legality, validity or enforceability of the other provisions of this Agreement. If any provision of this Agreement, or the application of such provision to any Person or any circumstance, is illegal, invalid or unenforceable, (a) a suitable and equitable provision to be negotiated by the parties, each acting reasonably and in good faith shall be substituted therefor in order to carry out, so far as may be legal, valid and enforceable, the intent and purpose of such illegal, invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such illegality, invalidity or unenforceability, nor shall such illegality, invalidity or unenforceability affect the legality, validity or enforceability of such provision, or the application of such provision, in any other jurisdiction.

**Section 5.10. [Counterparts; Effectiveness.](#)** This Agreement (a) may be executed in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement and (b) shall become effective when each party shall have received one or more counterparts hereof signed by each of the other

parties. An executed copy of this Agreement delivered by email or other means of electronic transmission (including DocuSign) shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement.

**Section 5.11.** Third-Party Beneficiaries. The parties hereby agree that their respective representations, warranties, covenants and agreements set forth in this Agreement are solely for the benefit of the other, subject to the terms and conditions of this Agreement, and this Agreement is not intended to, and does not, confer upon any other Person any rights or remedies, express or implied, hereunder.

**Section 5.12.** Further Assurances. The parties hereby shall execute and deliver, or cause to be executed and delivered, all further documents and instruments reasonably necessary to perform its obligations under this Agreement. Parent shall not (and shall cause its controlled Affiliates not to) (i) enter into any Covered Change without the approval of the Financing Committee or (ii) after the Requisite Vote is obtained, enter into any Specified Amendment without the prior written consent of the Stockholder (provided that Parent shall disclose prior to the Stockholders Meeting any Covered Change entered into prior to the Stockholders Meeting). The foregoing shall not be interpreted to limit Parent's obligation to obtain any additional vote required under applicable stock exchange rules or applicable Law following receipt of the Requisite Vote. Any Equity Financing, Debt Financing or other financing arrangement entered into from and after the date hereof in whole or in part to facilitate Parent's ability to make payments under the Merger Agreement shall be recommended and approved by, and Parent shall not commit to or consummate any such Equity Financing, Debt Financing or other financing without the approval of, the Financing Committee.

**Section 5.13.** Capacity as Stockholder. The Stockholder signs this Agreement solely in the Stockholder's capacity as the owner of Subject Shares. Notwithstanding anything to the contrary in this Agreement, nothing herein will in any way prevent, limit or otherwise restrict a director or officer of the Parent in the taking of any actions (or failure to act) in his or her capacity as a director or officer of the Parent, or in the exercise of his or her fiduciary duties as a director or officer of the Parent, or prevent or be construed to create any obligation on the part of any director or officer of the Parent from taking any action in his or her capacity as such director or officer, and no action taken in any such capacity as an officer or director of the Parent shall be deemed to constitute a breach of this Agreement.

**Section 5.14.** No Agreement Until Executed. This Agreement will not be effective unless and until the Merger Agreement is executed by all parties thereto.

#### ARTICLE I AGREEMENT TO VOTE

##### **Section 1.1. Agreement to Vote.**

(a) From and after the date of this Agreement until the date that is the earlier of the following to occur: (a) the consummation of the Merger and (b) the termination of the Merger Agreement in accordance with its terms (such earlier date, the “Expiration Date”), the Stockholder irrevocably and unconditionally agrees, subject to Section 1.4, that at any meeting (whether annual or special and each adjourned, rescheduled or postponed meeting) of the Parent’s stockholders, however called, or in connection with any written consent of the Parent’s stockholders, the

The Stockholder shall retain at all times the right to vote the Stockholder's Subject Shares in the Stockholder's sole discretion, and without any other limitation, on any matters other than those set forth in this Section 1.1 that are at any time or from time to time presented for consideration to the Parent's Stockholders generally.

(b) The Stockholder hereby revokes (and agrees to cause to be revoked and to promptly communicate in writing notice of such revocation to the relevant proxy holder) any proxies that the Stockholder has granted before the date hereof with respect to the Subject Shares. The Stockholder hereby ratifies and confirms all actions that such irrevocable proxy may lawfully do or cause to be done by virtue hereof. Such irrevocable proxy is executed and intended to be irrevocable until such time as this Agreement shall have been terminated in accordance with its terms.

The Stockholder hereby covenants and agrees that until the valid termination of this Agreement in accordance with Section 5.1:

**Section 4.1. The Stockholder agrees that it shall not, and shall cause each of its Affiliates not to, become a member of a group (as defined purposes of Section 13(d) under the Exchange Act) for the purpose of taking any actions inconsistent with the transactions contemplated by this Agreement. copy of any such disclosure). The Stockholder consents to and hereby authorizes the Parent to publish and disclose in all documents and schedules filed with the SEC, and any press release or other disclosure document that the Parent (as the case may be) reasonably determines to be necessary in connection with the Merger, and any transactions contemplated by the Merger Agreement, the Stockholder's identity and ownership of the Subject Shares, the existence of this Agreement, and the nature of the Stockholder's commitments and obligations under this Agreement and such other information pertaining to this Agreement or the Merger that the Parent (as the case may be) reasonably determines is required to be disclosed by Law, and the Stockholder acknowledges that the Parent may, in its sole discretion, file this Agreement or a form hereof with the SEC or any other applicable Governmental Body. The Stockholder agrees to promptly provide the Parent with any information that either of the foregoing may reasonably require for the preparation of any such disclosure documents, and such Stockholder agrees to promptly notify the Parent if it becomes aware of any required corrections with respect to any information regarding this Agreement supplied by such Stockholder specifically for use in any such disclosure document, if and to the extent that any such information shall have become false or misleading in any material respect.

(b) The Stockholder agrees, while this Agreement is in effect, to notify the Parent promptly in writing of the number of any additional shares of Common Stock or Preferred Stock, any additional options or rights to purchase shares of Common Stock, Preferred Stock or other voting capital stock of the Parent and any other securities convertible into or exercisable or exchangeable therefor acquired by the Stockholder or any of its Affiliates after the date hereof.

**Section 4.4. Waiver of Certain Rights and Actions.** The Stockholder shall not, and shall cause its representatives and affiliates not to, bring, institute, commence, voluntarily aid or participate in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, appeal or proceeding against the Parent or any of its Affiliates, successors, directors or officers relating to the negotiation, execution or delivery of this Agreement or the Merger Agreement or the consummation of the Merger or the other transactions contemplated by the Merger Agreement.

(b) The conditions to each of the respective parties' obligations to consummate the transactions contemplated by this Agreement are for the sole benefit of such party and may be waived by such party. Any party may, to the extent permitted by applicable Law, waive any provision of this Agreement in whole or in part (including by extending the time for the performance of any of the obligations or other acts of the other parties); provided, however, that any such waiver shall only be effective if made in a written instrument duly executed and delivered by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder or under applicable Law shall operate as a waiver of such rights and, except as otherwise expressly provided herein, no single or partial exercise thereof shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

**Section 5.5. Governing Law and Venue; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury.**

(a) This Agreement and all Proceedings against any other party in connection with, arising out of or otherwise relating to this Agreement, shall be interpreted, construed, governed by, and enforced in accordance with, the Laws of the state of Delaware, including, its statutes of limitations, without regard to the conflicts of laws provisions, rules or principles thereof (or any other jurisdiction) to the extent that such provisions, rules or principles would direct a matter to another jurisdiction.

(b) Each of the parties agrees that except or actions seeking specific performance or injunctive relief, all disputes, controversies or claims arising out of or relating to this Agreement (whether in contract, tort, equity or otherwise), including the arbitrability of any dispute or controversy that cannot be settled by mutual agreement will be finally settled by binding arbitration in accordance with Section 13.12 of the Merger Agreement, *mutatis mutandis*. In all cases not subject to such arbitration, each party shall bring any proceeding against any other party in connection with, arising out of or otherwise relating to this Agreement, any instrument or other document delivered pursuant to this Agreement or the transactions contemplated by this Agreement exclusively in the Court of Chancery of the State of Delaware; provided, however, that if such court does not have jurisdiction over any such action or proceeding, such action or proceeding will be heard and determined exclusively in any Delaware state or federal court sitting

in the City of Wilmington, Delaware and solely in connection with such proceedings, (A) irrevocably and unconditionally submits to the exclusive jurisdiction of the such courts, (B) irrevocably waives any objection to the laying of venue in any such proceeding in such courts, (C) irrevocably waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party, (D) agrees that mailing of process or other papers in connection with any such proceeding in the manner provided in [Section 5.2](#) or in such other manner as may be permitted by applicable Law shall be valid and sufficient service thereof and (E) it shall not assert as a defense any matter or claim waived by the foregoing clauses (A) through (D) of this [Section 5.5\(b\)](#) or that any order issued by such courts may not be enforced in or by such courts.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY PROCEEDING AGAINST ANY OTHER PARTY WHICH MAY BE CONNECTED WITH, ARISE OUT OF OR OTHERWISE RELATE TO THIS AGREEMENT IS EXPECTED TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY SUCH PROCEEDING. EACH PARTY HEREBY ACKNOWLEDGES AND CERTIFIES THAT (I) NO REPRESENTATIVE OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) IT MAKES THIS WAIVER VOLUNTARILY AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE INSTRUMENTS OR OTHER DOCUMENTS DELIVERED PURSUANT TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS, ACKNOWLEDGMENTS AND CERTIFICATIONS SET FORTH IN THIS [Section 5.5\(c\)](#).

**Section 5.6. [Specific Performance.](#)**

(a) Each of the parties acknowledges and agrees that the rights of each party to consummate the transactions contemplated by this Agreement are special, unique and of extraordinary character and that if for any reason any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, immediate and irreparable harm or damage would be caused for which money damages would not be an adequate remedy. Accordingly, each party agrees that, in addition to any other available remedies a party may have in equity or at law, each party shall be entitled to enforce specifically the terms and provisions of this Agreement and to obtain an injunction restraining any breach or violation or threatened breach or violation of the provisions of this Agreement, consistent with the provisions of [Section 5.5\(b\)](#), without necessity of posting a bond or other form of security. In the event that any Proceeding should be brought in equity to enforce the provisions of this Agreement, no party shall allege, and each party hereby waives the defense, that there is an adequate remedy at law.

**Section 5.7. [Successors and Assigns.](#)** This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors, legal representatives and permitted assigns. No party may assign this Agreement, any right to damages for breach of this Agreement or any of its rights or interests or delegate any of its obligations under this Agreement, in whole or

in part, by operation of Law, by transfer or otherwise, without the prior written consent of the other parties not seeking to assign this Agreement, any right to damages for breach of this Agreement or any of its rights or interests or delegate any of its obligations and any attempted or purported assignment or delegation in violation of this [Section 5.7](#) shall be null and void.

**Section 5.8. Entire Agreement.**

(a) This Agreement (together with [SCHEDULE A](#) and the other documents, certificates, and instruments referred to herein) constitutes the entire agreement among the parties with respect to the subject matter hereof and thereof and supersedes all other prior and contemporaneous agreements, negotiations, understandings, representations and warranties, whether oral or written, with respect to such matters.

(b) In the event of any inconsistency between the statements in the body of this Agreement, on the one hand, and any other documents, certificates, and instruments referred to herein, on the other hand, the statements in the body of this Agreement shall control.

(c) Each party acknowledges and agrees that, except for the express representations and warranties set forth in this Agreement (i) no party has made or is making any other representations, warranties, statements, information or inducements, (ii) no party has relied on or is relying on any other representations, warranties, statements, information or inducements and (iii) each party hereby disclaims reliance on any other representations, warranties, statements, information or inducements, oral or written, express or implied, or as to the accuracy or completeness of any statements or other information, made by, or made available by, itself or any of its representatives, in each case with respect to, or in connection with, the negotiation, execution or delivery of this Agreement, any instrument or other document delivered pursuant to this Agreement or the transactions contemplated by this Agreement and notwithstanding the distribution, disclosure or other delivery to the other or the other's representatives of any documentation or other information with respect to any one or more of the foregoing, and waives any claims or causes of action relating thereto.

**Section 5.9. Severability.** The provisions of this Agreement shall be deemed severable and the illegality, invalidity or unenforceability of any provision shall not affect the legality, validity or enforceability of the other provisions of this Agreement. If any provision of this Agreement, or the application of such provision to any Person or any circumstance, is illegal, invalid or unenforceable, (a) a suitable and equitable provision to be negotiated by the parties, each acting reasonably and in good faith shall be substituted therefor in order to carry out, so far as may be legal, valid and enforceable, the intent and purpose of such illegal, invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such illegality, invalidity or unenforceability, nor shall such illegality, invalidity or unenforceability affect the legality, validity or enforceability of such provision, or the application of such provision, in any other jurisdiction.

**Section 5.10. Counterparts; Effectiveness.** This Agreement (a) may be executed in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement and (b) shall become effective when each party shall have received one or more counterparts hereof signed by each of the other parties.

An executed copy of this Agreement delivered by email or other means of electronic transmission (including DocuSign) shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement.

**Section 5.11. Third-Party Beneficiaries.** The parties hereby agree that their respective representations, warranties, covenants and agreements set forth in this Agreement are solely for the benefit of the other, subject to the terms and conditions of this Agreement, and this Agreement is not intended to, and does not, confer upon any other Person any rights or remedies, express or implied, hereunder.

**Section 5.12. Further Assurances.** The Stockholder shall execute and deliver, or cause to be executed and delivered, all further documents and instruments and use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper, or advisable under applicable Laws, to perform its obligations under this Agreement.

**Section 5.13. Capacity as Stockholder.** The Stockholder signs this Agreement solely in the Stockholder's capacity as the owner of Subject Shares. Notwithstanding anything to the contrary in this Agreement, nothing herein will in any way prevent, limit or otherwise restrict a director or officer of the Parent in the taking of any actions (or failure to act) in his or her capacity as a director or officer of the Parent, or in the exercise of his or her fiduciary duties as a director or officer of the Parent, or prevent or be construed to create any obligation on the part of any director or officer of the Parent from taking any action in his or her capacity as such director or officer, and no action taken in any such capacity as an officer or director of the Parent shall be deemed to constitute a breach of this Agreement.

**Section 5.14. No Agreement Until Executed.** This Agreement will not be effective unless and until the Merger Agreement is executed by all parties thereto.

### **GOVERNANCE**

#### Section 2.1 Board of Directors.

(a) Composition of the Board. At and following the Closing, each of the Partners, Sponsor and Rollover Seller, severally and not jointly, agrees with PubCo to take all Necessary Action, for so long as any Party still has director nomination rights hereunder, to cause the full Board to be composed of at least nine (9) directors inclusive of the directors nominated by each of the Partners and Rollover Seller pursuant to their respective director nomination rights in accordance with this Article II. The Partners shall have the right to nominate such number of directors (each, a “Partner Director”) as determined pursuant to Section 2.1(b). The Rollover Seller shall have the right to designate such number of directors (each, a “Rollover Director”) as determined pursuant to Section 2.1(c); provided, that for so long as the Partners and Rollover Seller may nominate five (5) directors in the aggregate, then at least three (3) such directors shall meet the independence requirements under the NYSE Rules (with at least one (1) of such directors also meeting the independence requirements under Rule 10A-3 promulgated under the Exchange Act with respect to service on the audit committee of the Board). At any time that the Company is no longer considered a “controlled company” under the NYSE Rules, if the Partners and Rollover Seller are entitled to an aggregate of five (5) nominees, then all but one (1) of such nominees must be independent, and if the Partners and Rollover Seller are entitled to an aggregate of fewer than five (5) nominees, a majority of such nominees must be independent. At and following the Closing, but subject to Sections 2.1(b) and 2.1(c), each of the Partners and Rollover Seller, severally and not jointly, agrees with PubCo to take all Necessary Action to the extent permitted by Delaware General Corporation Law and the Organizational Documents, to apportion the directors into three (3) classes, with each class serving for staggered three (3)-year terms as follows, the terms of such directors to expire in accordance with the applicable provisions of the Delaware General Corporation Law and PubCo’s bylaws:

- (i) the Class I directors shall include: two (2) Partner Directors;
- (ii) the Class II directors shall include: one (1) Partner Director and one (1) Rollover Director; and
- (iii) the Class III directors shall include: one (1) Partner Director.

(b) Partner Representation. PubCo shall take all Necessary Action to include in the slate of nominees recommended by PubCo for election as directors at each applicable annual or special meeting of stockholders at which directors are to be elected a

number of individuals designated by the Partners that, if elected, will result in the Partners having a number of directors serving on the Board as shown below (it being understood that the number of directors shall be determined as of the record date for such annual or special meetings):

<b>Common Stock Beneficially Owned by the Partners (excluding Common Stock Beneficially Owned by the Rollover Seller) as a Percentage of the Common Stock Beneficially Owned by the Partners (excluding Common Stock Beneficially Owned by the Rollover Seller) on the Closing Date</b>	<b>Number of Partner Directors</b>
50% or greater	4
37.5% or greater, but less than 50%	3
25% or greater, but less than 37.5%	2
10% or greater, but less than 25%	1

For so long as the Board is divided into three classes, to the extent permitted by Delaware General Corporation Law and the Organizational Documents, PubCo agrees to take all Necessary Action to apportion the Partner Directors among such classes so as to maintain the proportion of the Partner Directors in each class as nearly as possible to the relative apportionment of the Partner Directors among the classes as contemplated in [Section 2.1\(a\)](#).

(c) **Rollover Seller Representation.** PubCo shall take all Necessary Action to include in the slate of nominees recommended by PubCo for election as directors at each applicable annual or special meeting of stockholders at which directors are to be elected a number of individuals designated by the Rollover Seller that, if elected, will result in the Rollover Seller having a number of directors serving on the Board as shown below:

<b>Common Stock Beneficially Owned by the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) as a Percentage of the Common Stock Beneficially Owned by the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) on the Closing Date</b>	<b>Number of Rollover Directors</b>
25% or greater	1

(d) **Removal; Vacancies.** The Partners or Rollover Seller, as applicable, shall have the exclusive right to (i) require PubCo to take all Necessary Action to submit to the Company's stockholders the approval of the removal of any such nominee at the request of the applicable Party and (ii) designate directors for election or appointment, as applicable, to the Board to fill vacancies created by reason of death, removal or resignation of its nominees to the Board, and PubCo shall take all Necessary Action to nominate or cause the Board to appoint, as applicable, replacement directors designated by the applicable Party to fill any such vacancies created pursuant to clause (i) or (ii) above as promptly as practicable after such designation (and in any event prior to the next meeting or action of the Board or applicable committee). Notwithstanding anything to the contrary in this Section 2.1(d), no Party shall have the right to designate a replacement

director, and PubCo shall not be required to take any action to cause any vacancy to be filled by any such designee, to the extent that election or appointment of such designee to the Board would result in a number of directors nominated or designated by such Party in excess of the number of directors that such Party is then entitled to nominate for membership on the Board pursuant to this Investor Rights Agreement. Each of the Partners and Rollover Seller agrees with PubCo not to take action to remove any director nominee of another Party from office unless such removal is for cause.

(e) Committees. In accordance with PubCo's Organizational Documents, (i) the Board shall establish and maintain committees of the Board for (x) Audit, (y) Compensation and (z) Nominating and Corporate Governance, and (ii) the Board may from time to time by resolution establish and maintain other committees of the Board. Subject to applicable Laws and stock exchange regulations, and subject to requisite independence requirements applicable to such committee, for so long as (1) the Partners Beneficially Own (excluding Common Stock Beneficially Owned by the Rollover Seller) Common Stock representing at least 10% of the Common Stock Beneficially Owned by the Partners (excluding Common Stock Beneficially Owned by the Rollover Seller) on the Closing Date, PubCo shall take, and each of the Partners and Rollover Seller, severally and not jointly, agrees with PubCo to take, all Necessary Action to have at least one Partner Director appointed to serve on each committee of the Board and (2) the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) Beneficially Owns Common Stock representing at least 25% of the Common Stock Beneficially Owned by the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) on the Closing Date, PubCo shall take, and each of the Partners and Rollover Seller, severally and not jointly, agrees with PubCo to take, all Necessary Action to have one Rollover Director appointed to serve on each committee of the Board.

(f) Reimbursement of Expenses. PubCo shall reimburse the directors for all reasonable out-of-pocket expenses incurred in connection with their attendance at meetings of the Board and any committees thereof, including travel, lodging and meal expenses in accordance with PubCo's documentation policies for expense reimbursements.

(g) Indemnification. PubCo shall provide each Partner Director and Rollover Director with the same expense reimbursement, benefits, indemnity, exculpation and other arrangements provided to the other directors of PubCo, and PubCo shall not amend, alter or repeal any right to indemnification or exculpation covering or benefiting any Partner Director or Rollover Director nominated pursuant to this Investor Rights Agreement as and to the extent consistent with applicable Law, the Certificate of Incorporation, the Bylaws and any indemnification agreements with directors (whether such right is contained in the Organizational Documents or another document) (except to the extent such amendment or alteration permits PubCo to provide broader indemnification or exculpation rights on a retroactive basis than permitted prior thereto).

(h) Review of Nominees. Any nominee as a Partner Director or Rollover Director (or alternate thereof) shall be subject to PubCo's customary due diligence

process, including its review of a completed questionnaire and a background check. Based on the foregoing, PubCo may reasonably object to any such nominee within 15 days after receiving such completed questionnaire and background check authorization, (i) provided it does so in good faith and (ii) solely to the extent such objection is based upon any of the following: (1) such nominee was convicted in a criminal proceeding or is a named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses); (2) such nominee was the subject of any order, judgment or decree not subsequently reversed, suspended or vacated of any court of competent jurisdiction, permanently or temporarily enjoining such proposed director from, or otherwise limiting, the following activities: (A) engaging in any type of business practice, or (B) engaging in any activity in connection with the purchase or sale of any security or in connection with any violation of federal or state securities Laws; (3) such nominee was the subject of any order, judgment or decree, not subsequently reversed, suspended or vacated, of any federal or state authority barring, suspending or otherwise limiting for more than 60 days the right of such person to engage in any activity described in clause (2)(B), or to be associated with persons engaged in such activity; (4) such nominee was found by a court of competent jurisdiction in a civil action or by the SEC to have violated any federal or state securities law, and the judgment in such civil action or finding by the SEC has not been subsequently reversed, suspended or vacated; (5) such nominee was the subject of, or a party to, any federal or state judicial or administrative order, judgment, decree or finding, not subsequently reversed, suspended or vacated, relating to a violation of any federal or state securities laws or regulations, (6) such nominee, if elected to the Board, would cause the Partners or Rollover Seller, as applicable, to be in noncompliance with the independence requirements specified in Section 2.1(a), or (7) such nominee, if elected to the Board, would cause PubCo to be a “bad actor” under Rule 506(d) under the Securities Act or any equivalent state securities or blue sky law or regulation. In the event the Board reasonably finds any such nominee to be unsuitable based upon one or more of the foregoing clauses (1) through (7) and reasonably objects to such nominated director, the applicable Holder shall be entitled to propose a different nominee to the Board within thirty (30) days after PubCo’s notice to such Holder of its objection to such nominee and such replacement nominee shall be subject to the review process outlined in this Section 2.1(h).

(i) For so long as the Partners beneficially own greater than 50% of the Common Stock (excluding Common Stock Beneficially Owned by the Rollover Seller) beneficially owned by the Partners on the Closing Date, the Partners shall be entitled to designate one of their Partner Directors as the Chairman of the Board. In the event the Partners do not beneficially own greater than 50% of the Common Stock (excluding Common Stock Beneficially Owned by the Rollover Seller) beneficially owned by the Partners on the Closing Date, the Rollover Seller shall then be entitled to designate one of its Rollover Directors as the Chairman of the Board for so long as the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) beneficially owns greater than 50% of the Common Stock beneficially owned by the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) on the Closing Date.

Section 2.2 Sharing of Information. Each of the Partners and Rollover Seller recognizes that it, or its Affiliates and Representatives, has acquired or will acquire Confidential Information the use or disclosure of which could cause PubCo substantial loss and damages that could not be readily calculated and for which no remedy at Law would be adequate. Accordingly, each of the Partners and Rollover Seller covenants and agrees with PubCo that it will not (and will cause its respective controlled Affiliates and Representatives not to) at any time, except with the prior written consent of PubCo, directly or indirectly, disclose any Confidential Information known to it to any third party, unless (a) such information becomes known to the public through no fault of such Party, (b) disclosure is required by applicable Law (including any filing following the Closing Date with the SEC pursuant to applicable securities laws) or court of competent jurisdiction or requested by a Governmental Entity; provided, that (other than in the case of any required filing following the Closing Date with the SEC or in connection with any routine audit or examination as described below) such Party promptly notifies PubCo of such requirement or request and takes commercially reasonable steps, at the sole cost and expense of PubCo, to minimize the extent of any such required disclosure, (c) such information was available or becomes available to such Party before, on or after the Effective Date, without restriction, from a source (other than PubCo) without any breach of duty to PubCo or (d) such information was independently developed by such Party or its Representatives without the use of the Confidential Information. Notwithstanding the foregoing, nothing in this Investor Rights Agreement shall prohibit any of the Partners or Rollover Seller from disclosing Confidential Information (x) to any Affiliate, Representative, limited partner, member or shareholder of such Party, provided, that such Person shall be bound by an obligation of confidentiality with respect to such Confidential Information and such Party shall be responsible for any breach of this Section 2.2 by any such Person or (y) if such disclosure is made to a governmental or regulatory authority with jurisdiction over such Party in connection with a routine audit or examination that is not specifically directed at PubCo or the Confidential Information, provided, that such Party shall request that confidential treatment be accorded to any information so disclosed. No Confidential Information shall be deemed to be provided to any Person, including any Affiliate of the Partners or Rollover Seller, unless such Confidential Information is actually provided to such Person. Furthermore, receipt of Confidential Information shall not be imputed to any Affiliate of the Partners or Rollover Seller solely by virtue of the fact that the party serves in a similar capacity for such Affiliate (a “Shared Representative”) and has received Confidential Information unless a Shared Representative (x) conveys, shares or communicates, in any manner, Confidential Information to such Affiliate or (y) participates, directly or indirectly, on behalf of such Affiliate in activities prohibited by this Agreement.

**ARTICLE III**  
**REGISTRATION RIGHTS**

Section 3.1 Shelf Registration.

(a) Filing. PubCo shall file, as soon as is reasonably practicable and in any event within 90 days after the Closing Date, a Shelf Registration Statement on Form S-3 (and if unavailable, on Form S-1) covering the resale of all Registrable Securities (except as determined by PubCo pursuant to Section 3.7 as of two Business Days prior to such filing) on a delayed or continuous basis. PubCo shall use its reasonable best efforts to cause such Shelf Registration Statement to become effective under the Securities Act as soon as practicable after such filing, but in no event later than the earlier of (i) sixty (60) calendar days after the filing thereof (or, in the event the SEC reviews and has written comments to the Shelf Registration Statement, the ninetieth (90th) calendar day following the filing thereof) and (ii) the tenth (10th) Business Day after the date PubCo is notified (orally or in writing, whichever is earlier) by the SEC that the Shelf Registration Statement will not be “reviewed” or will not be subject to further review. PubCo shall maintain such Shelf Registration Statement in accordance with the terms of this Investor Rights Agreement, and shall prepare and file with the SEC such amendments, including post-effective amendments, and supplements as may be necessary to keep such Shelf Registration Statement continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as of which all Registrable Securities registered by such Shelf Registration Statement have been sold or cease to be Registrable Securities. In the event PubCo files a Shelf Registration Statement on Form S-1, PubCo shall use its commercially reasonable efforts to convert such Shelf Registration Statement (and any Subsequent Shelf Registration) to a Shelf Registration Statement on Form S-3 as soon as practicable after PubCo is eligible to use Form S-3. PubCo shall also use its reasonable best efforts to file any replacement or additional Shelf Registration Statement and use reasonable best efforts to cause such replacement or additional Shelf Registration Statement to become effective prior to the expiration of the initial Shelf Registration Statement filed pursuant to this Section 3.1(a).

(b) Subsequent Shelf Registration. If any Shelf Registration Statement ceases to be effective under the Securities Act for any reason at any time while there remain any Registrable Securities registered by such Shelf Registration Statement, PubCo shall use its reasonable best efforts to as promptly as is reasonably practicable cause such Shelf Registration Statement to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf Registration Statement), and shall use its reasonable best efforts to as promptly as is reasonably practicable amend such Shelf Registration Statement in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or file an additional Registration Statement as a Shelf Registration (a “Subsequent Shelf Registration”) registering the resale of all outstanding Registrable Securities registered by such prior Shelf Registration Statement. If a Subsequent Shelf Registration is filed, PubCo shall use its reasonable best efforts to (i) cause such Subsequent Shelf Registration to become effective under the Securities Act as

promptly as is reasonably practicable after the filing thereof (it being agreed that the Subsequent Shelf Registration shall be an Automatic Shelf Registration Statement if PubCo is a Well-Known Seasoned Issuer) and (ii) keep such Subsequent Shelf Registration continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as of which all Registrable Securities registered by such Subsequent Shelf Registration have been sold or cease to be Registrable Securities.

(c) Suspension of Filing or Registration. If PubCo shall furnish to the Shelf Holders a certificate signed by the chief executive officer or equivalent senior executive of PubCo stating that the filing, effectiveness or continued use of any Shelf Registration Statement would require PubCo to make an Adverse Disclosure, then PubCo shall have a period of not more than sixty (60) days within which to delay the filing or effectiveness (but not the preparation) of such Shelf Registration Statement or, in the case of a Shelf Registration Statement that has been declared effective, to suspend the use by Shelf Holders of such Shelf Registration Statement (in each case, a “Shelf Suspension”); provided, however, that PubCo shall not be permitted to exercise in any twelve (12) month period (i) more than one (1) Shelf Suspension pursuant to this Section 3.1(c) and one (1) Demand Delay pursuant to Section 3.2(a)(ii) in the aggregate or (ii) aggregate Shelf Suspensions pursuant to this Section 3.1(c) and Demand Delays pursuant to Section 3.2(a)(ii) of more than ninety (90) days. Each Holder shall keep confidential the fact that a Shelf Suspension is in effect, the certificate referred to above and its contents for the permitted duration of the Shelf Suspension or until otherwise notified by PubCo, except (A) for disclosure to such Holder’s employees, agents and professional advisers who need to know such information and are obligated to keep it confidential, (B) for disclosures to the extent required in order to comply with reporting obligations to its limited partners who have agreed to keep such information confidential and (C) as required by Law. In the case of a Shelf Suspension that occurs after the effectiveness of the applicable Shelf Registration Statement, the Shelf Holders agree to suspend use of the applicable Prospectus for the permitted duration of such Shelf Suspension in connection with any sale or purchase of, or offer to sell or purchase, Registrable Securities, upon receipt of the certificate referred to above. PubCo shall immediately notify the Holders or Shelf Holders, as applicable, upon the termination of any Shelf Suspension, and (i) in the case of a Shelf Registration Statement that has not been declared effective, shall promptly thereafter file the Shelf Registration Statement and use its reasonable best efforts to have such Shelf Registration Statement declared effective under the Securities Act and (ii) in the case of an effective Shelf Registration Statement, shall amend or supplement the Prospectus, if necessary, so it does not contain any material misstatement or omission prior to the expiration of the Shelf Suspension and furnish to the Shelf Holders such numbers of copies of the Prospectus as so amended or supplemented as the Shelf Holders may reasonably request. PubCo agrees, if necessary, to supplement or make amendments to the Shelf Registration Statement if required by the registration form used by PubCo for the Registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be

requested by the Shelf Holders Beneficially Owning a majority of the Registrable Securities then outstanding.

(d) Shelf Take-Downs.

(i) Generally. Subject to the terms and provisions of this Article III, following the Lock-Up Period, a Shelf Take-Down Initiating Holder may initiate a Shelf Take-Down that, at the option of such Shelf Take-Down Initiating Holder (A) is in the form of an Underwritten Shelf Take-Down or a Shelf Take-Down that is not an Underwritten Shelf Take-Down and (B) in the case of an Underwritten Shelf Take-Down, is Non-Marketed or Marketed, in each case, as shall be specified in the written demand delivered by the Shelf Take-Down Initiating Holder to PubCo pursuant to the provisions of this Section 3.1(d).

(ii) Underwritten Shelf Take-Downs.

(A) A Shelf Take-Down Initiating Holder may elect in a written demand delivered to PubCo (an “Underwritten Shelf Take-Down Notice”) for any Shelf Take-Down that it has initiated to be in the form of an underwritten offering (an “Underwritten Shelf Take-Down”), and PubCo shall, if so requested, file and effect an amendment or supplement of the Shelf Registration Statement for such purpose as soon as practicable. The Shelf Holders that own a majority of the Registrable Securities to be offered for sale in such Underwritten Shelf Take-Down shall have the right to select the Underwriter or Underwriters to administer such Underwritten Shelf Take-Down; provided, that such Underwriter or Underwriters shall be reasonably acceptable to PubCo.

(B) With respect to any Underwritten Shelf Take-Down (including any Marketed Underwritten Shelf Take-Down), in the event that a Shelf Holder otherwise would be entitled to participate in such Underwritten Shelf Take-Down pursuant to this Section 3.1(d)(ii), Section 3.1(d)(iii) or Section 3.1(d)(iv), as the case may be, the right of such Shelf Holder to participate in such Underwritten Shelf Take-Down shall be conditioned upon such Shelf Holder’s participation in such underwriting and the inclusion of such Shelf Holder’s Registrable Securities in the Underwritten Offering to the extent provided herein. PubCo, together with all Shelf Holders proposing to distribute their securities through such Underwritten Shelf Take-Down, shall enter into an underwriting agreement in customary form with the Underwriter or Underwriters selected in accordance with Section 3.1(d)(ii)(A). Notwithstanding any other provision of this Section 3.1, if the Underwriter shall advise PubCo that marketing factors (including an adverse effect on the per security offering price) require a limitation of the number of Registrable Securities to be underwritten in an Underwritten Shelf Take-Down, then PubCo shall so advise all Shelf Holders that have requested to participate in such Underwritten Shelf Take-Down, and the number of Registrable Securities

that may be included in such Underwritten Shelf Take-Down shall be allocated *pro rata* among such Shelf Holders in proportion, as nearly as practicable, to the respective amounts of Registrable Securities held by such Shelf Holders at the time of such Underwritten Shelf Take-Down; provided, that any Registrable Securities thereby allocated to a Shelf Holder that exceeds such Shelf Holder's request shall be reallocated among the remaining Shelf Holders in like manner; and provided, further, that the number of Registrable Securities to be included in such Underwritten Shelf Take-Down shall not be reduced unless all other Equity Securities of PubCo are first entirely excluded from any contemporaneous Underwritten Offering. No Registrable Securities excluded from an Underwritten Shelf Take-Down by reason of the Underwriter's marketing limitation shall be included in such underwritten offering.

(iii) **Marketed Underwritten Shelf Take-Downs.** The Shelf Take-Down Initiating Holder submitting an Underwritten Shelf Take-Down Notice shall indicate in such notice that it delivers to PubCo pursuant to Section 3.1(d)(ii) whether it intends for such Underwritten Shelf Take-Down to be Marketed (a "Marketed Underwritten Shelf Take-Down"). Upon receipt of an Underwritten Shelf Take-Down Notice indicating that such Underwritten Shelf Take-Down will be a Marketed Underwritten Shelf Take-Down, PubCo shall promptly (but in any event no later than ten (10) days prior to the expected date of such Marketed Underwritten Shelf Take-Down) give written notice of such Marketed Underwritten Shelf Take-Down to all other Shelf Holders under such Shelf Registration Statement and any such Shelf Holders requesting inclusion in such Marketed Underwritten Shelf Take-Down must respond in writing within five (5) days after the receipt of such notice. Each such Shelf Holder that timely delivers any such request shall be permitted to sell in such Marketed Underwritten Shelf Take-Down subject to the terms and conditions of Section 3.1(d)(ii).

(iv) **Non-Marketed Underwritten Shelf Take-Downs and Non- Underwritten Shelf Take-Downs.**

(A) Any Shelf Take-Down Initiating Holder may initiate (x) an Underwritten Shelf Take-Down that is Non-Marketed (a "Non-Marketed Underwritten Shelf Take-Down") or (y) a Shelf Take-Down that is not an Underwritten Shelf Take-Down (a "Non-Underwritten Shelf Take-Down") by providing written notice thereof to PubCo and, to the extent required by Section 3.1(d)(iv)(B), PubCo shall provide written notice thereof to all other Shelf Holders. Any notice delivered pursuant to the immediately preceding sentence shall include (I) the total number of Registrable Securities expected to be offered and sold in such Shelf Take-Down and (II) the expected timing and plan of distribution of such Shelf Take-Down.

(B) With respect to each Non-Marketed Underwritten Shelf Take-Down, the Shelf Take-Down Initiating Holder initiating such Non-Marketed Underwritten Shelf Take-Down shall provide written notice (a “Non-Marketed Underwritten Shelf Take-Down Notice”) of such Non-Marketed Underwritten Shelf Take-Down to PubCo and PubCo shall provide written notice thereof to all other Shelf Holders at least forty-eight (48) hours prior to the expected time of the pricing of the applicable Non-Marketed Underwritten Shelf Take-Down, which Non-Marketed Underwritten Shelf Take-Down Notice shall set forth (I) the total number of Registrable Securities expected to be offered and sold in such Non-Marketed Underwritten Shelf Take-Down, (II) the expected timing and plan of distribution of such Non-Marketed Underwritten Shelf Take-Down, (III) other than in the case of a Distribution (if applicable), an invitation to each Shelf Holder to elect (such Shelf Holders who make such an election being “Take-Down Tagging Holders” and, together with the Shelf Take-Down Initiating Holders and all other Persons (other than any Affiliates of the Shelf Take-Down Initiating Holders) who otherwise are Transferring, or have exercised a contractual or other right to Transfer, Registrable Securities in connection with such Non-Marketed Underwritten Shelf Take-Down, the “Non-Marketed Underwritten Shelf Take-Down Selling Holders”) to include in the Non-Marketed Underwritten Shelf Take-Down Registrable Securities held by such Take-Down Tagging Holder (but subject to Section 3.1(d)(ii)(B)) and (IV) the action or actions required (including the timing thereof) in connection with such Non-Marketed Underwritten Shelf Take-Down with respect to each Shelf Holder that elects to exercise such right (including the delivery of one or more stock certificates representing Registrable Securities of such Shelf Holder to be sold in such Non-Marketed Underwritten Shelf Take-Down).

(C) Upon delivery of a Non-Marketed Underwritten Shelf Take-Down Notice, other than in the case of a Distribution, each Shelf Holder may elect to sell Registrable Securities in such Non-Marketed Underwritten Shelf Take-Down, at the same price per Registrable Security and pursuant to the same terms and conditions with respect to payment for the Registrable Securities as agreed to by the Shelf Take-Down Initiating Holders, by sending an irrevocable written notice (a “Take-Down Participation Notice”) to PubCo within the time period specified in such Non-Marketed Underwritten Shelf Take-Down Notice (which time period shall be at least twenty-four (24) hours prior to the expected time of the pricing of the applicable Non-Marketed Underwritten Shelf Take-Down), indicating its, his or her election to sell up to the number of Registrable Securities in the Non-Marketed Underwritten Shelf Take-Down specified by such Shelf Holder in such Take-Down Participation Notice (but, in all cases, subject to Section 3.1(d)(ii)(B)). Following the time period

specified in such Non- Marketed Underwritten Shelf Take-Down Notice, each Take-Down Tagging Holder that has delivered a Take-Down Participation Notice shall be permitted to sell in such Non-Marketed Underwritten Shelf Take-Down on the terms and conditions set forth in the Non-Marketed Underwritten Shelf Take-Down Notice, concurrently with the Shelf Take-Down Initiating Holders and the other Non-Marketed Underwritten Shelf Take-Down Selling Holders, the number of Registrable Securities calculated pursuant to Section 3.1(d)(ii)(B). It is understood that in order to be entitled to exercise its, his or her right to sell Registrable Securities in a Non-Marketed Underwritten Shelf Take-Down pursuant to this Section 3.1(d)(iv), each Take-Down Tagging Holder must agree to make the same representations, warranties, covenants, indemnities and agreements, if any, as the Shelf Take-Down Initiating Holders agree to make in connection with the Non- Marketed Underwritten Shelf Take-Down, with such additions or changes as are required of such Take-Down Tagging Holder by the Underwriters (if applicable).

(D) Notwithstanding the delivery of any Non-Marketed Underwritten Shelf Take- Down Notice, all determinations as to whether to complete any Non-Marketed Underwritten Shelf Take-Down and as to the timing, manner, price and other terms and conditions of any Non-Marketed Underwritten Shelf Take-Down shall be at the sole discretion of the applicable Shelf Take-Down Initiating Holder, and PubCo agrees to cooperate in facilitating any Non-Marketed Underwritten Shelf Take-Down pursuant to Section 3.1(d). Each of the Shelf Holders agrees to reasonably cooperate with each of the other Shelf Holders and PubCo to establish notice, delivery and documentation procedures and measures to facilitate such other Shelf Holders' participation in Non-Marketed Underwritten Shelf Take-Downs pursuant to this Section 3.1(d).

### Section 3.2 Demand Registrations.

(a) Holders' Demand for Registration. If, at a time when a Shelf Registration Statement is not effective pursuant to Section 3.1, PubCo shall receive from the Partners or the Rollover Seller, at any time following the Lock-up Period (in such capacity, the "Demand Initiating Holders"), a written demand that PubCo effect any Registration in connection with an Underwritten Offering other than a Shelf Registration or a Shelf Take- Down (a "Demand Registration") of Registrable Securities held by such Holders, PubCo will:

- (i) promptly (but in any event within ten (10) days prior to the date such Demand Registration becomes effective under the Securities Act) give written notice of the proposed Demand Registration to all other Holders; and
- (ii) use its reasonable best efforts to effect such registration as soon as practicable as will permit or facilitate the sale and distribution of all or such portion of the Demand Initiating Holders' Registrable Securities as are specified

in such demand, together with all or such portion of the Registrable Securities of any other Holders joining in such demand as are specified in a written notice received by PubCo within five (5) days after the written notice set forth in [Section 3.2\(a\)\(i\)](#) is given; provided, that PubCo shall not be obligated to file any Registration Statement or other disclosure document pursuant to this [Section 3.2](#) (but shall be obligated to continue to prepare such Registration Statement or other disclosure document) if PubCo shall furnish to the Demand Initiating Holders and any other participating Holders, a certificate signed by the chief executive officer or equivalent senior executive of PubCo, stating that the filing or effectiveness of such Registration Statement would require PubCo to make an Adverse Disclosure, in which case PubCo shall have an additional period (each, a “Demand Delay”) of not more than sixty (60) days within which to file such Registration Statement; provided, however, that PubCo shall not exercise, in any twelve (12) month period, (x) more than one (1) Demand Delay pursuant to this [Section 3.2\(a\)\(ii\)](#) and one (1) Shelf Suspension pursuant to [Section 3.1\(c\)](#) or (y) aggregate Demand Delays pursuant to this [Section 3.2\(a\)\(ii\)](#) and Shelf Suspensions pursuant to [Section 3.1\(c\)](#) of more than ninety (90) days. The Demand Initiating Holders and any other participating Holders shall keep confidential the fact that a Demand Delay is in effect, the certificate referred to above and its contents for the permitted duration of the Demand Delay or until otherwise notified by PubCo, except (A) for disclosure to the Demand Initiating Holders’ or other participating Holders’ employees, agents and professional advisers who need to know such information and are obligated to keep it confidential, (B) for disclosures to the extent required in order to comply with reporting obligations to its limited partners who have agreed to keep such information confidential and (C) as required by Law.

(b) Underwriting. If the Demand Initiating Holders intend to distribute the Registrable Securities covered by their demand by means of an Underwritten Offering, they shall so advise PubCo as part of their demand made pursuant to this [Section 3.2](#), and PubCo shall include such information in the written notice referred to in [Section 3.2\(a\)\(ii\)](#). In such event, the right of any Holder to registration pursuant to this [Section 3.2](#) shall be conditioned upon such Holder’s participation in such Underwritten Offering and the inclusion of such Holder’s Registrable Securities in the Underwritten Offering to the extent provided herein. PubCo, together with all holders of Registrable Securities of PubCo proposing to distribute their securities through such Underwritten Offering, shall enter into an underwriting agreement in customary form with the Underwriter or Underwriters selected by the Demand Initiating Holders and reasonably satisfactory to PubCo. Notwithstanding any other provision of this [Section 3.2](#), if the Underwriter shall advise PubCo that marketing factors (including an adverse effect on the per security offering price) require a limitation of the number of Registrable Securities to be underwritten, then PubCo shall so advise the Demand Initiating Holders and all other Holders that have requested to participate in such offering and the number of Registrable Securities that may be included in the Demand Registration and Underwritten Offering shall be allocated pro rata among the Partners, the Rollover Seller, the other Holders that

have requested to participate in such offering and other holders of Registrable Securities exercising a contractual or other right to dispose of Registrable Securities in such Underwritten Offering thereof in proportion, as nearly as practicable, to the respective amounts of Registrable Securities held by such persons at the time of filing the Registration Statement; provided, that any Registrable Securities thereby allocated to any such Person that exceed such Person's request shall be reallocated among the Demand Initiating Holders, the other Holders that have requested to participate in such offering and other requesting holders of Registrable Securities in like manner; and provided, further, that the number of Registrable Securities to be included in such Underwritten Offering shall not be reduced unless all other Equity Securities of PubCo are first entirely excluded from the Underwritten Offering. No Registrable Securities excluded from the Underwritten Offering by reason of the Underwriter's marketing limitation shall be included in such Demand Registration. If the Underwriter has not limited the number of Registrable Securities to be underwritten, PubCo may include securities for its own account (or for the account of any other Persons) in such Demand Registration if the Underwriter so agrees and if the number of Registrable Securities would not thereby be limited.

(c) Effective Registration. PubCo shall be deemed to have effected a Demand Registration if the Registration Statement pursuant to such registration is declared effective by the SEC and remains effective for not less than one hundred eighty (180) days (or such shorter period as will terminate when all Registrable Securities covered by such Registration Statement have been sold or withdrawn), or, if such Registration Statement relates to an Underwritten Offering, such longer period as, in the opinion of counsel for the Underwriters, a prospectus is required by Law to be delivered in connection with sales of Registrable Securities by an Underwriter or dealer (the applicable period, the "Demand Period"). No Demand Registration shall be deemed to have been effected if (i) during the Demand Period such registration is interfered with by any stop order, injunction or other order or requirement of the SEC or other governmental agency or court or (ii) the conditions specified in the underwriting agreement, if any, entered into in connection with such Registration are not satisfied other than by reason of a wrongful act, misrepresentation or breach of such applicable underwriting agreement by a participating Holder.

### Section 3.3 Piggyback Registration.

(a) If at any time or from time to time PubCo shall determine to register any of its Equity Securities, either for its own account or for the account of security holders (other than in (1) a registration relating solely to employee benefit plans, (2) a registration statement on Form S-4 or S-8 (or such other similar successor forms then in effect under the Securities Act), (3) a registration pursuant to which PubCo is offering to exchange its own securities for other securities, (4) a registration statement relating solely to dividend reinvestment or similar plans, (5) a Shelf Registration Statement pursuant to which only the initial purchasers and subsequent transferees of debt securities of PubCo or any of its subsidiaries that are convertible for Common Stock and that are initially issued pursuant to Rule 144A and/or Regulation S (or any successor provision) of the Securities Act may

resell such notes and sell the Common Stock into which such notes may be converted, (6) a registration pursuant to [Section 3.1](#) or [Section 3.2](#) hereof or (7) a registration expressly contemplated by the Subscription Agreements) PubCo will:

- (i) promptly (but in no event less than ten (10) days before the effective date of the relevant Registration Statement) give to each Holder written notice thereof; and
- (ii) include in such Registration (and any related qualification under state securities Laws or other compliance), and in any Underwritten Offering involved therein, all the Registrable Securities specified in a written request or requests made within five (5) days after receipt of such written notice from PubCo by any Holder or Holders except as set forth in [Section 3.3\(b\)](#) below.

Notwithstanding anything herein to the contrary, this [Section 3.3](#) shall not apply (i) to any Shelf Take-Down irrespective of whether such Shelf Take-Down is an Underwritten Shelf Take-Down or not an Underwritten Shelf Take-Down or (ii) to any Distribution (if applicable).

(b) **Underwriting.** If the Registration of which PubCo gives notice pursuant to [Section 3.3\(a\)](#) is for an Underwritten Offering, PubCo shall so advise the Holders as a part of the written notice given pursuant to [Section 3.3\(a\)\(i\)](#). In such event the right of any Holder to participate in such registration pursuant to this [Section 3.3](#) shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in the Underwritten Offering to the extent provided herein. All Holders proposing to dispose of their Registrable Securities through such Underwritten Offering, together with PubCo and the other parties distributing their Equity Securities of PubCo through such Underwritten Offering, shall enter into an underwriting agreement in customary form with the Underwriter or Underwriters selected for such Underwritten Offering by PubCo. Notwithstanding any other provision of this [Section 3.3](#), if the Underwriters shall advise PubCo that marketing factors (including, without limitation, an adverse effect on the per security offering price) require a limitation of the number of Registrable Securities to be underwritten, then PubCo may limit the number of Registrable Securities to be included in the Registration and Underwritten Offering as follows:

- (i) If the Registration is initiated and undertaken for PubCo's account, PubCo shall so advise all Holders of Registrable Securities that have requested to participate in such offering, and the number of Registrable Securities that may be included in the Registration and Underwritten Offering shall be allocated in the following manner: (A) first, to PubCo, (B) second, to the Holders of Registrable Securities on a *pro rata* basis based on the total number of Registrable Securities held by such Holders and (C) third, to other holders of Equity Securities of PubCo exercising a contractual or other right to dispose of such Equity Securities in such Underwritten Offering on a pro rata basis based on the total number of Equity Securities of PubCo held by such Persons; provided, that any Registrable Securities or Equity Securities thereby allocated to any such Person that exceed

such Person's request shall be reallocated among the remaining requesting Holders or other requesting holders, as applicable, in like manner.

(ii) If the Registration is initiated and undertaken at the request of one or more holders of Equity Securities of PubCo who are not Holders, PubCo shall so advise all Holders of Registrable Securities that have requested to participate in such offering, and the number of Registrable Securities that may be included in the Registration and Underwritten Offering shall be allocated in the following manner: (A) first, to the initiating holders of Equity Securities of PubCo exercising a contractual or other right to dispose of such Equity Securities in such Underwritten Offering, on a *pro rata* basis based on the total number of Equity Securities of PubCo, (B) second, to the Holders of Registrable Securities on a *pro rata* basis based on the total number of Registrable Securities held by such Holders, (C) third, to PubCo, (D) fourth, to other holders of Equity Securities of PubCo exercising a contractual or other right to dispose of such Equity Securities in such Underwritten Offering on a *pro rata* basis based on the total number of Equity Securities of PubCo held by such persons; provided, in the case of this foregoing clause (D) that any Registrable Securities or Equity Securities thereby allocated to any such Person that exceed such Person's request shall be reallocated among the remaining requesting Holders or other requesting holders, as applicable, in like manner.

No such reduction pursuant to Section 3.3(b)(i) and Section 3.3(b)(ii) shall reduce the amount of Registrable Securities of the selling Holders included in the Registration below twenty-five percent (25%) of the total amount of Equity Securities included in such Registration. No securities excluded from the Underwritten Offering by reason of the Underwriter's marketing limitation shall be included in such Registration.

(c) Right to Terminate Registration. PubCo shall have the right to terminate or withdraw any Registration initiated by it under this Section 3.3 prior to the effectiveness of such Registration whether or not any Holder has elected to include Registrable Securities in such Registration.

Section 3.4 Expenses of Registration. All Registration Expenses incurred in connection with all Registrations or other Transfers effected pursuant to or permitted by this Investor Rights Agreement (including any Distribution), shall be borne by PubCo. It is acknowledged by the Holders that the Holders selling or otherwise Transferring any Registrable Securities in any Registration or Transfer shall bear all incremental selling expenses relating to the sale or Transfer of such Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of "Registration Expenses," all reasonable fees and expenses of any legal counsel representing such Holders, in each case *pro rata* based on the number of Registrable Securities that such Holders have sold or Transferred in such Registration.

Section 3.5 Obligations of PubCo. Whenever required under this Article III to effect the Registration of any Registrable Securities, PubCo shall, as expeditiously as reasonably possible:

- (a) prepare and file with the SEC a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement have been sold;
- (b) prepare and file with the SEC such amendments, post-effective amendments and supplements to such Registration Statement and the Prospectus used in connection with such Registration Statement as may be necessary to keep such Registration Statement effective and to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement in accordance with the intended methods of disposition by sellers thereof set forth in such Registration Statement;
- (c) permit any Holder that (in the good faith reasonable judgment of PubCo) might be deemed to be a controlling person of PubCo to participate in good faith in the preparation of such Registration Statement and to cooperate in good faith to include therein material, furnished to PubCo in writing, that in the reasonable judgment of such Holder and its counsel should be included;
- (d) furnish to the Holders such numbers of copies of the Registration Statement and the related Prospectus, including all exhibits thereto and documents incorporated by reference therein and a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them;
- (e) in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter(s) of such offering; each Holder participating in such underwriting shall also enter into and perform its obligations under such an agreement;
- (f) notify each Holder of Registrable Securities covered by such Registration Statement as soon as reasonably possible after notice thereof is received by PubCo of any written comments by the SEC or any request by the SEC or any other federal or state Governmental Entity for amendments or supplements to such Registration Statement or such Prospectus or for additional information;
- (g) notify each Holder of Registrable Securities covered by such Registration Statement, at any time when a Prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(h) notify each Holder of Registrable Securities covered by such Registration Statement as soon as reasonably practicable after notice thereof is received by PubCo of the issuance by the SEC of any stop order suspending the effectiveness of such Registration Statement or any order by the SEC or any other regulatory authority preventing or suspending the use of any preliminary or final Prospectus or the initiation or threatening of any proceedings for such purposes, or any notification with respect to the suspension of the qualification of the Registrable Securities for offering or sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(i) use its reasonable best efforts to prevent the issuance of any stop order suspending the effectiveness of any Registration Statement or of any order preventing or suspending the use of any preliminary or final Prospectus and, if any such order is issued, to obtain the withdrawal of any such order as soon as practicable;

(j) make available for inspection by each Holder including Registrable Securities in such Registration, any Underwriter participating in any distribution pursuant to such Registration, and any attorney, accountant or other agent retained by such Holder or Underwriter, all financial and other records, pertinent corporate documents and properties of PubCo, as such parties may reasonably request, and cause PubCo's officers, directors and employees to supply all information reasonably requested by any such Holder, Underwriter, attorney, accountant or agent in connection with such Registration Statement;

(k) use its reasonable best efforts to register or qualify, and cooperate with the Holders of Registrable Securities covered by such Registration Statement, the Underwriters, if any, and their respective counsel, in connection with the Registration or qualification of such Registrable Securities for offer and sale under the "Blue Sky" or securities Laws of each state and other jurisdiction of the United States as any such Holder or Underwriters, if any, or their respective counsel reasonably request in writing, and do any and all other things reasonably necessary or advisable to keep such Registration or qualification in effect for such period as required by Section 3.1(b) and Section 3.2(c), as applicable; provided, that PubCo shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or take any action which would subject it to taxation or service of process in any such jurisdiction where it is not then so subject;

(l) in the case of an Underwritten Offering, obtain for delivery to the Holders of Registrable Securities covered by such Registration Statement and to the Underwriters an opinion or opinions from counsel for PubCo, dated the date of the closing under the underwriting agreement, in customary form, scope and substance, which opinions shall be reasonably satisfactory to such Holders or Underwriters, as the case may be, and their respective counsel;

(m) in the case of an Underwritten Offering, obtain for delivery to PubCo and the Underwriters, with copies to the Holders of Registrable Securities included in such Registration, a cold comfort letter from PubCo's independent certified public accountants in customary form and covering such matters of the type customarily covered by cold

comfort letters as the managing Underwriter or Underwriters reasonably request, dated the date of execution of the underwriting agreement and brought down to the closing under the underwriting agreement;

(n) use its reasonable best efforts to list the Registrable Securities that are covered by such Registration Statement with any securities exchange or automated quotation system on which the Common Stock or other Equity Securities of PubCo, as applicable, are then listed;

(o) provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by the applicable Registration Statement from and after a date not later than the effective date of such Registration Statement;

(p) cooperate with Holders including Registrable Securities in such Registration and the managing Underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, such certificates to be in such denominations and registered in such names as such Holders or the managing Underwriters may request at least two (2) Business Days prior to any sale of Registrable Securities;

(q) use its reasonable best efforts to comply with all applicable securities Laws and make available to its Holders, as soon as reasonably practicable, an earnings statement satisfying the provisions of Section 11(a) of the Securities Act and the rules and regulations promulgated thereunder;

(r) in the case of an Underwritten Offering that is Marketed, cause the senior executive officers of PubCo to participate in the customary “road show” presentations that may be reasonably requested by the Underwriters and otherwise to facilitate, cooperate with and participate in each proposed offering contemplated herein and customary selling efforts related thereto; and

(s) otherwise, in good faith, reasonably cooperate with, and take such customary actions as may reasonably be requested by, the Holders, in connection with such Registration.

#### Section 3.6 Indemnification.

(a) PubCo will, and does hereby undertake to, indemnify and hold harmless each Holder of Registrable Securities and each of such Holder’s officers, directors, trustees, employees, partners, managers, members, equityholders, beneficiaries, affiliates and agents and each Person, if any, who controls such Holder, within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, with respect to any Registration, qualification, compliance or sale effected pursuant to this Article III, and each Underwriter, if any, and each Person who controls any Underwriter, of the Registrable Securities held by or issuable to such Holder, against all claims, losses, damages and liabilities (or actions in respect thereto) to which they may become subject under the Securities Act, the Exchange Act, or other federal or state Law arising out of or based on (A) any untrue statement (or alleged untrue statement) of a material fact

contained in any prospectus, offering circular, free writing prospectus or other similar document (including any related Registration Statement, notification, or the like) incident to any such Registration, qualification, compliance or sale effected pursuant to this [Article III](#), or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, (B) any violation or alleged violation by PubCo of any Law applicable to PubCo in connection with any such Registration, qualification, compliance or sale, or (C) any failure to register or qualify Registrable Securities in any state where PubCo or its agents have affirmatively undertaken or agreed in writing (including pursuant to [Section 3.5\(k\)](#)) that PubCo (the undertaking of any Underwriter being attributed to PubCo) will undertake such Registration or qualification on behalf of the Holders of such Registrable Securities (provided, that in such instance PubCo shall not be so liable if it has undertaken its reasonable best efforts to so register or qualify such Registrable Securities) and will reimburse, as incurred, each such Holder, each such Underwriter and each such director, officer, trustee, employee, partner, manager, member, equityholder, beneficiary, affiliate, agent and controlling person, for any legal and any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action; provided, that PubCo will not be liable in any such case to the extent that any such claim, loss, damage, liability or expense arises out of or is based on any untrue statement or omission made in reliance and in conformity with written information furnished to PubCo by such Holder or Underwriter expressly for use therein.

(b) Each Holder (if Registrable Securities held by or issuable to such Holder are included in such Registration, qualification, compliance or sale pursuant to this [Article III](#)) does hereby undertake to indemnify and hold harmless, severally and not jointly, PubCo, each of its officers, directors, employees, affiliates and agents and each Person, if any, who controls PubCo within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each Underwriter, if any, against all claims, losses, damages and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any such Registration Statement, prospectus, offering circular, free writing prospectus or other document, or any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, and will reimburse, as incurred, PubCo, each of its officers, directors, employees, affiliates and agents and each Person, if any, who controls PubCo within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each Underwriter, if any, for any legal or any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) was made in such Registration Statement, prospectus, offering circular, free writing prospectus or other document, in reliance upon and in conformity with written information that (i) relates to such Holder in its capacity as a selling security holder and (ii) was furnished to PubCo by such Holder expressly for use therein; provided, however,

that the aggregate liability of each Holder hereunder shall be limited to the net proceeds after underwriting discounts and commissions received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation. It is understood and agreed that the indemnification obligations of each Holder pursuant to any underwriting agreement entered into in connection with any Registration Statement shall be limited to the obligations contained in this Section 3.6(b).

(c) Each party entitled to indemnification under this Section 3.6 (the “Indemnified Party”) shall give notice to the party required to provide such indemnification (the “Indemnifying Party”) of any claim as to which indemnification may be sought promptly after such Indemnified Party has actual knowledge thereof, and shall permit the Indemnifying Party to assume the defense of any such claim or any litigation resulting therefrom; provided, that counsel for the Indemnifying Party, who shall conduct the defense of such claim or litigation, shall be subject to approval by the Indemnified Party (whose approval shall not be unreasonably withheld) and the Indemnified Party may participate in such defense at the Indemnifying Party’s expense if representation of such Indemnified Party would be inappropriate due to actual or potential differing interests between such Indemnified Party and any other party represented by such counsel in such proceeding; and provided, further, that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its obligations under this Section 3.6, except to the extent that such failure to give notice materially prejudices the Indemnifying Party in the defense of any such claim or any such litigation. An Indemnifying Party, in the defense of any such claim or litigation, may, without the consent of each Indemnified Party, consent to entry of any judgment or enter into any settlement that (i) includes as a term thereof the giving by the claimant or plaintiff therein to such Indemnified Party of an unconditional release from all liability with respect to such claim or litigation and (ii) does not include any recovery (including any statement as to or an admission of fault, culpability or a failure to act by or on behalf of such Indemnified Party) other than monetary damages, and provided, that any sums payable in connection with such settlement are paid in full by the Indemnifying Party.

(d) In order to provide for just and equitable contribution in case indemnification is prohibited or limited by law, the Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions which resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and such Person’s relative intent, knowledge, access to information and opportunity to correct or prevent such actions; provided, however, that, in any case, (i) no Holder will be required to contribute any amount in excess of the net proceeds after

Underwriting discounts and commissions received by such Holder upon the sale of the Registrable Securities giving rise to such contribution obligation and (ii) no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

- (e) The indemnities provided in this [Section 3.6](#) shall survive the Transfer of any Registrable Securities by such Holder.

**Section 3.7 [Information by Holder.](#)** The Holder or Holders of Registrable Securities included in any Registration shall furnish to PubCo such information regarding such Holder or Holders and the distribution proposed by such Holder or Holders as PubCo may reasonably request in writing and as shall be required in connection with any Registration, qualification or compliance referred to in this [Article III](#). Each Holder agrees, if requested in writing by PubCo, to represent to PubCo the total number of Registrable Securities held by such Holder in order for PubCo to make determinations under this Investor Rights Agreement, including for purposes of [Section 3.8](#) hereof. Notwithstanding anything to the contrary contained in this Investor Rights Agreement, if any Holder does not provide PubCo with information requested pursuant to this [Section 3.7](#), PubCo may exclude such Holder's Registrable Securities from the applicable Registration Statement or Prospectus if PubCo determines, based on the advice of outside counsel, that such information is necessary to effect the Registration and such Holder continues thereafter to withhold such information. No Person may participate in any Underwritten Offering of Equity Securities of PubCo pursuant to a Registration under this Investor Rights Agreement unless such Person completes and executes all customary questionnaires, powers of attorney, custody agreements, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements. Subject to the minimum thresholds set forth in [Section 3.1\(d\)\(ii\)](#) and [Section 3.2\(a\)](#) of this Investor Rights Agreement, the exclusion of a Holder's Registrable Securities as a result of this [Section 3.7](#) shall not affect the registration of the other Registrable Securities to be included in such Registration.

**Section 3.8 [Rule 144 Reporting.](#)** With a view to making available to the Holders the benefits of certain rules and regulations of the SEC that may permit the sale of the Registrable Securities to the public without Registration, PubCo agrees to use its reasonable best efforts to:

- (a) make and keep current public information available, within the meaning of Rule 144 (or any similar or analogous rule) promulgated under the Securities Act, at all times;
- (b) file with the SEC, in a timely manner, all reports and other documents required of PubCo under the Securities Act and Exchange Act; and
- (c) so long as a Holder owns any Registrable Securities, furnish to such Holder forthwith upon request a written statement by PubCo as to its compliance with the reporting requirements of said Rule 144 (at any time commencing after the Lock-Up Period), the Securities Act and the Exchange Act, a copy of the most recent annual or quarterly report of PubCo and such other reports and documents as a Holder may

reasonably request in availing itself of any rule or regulation of the SEC allowing it to sell any such securities without Registration.

Section 3.9 “Market Stand Off” Agreement. Each Holder hereby agrees with PubCo that, with respect to Underwritten Offerings initiated by a Holder only, during such period (which period shall in no event exceed 90 days) following the effective date of a Registration Statement of PubCo (or, in the case of an Underwritten Shelf Take-Down, the date of the filing of a preliminary Prospectus or Prospectus supplement relating to such Underwritten Offering (or if there is no such filing, the first contemporaneous press release announcing commencement of such Underwritten Offering)) as the Holders that own a majority of the Registrable Securities participating in such Underwritten Offering may agree to with the Underwriter or Underwriters of such Underwritten Offering (a “Market Stand-Off Period”), such Holder or its Affiliates shall not sell, pledge, hypothecate, transfer, make any short sale of, loan, grant any option or right to purchase of, or otherwise transfer or dispose of (other than to donees who agree to be similarly bound) any Registrable Securities held by it at any time during such period except Registrable Securities included in such Registration and shares of Common Stock subject to a Charitable Distribution in connection with such Underwritten Offering. In connection with any Underwritten Offering contemplated by this Section 3.9, PubCo shall use reasonable best efforts to cause each director and executive officer of PubCo to execute a customary lock-up for the Market Stand-Off Period. Each Holder agrees with PubCo that it shall deliver to the Underwriter or Underwriters for any such Underwritten Offering a customary agreement (with customary terms, conditions and exceptions) that is substantially similar to the agreement delivered to the Underwriter or Underwriters by the Holders that own a majority of the Registrable Securities participating in such Registration reflecting their agreement set forth in this Section 3.9; provided, that such agreement shall not be materially more restrictive than any similar agreement entered into by PubCo’s directors and executive officers participating in such Underwritten Offering; provided, further, that such agreement shall not be required unless all Holders are required to enter into similar agreements; provided, further, that such agreement shall provide that any early release of any Holder from the provisions of the terms of such agreement shall be on a pro rata basis among all Holders.

Section 3.10 Other Obligations. In connection with a Transfer of Registrable Securities exempt from Section 5 of the Securities Act or through any broker-dealer transactions described in the plan of distribution set forth within the Prospectus and pursuant to the Registration Statement of which such Prospectus forms a part, PubCo shall, subject to applicable Law, as interpreted by PubCo with the advice of counsel, and the receipt of any customary documentation required from the applicable Holders in connection therewith, (a) promptly instruct its transfer agent to remove any restrictive legends applicable to the Registrable Securities being Transferred and (b) cause its legal counsel to deliver the necessary legal opinions, if any, to the transfer agent in connection with the instruction under the foregoing clause (a). In addition, PubCo shall cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with the aforementioned Transfers; provided, however, that PubCo shall have no obligation to participate in any “road shows” or assist with the preparation of any offering memoranda or related documentation with

respect to any Transfer of Registrable Securities in any transaction that does not constitute an Underwritten Offering.

Section 3.11 Other Registration Rights. Other than the registration rights set forth in the the B. Riley RRA, the Bain RRA and the Subscription Agreements, PubCo represents and warrants that no Person, other than a Holder of Registrable Securities pursuant to this Investor Rights Agreement, has any right to require PubCo to register any securities of PubCo for sale or to include such securities of PubCo in any Registration Statement filed by PubCo for the sale of securities for its own account or for the account of any other Person. Further, each of PubCo and the Sponsor represents and warrants that this Investor Rights Agreement supersedes any other registration rights agreement (including, for the avoidance of doubt, that certain Registration and Shareholder Rights Agreement, dated as of November 13, 2020) or agreement other than the B. Riley RRA, the Bain RRA and the Subscription Agreements. In the event of any conflict among the registration rights set forth in this Investor Rights Agreement, the B. Riley RRA, the Bain RRA and the Subscription Agreements, then the Parties shall cooperate in good faith to resolve any such conflict in such a manner so that none of PubCo and its Affiliates shall incur any liability in respect of such conflict.

Section 3.12 Term. Article III shall terminate with respect to any Holder on the date that such Holder no longer holds any Registrable Securities. The provisions of Section 3.6 shall survive any such termination with respect to such Holder.

#### **ARTICLE IV**

##### **LOCK-UP**

##### Section 4.1 Lock-Up.

(a) Each of the Partners and the Rollover Seller agrees with PubCo, not to effect any Transfer, or make a public announcement of any intention to effect such Transfer, of any Lock-Up Shares (as defined below) Beneficially Owned or otherwise held by the each of the Partners and Rollover Seller during the Lock-Up Period; provided, that such prohibition shall not apply to Transfers permitted pursuant to Section 4.2. For the avoidance of doubt, each of the Partners and the Rollover Seller agrees with PubCo not to effect a Distribution during the Lock-Up Period. The “Lock-Up Shares” means the Registrable Securities held by the Partners as of the Closing Date and the Rollover Consideration Shares held by the Rollover Seller as of the Closing Date.

(b) During the Lock-Up Period, any purported Transfer of Lock-Up Shares not in accordance with this Investor Rights Agreement shall be null and void, and PubCo shall refuse to recognize any such Transfer for any purpose.

(c) The Holders acknowledge and agree that, notwithstanding anything to the contrary contained in this Investor Rights Agreement, the Lock-Up Shares Beneficially Owned by such Person shall remain subject to any restrictions on Transfer under applicable securities Laws of any Governmental Entity, including all applicable holding periods under the Securities Act and other rules of the SEC.

Section 4.2 Permitted Transfers.

(a) Notwithstanding anything to the contrary contained in this Investor Rights Agreement, during the Lock-Up Period, each of the Partners and the Rollover Seller may, without the consent of PubCo:

(i) Transfer any of such Person's Lock-Up Shares:

(A) to any of such Person's Permitted Transferees, upon written notice to PubCo, the Partners, the Seller and the Sponsor, as applicable;

(B) (1) in the case of an individual, by virtue of laws of descent and distribution upon death of the individual; (2) in the case of an individual, pursuant to a qualified domestic relations order; or (3) pursuant to any liquidation, merger, stock exchange or other similar transaction which results in all of PubCo's stockholders having the right to exchange their shares of Common Stock for cash, securities or other property subsequent to the New Business Combination; provided, that in connection with any Transfer of such Lock-Up Shares pursuant to this Section 4.2(a)(i)(B), (x) the restrictions and obligations contained in Section 4.1 and this Section 4.2 will continue to apply to such Lock-Up Shares after any Transfer of such Lock-Up Shares and such Transferee shall agree to be bound by such restrictions and obligations in writing and acknowledged by PubCo, and (y) the Transferee of such Lock-Up Shares shall have no rights under this Investor Rights Agreement, unless, for the avoidance of doubt, such Transferee is a Permitted Transferee in accordance with this Investor Rights Agreement; or

(C) to a charitable organization through a Charitable Distribution; or

(ii) enter into any swap, forward exchange or other contract, transaction or series of transactions that hedges or Transfers to another Person, in whole or in part, directly or indirectly, any of the economic consequences of ownership of any of such Person's Lock-Up Shares; provided, that no such swap, forward exchange, contract, transaction or series of transactions may be settled by delivery of any of such Person's Lock-Up Shares without the consent of PubCo except as otherwise provided pursuant to this Section 4.2.

(b) Any Transferee of Lock-Up Shares who is a Permitted Transferee of the Transferor pursuant to this Section 4.2 shall be required, at the time of and as a condition to such Transfer, to become a party to this Investor Rights Agreement by executing and delivering a joinder in the form attached to this Investor Rights Agreement as Exhibit A, whereupon such Transferee will be treated as a Party (with the same rights and obligations as the Transferor) for all purposes of this Investor Rights Agreement. Notwithstanding the foregoing provisions of this Section 4.2, a Holder may not make a Transfer to a Permitted Transferee if such Transfer has as a purpose the avoidance of or is

otherwise undertaken in contemplation of avoiding the restrictions on Transfers in this Agreement (it being understood that the purpose of this provision includes prohibiting the Transfer to a Permitted Transferee (A) that has been formed to facilitate a material change with respect to who or which entities Beneficially Own the underlying Lock-Up Shares, or (B) followed by a change in the relationship between the Holder and the Permitted Transferee (or a change of control of such Holder or Permitted Transferee) after the Transfer with the result and effect that the Holder has indirectly made a Transfer of Lock-Up Shares by using a Permitted Transferee, which Transfer would not have been directly permitted under this [Article IV](#) had such change in such relationship occurred prior to such Transfer).

## **ARTICLE V**

### **GENERAL PROVISIONS**

#### **Section 5.1 Assignment; Successors and Assigns; No Third Party Beneficiaries.**

(a) Except as otherwise permitted pursuant to this Investor Rights Agreement, no Party may assign such Party's rights and obligations under this Investor Rights Agreement, in whole or in part, without the prior written consent of the Partners, the Sponsor and the Rollover Seller; provided that the Sponsor is only entitled to such consent if it beneficially owns at least 25% of the Common Stock of PubCo that it beneficially owned on the Original Closing Date. Any such assignee may not again assign those rights, other than in accordance with this Article V. Any attempted assignment of rights or obligations in violation of this Article V shall be null and void.

(b) Notwithstanding anything to the contrary contained in this Investor Rights Agreement (other than the succeeding sentence of this Section 5.1(b)), (i) prior to the expiration of the Lock-Up Period to the extent applicable to such Holder, no Holder may Transfer such Holder's rights or obligations under this Investor Rights Agreement in connection with a Transfer of such Holder's Registrable Securities, in whole or in part, except in connection with a Transfer pursuant to Section 4.2; and (ii) after the expiration of the Lock-up Period to the extent applicable to such Holder, a Holder may Transfer such Holder's rights or obligations under this Investor Rights Agreement in connection with a Transfer of such Holder's Registrable Securities, in whole or in part, (x) to any of such Holder's Permitted Transferees (other than any charitable organization), (y) pursuant to a Distribution or (z) to any Person with the prior written consent of PubCo. In no event can the Partners or Rollover Seller assign any of such Person's rights under Section 2.1. Any Transferee of Registrable Securities (other than pursuant to an effective registration statement under the Securities Act, pursuant to a Rule 144 transaction or pursuant to any In-Kind Distribution) shall, except as otherwise expressly stated herein, have all the rights and be subject to all of the obligations of the Transferor Holder under this Investor Rights Agreement and shall be required, at the time of and as a condition to such Transfer, to become a party to this Investor Rights Agreement by executing and delivering a joinder in the form attached to this Investor Rights Agreement as Exhibit A. No Transfer of Registrable Securities by a Holder shall be registered on PubCo's books and records, and such Transfer of Registrable Securities shall be null and void and not

otherwise effective, unless any such Transfer is made in accordance with the terms and conditions of this Investor Rights Agreement, and PubCo is hereby authorized by all of the Holders to enter appropriate stop transfer notations on its transfer records to give effect to this Investor Rights Agreement.

(c) All of the terms and provisions of this Investor Rights Agreement shall be binding upon the Parties and their respective successors, assigns, heirs and representatives, but shall inure to the benefit of and be enforceable by the successors, assigns, heirs and representatives of any Party only to the extent that they are permitted successors, assigns, heirs and representatives pursuant to the terms of this Investor Rights Agreement.

(d) Nothing in this Investor Rights Agreement, express or implied, is intended to confer upon any Person, other than the Parties and their respective permitted successors, assigns, heirs and representatives, any rights or remedies under this Investor Rights Agreement or otherwise create any third party beneficiary hereto.

Section 5.2 Termination. Except for Section 2.1(g) (which section shall terminate at such time as the Partners or the Rollover Seller and their Permitted Transferees, as applicable, are no longer entitled to any rights pursuant to such section), Article II shall terminate automatically (without any action by any Party) as to the Partners or the Rollover Seller at such time at which such Party no longer has the right to designate an individual for nomination to the Board under this Investor Rights Agreement. Except for Section 3.6 (which section shall terminate at such time as the Partners, the Sponsor, the Rollover Seller and their Permitted Transferees, as applicable, are no longer entitled to any rights pursuant to such section), Article III of this Investor Rights Agreement shall terminate as set forth in Section 3.12. The remainder of this Investor Rights Agreement shall terminate automatically (without any action by any Party) as to each Holder when such Holder, following the Closing Date, ceases to Beneficially Own any Registrable Securities; provided, that the provisions of Section 5.11, Section 5.12 and Section 5.13 shall survive any such termination with respect to such Holder. Notwithstanding anything herein to the contrary, in the event the New Merger Agreement terminates in accordance with its terms prior to the Closing, this Investor Rights Agreement shall automatically terminate and be of no further force or effect, without any further action required by the Parties.

Section 5.3 Severability. If any provision of this Investor Rights Agreement is determined to be invalid, illegal or unenforceable by any Governmental Entity, the remaining provisions of this Investor Rights Agreement, to the extent permitted by Law shall remain in full force and effect.

Section 5.4 Entire Agreement; Amendments; No Waiver.

(a) This Investor Rights Agreement, together with Exhibit A to this Investor Rights Agreement, the Original Merger Agreement, the New Merger Agreement and all Transaction Agreements and Ancillary Agreements (as each term is defined in the Original Merger Agreement or the New Merger Agreement, as applicable), constitute the entire agreement among the Parties with respect to the subject matter hereof and thereof

and supersede all prior and contemporaneous agreements, understandings and discussions, whether oral or written, relating to such subject matter in any way (including, for the avoidance of doubt, the Original IRA) and there are no warranties, representations or other agreements among the Parties in connection with such subject matter except as set forth in this Investor Rights Agreement and therein.

(b) No provision of this Investor Rights Agreement may be amended or modified in whole or in part at any time without the express written consent of (i) PubCo, (ii) for so long as the Partners (excluding Common Stock Beneficially Owned by the Rollover Seller) collectively Beneficially Own Common Stock representing 10% or more of the Common Stock Beneficially Owned by the Partners (excluding Common Stock Beneficially Owned by the Rollover Seller) on the Closing Date, the Partners, (iii) for so long as the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) Beneficially Owns Common Stock representing 25% or more of the Common Stock Beneficially Owned by the Rollover Seller (excluding Common Stock Beneficially Owned by the Partners) on the Closing Date, the Rollover Seller, and (iv) in any event, at least the Holders holding in the aggregate more than fifty percent (50%) of the Registrable Securities Beneficially Owned by the Holders; provided, that any such amendment or modification that adversely and disproportionately affects any Holder or Holders, as compared to any other Holder or Holders, shall require the prior written consent of such Holders who Beneficially Own a majority of the Registrable Securities Beneficially Owned by all such Holders so adversely and disproportionately affected; provided, further that any amendment or modification to Article II, Article III, Article IV or this Article V that adversely affects any right granted to the Partners, the Sponsor or the Rollover Seller shall require the consent of the Partners, the Sponsor or the Rollover Seller, as applicable; provided, further that a provision that has terminated with respect to a Party shall not require any consent of such Party (and such Party's Common Stock shall not be considered in computing any percentages) with respect to amending or modifying such provision.

(c) No waiver of any provision or default under, nor consent to any exception to, the terms of this Investor Rights Agreement shall be effective unless in writing and signed by the Party to be bound and then only to the specific purpose, extent and instance so provided.

Section 5.5 Counterparts; Electronic Delivery. This Investor Rights Agreement and any other agreements, certificates, instruments and documents delivered pursuant to this Investor Rights Agreement may be executed and delivered in one or more counterparts and by fax, email or other electronic transmission, each of which shall be deemed an original and all of which shall be considered one and the same agreement. No Party shall raise the use of a fax machine or email to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a fax machine or email as a defense to the formation or enforceability of a contract and each Party forever waives any such defense. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Investor Rights Agreement or any document to be signed in connection with this Investor Rights Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records

in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the Parties consent to conduct the transactions contemplated hereunder by electronic means.

Section 5.6 Notices. All notices, demands and other communications to be given or delivered under this Investor Rights Agreement shall be in writing and shall be deemed to have been given (a) when personally delivered (or, if delivery is refused, upon presentment) or received by email (with confirmation of transmission) prior to 5:00 p.m. Eastern Time on a Business Day and, if otherwise, on the next Business Day, (b) one (1) Business Day following sending by reputable overnight express courier (charges prepaid) or (c) three (3) calendar days following mailing by certified or registered mail, postage prepaid and return receipt requested. Section 5.7 Governing Law; Waiver of Jury Trial; Jurisdiction. The Law of the State of Delaware shall govern (a) all Actions, claims or matters related to or arising from this Investor Rights Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Investor Rights Agreement, and the performance of the obligations imposed by this Investor Rights Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions

(whether of the State of Delaware or any other jurisdiction) that would cause the application of the Law of any jurisdiction other than the State of Delaware. EACH PARTY TO THIS INVESTOR RIGHTS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS INVESTOR RIGHTS AGREEMENT, THE TRANSACTIONS CONTEMPLATED BY THIS INVESTOR RIGHTS AGREEMENT AND/OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES UNDER THIS INVESTOR RIGHTS AGREEMENT. THE PARTIES FURTHER WARRANT AND REPRESENT THAT EACH HAS REVIEWED THIS WAIVER WITH SUCH PARTY'S LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES SUCH PARTY'S JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. Each of the Parties submits to the exclusive jurisdiction of first, the Chancery Court of the State of Delaware or if such court declines jurisdiction, then to the Federal District Court for the District of Delaware, in any Action arising out of or relating to this Investor Rights Agreement, agrees that all claims in respect of the Action shall be heard and determined in any such court and agrees not to bring any Action arising out of or relating to this Investor Rights Agreement in any other courts. Each Party irrevocably consents to the service of process in any such Action by the mailing of copies thereof by registered or certified mail, postage prepaid, to such Party, at its address for notices as provided in [Section 5.6](#) of this Investor Rights Agreement, such service to become effective ten (10) days after such mailing. Each Party hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any Action commenced hereunder or under any other documents contemplated hereby that service of process was in any way invalid or ineffective. Nothing in this [Section 5.7](#), however, shall affect the right of any Party to serve legal process in any other manner permitted by Law or at equity; provided, that each of the Parties hereby waives any right it may have under the Laws of any jurisdiction to commence by publication any Action with respect to this Investor Rights Agreement. To the fullest extent permitted by applicable Law, each of the Parties hereby irrevocably waives any objection it may now or hereafter have to the laying of venue of any Action arising out of or relating to this Investor Rights Agreement in any of the courts referred to in this [Section 5.7](#) and hereby further irrevocably waives and agrees not to plead or claim that any such court is not a convenient forum for any such Action. Each Party agrees that a final judgment in any Action so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law or at equity, in any jurisdiction.

Section 5.8 Specific Performance. Each Party hereby agrees and acknowledges that it will be impossible to measure in money the damages that would be suffered if the Parties fail to comply with any of the obligations imposed on them by this Investor Rights Agreement and that, in the event of any such failure, an aggrieved Party will be irreparably damaged and will not have an adequate remedy at Law. Any such Party shall, therefore, be entitled (in addition to any other remedy to which such Party may be entitled at Law or in equity) to seek injunctive relief, including specific performance, to enforce such obligations, without the posting of any bond, and if any Action should be brought in equity to enforce any of the provisions of this Investor Rights Agreement, none of the Parties shall raise the defense that there is an adequate remedy at Law.

Section 5.9 Subsequent Acquisition of Shares. Any Equity Securities of PubCo acquired subsequent to the Effective Date by a Holder shall be subject to the terms and conditions of this Investor Rights Agreement and such shares shall be considered to be “Registrable Securities” as such term is used in this Investor Rights Agreement.

Section 5.10 Consents, Approvals and Actions. If any consent, approval or action of the Partners or Sponsor is required or permitted at any time pursuant to this Investor Rights Agreement, such consent, approval or action shall be deemed given if the holders of a majority of the outstanding Equity Securities of PubCo held by the Partners or Sponsor, as applicable, at such time provide such consent, approval or action in writing at such time.

Section 5.11 Not a Group; Independent Nature of Holders’ Obligations and Rights. The Holders and PubCo agree that the arrangements contemplated by this Investor Rights Agreement are not intended to constitute the formation of a “group” (as defined in Section 13(d)(3) of the Exchange Act). Each Holder agrees that, for purposes of determining beneficial ownership of such Holder, it shall disclaim any beneficial ownership by virtue of this Investor Rights Agreement of PubCo’s Equity Securities owned by the other Holders, and PubCo agrees to recognize such disclaimer in its Exchange Act and Securities Act reports. The obligations of each Holder under this Investor Rights Agreement are several and not joint with the obligations of any other Holder, and no Holder shall be responsible in any way for the performance of the obligations of any other Holder under this Investor Rights Agreement. Nothing contained herein, and no action taken by any Holder pursuant hereto, shall be deemed to constitute the Holders as, and PubCo acknowledges that the Holders do not so constitute, a partnership, an association, a joint venture or any other kind of group or entity, or create a presumption that the Holders are in any way acting in concert or as a group or entity with respect to such obligations or the transactions contemplated by this Investor Rights Agreement, and PubCo acknowledges that the Holders are not acting in concert or as a group, and PubCo shall not assert any such claim, with respect to such obligations or the transactions contemplated by this Investor Rights Agreement. The decision of each Holder to enter into this Investor Rights Agreement has been made by such Holder independently of any other Holder. Each Holder acknowledges that no other Holder has acted as agent for such Holder in connection with such Holder making its investment in PubCo and that no other Holder will be acting as agent of such Holder in connection with monitoring such Holder’s investment in the Common Stock or enforcing its rights under this Investor Rights Agreement. PubCo and each Holder confirms that each Holder has had the opportunity to independently participate with PubCo and its subsidiaries in the negotiation of the transaction contemplated hereby with the advice of its own counsel and advisors. Each Holder shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Investor Rights Agreement, and it shall not be necessary for any other Holder to be joined as an additional party in any proceeding for such purpose. The use of a single agreement to effectuate the rights and obligations contemplated hereby was solely in the control of PubCo, not the action or decision of any Holder, and was done solely for the convenience of PubCo and its subsidiaries and not because it was required to do so by any Holder. It is expressly understood and agreed that each provision contained in this Investor Rights Agreement is between PubCo and a Holder, solely, and not between PubCo and the Holders collectively and not between and among the Holders.

Section 5.12 Other Business Opportunities.

(a) The Parties expressly acknowledge and agree that to the fullest extent permitted by applicable Law: (i) each of the Institutional Partners and the Sponsor (including (A) their respective Affiliates, (B) any portfolio company in which they or any of their respective investment fund Affiliates have made a debt or equity investment (and vice versa) and (C) any of their respective limited partners, non-managing members or other similar direct or indirect investors) and the Partner Directors and the Rollover Directors has the right to, and shall have no duty (fiduciary, contractual or otherwise) not to, directly or indirectly engage in and possess interests in other business ventures of every type and description, including those engaged in the same or similar business activities or lines of business as PubCo or any of its subsidiaries or deemed to be competing with PubCo or any of its subsidiaries, on its own account, or in partnership with, or as an employee, officer, director or shareholder of any other Person, with no obligation to offer to PubCo or any of its subsidiaries, or any other Holder the right to participate therein; (ii) each of the Institutional Partners and the Sponsor (including (A) their respective Affiliates, (B) any portfolio company in which they or any of their respective investment fund Affiliates have made a debt or equity investment (and vice versa) and (C) any of their respective limited partners, non-managing members or other similar direct or indirect investors) and the Partner Directors and the Rollover Directors may invest in, or provide services to, any Person that directly or indirectly competes with PubCo or any of its subsidiaries; and (iii) in the event that any of the Institutional Partners or the Sponsor (including (A) their respective Affiliates, (B) any portfolio company in which they or any of their respective investment fund Affiliates have made a debt or equity investment (and vice versa) and (C) any of their respective limited partners, non-managing members or other similar direct or indirect investors) or any Partner Director or Rollover Director, respectively, acquires knowledge of a potential transaction or matter that may be a corporate or other business opportunity for PubCo or any of its subsidiaries, such Person shall have no duty (fiduciary, contractual or otherwise) to communicate or present such corporate opportunity to PubCo or any of its subsidiaries or any other Holder, as the case may be, and, notwithstanding any provision of this Investor Rights Agreement to the contrary, shall not be liable to PubCo or any of its subsidiaries or any other Holder (or its Affiliates) for breach of any duty (fiduciary, contractual or otherwise) by reason of the fact that such Person, directly or indirectly, pursues or acquires such opportunity for itself, directs such opportunity to another Person or does not present such opportunity to PubCo or any of its subsidiaries or any other Holder (or its Affiliates). For the avoidance of doubt, the Parties acknowledge that this paragraph is intended to disclaim and renounce, to the fullest extent permitted by applicable law, any right of PubCo or any of its subsidiaries with respect to the matters set forth herein, and this paragraph shall be construed to effect such disclaimer and renunciation to the fullest extent permitted by Law.

(b) Each of the Parties hereby, to the fullest extent permitted by applicable Law:

(i) confirms that none of the Institutional Partners or the Sponsor or any of their respective Affiliates have any duty to PubCo or any of its subsidiaries or to any other Holder other than the specific covenants and agreements set forth in this Investor Rights Agreement;

(ii) acknowledges and agrees that (A) in the event of any conflict of interest between PubCo or any of its subsidiaries, on the one hand, and any of the Institutional Partners or any of their respective Affiliates (or any Partner Director or Rollover Director acting in his or her capacity as such), on the other hand, the Institutional Partners or Sponsor or applicable Affiliates (or any Partner Director or Rollover Director acting in his or her capacity as a director) may act in its best interest and (B) none of the Partners, the Sponsor or the Rollover Seller or any of their respective Affiliates or any Partner Director or Rollover Director acting in his or her capacity as a director, shall be obligated (1) to reveal to PubCo or any of its subsidiaries confidential information belonging to or relating to the business of such Person or any of its Affiliates or (2) to recommend or take any action in its capacity as a direct or indirect stockholder or director, as the case may be, that prefers the interest of PubCo or its subsidiaries over the interest of such Person; and

(iii) waives any claim or cause of action against any of the Institutional Partners or the Sponsor and any of their respective Affiliates, and any officer, employee, agent or Affiliate of any such Person that may from time to time arise in respect of a breach by any such person of any duty or obligation disclaimed under [Section 5.12\(b\)\(i\)](#) or [Section 5.12\(b\)\(ii\)](#).

(c) Each of the Parties agrees that the waivers, limitations, acknowledgments and agreements set forth in this [Section 5.12](#) shall not apply to any alleged claim or cause of action against any of the Institutional Partners or the Sponsor based upon the breach or nonperformance by such Person of this Investor Rights Agreement or any other agreement to which such Person is a party.

(d) The provisions of this [Section 5.12](#), to the extent that they restrict the duties and liabilities of any of the Institutional Partners, the Sponsor or any of their respective Affiliates or any Partner Director or Rollover Director otherwise existing at law or in equity, are agreed by the Parties to replace such other duties and liabilities of the Institutional Partners, the Sponsor or any of their respective Affiliates or any such Partner Director to the fullest extent permitted by applicable Law.

**Section 5.13 [Indemnification; Exculpation.](#)**

(a) PubCo will, and PubCo will cause each of its subsidiaries to, jointly and severally indemnify, exonerate and hold the Holders and each of their respective direct and indirect partners, equityholders, members, managers, Affiliates, directors, officers,

shareholders, fiduciaries, managers, controlling Persons, employees, representatives and agents and each of the partners, equityholders, members, Affiliates, directors, officers, fiduciaries, managers, controlling Persons, employees and agents of each of the foregoing (collectively, the “Holder Indemnitees”) free and harmless from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages and costs and out-of- pocket expenses in connection therewith (including reasonable attorneys’ fees and expenses) incurred by the Holder Indemnitees or any of them before or after the date of this Investor Rights Agreement (collectively, the “Indemnified Liabilities”), arising out of any action, cause of action, suit, litigation, investigation, inquiry, arbitration or claim (each, an “Action”) arising directly or indirectly out of, or in any way relating to, (i) any Holder’s or its Affiliates’ ownership of Equity Securities of PubCo or control or ability to influence PubCo or any of its subsidiaries (other than any such Indemnified Liabilities (x) to the extent such Indemnified Liabilities arise out of any breach of this Investor Rights Agreement by such Holder Indemnitee or its Affiliates or other related Persons or the breach of any fiduciary or other duty or obligation of such Holder Indemnitee to its direct or indirect equity holders, creditors or Affiliates, (y) to the extent such control or the ability to control PubCo or any of its subsidiaries derives from such Holder’s or its Affiliates’ capacity as an officer or director of PubCo or any of its subsidiaries or (z) to the extent such Indemnified Liabilities are directly caused by such Person’s willful misconduct), (ii) the business, operations, properties, assets or other rights or liabilities of PubCo or any of its subsidiaries or (iii) any services provided prior to, on or after the date of this Investor Rights Agreement by any Holder or its Affiliates to PubCo or any of their respective subsidiaries; provided, however, that if and to the extent that the foregoing undertaking may be unavailable or unenforceable for any reason, PubCo will, and will cause its subsidiaries to, make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities that is permissible under applicable law. For the purposes of this Section 5.13, none of the circumstances described in the limitations contained in the proviso in the immediately preceding sentence shall be deemed to apply absent a final non- appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so determined to apply to any Holder Indemnitee as to any previously advanced indemnity payments made by PubCo or any of its subsidiaries, then such payments shall be promptly repaid by such Holder Indemnitee to PubCo and its subsidiaries. The rights of any Holder Indemnitee to indemnification hereunder will be in addition to any other rights any such Person may have under any other agreement or instrument to which such Holder Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation or under the organizational or governing documents of PubCo or its subsidiaries.

(b) PubCo will, and will cause each of its subsidiaries to, jointly and severally, reimburse any Holder Indemnitee for all reasonable costs and expenses (including reasonable attorneys’ fees and expenses and any other litigation-related expenses) as they are incurred in connection with investigating, preparing, pursuing, defending or assisting in the defense of any Action for which the Holder Indemnitee would be entitled to indemnification under the terms of this Section 5.13, or any action or proceeding arising therefrom, whether or not such Holder Indemnitee is a party thereto.

PubCo or its subsidiaries, in the defense of any Action for which a Holder Indemnitee would be entitled to indemnification under the terms of this [Section 5.13](#), may, without the consent of such Holder Indemnitee, consent to entry of any judgment or enter into any settlement if and only if it (i) includes as a term thereof the giving by the claimant or plaintiff therein to such Holder Indemnitee of an unconditional release from all liability with respect to such Action, (ii) does not impose any limitations (equitable or otherwise) on such Holder Indemnitee, and (iii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of such Holder Indemnitee, and provided, that the only penalty imposed in connection with such settlement is a monetary payment that will be paid in full by PubCo or its subsidiaries.

(c) PubCo acknowledges and agrees that PubCo shall, and to the extent applicable shall cause its subsidiaries to, be fully and primarily responsible for the payment to any Holder Indemnitee in respect of Indemnified Liabilities in connection with any Jointly Indemnifiable Claims (as defined below), pursuant to and in accordance with (as applicable) the terms of (i) the Delaware General Corporation Law and the Organizational Documents, each as amended, (ii) any director indemnification agreement, (iii) this Investor Rights Agreement, any other agreement between PubCo or any of its subsidiaries and such Holder Indemnitee (or its Affiliates) pursuant to which such Holder Indemnitee is indemnified, (iv) the laws of the jurisdiction of incorporation or organization of any subsidiary of PubCo and/or (v) the certificate of incorporation, certificate of organization, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or other organizational or governing documents of any subsidiary of PubCo ((i) through (v) collectively, the “[Indemnification Sources](#)”), irrespective of any right of recovery such Holder Indemnitee (or its Affiliates) may have from any corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (other than PubCo, any of its subsidiaries or the insurer under and pursuant to an insurance policy of PubCo or any of its subsidiaries) from whom such Holder Indemnitee may be entitled to indemnification with respect to which, in whole or in part, PubCo or any of its subsidiaries may also have an indemnification obligation (collectively, the “[Indemnitee-Related Entities](#)”). Under no circumstance shall PubCo or any of its subsidiaries be entitled to any right of subrogation or contribution by the Indemnitee-Related Entities and no right of advancement or recovery any Holder Indemnitee may have from the Indemnitee-Related Entities shall reduce or otherwise alter the rights of such Holder Indemnitee or the obligations of PubCo or any of its subsidiaries under the Indemnification Sources. In the event that any of the Indemnitee-Related Entities shall make any payment to any Holder Indemnitee in respect of indemnification with respect to any Jointly Indemnifiable Claim, (x) PubCo shall, and to the extent applicable shall cause its subsidiaries to, reimburse the Indemnitee-Related Entity making such payment to the extent of such payment promptly upon written demand from such Indemnitee-Related Entity, (y) to the extent not previously and fully reimbursed by PubCo and/or any of its subsidiaries pursuant to [clause \(x\)](#), the Indemnitee-Related Entity making such payment shall be subrogated to the extent of the outstanding balance of such payment to all of the rights of recovery of the Holder Indemnitee against PubCo and/or any of its subsidiaries,

as applicable, and (z) such Holder Indemnitee shall execute all papers reasonably required and shall do all things that may be reasonably necessary to secure such rights, including the execution of such documents as may be necessary to enable the Indemnitee-Related Entities effectively to bring suit to enforce such rights. Each of the Parties agree that each of the Indemnitee-Related Entities shall be third-party beneficiaries with respect to this [Section 5.13\(c\)](#), entitled to enforce this [Section 5.13\(c\)](#) as though each such Indemnitee- Related Entity were a party to this Investor Rights Agreement. PubCo shall cause each of its subsidiaries to perform the terms and obligations of this [Section 5.13\(c\)](#) as though each such subsidiary were a party to this Investor Rights Agreement. For purposes of this [Section 5.13\(c\)](#), the term “[Jointly Indemnifiable Claims](#)” shall be broadly construed and shall include, without limitation, any Indemnified Liabilities for which any Holder Indemnitee shall be entitled to indemnification from both (1) PubCo and/or any of its subsidiaries pursuant to the Indemnification Sources, on the one hand, and (2) any Indemnitee-Related Entity pursuant to any other agreement between any Indemnitee- Related Entity and such Holder Indemnitee (or its Affiliates) pursuant to which such Holder Indemnitee is indemnified, the laws of the jurisdiction of incorporation or organization of any Indemnitee-Related Entity and/or the certificate of incorporation, certificate of organization, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or other organizational or governing documents of any Indemnitee-Related Entity, on the other hand.

(d) In no event shall any Holder Indemnitee be liable to PubCo or any of its subsidiaries for any act, alleged act, omission or alleged omission that does not constitute willful misconduct or fraud of such Holder Indemnitee as determined by a final, nonappealable determination of a court of competent jurisdiction.

(e) Notwithstanding anything to the contrary contained in this Investor Rights Agreement, for purposes of this [Section 5.13](#), the term Holder Indemnitees shall not include any Holder or its any of its partners, equityholders, members, Affiliates, directors, officers, fiduciaries, managers, controlling Persons, employees and agents or any of the partners, equityholders, members, Affiliates, directors, officers, fiduciaries, managers, controlling Persons, employees and agents of any of the foregoing who is an officer or director of PubCo or any of its subsidiaries in such capacity as officer or director. Such officers and directors are or will be subject to separate indemnification in such capacity through this Investor Rights Agreement and/or the certificate of incorporation or organization, bylaws or limited partnership agreements and other instruments of PubCo and its subsidiaries.

(f) The rights of any Holder Indemnitee to indemnification pursuant to this [Section 5.13](#) will be in addition to any other rights any such Person may have under any other section of this Investor Rights Agreement or any other agreement or instrument to which such Holder Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation or under the certificate of limited partnership, limited partnership agreement, certificate of incorporation or bylaws (or equivalent governing documents) of PubCo or any of its subsidiaries.

Section 5.14 Representations and Warranties of the Parties. Each of the Parties hereby represents and warrants to each of the other Parties as follows:

(a) Such Party, to the extent applicable, is duly organized or incorporated, validly existing and in good standing under the laws of the jurisdiction of its organization or incorporation and has all requisite organizational power and authority to conduct its business as it is now being conducted and is proposed to be conducted.

(b) Such Party has the full organizational power, authority and legal right to execute, deliver and perform this Investor Rights Agreement. This Investor Rights Agreement has been duly executed and delivered by such Party and constitutes its, his or her legal, valid and binding obligation, enforceable against it, him or her in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally.

(c) The execution and delivery by such Party of this Investor Rights Agreement, the performance by such Party of its, his or her obligations hereunder by such Party does not and will not violate (i) in the case of Parties who are not individuals, any provision of its by-laws, charter, articles of association, partnership agreement or other similar organizational document, (ii) any provision of any material agreement to which it, he or she is a Party or by which it, he or she is bound or (iii) any Law to which it, he or she is subject.

(d) Such Party is not currently in violation of any Law, which violation could reasonably be expected at any time to have a material adverse effect upon such Party's ability to enter into this Investor Rights Agreement or to perform its, his or her obligations hereunder.

(e) There is no pending legal action, suit or proceeding that would materially and adversely affect the ability of such Party to enter into this Investor Rights Agreement or to perform its, his or her obligations hereunder.

Section 5.15 No Third Party Liabilities. This Investor Rights Agreement may only be enforced against the named Parties. All claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to any of this Investor Rights Agreement, or the negotiation, execution or performance of this Investor Rights Agreement (including any representation or warranty made in or in connection with this Investor Rights Agreement or as an inducement to enter into this Investor Rights Agreement), may be made only against the Persons that are expressly identified as Parties, as applicable; and no past, present or future direct or indirect director, officer, employee, incorporator, member, partner, stockholder, Affiliate, portfolio company in which any such Party or any of its investment fund Affiliates have made a debt or equity investment (and vice versa), agent, attorney or representative of any Party (including any Person negotiating or executing this Investor Rights Agreement on behalf of a Party), unless a Party to this Investor Rights Agreement, shall have any liability or obligation with respect to this Investor Rights Agreement or with respect any claim or cause of action

(whether in contract or tort) that may arise out of or relate to this Investor Rights Agreement, or the negotiation, execution or performance of this Investor Rights Agreement (including a representation or warranty made in or in connection with this Investor Rights Agreement or as an inducement to enter into this Investor Rights Agreement).

Section 5.16 Legends. Without limiting the obligations of PubCo set forth in Section 3.10, each of the Holders acknowledges that (i) no Transfer, hypothecation or assignment of any Registrable Securities Beneficially Owned by such Holder may be made except in compliance with applicable federal and state securities Laws and (ii) PubCo shall (x) place customary restrictive legends on the certificates or book entries representing the Registrable Securities subject to this Investor Rights Agreement and (y) remove such restrictive legends at the time the applicable Transfer and other restrictions contemplated thereby are no longer applicable to the Registrable Securities represented by such certificates or book entries.

Section 5.17 Adjustments. If there are any changes in the Common Stock as a result of stock split, stock dividend, combination or reclassification, or through merger, consolidation, recapitalization or other similar event, appropriate adjustment shall be made in the provisions of this Investor Rights Agreement, as may be required, so that the rights, privileges, duties and obligations under this Investor Rights Agreement shall continue with respect to the Common Stock as so changed.

**Annex D**

January 16, 2025

Special Committee of the Board of Directors of Redwire Corporation  
8226 Philips Highway, Suite 101  
Jacksonville, FL 32256

Members of the Special Committee:

Roth Capital Partners, LLC ("Roth, "us" or "we") understands that Redwire Corporation, a Delaware corporation (the "Company" or "Redwire"), intends to enter into an Agreement and Plan of Merger (the "Merger Agreement"), in which Redwire will acquire Edge Autonomy Intermediate Holdings, LLC, a Delaware limited liability company ("Edge"), for an aggregate purchase price of \$925 million as payable pursuant to the Merger Agreement (the foregoing, the "Transaction"). Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Merger Agreement.

In the Transaction, the issued and outstanding units of Edge will be converted into the right to receive (collectively, the "Transaction Consideration") (a) a number of shares of Redwire common stock equal to

(a) the Closing Equity Amount divided by (b) the Closing Per Share Price, plus (b) the Closing Date Cash Proceeds. The Merger Agreement provides that the Closing Per Share Price will equal the volume weighted average price of Redwire common stock over the 30 trading days ending on the day preceding the date of the Merger Agreement; provided that if Redwire completes an Equity Financing prior to the First Effective Time, the Closing Per Share Price will equal the Adjusted Closing Per Share Price.

You have asked us to render an opinion, as of the date hereof, as to the fairness, from a financial point of view, of the Transaction Consideration payable by Redwire pursuant to the Merger Agreement.

For purposes of the opinion set forth herein, we have reviewed among other things:

- (i) reviewed the draft Merger Agreement provided to us on January 16, 2025;
- (ii) reviewed certain information, including historic financial results and forecasts, relating to the business, earnings, cash flow, assets, liabilities and prospects of Edge that were furnished to us by management of the Company;
- (iii) conducted discussions with members of senior management of the Company concerning the matters described in clause (ii);
- (iv) reviewed publicly available information relating to the Company and Edge;
- (v) reviewed the financial terms, to the extent publicly available, of certain acquisitions that we deemed relevant;
- (vi) reviewed the financial terms, to the extent publicly available, of certain public companies that we deemed relevant;
- (vii) performed a discounted cash flow analysis to obtain the net present value of Edge using a range of discount rates and terminal values based on projections of Edge provided by Company management; and
- (viii) performed such other analyses, including detailed financial analyses, and considered such other factors as we deemed appropriate for the purpose of reviewing the proposed Transaction and arriving at our opinion.

Special Committee of the Board of Directors of Redwire Corporation

Page 2 of 4

In conducting our review and arriving at our opinion, with your consent, we have not independently investigated or verified any of the foregoing information and we have assumed and relied upon such information as being accurate and complete in all material respects, and we have further relied upon verbal or written assurances of senior management of the Company that such information was accurate and complete in all material respects when given to us and that they are not aware of any facts or circumstances that would make or render any of such information inaccurate, incomplete or misleading in any material respect. With respect to Edge's forecasts, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of the Company as to its future financial performance. We have not been engaged to assess the achievability of any projections or the assumptions on which they were based, and we express no view as to such projections or assumptions. In addition, we have not assumed any responsibility for any independent valuation or appraisal of the assets, liabilities or business operations of Edge, nor have we been furnished with any such valuation or appraisal. In addition, we have not assumed any obligation to conduct, nor have we actually conducted any physical inspection of the properties or facilities of the Company or Edge in connection with the Merger Agreement.

We also have assumed, with your consent, that the Merger Agreement will be consummated substantially in accordance with its terms and in compliance with the applicable provisions of the Securities Act of 1933, as amended (the "Securities Act"), the Securities Exchange Act of 1934, as amended, and all other applicable federal, state and local statutes, rules, regulations promulgated thereunder and the rules and regulations of The NYSE Stock Exchange, and any other applicable exchanges, that the representations and warranties of each party in the Merger Agreement are true and correct, that each party to the Merger Agreement will perform on a timely basis all covenants and agreements required to be performed by it under the Merger Agreement, and that all conditions to the consummation of the Merger Agreement will be satisfied without waiver thereof. We have further assumed that the final Merger Agreement when signed by all relevant parties will conform in all material respects to the near execution draft of the Merger Agreement dated January 16, 2025 provided to us. We have also assumed that all governmental, regulatory and other consents and approvals contemplated by the Merger Agreement will be timely obtained and that, in the course of obtaining any of those consents and approvals, no modification, delay, limitation, restriction or condition will be imposed or waivers made that would have a material adverse effect on the Company, Edge, or the contemplated benefits of the Merger Agreement to the respective parties. We have also assumed that the Closing Per Share Price will equal the volume weighted average price of Redwire common stock over the 30 trading days ending on the day preceding the date of the Merger Agreement.

Our opinion addresses only the fairness, from a financial point of view, as of the date hereof, of the Transaction Consideration payable by Redwire pursuant to the Merger Agreement. Our opinion does not in any manner address any other aspect or implication of the Merger Agreement or any agreement, arrangement or understanding entered into in connection with the Merger Agreement or otherwise, including, without limitation, the fairness of the amount or nature of any compensation to any officers, directors or employees of any party to the Merger Agreement, or any class of such persons, relative to the consideration in the Merger Agreement. Our opinion also does not address the relative merits of the Merger Agreement as compared to any alternative business strategies that might exist for the Company, the underlying business decision of the Company to proceed with the Merger Agreement, or the effects of any other transaction in which the Company might engage. The issuance of this opinion was approved by an authorized internal fairness committee of Roth in accordance with our customary practice. Our opinion is necessarily based on the economic, monetary, market, financial and other conditions as they exist and can be evaluated, and the information made available to us, as of the date hereof. We express no opinion as to the underlying valuation, future performance or long-term viability of the Company or Edge. We have acted as financial advisor to the Special Committee in connection with the Merger Agreement and will receive a fee for our services payable following a request from such Special Committee that our opinion be so delivered and Roth indicating that it is prepared to issue the opinion. Our fairness opinion fee is not contingent upon our conclusion as to fairness or the consummation of the Merger Agreement. In addition, we will be reimbursed for our reasonable and documented out of pocket expenses incurred in rendering services to the Special Committee. Payment of such reimbursement is not contingent upon consummation of the Merger Agreement. The Company has agreed, pursuant and subject to the terms and conditions of the Advisory Engagement Agreement (the “Engagement Letter”) entered into by and between us, the Special Committee, and the Company, to indemnify us for certain losses, claims, damages and liabilities arising out of our performance of services pursuant to our engagement with the Special Committee. In the three years prior to the date hereof, we have not provided financing services and financial advisory services to the Company, Edge or AE Industrial Partners LP (“AEI”) or any of AEI’s known affiliates and we have not received fees from such parties.

Roth, as part of its investment banking business, is continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes. We are a full service securities firm engaged in securities trading and brokerage activities, as well as providing investment banking and other financial services. In the ordinary course of business, we and our affiliates may acquire, hold or sell, for our and our affiliates’ own accounts and for the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of the Company, and, accordingly, may at any time hold a long or a short position in such securities.

The Special Committee may (a) furnish copies of this letter to the Special Committee’s legal counsel, the Company’s board of directors (the “Board”), the Company and the legal counsel and other advisors of the Company, (b) produce this letter in response to any subpoena, court order, or similar legal demand, provided that, to the extent legally permissible, prompt prior written notice thereof shall be given to Roth so that Roth may seek a protective order or other appropriate remedy, and, if Roth fails to obtain such remedy, the Special Committee may disclose only that information which its counsel advises it is legally compelled to disclose, and (c) in connection with the Special Committee’s recommendation to the Board, deliver an information copy of this letter to the Board. In addition, the Company may include the text of this letter and a description thereof in any proxy statement, information statement, or other similar communication filed by the Company with the Securities and Exchange Commission in connection with the Transaction, provided that (a) if this letter is included in such materials, this letter will be reproduced therein only in its entirety, and (b) the content and context of any such inclusion or description (including, without limitation, any reference to Roth, the engagement of Roth, the services provided by Roth or this letter) shall be subject to Roth’s prior review and approval, which approval shall not be unreasonably withheld conditioned or delayed.

It is understood that this letter is solely for the information of the Special Committee of the Company in connection with its evaluation of the Merger Agreement and does not constitute a recommendation to any stockholder of the Company. Subject to the terms of the Engagement Letter, this opinion may not be relied upon by any other person, or used for any other purpose. Subject to the terms of the Engagement Letter, except as expressly contemplated by and subject to the limitations set forth in the Merger Agreement, this opinion may not be reproduced, disseminated, quoted or referred to at any time, in any manner or for any purpose without our prior written consent.

On the basis of and subject to the foregoing, we are of the opinion, as of the date hereof, that the Transaction Consideration payable by the Company pursuant to the Merger Agreement is fair from a financial point of view.

Very truly yours,
